The Gang and Immigration Intelligence Team Enforcement Mission (GIITEM) is a statewide task force that trains criminal justice personnel regarding identification and interdiction of gangs, and collects and disseminates gang and human smuggling intelligence to other law enforcement agencies. GIITEM involves law enforcement personnel from federal, state, county and city law enforcement agencies.

According to the Department of Public Safety (DPS), GIITEM's mission is to: 1) deter criminal gang activity through investigations, arrest and prosecution; 2) dismantle gang related criminal enterprises; 3) deter border related crimes; 4) disrupt human smuggling organizations; 5) collect, analyze and disseminate gang and illegal immigration intelligence; and 6) provide anti-gang awareness training to communities and schools. GIITEM consists of five districts, geographically located as follows: 1) the Northern District includes Coconino, Mohave, Navajo and Apache counties; 2) the Central District consists of Maricopa County; 3) the Border District includes Pinal, Pima, Cochise and Yuma Counties; 4) the Immigration Enforcement District includes Maricopa County; and 5) the Intelligence Support District provides statewide intelligence support.

### FY 2008-2009 Budget Action

The FY 2008-2009 budget adjustment, passed by the Legislature on January 31, 2009, reverts \$6,400,000 in unused GIITEM monies in FY 2008-2009 to the General Fund. The budget adjustment also reverts the \$10,000,000 appropriated for local immigration enforcement grants on July 1, 2010, instead of July 1, 2009, and specifies that of those monies:

- a) \$1,600,000 is allocated to the sheriff's office of a county with a population of more than 2,000,000 persons.
- b) \$1,600,000 is allocated to DPS for the Violent Felony and Fugitive Task Force (Task Force) established in Executive Order 2008-22.

S.B. 1001 also specifies that the Task Force is to function as a part of GIITEM as a multijurisdictional statewide task force, and that the expenditure plan for those monies is subject to review by the JLBC before expenditure.
