STATE OF THE STATE ADDRESS
GOVERNOR KATIE HOBBS
Monday, January 13, 2025

Speaker Montenegro, President Petersen, Leaders De Los Santos and Sundareshan, members of the House and Senate, Secretary Fontes, Attorney General Mayes, Treasurer Yee, Superintendent Horne, Mine Inspector Marsh, Corporation Commissioners, Chief Justice Timmer and members of the judiciary, Tribal leaders, honored guests, and my fellow Arizonans:

It is our honor to mark the opening of the 57th Legislature for its First Regular Session, here on land that will always be connected to the O'Odham and the Piipaash of today's Salt River Pima-Maricopa Indian Community and of the Gila River Indian Community.

Before we go further, let me say my heart is with the people of California impacted by the devastating wildfires. I also want to acknowledge the courageous Arizona firefighters

who are helping our neighbors battle the flames. To all those fighting the fires, thank you.

Now, let me extend my congratulations to both the new and returning faces in this chamber. Your dedication to public service is commendable. Let us never forget the honor we have in serving this great state.

That honor comes from the indomitable spirit of the people who built this land into the thriving culture, economy, and innovative place it is today …

The ingenious Huhugam people who first engineered central Arizona's canal systems and the Tribes who continue to lead on water stewardship policies today …

Individuals and families who built their lives here because they saw the promise of our deserts, our diverse geography, and our stunning open spaces …

Leaders like Justice Sandra Day O'Connor, Governor Raul Castro, Senators Barry Goldwater and John McCain who guided our state and nation …

Their spirit carries on today.

It continues with Arizonans like Felicia Siyuja, a member of the Havasupai Tribal Council. When devastating floods swept through Supai Village last summer and collapsed the surrounding trails, Felicia guided more than 100 tourists to Havasupai Elementary School for shelter. Throughout the night, she fielded calls from first responders about people stuck on trails and families looking for loved ones, communicating their names and locations to the Tribe's rangers.

Her service and heroism show how even in our most devastating moments, Arizonans are there to offer hope and a helping hand. Felicia, please stand so we can thank you for your bravery and kindness.

Resilient individuals like these and millions of other good, hard-working people built our beloved Arizona – a special place that values opportunity and freedom.

A place where entrepreneurs, mom-and-pop businesses, farmers, and international companies launch their next big idea or provide the critical services and products that make our modern way of life a reality …

A place where your children and grandchildren can triumph beyond our wildest imaginations …

A place where the promise of tomorrow is as vast as our blue skies and luminous as the Arizona sun.

This, my friends, is our Arizona Promise.

The promise that everyday people can find opportunity … security … and freedom. The promise that through hard work and perseverance, you can build a good life for yourself and your family and leave your kids with a better tomorrow.

For many years we lived by this creed and realized this promise. But for too many, the Arizona Promise has slipped away.

Our cost of living is too high. People are working harder and struggling more. Our freedoms are under attack. Our sense of security has faltered.

For too long, politicians have been focused on the wrong things – chasing headlines, playing politics, and looking toward their next election or their next office rather than standing up for the people we represent.

Since I became Governor, we have made great strides in restoring this Promise. But we still have much to do.

Our promise means you shouldn't have to work two or three jobs just to make ends meet …

it means your kids should be able to go to college or trade school without taking on a lifetime of debt …

it means you should be able to access the medicine and healthcare you need, at a price you can afford …

it means if you work hard and save, you should be able to buy a home where you and your family can build a life …

it means if you immigrate to this country, follow the law, pay taxes, and contribute to your community, the Arizona Promise can be yours, too.

The Arizona Promise is personal to me. I was born right here, at Saint Joe's hospital in Phoenix. I grew up in Tempe playing at Kiwanis Park. Thanks to scholarships and hard work, I graduated from Northern Arizona University and Arizona State University. As a social worker, I helped homeless youth and domestic violence victims in central Arizona. I met my husband here while volunteering at church. We raised our children here. And now, they are building their lives right here, too.

Arizona is my home – and, like you, I love this state.

That love never diminished when I was a kid and my family had to rely on food stamps. It never diminished when my husband and I lost our home during the Great Recession. Or when I took a second job driving for Uber so I could buy Christmas presents for my kids. And it never diminished in the face of any of the countless other battles middle class families like mine confront.

That's why every day, I wake up and fight for this state. That's why I will never give up on the Arizona Promise.

Since I became Governor, we have achieved much together by finding common ground, but we must do more.

As we go forward, let us work together to make that promise a reality – today and for years to come.

Having grown up in this state and raised my family here, I've witnessed how having a home represents more than four walls and a roof. The home I grew up in was somewhere we made memories. It made so much of our lives possible.

It's why a safe place to rest your head at night … to celebrate your children's birthdays … to build a life … is a pillar of the Arizona Promise.

The home where I made my memories – where I had a safe place to rest my head – was purchased by my parents for forty thousand dollars. They bought it back when working class families could afford to buy a home in this state and live their Arizona Promise.

But today, the high cost of housing is forcing that Promise out of reach. From Flagstaff to Sierra Vista, housing shortages and out-of-state speculators are driving up the price of housing.

To combat this, we are taking action.

A few weeks ago, I helped Maria Magdalena Contreras move into her new home. Maria is a widow and hardworking mom of four kids. As a medication technician, she helps keep our seniors healthy. After renting for eight years, Maria was finally able to buy a home thanks to down payment assistance from our Arizona Is Home program. She now has a place of her own … a place to hang a photo of her beloved children … and a place to one day pass down to them.

Maria's story signifies the perseverance of so many Arizonans who work hard and save for years, but for whom homeownership remains out of reach. We owe it to them to create more opportunities to find a home, access support if they need it, and live in the community they want.

During my time as Governor, we have lowered costs by cutting government red tape and making historic investments in affordable housing programs. But, make no mistake, we must do more.

First, we must extend the State Low-Income Housing Tax Credit. This program has enabled the development of affordable homes across Arizona – from Prescott Valley to Tucson.

Second, let's address the proliferation of vacation rentals owned by out of state corporations looking for a quick buck. These housing speculators are buying up properties and turning family homes into party houses, making housing less affordable in the process. Party houses are causing chaos in our communities. We must end the top-down government mandate that denies our neighborhoods a voice. Arizonans want family homes, not party houses.

Third, let's continue to foster generational wealth. Last year, I announced the Arizona Is Home program, and I'm proud to share with you today that we will double the number of first-time homebuyers who receive assistance.

Finally, we must further cut the red tape that's driving up the cost of housing. I'm proud of the progress we've made expanding access to casitas and building duplexes and triplexes in our downtowns. But Arizonans are depending on us to find more common sense solutions that don't expose our neighborhoods to untested experiments.

By taking these common sense actions, we can lower the sky-high cost of housing and help families thrive.

But there is yet more we can do – more we must do. No man or woman who served our nation and protected our freedoms should be forced to live on the street.

That's why today I am issuing a challenge to lawmakers and elected officials across the state to fully commit to ending veteran homelessness in Arizona in the next decade.

My executive budget will include a down payment to jumpstart this effort, with the creation of the Homes for Heroes Fund. But it will take all of us – state and local governments, non-profits, veterans organizations, and others – to see this commitment through. Let's work together to ensure our veterans have a place to call home.

While we tackle homelessness and the cost of housing, our families are burdened by other costs. We must also do more to help them afford day-to-day life.

When I travel across the state and speak to parents, I hear one thing time and again: child care costs are out of control.

- On average, an Arizona family pays nearly 15 thousand dollars per year for child care. That's more than students pay for in-state tuition to our public universities.
- More than 75,000 Arizona children – 1 in 4 – have parents who need childcare, but can't access it.
- And every year, child care disruptions cost our state billions of dollars in economic activity.

I was a working mother who raised two kids. I understand these challenges intimately. That's why I am putting forward the Working Families Child Care Act to lower the cost of caring for your kids by two-thirds. Through partnerships with employers, we can make life easier for families who are struggling with the high cost of raising a child.

Hardworking families will win. Employers will win. And, most importantly, our kids will be better off because they have the care they need to learn, play, and thrive.

Let's work together to lower costs and support families who are raising the next generation of Arizonans.

But lowering costs alone will not bring about the Arizona Promise. We must embrace a vision of economic opportunity.

Whether you're chasing your dream job in a trade or launching the next big thing, you should have the chance to succeed and build a better life for yourself and your family.

When we create opportunity, Arizonans like Orrin Bates succeed.

Orrin has always enjoyed learning how things work. As a kid, he helped his dad fix things in the garage. As a boy scout, he earned his first merit badge in electricity. Inspired by his scout leader who was an electrician, Orrin pursued an apprenticeship at Phoenix Electrical JATC.

His hard work paid off when he was named Apprentice of the Year and graduated from the program last month. The money he earned helped him buy his first home, where he hopes to raise a family one day. He's excited to get started as a Journeyman Inside Wireman and put his electrical skills to work. Orrin, please stand. Join me in acknowledging Orrin for his hard work and congratulating him on his recent engagement!

Through our BuildItAZ initiative, we're creating opportunities for thousands of talented, driven individuals like Orrin. We're investing in our construction and trades apprenticeship programs – including the one Orrin completed – that will, in turn, help more people build high-demand skills.

It's the right thing to do – because we should expand pathways to having a good job with good wages.

And it's the smart thing to do – because we're meeting the needs of our growing state, providing companies with top-notch talent, and supporting families.

Just look at the opportunities we're creating in the semiconductor industry.

Last year, I stood in front of you and called for the continuation of the Arizona Commerce Authority because I know it's essential to growing business and creating jobs in this state.

Fast forward to last week: I announced a historic investment through the CHIPS and Science Act to create Arizona's first national laboratory and one of America's three flagship semiconductor research and development facilities. It's an investment made possible because of the Commerce Authority, which partnered with Arizona State University to bring this enormous opportunity to our state.

Thanks to this historic project and support from public and private sector partners, Arizona stands as the epicenter of America's semiconductor industry – an industry putting thousands of people to work in our communities.

Whether it's the opportunities in the trades, the pathways created through our world-class universities, or the possibilities for ambitious entrepreneurs, Arizona offers a model for the nation.

Today, we have more Arizonans working than ever before …

We are the top market in the nation for manufacturing expansion …

We rank in the top 10 states for private sector wage growth …

And since I became Governor we've created nearly 200,000 jobs.

Through successful public-private partnerships and bipartisan collaboration, we are creating good-paying jobs that support industries critical to our national security and economic future. We are leading America's manufacturing renaissance.

However, we can't judge our success by the expansion of large companies alone.

Arizona's economy thrives because of small businesses like the one founded by Alexa Rodriguez. After discovering her passion for entrepreneurship, she started an online boutique selling crafts that honor her Mexican heritage. While starting a business was hard, Alexa learned that securing a loan through traditional channels was even harder.

That changed when she got a loan through our Microbusiness Loan Program, which is designed to provide financial support for our state's smallest businesses. The loan has helped her scale up her operation, allowing her to make more products and sell directly to customers at a mall kiosk. Through the program, she's also getting financial education and training so she can execute on her future plans. Alexa, please stand. Join me in congratulating Alexa on pursuing her dream and on her success as an entrepreneur.

Delivering on Arizona's Promise means creating more opportunities for individuals like Orrin and Alexa in communities and industries across our state.

Beyond these efforts, however, the best way to ensure we have a strong, thriving economy is by acting decisively to support our public K-12 schools.

We must address the impending expiration of Prop 123, which provides critical funding for public schools and teachers.

Renewing it is essential. If we fail to act, we are throwing away an opportunity to fund teacher pay raises and give Arizona's children the opportunity they deserve – all without raising taxes on a single Arizonan.

When Prop 123 originally passed, it was a bipartisan success and proved that Republicans and Democrats could come together and do the right thing for our students, teachers, and parents.

So let's put our kids first again and provide the certainty they and our schools need.

Let's address the Aggregate Expenditure Limit to make sure schools stay open …

Let's pass a Prop 123 extension to fund our schools without raising taxes.

I will not waver in my commitment to creating more opportunities for Arizonans – because every individual who works hard should have a chance to get ahead.

A truly thriving economy means security for our families and neighbors. That's why safe communities are a core pillar of the Arizona Promise and why I've made border security a top priority.

At my direction, the Arizona National Guard is at our border to support U.S. Customs and Border Protection and stop the flow of dangerous drugs into our state. When I visited the Port of Nogales in November, I saw the critical work that these men and women are doing to protect us. They direct traffic through x-ray machines. They break down vehicles. They assess every potential threat coming into our state. They are Task Force SAFE.

And one of its members is Staff Sergeant Everett Griggs. Staff Sergeant Griggs is a 17-year member of the Arizona National Guard and veteran of the United States Air Force. For Staff Sergeant Griggs, the mission of Task Force SAFE is personal. He told me how proud he is to play a role in keeping his family and neighbors safe. Most of all, he is driven by his wife Shauna and his three children: Preston, who wants to serve his country as a helicopter pilot in the military, Everett III, an aspiring NBA player, and 7-year-old Peyton, who loves to dance. Staff Sergeant Griggs, please stand so we can show our gratitude for your dedication to keeping our state and our families safe.

We must remain vigilant in protecting Arizonans from the cartels who seek to do us harm. The fentanyl crisis is one of the greatest threats to public safety in our state's history and requires a collaborative approach across state, local, and federal governments.

When we work together, we protect Arizona families.

Since July, the Arizona National Guard and CBP have seized more than 8 million fentanyl pills and more than 2,000 pounds of meth, cocaine, heroin, and fentanyl powder.

That means 8 million pills out of our communities …

8 million pills that didn't destroy fathers, mothers, sons and daughters, brothers and sisters, friends, and grandchildren. 8 million pills that are no longer funding the cartels who are shoving poison into our neighborhoods.

I will continue working with this legislature to protect our border because until all Arizonans feel secure in their communities, we will not be able to deliver on our Promise of freedom and opportunity.

In this effort, we must better support members of law enforcement who are on the frontlines keeping us safe.

Officers like Captain Trevor Graff and Sergeant Becky York, who are Arizona State Troopers. They also happen to be married. Every day they wake up, put on their uniforms, and bravely protect our families. But their selflessness extends far beyond that.

Last year, Captain Graff and Sergeant York chose to foster two children, a baby girl and a baby boy who had been exposed to dangerous drugs. They were born addicted to fentanyl, meth, and cocaine, putting them at higher risk of medical issues.

Thanks to the paid family leave my administration put into place, these foster parents were able to bond with their new babies, take them to critical doctor visits, get them healthy, and see them crawl for the first time. Captain Graff and Sergeant York, please stand so we can acknowledge and thank you for your service.

Paid family leave was the right thing to do so that parents can take care of their families.

But we must do more for the brave men and women who protect us every day. That's why my executive budget will include a 5 percent pay increase for our frontline law enforcement – including state police and correctional officers.

It's why my executive budget will also include a pay raise for the state firefighters who run toward danger and keep Arizonans safe every day.

These well-deserved raises will not only reward our hardworking state law enforcement and firefighters, but also help us recruit and retain the best. Our state police pay raise will mean more violent criminals in jail, less crime in our communities, and a greater sense of safety for Arizonans.

It's time to put our money where our mouth is. If we care about keeping our communities safe, if we care about supporting our officers, and if we care about public safety, then we should fund the police and our firefighters.

The Arizona Promise also means freedom – the freedom and the ability to make your own medical decisions and access the healthcare you need, when you need it.

My commitment to protecting this freedom is ironclad. As a mother and social worker, I've witnessed firsthand what can happen when that freedom is stripped away.

Look at the facts: In Arizona, our maternal death rate quadrupled from 1999 to 2019 … and today we have a higher rate of preventable maternal deaths than the U.S. average.

As a mother, I find it unacceptable that any baby should lose their mom to a preventable condition. Or that parents have to struggle to get healthcare for their kids.

That's why I'm proud we worked together to provide 19,000 more children with health insurance through our KidsCare program.

This year, I will build on our success and take action to save the lives of new moms by making our 12-month postpartum coverage permanent.

I also call on this Legislature to expand access to family planning services to keep moms healthy.

I believe it's a moral responsibility to ensure women and their families can access the care they need without government overreach.

I'm proud to have signed the repeal of the draconian 1864 total abortion ban, but unfortunately, some continue to attack women's freedoms, no matter the consequences.

I proudly stood with the overwhelming majority of voters to enshrine the right to abortion in our state constitution. Arizonans made their voices loud and clear: We want our freedoms protected.

I have been steadfast in calling for the end of the abortion reporting law that requires government surveillance of pregnant women – and I again call on this Legislature to get rid of this unnecessary, invasive report for good.

Further, I call on this Legislature to do what's right for Arizona women and families by taking common-sense actions:

Put a bill on my desk to guarantee the right to contraception – because every woman has the right to make their own private medical decisions without the government getting in the way.

And pass legislation to protect a woman's right to access fertility treatment, because every Arizonan should be able to decide how and when to start a family, on their own terms.

For one Arizonan named Nicole, cancer nearly put motherhood out of reach. When she was diagnosed with leukemia at age 27, her immediate thought was: Will I be able to have kids? Before starting chemo and undergoing a bone marrow transplant, she froze her eggs. Today, Nicole is 6 years cancer-free and thanks to IVF, she has a beautiful daughter. She hopes IVF is protected so other women will have opportunities like her.

There are thousands of Arizona women, couples, and families like Nicole who deserve to have their rights protected and the opportunity to build the life they want.

That's why these aren't just policy positions – they're actions that embody the fundamental values of freedom and family.

Arizonans have spoken clearly. It's our responsibility to deliver on their mandate.

One of our sacred freedoms is the right to clean water for all. We must protect Arizona's most precious resource: water.

I will never stop fighting for our water rights, because access to water is fundamental to preserving the Arizona Promise. Whether that means combatting federal overreach, out-of-state interests, or exploitation from big corporations that hurt local farmers.

Securing our water future is essential to preserving our way of life.

Whether it's our use of canals and dams to provide water to millions of people … or the passage of the visionary Groundwater Management Act … or the hard work of farmers, ranchers, Tribal nations and the men and women of the Arizona Department of Water Resources, we have always led the nation in water innovation and conservation.

But some still lack access to this fundamental resource. Judy Elthsosie from the Black Falls community of the Navajo Nation has lived her entire life without running water. A cistern that once stored rainwater grew algae, making it unusable. When she needs water, she drives 30 miles, making as many as three trips a week in the summer months. Having reliable access to clean drinking water would be life-changing, she says.

In November, I signed historic water settlements with leaders from four Tribal Nations – ending decades of litigation and finally settling their water rights. Now, it's time for Congress to do their part and pass these settlements so that Judy, her community, and future generations have access to the safe, clean water they deserve.

In addition to those settlements, I have taken decisive actions to ensure Arizona's water future and defend our state's groundwater from irresponsible developers who are focused only on short-term profits. Through the work of my Water Policy Council, we created a program to build the housing communities need to grow, while protecting the groundwater they rely on.

And now, I'm proud to announce the Arizona Water Company and EPCOR have taken the first steps to obtaining designations of Assured Water Supply using alternatives to groundwater. Arizona communities from Sun City to Casa Grande will be able to grow while using less groundwater. And that's just the beginning of this innovative program.

When we fail to take action to protect our groundwater, big corporations will recklessly over-pump this finite resource regardless of the people and communities they hurt.

Take for example Janet Randall — the land beneath her home is sinking. She first noticed things like doors not closing … then came the cracks in the floor … then a layer of bricks collapsing in her living room. Now, you can see daylight through the kitchen wall.

In her community and across Cochise County, wells have gone dry, forcing residents to make an impossible decision: pay big bucks to deepen their well … or move. Local family farmers are being squeezed and feeling the consequences of over-pumped groundwater.

Mark and Rhona came to Willcox with a dream to farm, and through hard work they made that dream a reality. There's a lot Mark and Rhona would like to do to grow their business: upgrade equipment…purchase attachments for their tractor…hire more workers. But over the years, the water in their well has gone down…and down…and down. So instead, they had to drain their savings and borrow tens of thousands of dollars to drill a new well with a new pump…a debt they will be paying off for years.

To fight the dangerous consequences of excessive groundwater pumping, something had to be done to help Janet, Mark, Rhona, and their entire community. That's why I designated the Willcox Groundwater Basin an Active Management Area.

As I said when I stood before you last year, we must act now to protect Arizona's water. And when the Legislature did not, I did.

I remain committed to true, bipartisan reform to protect our groundwater. But mark my words, if this Legislature fails to act. I will… Again.

Further, any bills that attack our assured water supply program, undermine our water future, or are political cover for this Legislature's lack of action on water security, will meet my veto pen.

Finally, securing our long-term water supplies means defending Arizona's rightful share of the Colorado River.

Whether I'm meeting with farmers from Yuma, communities across central and southern Arizona, or other governors, my message is the same: I will always stand up for Arizona's water rights.

I'm proud to have secured a deal that protects Arizonans from forced cuts to our water use through 2026, but the deadline is close and we have more to do.

The solutions to our water challenges won't come from Washington, D.C. They will come from Western states working together, not against each other.

Arizona has led the nation in water management for generations. Now it's our responsibility to continue that legacy, ensure our water future, and protect the Arizona Promise for those who follow in our footsteps.

Our children deserve the best public education.

From Page to Douglas, more than 90 percent of our K-12 students go to public school. That's why our path forward demands bipartisan solutions to create and sustain the world-class schools our children and parents deserve.

Public education is the key to opportunity … security … and freedom. It is the Arizona Promise.

Success means outstanding teachers in every classroom …

It means smaller class sizes to enable meaningful engagement and learning …

It means equipping kids with the tools to succeed …

And it means bringing overdue accountability to the ESA program that costs taxpayers nearly 1 billion dollars every year.

Members of this Legislature must ask themselves:

- Do we finally put guardrails around ESAs to protect against fraud, waste and abuse – or do we continue to write a blank check with taxpayer money?
- Do we lower costs by investing in child care and housing – or do we continue to subsidize the rich?
- Do we provide lifesaving care to new mothers and their children – or do we continue paying for grand pianos to sit in multi-million-dollar homes?
- Do we give our police a raise and secure our border – or do we continue to pay for ski resort passes?

The current program is unchecked, flawed, and rife with exploitation.

Three years ago, it went far beyond its original purpose, which was to support kids with special needs and military families.

Today, it has ballooned into a billion-dollar boondoggle increasingly scamming Arizonans.

Other entitlements funded by taxpayers have strict oversight and income requirements.

Yet the ESA program has the privilege of virtually no safeguards. My executive budget offers a balanced solution that supports families and finally brings real and effective guardrails to ESAs.

The solution is simple:

- Institute responsible income caps
- Ensure taxpayers know where their money is going
- And create real accountability for taxpayer dollars

It's time to bring common sense to this program. It's time to bring the same fiscal responsibility to ESAs that we demand from every other program in state government.

The Arizona Promise depends on it.

In his opening message to the first regular session of the 35th Legislature, Governor Bruce Babbitt delivered the following words:

"The task is not an easy one; the role of the critic is always easier than that of the problem-solver … I am confident that we can preserve that which is good in our heritage while accepting the challenge of the future."

As we work, debate, and craft solutions together in the months ahead, let's remember those words.

Arizonans are counting on us to be their voice.

…to lower costs.

…to support our schools and secure our border.

…to defend their freedoms and keep their communities safe.

…to deliver the Arizona Promise.

We are all Arizonans. We love this state: The people. The natural beauty. The opportunity. The freedom.

We know what is possible when we put our differences aside and do what's right – no obstacle is too great and no divide is too wide to overcome.

Thank you for your commitment to serving, to building a better state today and for the future, and for helping to restore the Arizona Promise.

Now let's get to work.

Legislative Resolution

Urging Congress to Permanently Extend the Tax Cuts and Jobs Act of 2017

WHEREAS, prior to government-mandated economic shutdowns during the COVID-19 pandemic, the Tax Cuts and Jobs Act of 2017 spurred steady economic expansion and allowed the spirit of entrepreneurship to flourish, while creating new jobs and opportunities for millions of Americans;

WHEREAS, the tax cuts of 2017 resulted in a $1.5 trillion net tax cut, and were followed by historically low unemployment rates, an increase in business investment, and a $6,000 increase in real median household income over two years – which included scores of raises and bonuses for workers immediately after the 2017 tax cuts were adopted;

WHEREAS, more than 100 million American taxpayers from all income groups, but especially middle and working class American taxpayers, have enjoyed real tax relief due to the Tax Cuts and Jobs Act;

WHEREAS, twenty-three provisions of the 2017 tax cuts directly relating to individual income taxes, such as the reductions in personal income tax rates, the near doubling of the standard deduction, and the substantial reduction of the hated Alternative Minimum Tax (AMT) will expire after December 31, 2025;

WHEREAS, the 2017 tax cuts reduced federal tax rates for households across every income level, and this relief resulted in a tax cut of more than $1,500 for the average middle-income earner;

WHEREAS, prior to the 2017 tax cuts, the top corporate income tax rate in the United States was 35%, the highest among all nations in the Organization for Economic Co-operation and Development (OECD);

WHEREAS, the 2017 tax cuts reduced the business tax rate from 35% to 21%, bringing the United States back to average among OECD member nations, and dramatically enhancing American competitiveness;

WHEREAS, the 2017 tax cuts set an annual cap of $10,000 on the state and local tax (SALT) deduction, thereby broadening the tax base at the federal level and in many states, which caused state level budget surpluses and resulted in many states offering substantial tax relief;

WHEREAS, if the current $10,000 cap on the SALT deduction is allowed to expire after December 31, 2025, the federal tax base will be narrowed;

WHEREAS, returning to an unlimited SALT deduction would be an incentive for many states to once again implement higher taxes and spend at higher levels;

WHEREAS, a majority of Americans support making the 2017 tax cuts permanent;

WHEREAS, allowing the Tax Cuts and Jobs Act of 2017 to expire would result in a massive tax increase on hardworking American taxpayers, a significant decline in American competitiveness, fewer jobs, reduced wage income for workers, and higher prices;

NOW THEREFORE **BE IT RESOLVED,** that the legislature of the state of Arizona urges the United States Congress to permanently extend the Tax Cuts and Jobs Act of 2017 with commensurate spending cuts to avoid increasing the federal debt burden.

Dated this 15 day of January 2025

/s/ VINCE LEACH
Arizona State Senator, LD17

> Please let the journal show that Donald Trump poses a grave threat to American democracy and cannot be trusted to uphold the integrity of our Constitution in the instance that a constitutional convention was convened. For that reason, I, Senator Lauren Kuby, joined by Senators Catherine Miranda and Eva Diaz made the attempt the remove our co-sponsorship signatures from HCR2041 and were unfortunately made aware that we could not. We will not support this bill if it moves the process, despite our support of term limits. Thank you.

Arizona Heart Month 2025

WHEREAS, more than 350,000 people experience cardiac arrest outside of a hospital each year and about 70 percent happen at home; and only about 1 in 10 survive; and more than 23,000 children under the age of 18 experience cardiac arrest outside of a hospital each year in the United States and almost 40 percent of these are sports related; and

WHEREAS, knowing how to properly perform CPR has encouraged more people to act when faced with a cardiac emergency and to save more lives from cardiac arrest outside of a hospital, we must increase the number of people who respond to cardiac arrest by calling 911, delivering high-quality CPR and using an AED as soon as it is available; and

WHEREAS, the American Heart Association has set a goal of doubling the survival from cardiac arrest by 2030 by turning bystanders into lifesavers, so that everyone, everywhere is prepared and empowered to become a vital link in the chain of survival and provide CPR in response to a cardiac emergency; and

MESSAGES FROM THE HOUSE

(February 10, 2025)
House unanimously adopted House Concurrent Resolution 2048

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2048

House Concurrent Resolution 2048 was introduced and read in full by Senator Gonzales as follows:

A Concurrent Resolution on the death of Daniel Espinoza Hernandez.

Daniel Espinoza Hernandez passed away on December 1, 2024 at the age of 75.

Daniel Espinoza Hernandez was born in California, but like many others, moved and found his true home in Southern Arizona. Daniel was the oldest of five children who grew up poor on a farm in California. His childhood was turbulent and full of challenges, but that did not stop him from achieving great things.

In high school, Daniel was an all-star athlete and participated in football, baseball and wrestling, which earned him a scholarship to Antelope Valley College. However, Daniel was forced to drop out of college and work as a plasterer to help support his younger siblings.

Daniel later made Arizona his home when he started his own construction company with his younger brother, Art. Arizona became the place where he started a family and raised his three children, whom he taught the importance of public service, honesty, integrity, hard work and the value of quality education. Daniel wanted his children to never give up and pursue their dreams and, through his teachings, his children devoted themselves to a life of public service and have all held public office.

Daniel worked hard to provide for his family and made sure he was always involved in everything his family did. In his free time, he loved to hunt and fish, and his three children joined him in the annual bipartisan dove hunt every year up until Daniel became too sick to participate.

Those closest to Daniel knew that he was a hardcore political enthusiast and an active volunteer for the Democratic Party. He worked hard on countless political campaigns, including the campaigns of his three children. He proudly served as chairperson of the Bond Advisory Committee of the Sunnyside Unified School District for years.

Finally, Daniel settled into his dream home in Green Valley, where he passed away peacefully surrounded by his family. He is survived by his wife of 36 years, Consuelo Hernandez, and his three children, Daniel, Alma and Consuelo.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the members of the Legislature express sincere regret at the death of Daniel Espinoza Hernandez and extend their deepest sympathies to his surviving family members.

Senator Gonzales moved that House Concurrent Resolution 2048 be unanimously adopted and that the Senate stand in a moment of silence in memory of Daniel Espinoza Hernandez. The motion carried.

MESSAGES FROM THE HOUSE

(February 17, 2025)
House unanimously adopted House Concurrent Resolution 2059

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2059

House Concurrent Resolution 2059 was introduced and read in full by the Reader as follows:

A Concurrent Resolution on the death of Phillip A. Austin.

Phillip A. Austin, distinguished attorney, Mesa community leader and champion of civil rights, passed away peacefully on December 20, 2024 at the age of 73.

Born on February 17, 1951, Phil devoted his life to the pursuit of justice and equality for all. Known as "Mr. Mesa", Phil was born in his beloved Mesa, Arizona where his family has resided for over 100 years. He was born to loving parents, Albert "Beto" and Margaret "Maggie" Austin, who were well-known community members and who owned and operated Albert's Market in the Washington/Escobedo Park Neighborhood. Growing up with six siblings and close neighborhood friends, Phil's upbringing played a pivotal part of his life. He attended Queen of Peace Elementary School and Brophy College Preparatory, graduating in 1969.

Phil developed a strong sense of justice at an early age. A graduate of Santa Clara University and the University of California, Berkeley School of Law, Phil quickly became well known for his student activism surrounding civil rights.

Phil distinguished himself as an outstanding public servant throughout his lifetime. He served in the Arizona Attorney General's office for 16 years, where he led

the civil rights division and tirelessly advocated for equal rights. His distinguished career as Assistant Attorney General and Chief Counsel was marked by his significant contributions to legislative efforts, including the successful passage of Arizona's first fair housing legislation, antidiscrimination laws for the elderly and disabled and initiatives fostering the development of dispute resolution and mediation programs throughout the state. In 1994, Phil opened a law firm in downtown Mesa, which encompassed many types of cases with a particular focus on fair housing.

Despite the demands of his work, Phil gave generously of his time, energy and skills to various organizations. His impact extended far beyond the courtroom. He passionately advocated for the Latino community, which led to him becoming one of the founding members of the East Valley Hispanic Chamber of Commerce and creating the Chamber's STEAM Scholars program. He also established the Albert D. Austin, Jr. Memorial Fund, which provides scholarships to aspiring students, and established the Albert D. Austin Mariachi Academy, which empowers young people through music education and cultural enrichment. Phil also helped form the Mesa Association of Hispanic Citizens, a nonprofit organization that serves the East Valley Latino community and promotes and advocates for an improved quality of life. Because of these activities, Phil is credited with inspiring more Latinos and Hispanic people to represent their communities in local government.

A determined community builder, Phil played a pivotal role in establishing the Alston House Center for Peace and Justice, a hub for community services and social justice initiatives, and founded the Latino PAC del Rio Salado to endorse candidates who would be champions for the Latino community. Phil's commitment to justice and equality earned him countless awards and recognitions, including the Phoenix Jaycee's Three Outstanding Young Men Award, Valle de Sol's Exemplary Leadership Award and the NAACP's Roy Wilkens Award.

Aside from his many accolades, Phil will be most remembered for being an exceptional human. A natural-born leader, faithful public servant, cherished community member and beloved husband and father, Phil will be deeply missed and fondly remembered for his selflessness, public service and human rights advocacy.

Deeply devoted to his family, Phil will be greatly missed by his beloved wife, Christy, his children, Lela, Phillip (Alisha), Angelo (Alexis) and Lorena (Kimberly), his grandchildren, Natalie, Kandy, Kendall, Jaiden, Atticus, Santana, Noel, Andrés and Eva, and his siblings, Charlie (Helen) Austin, Carole Austin, Roddy (Kathy) Austin and Roseanne Newton. He has joined his dear son, Amado Austin, mother and father, Beto and Maggie, brothers Butch and Ricky Austin and brother-in-law, Fred Newton.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the House of Representatives express sincere regret at the passing of Phillip A. Austin and extend their deepest regrets and condolences to his family and many friends.

Senator Miranda moved that House Concurrent Resolution 2059 be unanimously adopted and that the Senate stand in a moment of silence in memory of Phillip A. Austin. The motion carried.

House Concurrent Resolution 2059 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

On February 18, 2025, the Governor vetoed House Bill 2703 with the following message:

February 18, 2025

The Honorable Steve Montenegro
Speaker of the House of Representatives
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2703: early voting; tabulation; ballot deadlines

Speaker Montenegro,

Today, I vetoed HB 2703. While I too want faster election results, the solution should not needlessly restrict Arizona citizens' freedom to vote, or undermine the learning and safety of students in public school districts. This legislation effectively ends the Active Early Voting List, something that has nothing to do with faster election results, but disenfranchises voters by adding additional steps for the hundreds of thousands of Arizona voters who prefer to vote by mail. Making it less convenient to vote is something I have consistently said I cannot support. Arizonans are relying on us to work together and put their rights ahead of any partisan agenda.

Compromises I proposed would increase voter freedom while speeding up election results. Proposed changes included Friday early ballot drop off restrictions, while protecting the Active Early Voting List and some combination of same day voter registration, cross-county portability of voter registration, and expanded assistance for eligible voters to return their ballots in a timely manner. A negotiated bill that included some of these provisions would have shown Arizonans that it is possible to both speed up counting and expand voter access.

Unfortunately, any potential compromise was rejected, leading me to believe the focus of this legislation is disenfranchising eligible voters, not delivering faster election results for Arizonans.

Any bill on this issue must reflect the efforts of good-faith negotiations and uphold Arizona citizens' access to the ballot box.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the “Ayes” and then for the “Noes”. If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side OR THE BILL SPONSOR may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . . through . . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

RULE 15
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

K. The Senate may by a majority vote of the members present bring a bill, memorial or resolution otherwise designated as available for third reading to Committee of the Whole for amendment or further amendment, except no proposed amendment to strike everything after the enacting clause and insert new material is in order.

RULE 18

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

Arizona State Senate

Legislative Proclamation

St. Patrick's Day

WHEREAS, since the founding of our state, people of Irish heritage have made their homes in Arizona and many have become leaders in government, education, business and science; and

WHEREAS, the Irish people and culture are an important part of the ethnic tradition of the United States and have played a significant role in the history and development of our state and nation; and

WHEREAS, in Ireland and places recognizing Irish heritage, communities celebrate the history of Ireland's patron saint, Patrick, who died on March 17 around 470 A.D.; and

WHEREAS, the bonds between Arizona and Ireland have been strengthened through cultural exchanges, economic partnerships, and shared values of innovation and entrepreneurship; resulting in Maricopa County having the 4th largest Irish population in the United States; and

WHEREAS, from our nation's first St. Patrick's Day parade in New York City in 1762, festivals, celebrations, and the "wearin' o' green" have grown to cities and towns across the country so that this is possibly the only national holiday given such recognition outside of its native land; and

WHEREAS, the Phoenix St. Patrick's Day Parade and Faire is one of the top ten largest and most celebrated St. Patrick's Day celebrations in the United States always celebrated on the Saturday before March 17th and will celebrate its 42nd year on March 15th, 2025; and

WHEREAS, the Irish Cultural Center and McClelland Library, an epicenter for Southwestern Irish Culture and Learning, has many organizations like the Friends of Saint Patrick - Arizona Chapter working in our community to share St. Patrick's message of charity, peace, and reconciliation; and

WHEREAS, the symbol of St. Patrick's Day is the Shamrock, which is used to illustrate how the Trinity could exist as separate elements of the same entity. We, as Americans and Arizonans, can also celebrate the shamrock as symbolic of our shared immigrant past.

NOW THEREFORE, be it resolved by the Arizona State Senators Frank Carroll and John Kavanagh that we celebrate the flag of Ireland as a symbol of the link between the United States and Ireland and celebrate it as a symbol of peace.

Senator Miranda requested a point of Personal Privilege and requested that the Reader read a legislative proclamation as follows:

Arizona State Senate

Legislative Proclamation

Mrs. Elizabeth J. White

WHEREAS, Mrs. Elizabeth J. White, Owner and proprietor of Mrs. Whites Golden Rule Café did not set to become a business icon or a living legend in the Valley of the Sun, the opportunity materialized almost "just before her face" as the possibilities of staying in a strange land presented more opportunities for her and her young children than returning to Central Texas and a far too conservative life; and

WHEREAS, the youngest girl, and the last of 12 siblings born to the union of the late Jesse J. and Lizzie Jones Jimmerson in Eddy, Texas, Elizabeth and her siblings spent most summers and late falls picking cotton in West and Central Texas before the family relocated to Temple where the children started their formal education; and

WHEREAS, Mrs. White, a God-fearing lady, raised in the church, knew that if she trusted, believed in her work ethic, the ability to mix seasonings and prepare tasty Southern style dishes, she would do just fine; and

WHEREAS, despite the challenges of securing loans as a single black female, Mrs. White's strong faith and unique culinary skills secured a small loan, leading to the establishment of one of the longest-running African American owned businesses in the Southwest; and

WHEREAS, Mrs. White's key principles for operating a business emphasize that "Being in business, means first and foremost being present 'at your business' when the hours of operation are posted. You must provide a product that the people will appreciate, and you should offer that product at a fair price"; and

WHEREAS, Mrs. White became a pioneer in the restaurant industry by being the first establishment in the Southwest to go smokeless in 1976, a bold decision that was met with resistance but ultimately earned her recognition for standing firm in her values; and

WHEREAS, through the years, the business grew from its humble beginnings and, in 1976, became one of two businesses in the area to receive a City of Phoenix block grant, allowing it to relocate from 1029 E. Jefferson to 808 E. Jefferson. Mrs. White's Café has since earned numerous awards, including Best Soul Food, Best Dessert, Best Fried Chicken, and was inducted into the Arizona History Makers Museum in October 2023, the year of her 100th birthday; and

WHEREAS, in addition to her accomplishments, Mrs. White's restaurant became a viable resource in the community, providing job opportunities and training for many, while offering a place for individuals to learn valuable skills in the restaurant industry; and

WHEREAS ,"Life is a struggle," Mrs. White have said more than once, often following with a verse from the good book that suggest, "The race is not given to the swift or to the strong, but rather to those that endure." …And Mrs. Elizabeth J. White has endured; and

NOW THEREFORE, we express our sincere appreciation for the time, effort, and dedication that Mrs. White has invested in her business. Her commitment and hard work have made a significant impact, and we acknowledge her remarkable contributions with gratitude.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1039

Senate Concurrent Resolution 1039 was introduced and read in full by the Reader as follows:

A Concurrent Resolution supporting a stronger and more sustainable trade partnership between the United States and Taiwan.

Whereas, the trade in goods between the United States and the Republic of China (Taiwan) totaled an estimated $127.8 billion in 2023, with $40 billion in exports and $87.8 billion in imports, ranking Taiwan as the ninth largest trading partner of the United States; and

Whereas, 161 Members of Congress signed a letter to the then-United States Trade Representative on December 19, 2019, while 50 United States senators signed a separate letter to him on October 1, 2020, both encouraging the United States government to work toward initiating negotiations on a bilateral trade agreement with Taiwan; and

Whereas, the initial agreement of the United States-Taiwan Initiative on 21st-Century Trade, signed on June 1, 2023, represented a milestone for United States-Taiwan trade relations, which will facilitate the development of a roadmap for negotiations on economic and trade agreements with high-standard commitments; and

Whereas, Taiwan was Arizona's eighth largest export market in 2023, reaching $785 million in total United States exports to Taiwan originating from Arizona. In total, more than 7,895 jobs in Arizona are supported by Taiwanese-affiliated companies and the exports of goods and services to Taiwan; and

Whereas, the Taiwan Semiconductor Manufacturing Company (TSMC) has increased its investment from $12 billion to $65 billion to construct three advanced fabs in Phoenix, Arizona, making one of the largest foreign investments in United States history. These three fabs will create 10,000 high-paying and high-tech jobs, including 4,500 direct TSMC jobs in Arizona over multiple years; and

Whereas, Taiwan's International Trade Administration, the Ministry of Economic Affairs, and the Arizona Commerce Authority signed the Memorandum of Understanding on Trade and Economic Cooperation on October 5, 2021, aiming to foster further economic engagement and to establish or expand operations and supply chains cooperation between Taiwan and Arizona; and

Whereas, on July 12, 2013, the President of the United States signed into law H.R. 1151, an act supporting Taiwan's participation as an observer in the International Civil Aviation Organization (ICAO); and

Whereas, on March 18, 2016, the President of the United States signed into law S. 2426, an act directing the United States Secretary of State to develop a strategy to obtain observer status for Taiwan in the International Criminal Police Organization (INTERPOL); and

Whereas, on March 26, 2020, the President of the United States signed into law S. 1678, an act stating that it should be the policy of the United States to advocate, as appropriate, for Taiwan's membership in all international organizations in which statehood is not a requirement and in which the United States is also a participant, and for Taiwan to be granted observer status in other appropriate international organizations; and

Whereas, the United States Secretary of State issued a statement on October 26, 2021, encouraging all United Nations member states to join the United States in supporting Taiwan's robust, meaningful participation throughout the United Nations system and in the international community; and

Whereas, the Arizona State Legislature passed resolutions in support of Taiwan's participation in international organizations, including INTERPOL and United Nations specialized agencies such as the World Health Organization (WHO), the ICAO and the United Nations Framework Convention on Climate Change (UNFCCC) in 2012, 2014, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023 and 2024; and

Whereas, the Taiwan Travel Act, signed into law by the President of the United States on March 16, 2018, allows officials at all levels of the federal government to travel to Taiwan to meet their Taiwanese counterparts and allows high-level Taiwanese officials to enter the United States under conditions that demonstrate appropriate respect to such officials.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature support the negotiation of a United States-Taiwan bilateral trade agreement and support Taiwan's inclusion in the Indo-Pacific Economic Framework.

2. That the Members of the Legislature support Taiwan's meaningful participation in the United Nations system, including WHO, ICAO and UNFCCC and support Taiwan's inclusion in INTERPOL.

3. That the Members of the Legislature acknowledge the achievements made by Arizona and Taiwan in the fields of economy, trade, technology, education and culture since establishing their sister-state relations on July 28, 1980, and encourage the continued bilateral cooperation and exchanges between the two states in the future.

Senator Kavanagh moved that Senate Concurrent Resolution 1039 be unanimously adopted. The motion carried.

Sincerely,

A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A COW consent calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from amended measures reported out of all committees to which they were referred with zero "no" votes. The COW consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest any measure being subject to group motion and adoption of all committee amendments by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the COW consent calendar. Additionally, the filing of a floor amendment with the Secretary of the Senate shall automatically remove the bill, resolution or memorial from the COW consent calendar. The President may remove a bill, resolution or memorial from the COW consent calendar at any time. Subject to Rule 17-K, the bills, resolutions, or memorials remaining on the COW consent calendar and passed will then be placed on the third reading calendar.

5. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a “do pass” or “do pass amended” recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side or the bill sponsor may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy". Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . . through . . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

RULE 15
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

K. The Senate may by a majority vote of the members present bring a bill, memorial or resolution otherwise designated as available for third reading to Committee of the Whole for amendment or further amendment, except no proposed amendment to strike everything after the enacting clause and insert new material is in order.

RULE 18

RULE 20
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

"Reference value" means administrative, legal, fiscal, research, or historical value as reasonably determined by the custodian.

The custodian may keep a list, containing minimal information, capturing any destroyed items, so that the custodian knows that it has been destroyed and has not been merely misplaced or never existed.

6. Private electronic devices. An electronic message solely sent or received on and maintained on a private electronic device of any legislator, legislative staff member, legislative intern, or legislative contractor is not subject to public inspection.

7. Effective date. The provisions of this rule are applicable to files, records, and documents created before or after the adoption of this rule.

Legislative Proclamation

Critical Work of Homeless Youth Connection

WHEREAS, youth homelessness remains a crisis in Arizona with an estimated 7,800 homeless students in our public school system. Of these, 1,600 are unaccompanied youth experiencing homelessness, during the 2022–2023 academic year, as reported by the Arizona Department of Education; and

WHEREAS, homeless youth face significant barriers to successfully completing high school due to unstable or unsafe housing, food insecurity, untreated mental and physical health challenges, and systemic obstacles to completing their education—factors that contribute to a statewide graduation rate of just 42% among homeless students compared to Arizona's overall rate of 75% in 2023; and

WHEREAS, Homeless Youth Connection (HYC), a nonprofit organization partnering with 130 high schools in Maricopa and Coconino counties, has for over two decades, demonstrated an unwavering commitment to breaking the cycle of homelessness by eliminating the barriers to graduation for youth experiencing homelessness; and

WHEREAS, HYC provides holistic, evidence-based solutions tailored to the unique needs of homeless youth, including:

- Housing Stability: Emergency shelter placements, transitional housing partnerships, rental assistance, and essential supplies such as clothing, hygiene kits, and school uniforms;
- Wrap-Around Support: Personalized case management, mental health counseling, academic tutoring, transportation assistance, life skills and financial literacy training;
- Educational Advocacy: Collaboration with school districts to ensure enrollment, attendance, and access to extracurricular activities, alongside scholarship opportunities for postsecondary education;
- Community Collaboration: Partnerships with local businesses, faith-based organizations, and government agencies to expand resources and foster long-term stability; and

WHEREAS, through its proven model, HYC has served over 7,500 youth since 2010, achieving an 89% high school graduation rate among participating students and connecting 92% of graduates to employment, higher education, military service or vocational training—dramatically reducing their risk of chronic homelessness; and

WHEREAS, HYC's work aligns with Arizona's broader goals of breaking the cycle of homelessness, strengthening families and communities, reducing economic barriers to success, and investing in the potential of all youth, thereby contributing to the state's economic prosperity; and

NOW THEREFORE, I Senator Shamp hereby:

- Recognizes Homeless Youth Connection for its transformative work in addressing youth homelessness and advancing educational opportunity for all;
- Commends HYC's staff, volunteers, and community partners for their dedication to uplifting vulnerable youth and ensuring their access to opportunity;
- Urges continued collaboration between state agencies, educators, and nonprofits to expand resources and replicate HYC's successful strategies statewide;
- Declares its support for policies that prioritize homeless youth services, ensuring every young Arizonan has the tools to thrive.

BE IT FURTHER RESOLVED, that a copy of this proclamation be entered into the official record of the Arizona Legislature as a testament to the State's gratitude and appreciation to Homeless Youth Connection's commitment to ending youth homelessness.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 15, 2025, the Governor vetoed House Bills 2004, 2058, 2060, 2062, 2063, 2086, 2088, 2089, 2090, 2094, 2126, 2153, 2165, 2202 and 2270 with the following messages:

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2004: voter registration cards; mailing limitation

Speaker Montenegro,

Today, I vetoed House Bill 2004. This bill adds red tape and places unnecessary burdens on lawfully registered voters. We should be making it easier for legal voters to participate in our democratic systems, not harder.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2058: immunizations; proof; exemptions; higher education

Speaker Montenegro,

Today, I vetoed House Bill 2058. The bill is unnecessary, given existing university and community college policies.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2060: sovereign authority; elections

Speaker Montenegro,

Today, I vetoed House Bill 2060. This bill is at odds with federal law and would expose the state to unnecessary and costly litigation.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2062: sex-based terms; laws; rules; regulations

Speaker Montenegro,

Today, I vetoed House Bill 2062. This bill will not lower costs, will not increase opportunity, and will not enhance security or freedom for Arizonans. I encourage the Legislature to focus on real issues that matter and impact people's everyday lives.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2063: parental notification; school immunization exemptions

Speaker Montenegro,

Today, I vetoed House Bill 2063. This bill is unnecessary as the information it is trying to disseminate is widely available and easily accessible for those who are interested.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bills 2086, 2088, 2089, 2090, 2094, 2202, 2270

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2086 water improvements program; water hauling
- HB 2088 subsequent AMA; director; removal
- HB 2089 subsequent AMA; voters; removal
- HB 2090 acting in concert; evidence; exceptions
- HB 2094 real estate; definition of contiguous
- HB 2202 subsequent AMA; previously nonirrigated land
- HB 2270 groundwater model; stormwater recharge; AMAs

Each of these bills was sponsored by Representative Gail Griffin. Disappointingly, none of these bills make a difference in solving the water policy challenges that Arizona residents and communities are facing today.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

These bills either weaken rural groundwater protections or make pointless, trivial statutory changes that demean the rural Arizonans who have been asking the Legislature for years to institute meaningful rural groundwater management measures.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations.

My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2126: medical records; parental rights

Speaker Montenegro,

Today, I vetoed House Bill 2126. Patient privacy is a longstanding tenet of American healthcare and this bill would create legal ambiguity for healthcare providers who have existing obligations to patient privacy.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2153: Voting locations; political party observers

Speaker Montenegro,

Today, I vetoed House Bill 2153. While I do not object to uniform laws regarding political party observers, I am concerned this bill will strain the resources of counties that already struggle with recruiting poll workers by adding additional responsibilities to manage observers who would be required to act as challengers.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 15, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2165: SNAP; prohibited purchases; waiver

Speaker Montenegro,

Today, I vetoed House Bill 2165. I appreciate your intent to improve the health outcomes of Arizonans. Yet, this legislation unnecessarily deprives Supplemental Nutrition Assistance Program (SNAP) participants of their purchasing power and relegates them to a new underclass of grocery shoppers.

SNAP is the most robust and effective anti-hunger tool we have in Arizona–I know this firsthand. I invite you to join me in more productive efforts to expand opportunities for its participants to purchase fresh foods.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

Arizona State Senate

RE: Senate Bill 1027: critical telecommunications infrastructure; construction requirements

President Petersen,

Today, I vetoed SB 1027. We need to take necessary steps to protect our critical infrastructure, but SB 1027 is not a realistic way to do so. This bill's broad language would create undue difficulty for the business community and generate costs to taxpayers.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Warren Petersen

RE: Senate Bill 1066: foreign entities; land; legislative approval

President Petersen,

Today, I vetoed Senate Bill 1066. This bill lacks clear implementation criteria which could open the door to arbitrary enforcement and infringement on due process. It also conflicts with federal law.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

Today, I vetoed SB 1071. This legislation is duplicative and costly.

SNAP is the most robust and effective anti-hunger tool we have in Arizona–I know this firsthand. Instead of creating needless frustration for Arizona families, I invite you to join me in more targeted efforts to secure transactions and prevent theft that robs eligible SNAP participants of their benefits.

Sincerely,

RE: Senate Bill 1072: medical boards; complaints; time limit

President Petersen,

Today, I vetoed SB 1072. Every complaint that is properly before the Medical Board or the Board of Osteopathic Examiners pertains to the health and safety of Arizonans. This bill risks confusion among physicians and the public.

RE: Senate Bill 1087: residential contractor assessments; recovery fund

President Petersen,

This bill harms the state's ability to assist homeowners who have been harmed or defrauded by contractors. The better approach for homeowners is to increase the limit on claims as in SB1524.

RE: Senate Bill 1164: immigration laws; local enforcement

President Petersen,

Today, I vetoed Senate Bill 1164.

Arizonans, not Washington DC politicians, must decide what's best for Arizona.

You and I both disagreed with the previous administration's immigration policies, and we may both disagree with the next administration's immigration policies. I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office.

I will continue to work with the federal government on true border security, but we should not force state and local officials to take marching orders from Washington, DC.

RE: Senate Bill 1309: public utilities; electric grid improvements

President Petersen,

Today, I vetoed Senate Bill 1309. As Arizona's economy continues to grow, so does the demand for electricity. Arizona has a strong reputation for our outstanding grid reliability, and in order to remain competitive in the global market, we must be able to continue that legacy. This bill fails to define specific standards and thus would create regulatory uncertainty that threatens our economic growth.

RE: Senate Bill 1501: grid security; cybersecurity; reviews; commission

President Petersen,

Today, I vetoed Senate Bill 1501. I share the mission of ensuring Arizona's energy system is secure and reliable. However, this bill greatly expands energy planning requirements without the financial support necessary to administer such a sweeping new program.

RE: Senate Bill 1584: public employees; merit; hiring practices

President Petersen,

Today, I vetoed SB 1584. The State does not mandate any composition of its workforce and already has a merit-focused hiring system in an effort to recruit the best possible talent into the ranks of public service. However, the State does provide some preference for Veterans. Not only does this bill attempt to solve a problem that doesn't exist, it could impact employment opportunities for Veterans in the state. It is unfortunate that the legislature would send me a bill that could limit the State from providing opportunities to those who made great sacrifices to serve our country.

RE: Senate Bill 1721: egg-laying hens; housing size standards

President Petersen,

Today, I vetoed Senate Bill 1721. In March, I directed the Arizona Department of Agriculture to enter into rulemaking to extend the deadline for implementation of Arizona's cage-free egg rule out of concern that pausing egg production during the conversion to cage-free barns would further increase egg prices.

It is important however that this Department retain its ability to regulate space standards for egg-laying hens. Removing this ability entirely could have serious implications in the future if action is needed to protect human health or animal welfare.

Speaker Montenegro,

Today, I vetoed House Bill 2007. While I appreciate the goal of reducing errors on voter registration forms, I will not sign legislation that hinders voter registration efforts based on speculation. RE: House Bill 2257: DCS; vaccinations; child placement

Speaker Montenegro,

Today, I vetoed House Bill 2257. This legislation is unnecessary. Our state's greatest need for community foster homes is for older children in the custody of the Arizona Department of Child Safety (DCS)–which this bill does nothing to address. And, consistent with state statute, DCS affords biological parents of young foster children discretion regarding medical care to enable appropriate kinship placements in the best interest of the child.

RE: House Bills 2271, 2551, 2573, 2574

Speaker Montenegro,

Today, I vetoed the following bills:
- HB 2271 supply and demand; assessment; groundwater
- HB 2551 grandfathered right; Willcox AMA; extension
- HB 2573 groundwater; plants; wine grapes; non-irrigation
- HB 2574 small land subdivision; requirements

Each of these bills has a connection with groundwater policy in rural Arizona. Yet again, I am disappointed that none of these bills would make a difference in solving the water policy challenges that Arizona residents and communities are facing today.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations.

My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

RE: House Bill 2375: children with disabilities; evaluation; deadline

Speaker Montenegro,

Today, I vetoed House Bill 2375. This bill fails to recognize the realities of public school staffing over the summer and provides no financial support for adequate implementation. Additionally, I am concerned that this will impact the quality of evaluations due to the lack of classroom observation.

RE: House Bill 2515: truth in taxation; bonds; notices

Speaker Montenegro,

Today, I vetoed House Bill 2515. Election laws should not be changed based on the expression of messaging with which we do not agree. I have confidence that Arizona voters understand what they are doing when they vote in a bond election.

RE: House Bill 2527: corporation commission; electricity; reliability; management

Speaker Montenegro,

Today, I vetoed House Bill 2527. As Arizona's economy continues to grow, so does the demand for electricity. Arizona has remained competitive in the global market because we have a diverse and reliable grid. Bills like this one that seek to disincentivize, deprioritize, or otherwise limit new renewable energy projects directly threaten Arizona's energy workforce growth and the associated potential for lowered energy bills, while at the same time putting our grid reliability at risk. We should take an all-of-the-above approach to energy, not have government regulators force energy sources on Arizona families.

RE: House Bill 2541: DCS; hearings; complete disclosure requirements

Speaker Montenegro,

Today, I vetoed House Bill 2541. This legislation is overly broad and would require significant operational enhancements to implement. RE: House Bill 2640: school districts; leases; termination; nonrenewal

Speaker Montenegro,

RE: House Bill 2649: electoral college; support

Speaker Montenegro,

Today, I vetoed House Bill 2649. As I said when I vetoed an identical bill in 2023, this bill, which solely expresses a legislative opinion and does not make or change substantive policy, would be better served as a House Resolution. My position has not changed.

RE: House Bill 2670: health education; fetal development instruction

Speaker Montenegro,

Today, I vetoed House Bill 2670. The State Board of Education and schools are the appropriate entities to discuss instructional requirements, not the Legislature. This conflicts with Arizona's opt-in sex education requirements and will create confusion in implementation.

RE: House Bill 2774: small modular reactors; co-location

Speaker Montenegro,

Today, I vetoed House Bill 2774. Arizona benefits from having the second-largest nuclear power plant in the nation, providing clean baseload energy generation to power our communities. I am supportive of conversations around the responsible adoption of emerging energy technologies, including the potential deployment of small modular reactors that may help address generation capacity concerns.

Unfortunately, this bill puts the cart before the horse by providing broad exemptions for a technology that has yet to be commercially operationalized anywhere in the nation.

I look forward to engaging in further conversations that will deliver responsible policy that enables the deployment of emerging energy technologies like small modular reactors.

RE: House Bill 2788: utility; resource plan; commission review

Speaker Montenegro,

Today, I vetoed House Bill 2788. Policies that lead to families and businesses benefiting from a responsible, reliable, and affordable energy grid is core to my vision of a 21st century clean energy economy in Arizona. While the current review process may benefit from updates, adjustments to the process should not bar updates that work against building an energy economy of the future.

RE: Senate Bill 1025: public monies; investment; virtual currency

President Petersen,

Today, I vetoed Senate Bill 1025. The Arizona State Retirement System is one of the strongest in the nation because it makes sound and informed investments. Arizonans' retirement funds are not the place for the state to try untested investments like virtual currency.

RE: Senate Bill 1280: cast vote record; public record

President Petersen,

Today, I vetoed Senate Bill 1280. As Secretary of State, I protected the right of every Arizonan to make their voice heard at the ballot box. This bill would place constitutionally protected voter privacy at risk.

RE: Senate Bill 1296: unemployment benefits; requirements; disqualifications; determinations

RE: Senate Bill 1464: tax laws; interpretation; application; hearing

RE: Senate Bill 1472: school district budgets; three years

President Petersen,

Today, I vetoed Senate Bill 1472. I agree with the bill sponsor when he called this a "weak bill." It would do nothing to improve the budgeting process for school districts.

RE: Senate Bill 1510: budget unit; vacant positions; reporting

President Petersen,

Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1534: ballot measures; description; legislative council

President Petersen,

Today, I vetoed Senate Bill 1534. The Legislative Council is appropriately charged with providing an analysis of ballot measures for inclusion in the publicity pamphlet for voters' use. Responsibilities for descriptive titles and ballot language are appropriately placed with the officer in charge of elections–the Secretary of State–with the approval of the Attorney General. I see no compelling reason to alter this arrangement.

State of Arizona

RE: Senate Bill 1538: corporation commission; non-thermal generating unit

President Petersen,

Today, I vetoed Senate Bill 1538. Arizona's continued economic growth is reliant on a resilient energy system that can meet increased demand. Adding red-tape to energy project deployment directly jeopardizes Arizona's continued economic growth, stifles Arizona's energy economy, and risks the jobs of thousands of Arizonans working to power our communities, businesses, and homes.

RE: Senate Bill 1610: county detention facilities; arrestees; information

President Petersen,

Today, I vetoed Senate Bill 1610. Existing state law already bans sanctuary localities. I expect state and local governments to uphold the law and work with the federal government to secure the border. However, this places extreme burdens on local law enforcement.

I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office. I will continue to work with the federal government on true border security.

Sincerely,

RE: Senate Bill 1612: document retention; proposals; donations

RE: Senate Bill 1694: higher education; withholding state monies

President Petersen,

Today, I vetoed Senate Bill 1694. Our state universities and community colleges play a vital role in developing Arizona's workforce, improving our economy, and strengthening our quality of life through transformational research. Jeopardizing their state funding with a bill that lacks clarity attacks their future stability and would lead to negative effects on the state's workforce and economy.

RE: Senate Bill 1705: firearms; state preemption; civil penalty

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2099: governor; attorney general; duties; immigration

Speaker Montenegro,

Today, I vetoed House Bill 2099. When I assumed the role of Governor, I pledged to uphold both the U.S. Constitution and the Arizona Constitution, as did each of you.

Arizonans, not Washington, DC politicians, must decide what's best for Arizona. I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office.

I will continue to work with the federal government on true border security, but we should not force state officials to take marching orders from Washington, DC. My focus will always be on delivering real results for Arizonans.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

May 2, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bills 2203 and 2572

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2203 historical water use; subsequent AMA
- HB 2572 subsequent AMAs; groundwater rights; adequacy

Yet again, I am disappointed that neither of these bills would move toward solving the water policy challenges that Arizona residents and communities are facing today. To see more effort misspent on pointless bills that would only weaken groundwater protections is a continued affront to rural Arizonans who have asked their legislature for years to address rural groundwater challenges.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations. My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2438: birth certificates; amendments; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2438. This bill will not lower costs, will not increase opportunity, and will not enhance security or freedom for Arizonans. I encourage the Legislature to focus on real issues that matter and impact people's everyday lives.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2449: AHCCCS; enrollment verification; presumptive eligibility

Speaker Montenegro,

Today, I vetoed House Bill 2449. The Arizona Health Care Cost Containment System (AHCCCS) already has a number of efficient and effective member eligibility processes. This legislation would expend state resources on inefficient administrative redundancies with no clear return on investment.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

Speaker Montenegro,

Today, I vetoed House Bill 2693. This bill is unnecessary.

COMMUNICATIONS FROM THE GOVERNOR

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On May 6, 2025, the Governor vetoed House Bills 2017, 2046, 2050, 2121, 2122, 2154, 2205, 2439, 2440, 2441, 2450 and 2651 with the following messages:

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2017: voting centers ban; precinct size

Speaker Montenegro,

Today, I vetoed House Bill 2017. I will not sign legislation that makes it harder for eligible Arizona voters to exercise their Constitutional right to vote. I have strong confidence in the voting center model that has been used in Arizona for over a decade and provides needed flexibility for eligible voters to vote where it is most convenient for them.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2046: audits; precincts; voting centers

Speaker Montenegro,

Today, I vetoed House Bill 2046. Requiring separate hand-count audits for early and election day ballots is inefficient and cumbersome for election officials.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2050: provisional ballots; cure data

Speaker Montenegro,

Today, I vetoed House Bill 2050. Provisional ballots must be researched and verified by elections officials and cannot be cured by the voter. Therefore, I see no need to provide a list of provisional voters to political parties.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

May 6, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2121: SNAP; mandatory employment and training

Speaker Montenegro,

Today, I vetoed House Bill 2121. Supplemental Nutrition Assistance Program (SNAP) is the most robust and effective anti-hunger tool we have in Arizona–I know this firsthand. Putting up additional barriers for families already struggling to put food on the table is not the way to expand opportunity, security and freedom for Arizonans.

Instead of diverting our limited resources to lesser-quality supports, I encourage you to join my Administration in supporting expansion of the capacity of the SNAP Career Advancement Network, which provides SNAP participants in Arizona with employment and training opportunities.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2122: SNAP; work requirement waivers; exemptions

Speaker Montenegro,

Today, I vetoed House Bill 2122. Supplemental Nutrition Assistance Program (SNAP) is the most robust and effective anti-hunger tool we have in Arizona–I know this firsthand. Putting up additional barriers for people already struggling to put food on the table is not the way to expand opportunity, security, and freedom for Arizonans.
Sincerely,

Governor

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2154: early voting list; undeliverable ballots

Speaker Montenegro,

Today, I vetoed House Bill 2154. This bill likely contradicts procedures required by the National Voter Registration Act.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

May 6, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2205: election procedures manual; authority

Speaker Montenegro,

Today, I vetoed House Bill 2205. The election procedures manual is already required to comply with state and federal election laws, and the scope of authority for the election procedures manual is contained in the statute requiring its creation.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2439: website information; pregnant women

Speaker Montenegro,

Today, I vetoed House Bill 2439. Last year, I was proud to sign a repeal of Arizona's 1864 total abortion ban, despite overwhelming opposition from yourself and the vast majority of the Republican members in the House and Senate. Unfortunately, that same legislative majority continues to send me bills that limit access to abortion and information on the full spectrum of reproductive health choices available to Arizona women.

The people of Arizona have made clear that they reject your attacks on our freedoms. As long as I am governor, these attacks will continue to meet my veto pen.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2440: attorney general; election certification; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2440. My priority lies with protecting the voice of every eligible Arizona voter, not protecting politicians. I am sure you would agree that any violation of law should be properly prosecuted. No one should be above the law.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2441: psychologist board; complaint-related documents

Speaker Montenegro,

Today, I vetoed House Bill 2441. The bill is unnecessary as the Board of Psychologist Examiners already provides copies of investigation files, upon request, to licensees in open cases.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2450: unemployment insurance; benefit amounts

Speaker Montenegro,

Today, I vetoed House Bill 2450. Cutting unemployment insurance will not connect Arizona workers to jobs that match their skills more quickly. If anything, it will send them and their families into needless financial hardship. Let's instead work together to make Arizona jobs more resilient to the chaos and uncertainty currently coming from Washington, D.C.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: House Bill 2651: voting equipment; requirements; origin

Speaker Montenegro,

Today, I vetoed House Bill 2651. This legislation is predicated on conspiracy theories rather than fact.

Sincerely,

VASCULAR EHLERS-DANLOS SYNDROME AWARENESS DAY

WHEREAS, Ehlers-Danlos Syndromes (EDS) are a group of 13 heritable connective tissue disorders that together affect 1 in 5,000 people. Each type of EDS has its own set of symptoms, but Vascular Ehlers Danlos Syndrome (VEDS) is considered especially life threatening and can be fatal; and

WHEREAS, Vascular Ehlers-Danlos Syndrome (VEDS) is a heritable connective tissue disorder that makes the connective tissue very fragile, particularly in the blood vessels and hollow organs. VEDS can cause life-threatening complications, such as aneurysm, dissection, and rupture of the arteries and rupture of organs; and

WHEREAS, VEDS is a rare condition that affects roughly 1 in every 100,000 - 200,000 people. There is no cure for VEDS and any type of EDS. VEDS can cause a variety of symptoms in many different areas of the body, therefore people with VEDS often require multiple providers in different specialties to manage their care; and

WHEREAS, Access to professionals who are knowledgeable about VEDS and EDS is limited in Arizona. Lack of awareness about VEDS and EDS in Arizona and across the world stands in the way of the diagnosis, management, and research of these conditions; and

WHEREAS, Awareness about VEDS and EDS by both medical professionals and the general public can help improve the lives of people living with VEDS and EDS in Arizona.

NOW THEREFORE, I, Senator Analise Ortiz invite the members of the Arizona State Senate, and the broader community to join us in proclaiming May 28 Vascular Ehlers-Danlos Syndrome Awareness Day.

May 7, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2824: legislative subpoena; perjury; refusal; contempt

Speaker Montenegro,

Today, I vetoed House Bill 2824. The bill weaponizes the power of the Legislature in a way that could be used to intimidate Arizonans. Holding someone in contempt is a very serious matter and is best left to be determined by the entire body rather than any one legislator.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

On May 12, 2025, the Governor signed and transmitted to the Secretary of State Senate Bills 1051, 1117, 1144, 1221, 1319, 1332, 1346, 1438, 1493, 1521, 1622, House Bills 2168, 2175, 2179, 2201, 2231, 2344, 2380, 2387, 2611, 2667, 2678 and 2894.

On May 12, 2025, the Governor vetoed House Bills 2067, 2092, 2221, 2222, 2233, 2256, 2274, 2517, 2570, 2671, Senate Bills 1002, 1003, 1014, 1020, 1024, 1052, 1064, 1088, 1091, 1094, 1095, 1098, 1116, 1143, 1268, 1300, 1310, 1322, 1373, 1435, 1463, 1518, 1536, 1586, 1591 and 1725 with the following messages:

May 12, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2067: governing boards; records; access

Speaker Montenegro,

Today, I vetoed House Bill 2067. I will not support providing individual governing board members with blanket access to sensitive records without compelling reasons and sufficient guardrails.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

May 12, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2092: land divisions; disclosure affidavit; recording

Speaker Montenegro,

Today, I vetoed House Bill 2092. It would exempt certain property sellers from providing a disclosure affidavit. It is unclear to me why it would be in the public interest to allow for available details about a property to be withheld from a prospective buyer. All buyers deserve the benefit of as much transparency as possible.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

May 12, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2221: law enforcement; defunding; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2221. I've consistently advocated for increased funding for law enforcement. However, I encourage the legislature to listen to the Fraternal Order of Police, Arizona Police Association, and the Arizona Association of Chiefs of Police who oppose the final version of this legislation, because it undermines local decision making which is needed for public safety agencies to operate effectively.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

May 12, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2222: settlement agreements; report; approval

Speaker Montenegro,

Today, I vetoed House Bill 2222. I vetoed the same bill last year because this is clear government overreach on the part of the Legislature.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

May 12, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2233: corporation commission; lobbying; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2233. The Arizona Corporation Commission serves a critical role in ensuring Arizonans continue to enjoy a resilient and affordable grid. Stifling any agency's ability to provide necessary feedback on legislation that impacts their work is detrimental to developing responsible legislation.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: House Bill 2256: domestic proceedings; therapeutic intervention; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2256. In an attempt to address one specific situation, this proposal would result in unintended consequences that may result in more harm than good. I urge the proponents to work closely with the Administrative Office of the Courts, family court judges, and court appointed advisors, to better understand existing practices aimed to support the best interest of children.

Sincerely,

RE: Senate Bills 1300 and 1518, House Bills 2274 and 2570

President Petersen & Speaker Montenegro,

Today, I vetoed the following bills:

- SB 1300 San Simon Valley; groundwater; election
- SB 1518 subsequent AMAs; groundwater portability
- HB 2274 water improvement district; Willcox basin
- HB 2570 temporary non-expansion area

It is unfortunate to receive four more bills that fail to address the water policy challenges Arizona residents and communities are facing today. To see more effort misspent on pointless bills that would only weaken groundwater protections or duplicate existing programs is a continued affront to rural Arizonans who have asked their legislature for years to address rural groundwater challenges.

I said in my State of the State: bills that are just political cover for the Legislature's inaction on water security will meet my veto pen.

Since day one of my administration, I have backed rural groundwater reform legislation with strong bipartisan support from across rural Arizona. We are currently negotiating an alternative framework for rural groundwater management, and I will not entertain any rural groundwater legislation that is outside the context of those negotiations. My administration waits for you at the negotiating table, ready to find compromise and solve this problem. I hope that 2025 will be the year where Arizonans finally see good faith negotiations from their Legislature on rural groundwater protections.

Sincerely,

/s/ Katie Hobbs
Governor

RE: House Bill 2517: written request; property locators

Speaker Montenegro,

Today, I vetoed House Bill 2517. I see no need to have Arizonans pay more for a service that the state is capable of addressing within its existing budget. The Arizona Department of Revenue works diligently to reunite Arizonans with their unclaimed property through the unclaimed property program. This includes implementing new measures to clear a substantial amount of the current backlog. The department needs sufficient time to implement these changes before we consider allowing third party locators access to confidential taxpayer information for the commercial purpose of charging Arizonans 20% of the value of their own property.

Sincerely,

President Petersen,

Today, I vetoed Senate Bill 1024. While this bill would allow State agencies to enter into agreements to protect the State from risks associated with cryptocurrency, legislators on both sides of the aisle acknowledged it still leaves the door open for too much risk.

RE: Senate Bill 1088: government; compliance; immigration; deportation

President Petersen,

Today, I vetoed Senate Bill 1088. When I assumed the role of Governor, I pledged to uphold both the U.S. Constitution and the Arizona Constitution, as did each of you.

Arizonans, not Washington, DC politicians, must decide what's best for Arizona. I have worked productively with the federal government to secure our border, stopping fentanyl at our ports of entry through Task Force SAFE, disrupting cartel operations with Operation Desert Guardian, and working across all levels of government to keep communities safe with the Border Coordination Office.

I will continue to work with the federal government on true border security, but we should not force state officials to take marching orders from Washington, DC. My focus will always be on delivering real results for Arizonans.

President Petersen,

Today, I vetoed Senate Bill 1116. This proposal attempts to redirect Arizona Department of Water Resources' activity to meet arbitrary timelines in reviewing and responding to undefined "alternative groundwater models" regardless of practical relevance to any policy or permitting decisions. Today, I vetoed Senate Bill 1310. I take the problem of home title fraud very seriously, it is why I signed SB 1110 in 2023 requiring counties to create a notification system for home owners if a sale of their property was initiated. On June 2, 2025, the Governor vetoed Senate Bill 1109 with the following message:

June 2, 2025

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1109: designated countries; land ownership; prohibition

President Petersen,

Today, I vetoed Senate Bill 1109. Improvements to systems that protect our infrastructure are important. However, this legislation is ineffective at counter-espionage and does not directly protect our military assets. Additionally, it lacks clear implementation criteria and opens the door to arbitrary enforcement.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

On June 10, 2025, the Governor signed and transmitted to the Secretary of State House Bills 2638 and 2779.

On June 10, 2025, the Governor vetoed House Bill 2867 with the following message:

June 10, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2867: antisemitism; public schools; prohibition; penalties

Speaker Montenegro,

Today, I vetoed House Bill 2867. Antisemitism is a scourge on our society and a deeply troubling issue in our country. I continue to proudly stand with Arizona's Jewish community against acts of hate, violence, and harassment, and remain committed to fighting antisemitism in all its forms.

Last year, I signed legislation expanding Holocaust education requirements in our public schools. And last week, I joined members of the Phoenix Jewish community, including Holocaust survivors, to break ground on what will be the first permanent Holocaust education center in Phoenix, funded by the FY25 budget I signed into law. It was a powerful reminder that the most effective way to combat antisemitism is through education, empathy, and community.

Unfortunately, this bill is not about antisemitism; it's about attacking our teachers. It puts an unacceptable level of personal liability in place for our public school, community college, and university educators and staff, opening them up to threats of personally costly lawsuits. Additionally, it sets a dangerous precedent that unfairly targets public school teachers while shielding private school staff. It is disappointing to yet again see this legislature single out and attack our public education system.

Like the National Council of Jewish Women Arizona, the Tucson Jewish Museum & Holocaust Center, the Rabbi Joseph H. Gumbiner Community Action Project, and many other organizations, I believe this bill would undermine public education at all levels.

Students and parents already have avenues through the State Board of Education to report allegations of unprofessional conduct, including antisemitism and all other forms of hate they may encounter in the classroom. I am confident that by using those tools, we can fulfill our moral and legal responsibility to eradicate hate and discrimination in our public school system.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

Legislative Proclamation

Day of Remembrance for the "Glendale 16," Agricultural Workers killed 1959

WHEREAS, we remember the 16 individuals in the story below, while continuing efforts to improve workplace safety and ensure all workers are treated equally; and

WHEREAS, looking at the names of those buried in Glendale Memorial Park Cemetery, one sees many instantly recognizable names, familiar to longtime Glendale residents. But there are also many names and unmarked graves belonging to the unsung heroes of our community – those who worked the farms and ranches that sustained Glendale's agricultural economy. Known or unknown, all deserve to be remembered; and

WHEREAS, on June 8, 1959, 16 workers from Mexico tragically lost their lives in an accident that shocked the country and led to significant changes in labor safety regulations; and

WHEREAS, a makeshift bus, converted from a trap, was transporting 48 field workers when it veered off the road and struck a cottonwood tree. The explosion and subsequent fire trapped many inside, resulting in the deaths of 16 men. The conditions these workers faced were inhumane, and it was only after this tragedy that new safety regulations were implemented; and

WHEREAS, these men were laid to rest in Glendale Memorial Park Cemetery, far from their families and homeland, with over 1,200 mourners attending their burial; and

WHEREAS, their names shall not be forgotten because they– and all workers impacted by unsafe working conditions– deserve to have their memory honored; and

NOW THEREFORE, I, Senator Analise Ortiz invites the members of the Arizona State Senate, and the broader community to join us in recognizing June 8th as a day of remembrance for the "Glendale 16" and commits to continued efforts to improve workplace safety. And may we remember the 16 men who died in this horrific accident: Alfonso Aguiar Parra, Filiberto, Cabezas Lara, Benito Torres Mendoza, Efren Aguirre Medina, Miguel Curiel Enciso, Ruben Medina Rivera, Benjamin Lopez Carmona, Cruz Juarez Bahena, J. Arizona State Senate

Legislative Proclamation

HONORING MOHAMMED "MO" AMER

WHEREAS, "Mo" Amer, a trailblazing comedian, writer, and storyteller whose journey from a young refugee fleeing war to an internationally celebrated artist embodies the spirit of resilience, courage, and perseverance. Through his groundbreaking work, Mo has opened doors not only for himself but for generations of Arab American and refugee voices who have long been unheard. Mo has turned hardship into humor and pain into purpose, using the stage as a space to heal, to teach, and to unite Americans; and

WHEREAS, As the creator and star of Mo, a deeply personal and widely acclaimed Netflix series, he has illuminated the often invisible experiences of immigration, capturing the emotional truths of displacement, identity, and the quiet strength it takes to belong in a country that doesn't always see you. Mo's voice is singular, bold, and transformative. He is not just a comic, he is a cultural bridge, a pioneer who has redefined what it means to tell the American story; and

WHEREAS, In unprecedented times marked by global uncertainty and division, Mo Amer has brought light, laughter, and much-needed joy to countless people around the world. His ability to find humor amid hardship reminds us that joy is not only an act of resilience but also a form of resistance. His work affirms that everything intersects, identity, struggle, laughter, and love, and through that intersection, he bridged a narrative that is both deeply personal and humanly universal.

NOW THEREFORE, We, Senator Analise Ortiz, Representative Cesar Aguilar, Representative Mariana Sandoval, Representative Lorena Austin, Representative Anna Abeytia, and CAIR-Arizona, invite the Members of the Arizona State Legislature to join us in celebrating June 19, 2025, as Arizona's Mo Amer's Day.

PERSONAL PRIVILEGE

Arizona State Senate

Legislative Proclamation

Juneteenth

WHEREAS, on June 19, 1865, in Galveston, Texas, Union Major General Gordon Granger announced that all enslaved people were free. This was more than two years after the Emancipation Proclamation had been signed; and

WHEREAS, Juneteenth is the oldest nationally celebrated commemoration of the end of chattel slavery in the United States. It is a day rooted in Black liberation, strength, and celebration; and

WHEREAS, Arizona's Black history began long before it became a state. In 1868, just four years after Arizona became a U.S. territory, Mary Green arrived in Phoenix with her two children. She was a domestic servant to former Confederate officer Columbus Gray and is the first recorded Black resident of Phoenix. Her journey from Arkansas shows the courage and endurance of Black migrants who laid the foundation for future generations; and

WHEREAS, Mary Green's presence helped shape the roots of Black life in Arizona. Her story reflects the resilience and dignity that have carried Black communities through the hardship and injustice of second class citizenship; and

WHEREAS, Juneteenth reminds us that the end of slavery did not mean the end of struggle. Black Americans have continued to fight for justice, equality, and opportunity in every generation; and

WHEREAS, the Daniels-Sims Arizona Legislative Black Caucus is committed to honoring that legacy through action. Under the leadership of Senator Kiana Maria Sears and Representative Quantá Crews, the caucus works to protect civil rights and promote policies that uplift all underserved Arizonans; and

WHEREAS, Juneteenth is not only a time to remember the past. It is a moment to recommit ourselves to the work ahead. That includes fighting for justice, expanding opportunity, and building a future where all people are truly free;

NOW THEREFORE,be it resolved that the Arizona State Legislature recognizes June 19, 2025, as Juneteenth in the State of Arizona. The Legislature encourages all residents to honor this day through education, celebration, reflection, and service; We honor the footsteps of Mary Green. We follow the legacy of those who came before us. We continue the work of building an Arizona rooted in justice and freedom for all.

Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side or the bill sponsor may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy". Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . . through . . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

RULE 15
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16
Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at a time certain as determined by the President, receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

4. To rise and report.

5. That the bill or resolution retain its place on the calendar.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

K. The Senate may by a majority vote of the members present bring a bill, memorial or resolution otherwise designated as available for third reading to Committee of the Whole for amendment or further amendment, except no proposed amendment to strike everything after the enacting clause and insert new material is in order.

RULE 18
Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 20
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the

member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. June 24, 2025

The Honorable Steve Montenegro
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2610: school districts; board members; superintendent

Speaker Montenegro,

Today, I vetoed House Bill 2610. As I have stated, the financial mismanagement of the Isaac School District is unacceptable, and governing board leadership must take accountability and resign. This bill appears to seek broad retribution rather than providing targeted methods to address problems. Mandating the upheaval of an entire elected school board is blatant legislative overreach that would create disruption and confusion for school districts during times of crisis.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

Senator Hoffman moved that the Senate reconsider its action whereby it failed to pass House Concurrent Resolution 2013 on Third Reading on June 20, 2025. The motion carried by a standing division of 14 ayes and 13 noes.

RECONVENE

The President called the Senate to order on Friday, June 27, 2025 at 10:42 a.m.

PERSONAL PRIVILEGE

The President recognized Frances Ruiz, Senate attaché, who was present in the gallery.

Today, we gather not just to mark the end of a legislative session, but to honor a truly remarkable woman whose service to the Arizona State Senate spans nearly five decades.

Frances Ruiz, who will be retiring next month, began her service with the Senate on June 16, 1980. That means for more than **44 years**, Frances has been a steadfast part of this institution – working behind the scenes in the Senate Maintenance Department, making sure our building was not only functional, but cared for.

Think about that: in 1980, the average cost of a new car was $7,000, people were listening to 8-tracks and disco, and some of our current members weren't even born yet. But Frances Ruiz was here – starting what would become a lifetime of service to this historic chamber.

Through every remodel, every session, every long night of budget negotiations, and every late delivery of pizza and policy–Frances Ruiz was here. She was here unlocking doors before sunrise. She was here making sure every Senate room was ready for work. She was also here, long after most had gone home, making sure our Capitol remained a place of dignity, care, and pride.

Frances never sought the spotlight. She didn't make headlines or speeches–but if these walls could talk, they would speak volumes about the quiet strength, integrity, and consistency of her work. She helped this institution run–not just with tools and hands, but with heart.

Frances, on behalf of the entire Arizona State Senate–past and present–we thank you for your years of loyalty, hard work, and dedication!

You have seen generations of lawmakers, staff, and interns come and go. You have witnessed the evolution of Arizona politics from a unique and invaluable vantage point. And through it all, you have been a part of the Senate's foundation–literally and figuratively.

You deserve every moment of rest, joy, and freedom that retirement will bring. But please know: your legacy will remain with us. Your work, your kindness, and your quiet perseverance will not be forgotten.

Congratulations, Frances. You've not just earned our thanks–you've earned our admiration.

Let's all give a warm and grateful round of applause to **Frances Ruiz**–a true legend of the Arizona State Senate.

RE: House Bill 2542: state contracts; foreign adversary; prohibition

Speaker Montenegro,

Today, I vetoed House Bill 2542. This overbroad bill would dramatically increase costs to taxpayers when purchasing goods and services.

RE: House Bills 2947, 2948, 2949, 2950, 2951, 2952, 2953, 2954, 2955, 2956, 2957, 2958, 2959, 2960, 2961

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2947 general appropriations act; 2025-2026
- HB 2948 amusements; 2025-2026
- HB 2949 capital outlay; appropriations; 2025-2026
- HB 2950 commerce; 2025-2026
- HB 2951 criminal justice; 2025-2026
- HB 2952 environment; 2025-2026
- HB 2953 health care; 2025-2026
- HB 2954 higher education; 2025-2026
- HB 2955 human services; 2025-2026
- HB 2956 K-12 education; 2025-2026
- HB 2957 local government; 2025-2026
- HB 2958 state buildings; management; 2025-2026
- HB 2959 revenue; 2025-2026
- HB 2960 state budget implementation; 2025-2026
- HB 2961 taxation; omnibus; 2025-2026

This is a reckless and partisan budget that slashes $255 million from health care coverage for countless Arizonans. It cuts over a hundred million dollars from K-12 education, leaving public school students statewide without the resources they need. It worsens our state's childcare affordability crisis and it leaves homeless Veterans out on the streets.

From day one of the budget process, I have worked with leaders of both parties in both chambers to craft a bipartisan, balanced, and fiscally responsible budget. This reckless and partisan budget is not that. The partisan antics of the House Republicans should not distract us from working to pass a negotiated, bipartisan budget that strengthens public safety, lowers the cost of child care, protects public education funding, and gives our Veterans the support they deserve.

It's now time for House Republican leadership to set the political games to the side and work with their colleagues in a productive fashion to deliver a bipartisan solution for the people of our state.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Steve Montenegro

RE: House Bills 2962, 2963, 2964, 2965, 2966, 2967, 2968, 2969, 2970, 2971, 2972, 2973, 2974

Speaker Montenegro,

Today, I vetoed the following bills:

- HB 2962 general appropriations; FY2026
- HB 2963 amusements; FY2026
- HB 2964 capital outlay; appropriations; FY2026
- HB 2965 environment; FY2026
- HB 2966 health care; FY2026
- HB 2967 higher education; FY2026
- HB 2968 human services; FY2026
- HB 2969 K-12 education; FY2026
- HB 2970 local government; FY2026
- HB 2971 state buildings; management; FY2026
- HB 2972 revenue; FY2026
- HB 2973 state budget implementation; FY2026
- HB 2974 transportation; FY2026

For months, I worked with leaders of both parties, in both chambers, to craft a bipartisan, balanced, and fiscally responsible budget that garnered support from the majority of Senate Republicans. That budget has pay raises for State Troopers and firefighters, cuts taxes for small businesses, invests in combatting Veterans homelessness, and makes child care more affordable and accessible. It passed the Senate and should be put up for a vote in the House.

Unfortunately, House Republicans abdicated their responsibility and refused to meaningfully participate in our bipartisan budget negotiation process. Now, they are attempting to leverage the threat of a government shutdown to force through a reckless and partisan budget that raises costs, harms businesses, and makes our state less secure.

This partisan budget is wrong for the people of Arizona. It slashes pay raises for state troopers and firefighters, guts investments in child care, removes efforts to combat Veterans homelessness, cuts funding for K-12 schools and our universities and community colleges, and underfunds infrastructure projects throughout our state. The President of the State Troopers Association put it plainly enough: if this budget passes and you need rescuing, "don't call DPS. Rangers won't respond."

It's now time for House Republican leadership to set the political games to the side and work with their colleagues in a productive fashion to deliver a bipartisan solution for the people of our state.

Sincerely,

RE: Senate Bill 1514; employer-employee arbitration; contract; disputes

President Petersen,

Today, I vetoed Senate Bill 1514. This bill would enshrine forced arbitration in Arizona law mandating a take-it-or-leave-it approach to employment practices that hurts working Arizonans.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: Senate Bill 1001: early ballots; identification; tabulation

President Petersen,

Today I vetoed SB1001. While I recognize the sponsor's desire to speed election results, my commitment is first and foremost to accessibility for every eligible voter to have their voice heard. SB1001 still presents unacceptable challenges for voters who must rely on family members or caregivers to drop off their ballot and would be unable to appear in person, effectively imposing an earlier deadline for them to complete their ballots than others, or risk removal from the Active Early Voter List. I'm certain that we all agree that every eligible vote should count, and no American should be deprived of this fundamental right.

Election reforms cannot be done in a vacuum. We must balance the speed of counting votes with accessibility, accuracy, and security. As we approach the 2026 election, my door is open to any Legislator who is serious about working with me next session to improve voting and vote counting in Arizona.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: Senate Bill 1019: photo enforcement systems; prohibition

President Petersen,

Today, I vetoed Senate Bill 1019. This bill attempts to remove the ability of local law enforcement to keep our streets safe by eliminating a tool used to enhance roadway safety.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: House Bill 2091: assured water supply; certificate; model

Speaker Montenegro,

Today, I vetoed House Bill 2091. This bill would force approval of developments without sufficient water supplies. Ignoring Arizona's 100-year Assured Water Supply criteria harms Arizona homeowners and leaves communities without reliable and affordable water resources.

HB 2091 was rushed to my desk at the end of session in an attempt to hastily rehash a bill I vetoed last year (HB 2062). Arizonans expect more from their lawmakers when it comes to crafting water policy with permanent and significant implications, and I will continue to ensure that our water requirements and consumer protections are upheld.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: House Bill 2324: forfeiture; digital assets; reserve fund

Speaker Montenegro,

Today, I vetoed House Bill 2324. This bill disincentives local law enforcement from working with the state on digital asset forfeiture by removing seized assets from local jurisdictions.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

SENATE RULES

RULE 1
Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the “Ayes” and then for the “Noes”. If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President may vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve at the President's request, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

N. The President is authorized to bring or assert in any forum on behalf of the Senate any claim or right arising out of any injury to the Senate's powers or duties under the constitution or laws of this state.

RULE 3
The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

RULE 4

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an

The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the COW consent calendar. A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side or the bill sponsor may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question

shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . . through . . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

RULE 15
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31
Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters, including those permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening party caucuses.

RULE 32
Procedure on Records Retention and Destruction Schedule

A. Definitions. In this section the following definitions apply:

"Bill file" means a file containing materials relating to legislation as determined by the Senate Secretary.

"Custodian" means any legislator, legislative staff member, legislative intern, or legislative contractor who has primary custody and control over a record.

"Personnel records" means an employee's official record and documentation of the employee's employment.

"Record" means all books, papers, maps, photographs or other documentary materials, regardless of physical form or characteristics, including prints or copies of such items produced or reproduced on film or electronic media, made or received in pursuance of law or in connection with the transaction of public or legislative business and over which the custodian has custody and control and that is preserved or appropriate for preservation by the Senate as evidence of the organization, functions, policies, decisions, procedures, operations or other activities of the custodian, or because of the informational and historical value of data contained in the record.

"Reference value" means administrative, legal, fiscal, research, or historical value as reasonably determined by the custodian.

"State Library, Archives and Public Records (LAPR)" means the division of the Arizona Secretary of State that is the archives for Arizona state government, which is mandated by law to collect, preserve and make available to the public and all branches of government, permanent public records, historical manuscripts, photographs, and other materials that contribute to the understanding of Arizona history.

B. Authority. Arizona Constitution, Art. IV, part 2, § 8 authorizes the legislature to determine its own rules of procedure which supersede any conflicting statutes.

C. General provisions.

1. Permanent records. As set forth below, at the end of the retention period with the legislature, the Senate Secretary or the Senate Secretary's designee must transfer to LAPR all records kept by the Senate Secretary, regardless of format, that have a retention period designated as permanent, unless otherwise instructed by LAPR. The Senate Secretary shall work with LAPR's established requirements for transfer.

2. Electronic records. At the end of the retention period set forth below, the custodian shall destroy electronic items not designated as having a retention period of permanent.

3. Paper files, records, and documents. At the end of the retention period set forth below, the Senate Secretary may destroy files that are primarily in paper format and may destroy other records, regardless of format, not designated as having a retention period of permanent.

4. No duty to migrate to new technology. The Senate Secretary is not responsible for migrating to new technology any record that is recorded in a format, such as CD and DVD that must be read by a computer.

5. Destruction of non-permanent records. When a paper record is eligible for destruction, the custodian shall take proper precautions to destroy the entire file, record, or document by shredding, burning, or pulverizing it. Electronic records shall be deleted from all electronic repositories in which they reside, including servers and hard drives. The custodian may keep a list, containing minimal information, capturing any destroyed items, so that the custodian knows that it has been destroyed and has not been merely misplaced or never existed.

6. Private electronic devices. An electronic message solely sent or received on and maintained on a private electronic device of any legislator, legislative staff member, legislative intern, or legislative contractor is not subject to public inspection.

7. Effective date. The provisions of this rule are applicable to files, records, and documents created before or after the adoption of this rule.

D. Interpretation and enforcement. The maintenance, preservation and destruction of records will be governed solely and exclusively by the provisions of this rule. Any questions or disputes concerning the application of this rule to any specific record or subset of records will be resolved by the President, whose determination will be final. The provisions of this rule will be enforced solely and exclusively by the Senate in accordance with the rules of the Arizona Senate.

E. Retention and disposition schedule. The following records retention periods are finite and absolute. They are *not* minimum retention periods or guidelines. Records may be kept beyond their designated retention periods only if they are relevant to any (1) ongoing administrative or litigation proceeding in which the Senate or the custodian is a party or the recipient of a third party subpoena or (2) pending or prospective administrative or litigation proceeding in which the Senate or the custodian reasonably anticipates it may become a party, or if the custodian believes the record has continuing reference value.
