5

STATE OF THE STATE  
GOVERNOR JANICE K. BREWER  
Monday, January 14, 2013

Speaker Tobin, President Biggs, Honorable Senators and Representatives of the Arizona Legislature, Chief Justice Berch and Justices of the Supreme Court, constitutional officers, tribal leaders, honored guests, and my fellow Arizonans:

Three decades ago ... nearly to the day ... I entered this chamber for the first time as a legislator.

I remember it well – taking my oath of office ... friends and family gathered ... issues looming ... controversies brewing ... new members planning ... and lobbyists scheming.

For all the change across those 30 years, that much remains the same. Our annual ritual here continues. And while I spent 26 years seated for addresses like this, this is my fifth time at the lectern.

I am so grateful to have been blessed with a family that is my rock of support. My husband, John, and son, Michael, are here today. Thank you.

Arizona's leaders arrive at this place each year with the same charge: to foster for our citizens the sacred principles of opportunity and freedom.

We are here on a mission of possibility – possibility that runs strong from our heritage, deep within our lands and, above all, deep within ourselves.

We have just celebrated all of the achievements of Arizona's first 100 years, and we were reminded of Arizona's "Five C's": copper – cattle – cotton – citrus – and climate.

I am here to tell you that our second century will hinge on another 'C.'

Competition.

That is the clear answer when I reflect upon what I have learned these past four years, and what has changed across the three decades since I first sat in this chamber.

Today, Arizona must COMPETE for the most desirable jobs for our citizens ... the finest teachers in our schools ... the most talented students and faculty in our universities.

And each of our citizens must likewise compete to earn a living, build a future and raise a family in a safe and healthy environment.

They face threats that once did not exist.

And we at this capitol had better make sure we are helping them – not hurting them – in their efforts.

Together, we've made great strides in the last four years to improve Arizona's competitive position.

- We faced the hardest of times, but sustained and strengthened State government through the downturn; per capita, Arizona has the second-lowest number of state employees of all states;
- We reformed our personnel system so our citizens will have a State workforce motivated by performance and accountability;
- We passed meaningful reforms to improve our education system, and expanded school choice;
- We limited regulations and enacted the largest and most strategic tax cuts in state history – unlike our "friends" in Washington, D.C.

**JOURNAL OF THE SENATE**  
**Monday, January 14, 2013**

And we even accomplished something novel and rare in politics: we kept our word.

In 2010, we asked the people to increase their own taxes, and promised them it would be temporary. That promise will be kept when the Proposition 100 sales tax expires in May.

Not long ago, we were facing the worst housing collapse in our history

... the downturn had cost us more than 300,000 jobs

... and our State government was bogged down by a 3-Billion-dollar deficit.

Now, our housing market is on-the-mend, recovering faster in metro Phoenix than anywhere in America.

We're adding jobs at the swiftest clip in years – nearly 23,000 in November alone. In fact, Arizona ranked 5<sup>th</sup> in the nation for job growth during 2012.

The Kauffman Index recently declared Arizona the country's premier place for entrepreneurs.

Our budget is now balanced, and we've set aside 450 Million dollars in the state's rainy-day fund for the next time crisis strikes.

And, crime and violence in Arizona continue to trend downward.

Arizonans have reduced crime by punishing criminals, and not by infringing on the rights of law-abiding gun owners.

Yes, our State is getting stronger.

And I am confident that Arizona's light of opportunity will shine as bright as the Arizona sun in the years to come.

Now, I understand there was a little game being played last month called, "Where in the World is Jan Brewer?"

Oh, I heard the rumors ...

And, no, I wasn't hiking the Appalachian Trail.

In fact, I was humbled that the United States military gave me an opportunity to visit our heroes in uniform living and working a world away.

Whether stationed in Kuwait, living on a base in Afghanistan or recuperating from injuries at a military hospital, the brave men and women I met shared a singular love of country and clarity of purpose.

Please join me in honoring their service and sacrifice.

Of course, while our service members are away, their families serve too ... whether a spouse left behind doing double duty as parent and provider ... or a child waiting and wondering until mom or dad comes home safely.

None of it is easy.

That's why I'm so pleased to introduce Daniele Drissel and her two boys, Nicholas and Jett. Daniele's husband is Staff Sergeant Jason Drissel of the Arizona National Guard.

I met Staff Sergeant Drissel this fall while he was on his second deployment to southern Afghanistan, where he is still serving today.

Daniele, Nicholas and Jett: please stand so we can thank you for the sacrifice made by every military family.

We are forever in your debt.

As we meet the challenges facing our state, let's remember those who have given their lives and those that put their lives on the line daily for the freedom and liberties we cherish.

Let's honor their sacrifice by giving the very best of ourselves every day in our service.

We can start by taking action on behalf of some of Arizona's most vulnerable: Arizona's abused and neglected children.

In 2011, I convened a Child Safety Task Force led by DES Director Clarence Carter and Maricopa County Attorney Bill Montgomery.

Many of that panel's recommendations have now been adopted, including the creation of a special unit of law enforcement veterans focused on investigating the worst cases of child abuse and neglect.

The unit is led by Gregory McKay, a veteran homicide detective and investigator of crimes against children with the Phoenix Police Department.

I'm grateful to the Phoenix Police Department for working with us on this critical mission, and to Greg for lending his time and talents.

Greg, please stand so we may thank you.

Now, we've improved operations at Child Protective Services

...by overhauling the hotline system so the most urgent calls are directed for faster response...

...by streamlining the hiring process to ensure every available caseworker position is filled...

...and by cutting paperwork burdens so caseworkers spend more time checking up on children.

Despite these efforts, there can be no doubt our system of child safety is under pressure.

Arizona's abused and neglected children need help.

The Executive budget I release Friday will add 150 CPS caseworkers and boost foster care, adoption services and emergency placement of children needing rescue.

Because these needs can't wait, I'm asking you to join me in approving an emergency budget request to hire 50 additional caseworkers right now.

Let's come together for the safety of our children.

We cannot strike evil from the hearts of those who would harm an innocent child. But these common sense steps will help at-risk children get the assistance they need before it's too late.

These past four years, we have tackled hard questions and faced moral challenges. My friends: this, too, is a moral issue.

Arizona must protect her children.

There's no limit to what we can accomplish when we work in cooperation toward a common goal.

Just look at Arizona's economic and fiscal turnaround.

It's no surprise that we in Arizona have created a model of recovery very different than that pursued by the administration in Washington, DC.

Where they've spent, we've saved.

**JOURNAL OF THE SENATE**  
**Monday, January 14, 2013**

Where they've hampered private industry with excessive rules and regulation, we've marshaled the power of the free market.

We did this because we know, as President Reagan once said: "No power of government is as formidable a force for good as the creativity and entrepreneurial drive of the American people."

In the new economy, talent is king. Creativity is the new capital. And competition is worldwide.

The Arizona Commerce Authority will continue to lead our job-attraction efforts. World-class employers like Intel, Amazon and Silicon Valley Bank have chosen to locate or expand in Arizona due in part to the fine work of the ACA and the robust business environment we provide.

Halfway through this fiscal year, the Commerce Authority has already helped deliver more than 680 Million dollars in capital investment and six thousand jobs.

While we lower the barriers to business growth ... keeping regulations lean and taxes competitive ... it's clear we have another problem: our own sales tax system.

Sales tax is the most critical source of revenue for core State programs. But our sales tax code is also one of the most complicated in the nation.

It's an accountant's dream, but a business owner's nightmare.

Arizona's local and state governments have created a tax system with so many twists and turns that we make it difficult for businesses to simply pay what they owe.

For business owners serving customers in multiple cities ...

- . . . with multiple license requirements
- . . . multiple tax returns
- . . . multiple tax bases
- . . . and multiple audits
- . . . compliance can be nearly impossible.

Take Linda Stanfield, owner of Benjamin Franklin Plumbing.

Linda serves customers all over the Valley – meaning she deals with a different sales tax code in every city in which she does business.

Thankfully, she was willing to lend her time and expertise last year when I convened a task force of retailers, business owners and tax experts to offer recommendations on how we can simplify our tax system.

She is part of an Arizona legion of small business owners who make up the backbone of our economy.

Linda is here today. Linda, please stand – I know we're all grateful for your tireless efforts.

But we must do more than simply thank our small business owners.

We can adopt the concrete steps outlined by Linda, Senate Majority Leader John McComish, House Majority Whip Rick Gray and other members of the special task force ... steps that will simplify our sales tax code, remove one more barrier to economic growth and make Arizona even more competitive.

While we take these important steps to boost our economy, we can't forget the most fundamental and lasting key to Arizona's competitiveness: our schools.

First, we have a responsibility to make certain our children have a safe place to learn.

The massacre at Sandy Hook Elementary was unimaginable.

Our job now is to take common sense steps that lessen the likelihood of a similar tragedy striking Arizona – while resisting the urge to turn a school into a fortress.

Part of the solution is something that already has a track record of success: the School Resource Officer. My budget plan will expand State funding for these trained officers.

Let's come together for the safety of our schools – allowing our teachers and children to focus on what's most important: Learning.

We've already injected competition into our education system, and Arizona's growing charter school sector has produced several of the top-performing models in the nation.

But this remains a state where one in four 3<sup>rd</sup> graders can't read at or near grade level, and one in four students drops out of high school before graduation.

It's no coincidence those numbers are the same. Research tells us that early reading proficiency is one of the strongest predictors of later educational success.

That's why I'm so proud the Arizona Legislature joined me last year in funding the Move on When Reading program.

Beginning now, schools across Arizona must develop comprehensive reading assessments to identify students falling behind.

With the help of the State, local schools will connect students with reading experts.

We know that reading proficiency starts at home. We all must continue to encourage parents to fulfill this basic privilege and duty.

Working with parents and schools, let's help ensure today's struggling young reader doesn't become tomorrow's dropout.

To enable our schools to keep pace with global competition, we're raising standards and increasing accountability for students, schools and teachers.

Everyone knows that global competition for jobs has changed. Our schools must keep pace.

Our new Common Core standards are benchmarked to the top education measures in the world. If Arizona schools aren't doing the job, we'll know about it – and so will parents.

Of course, it's not enough to install a new curriculum, raise standards and hope for the best. I'm committed to helping schools and teachers make this transition a success.

You will see that reflected in the detailed budget I release Friday.

And that brings us to school funding. Whatever your point of view, we should all agree that it's time we start funding the academic results we want to see.

What I am proposing is the nation's first comprehensive performance funding plan for our districts and charter schools.

This plan will reward schools that earn high marks or see real improvement in performance.

I'm not talking about scrapping attendance-based funding formulas. Rather, this will augment that system with an innovative approach to promoting school performance, while maintaining local control.

Together, let's stop simply funding the system we have and start funding the student achievement we want.

Arizona's future is also tied to another critical decision.

It's a decision some would prefer not to face. They'd like to wish it away.

We cannot.

**JOURNAL OF THE SENATE**  
**Monday, January 14, 2013**

Nor can we simply wag our finger at the federal government. Trust me: I tried that once.

Of course, I'm speaking about Arizona's Medicaid program and expanded coverage in accordance with the Affordable Care Act.

Like many of you, I oppose the President's health care plan.

That's why, after weighing the pros and cons of the ObamaCare health exchange, I opted against Arizona's participation.

I also led Arizona in joining a coalition of states that sought to block the program in court, and I've taken every opportunity to argue for health reform with less bureaucracy, more patient choice and fewer costs.

Try as we might, the law was upheld by the U.S. Supreme Court. The President was re-elected, and his party controls the U.S. Senate.

In short, the Affordable Care Act isn't going anywhere – at least not for the time being.

By agreeing to expand our Medicaid program just slightly beyond what Arizona voters have twice mandated, we will:

- Protect rural and safety-net hospitals from being pushed to the brink by their growing costs in caring for the uninsured;
- Take advantage of the enormous economic benefits – inject 2 Billion dollars into our economy – save and create thousands of jobs; and,
- Provide health care to hundreds of thousands of low-income Arizonans.

Saying 'no' to this plan would not save these federal dollars from being spent or direct them to deficit reduction.

No, Arizona's tax dollars would simply be passed to another state – generating jobs and providing health care for citizens in California, Colorado, Nevada, New Mexico or any other expansion state.

Remember: Arizona citizens have voted TWICE to expand Medicaid coverage.

With this move, we will secure a federal revenue stream to cover the costs of the uninsured who already show up in our doctor's offices and emergency rooms.

Under the current system, these costs are passed along to Arizona families. Health care premiums are raised year after year to account for expenses incurred by our hospitals as they provide care to the uninsured.

This amounts to a HIDDEN TAX estimated at nearly 2 Thousand dollars per family, per year.

As I weighed this decision, I was troubled by the possibility that a future President and Congress may take steps to reduce federal matching rates, leaving states with a greater and greater share of health costs over time. And I worried that any expansion of Medicaid – no matter the federal subsidies – could result in costs the State cannot afford.

Together with my team, I've crafted a plan to address both of these concerns and safeguard Arizona.

First, any expansion of our Medicaid program will include a circuit-breaker that AUTOMATICALLY rolls back enrollment if federal reimbursement rates decrease.

I won't allow ObamaCare to become a bait-and-switch.

Second, we will allow hospitals and health providers to assess a fee upon themselves-using that revenue to leverage federal assistance.

This is already done in 47 states. It's also ongoing in the City of Phoenix and under consideration in other cities across Arizona.

With the federal revenue this hospital assessment generates, we can assure that our State General Fund bears NO COST in expanding Medicaid.

This doesn't mean it's free money, of course. We know there is no such thing. I'm as much of a federal deficit hawk as anyone in this chamber.

But Arizona's Medicaid program – AHCCCS – is not the problem. It is, in fact, part of the solution as the nationally-recognized gold standard for cost-effective, managed care in this country.

I'll be releasing more details about my Medicaid plan in the days ahead.

Weigh the evidence and do the math.

With the realities facing us, taking advantage of this federal assistance is the strategic way to reduce Medicaid pressure on the State budget. We can prevent health care expenses from eroding core services such as education and public safety, and improve Arizona's ability to compete in the years ahead.

I'm committed to doing this, and I want you on my side. Let's work together in an atmosphere of respect and do what is BEST for Arizona.

With all of the subjects we tackle at this Capitol, we must recall that facts and figures and spreadsheets never tell the whole story. For that, we must go back to the people we serve.

Amazing things happen in Arizona when we work together as leaders, marshal available resources and encourage innovation and partnership.

There's someone special I'd like you to meet today. Her name is Shelby, and she's twelve years old. It wasn't long ago that she would have needed a wheelchair to be with us.

For nearly her entire life, she was prisoner to a rare and unknown neurological disorder. It prevented her from speaking. She could not hold up her head, and had trouble eating and breathing.

Her case had doctors stumped. Then Shelby saw researchers at the TGEN Center for Rare Childhood Disorders, right here in Arizona.

There, researchers sequenced Shelby's genome, identified the cause for her ailment and prescribed a treatment plan.

The results speak for themselves.

Shelby, I'm so happy you're with us today. Please stand so that we may applaud your courage, as well as the groundbreaking work of researchers at Arizona's own TGEN.

I've been in public life a long time. You know I speak my mind. I do what I think is right.

A lot like Arizona herself.

Our state has never shied away from tough decisions. We've been a national leader when it comes to everything from battling federal mandates to pushing the feds to live up to their responsibilities.

So, it should be no surprise that – when it comes to management of our precious natural resources – I'd like Arizona to set its own course as much as possible.

**JOURNAL OF THE SENATE**  
**Monday, January 14, 2013**

Today, I've issued an Executive Order establishing the Arizona Natural Resources Review Council.

This Council is tasked with creating a plan to help protect and maintain the values of multiple use, sustained yield, public access and economic development on federal lands.

I am calling on local governments and the private sector to join with the State to meet this long term vision.

More than 30 million acres across our state are ALREADY under federal control. The Council's plan will be one way we can protect Arizona's interests on federal lands.

I am calling on local governments and the private sector to join with the State to meet this long term vision.

More than 30 million acres across our state are ALREADY under federal control. The Council's plan will be one way we can protect Arizona's interests on federal lands.

Arizona knows BEST how to manage her own land and natural resources.

Of course, you can't discuss Arizona's relationship with the federal government without mentioning Mexico and our shared border.

I've heard the earnest calls for immigration reform. I agree our Nation's system is broken and has been for decades.

To the reformers, I say: Demonstrate your stated commitment to a secure border by making that your FIRST priority.

After so many broken promises – so many starts and stops with border security – join me in holding the federal government to account.

Once our border is secure, I pledge to work with all fair-minded people to reform our Nation's immigration system.

It must once again combine the rule of law and human compassion, providing safety for our citizens and facilitating our economic relationship with Mexico – Arizona's largest trade partner.

We've already seen the border largely secured in the Yuma Sector. The steep decline in illegal crossings is proof that our border CAN be secured when the federal government employs the right mix of fencing, manpower and technology.

Now, I ask the President to finish the job. Secure the Tucson sector, the most heavily-traveled gateway for illegal crossings into this country.

Fulfill your promise to the American people, and I'll make good on mine.

In the meantime, because I will never shy away from taking actions necessary to protect our state, I will be issuing an Executive Order establishing a taskforce against human trafficking.

This is truly a crime against humanity – a modern-day slavery in which men, women and children are sold into forced labor or prostitution.

Cindy McCain has been a leading voice in the fight against human trafficking.

She's with us today, and I look forward to working with her and legislators to combat this growing problem.

Finally, for those of you just beginning this voyage of public service ... and for others who've been at it for many years ... there is someone here with us today who has been an inspiration.

Someone whose contributions to this State will be felt for generations to come.

I'm speaking, of course, about United States Senator Jon Kyl.

He is that rarest of creatures in Washington, someone who has walked away of his own free will – and WITHOUT voters showing him the door.

Senator Kyl leaves behind a lasting model of quiet dignity, grace and something those of us in the West used to call “horse sense.”

Senator Kyl, let us stand FOR YOU so that we can thank you for your noble service.

As we gather this legislative session, let us put the best interests of Arizona above all else.

Because that is what we are called to do.

Arizona's challenges are great, but not greater than our capacity to meet them.

This is Arizona's legacy. We were the last of the continental states ... carved from rugged country ... a territorial landscape equally harsh and beautiful.

And if Arizona truly intends to compete, we should study the meaning of the word.

This may surprise you, but the word “compete” is of Latin root. It means: “To strive together.”

Our forefathers built this state for us with shared purpose and common cause.

We can secure the future only through that same spirit.

Let us not squander the many blessings we've inherited.

Let us leave a legacy of our own as we make the difficult decisions that keep Arizona on the path to prosperity.

It is a legacy, I pray, that will be worthy of this wonderful place I love.

I am thankful you are all here with me now to do the people's work ... in this time and in this place.

Just as when I first entered this chamber three decades ago, I am filled with optimism.

It is the kind that comes with knowing our cause is just and our course is true.

I know that Arizona's best days are yet to come.

God bless you, God bless America and God bless the great State of Arizona.

**Whereas** on January 22, 1973, the United States Supreme Court ruled in the cases of *Roe v. Wade* and *Doe v. Bolton* that states may not enforce laws prohibiting abortion; and

**Whereas** in the forty years since those decisions, the lives of over fifty million preborn children have been terminated; and

**Whereas** many mothers have been physically and psychologically harmed by abortion; and

**Whereas** women have faced dangerous conditions and substandard medical care in abortion clinics across the country, including at least one Arizona clinic where a woman needlessly lost her life after a botched abortion; and

**Whereas** countless women and men live with the emotional scars of the tragic and painful choice to have an abortion; and

**Whereas** no right to abortion is rooted in the traditions of the American people and no national right to abortion is conferred by the Constitution of the United States; and

**Whereas** the United States Supreme Court's decisions in *Roe v. Wade* and *Doe v. Bolton* have no basis in the text or history of the Constitution of the United States; and

**Whereas** human life founded on inherent and inalienable rights is entitled to the full protection of law and due process, and the United States Supreme Court's abortion decisions have failed to protect the lives of preborn children.

**Now, therefore, be it resolved** that the undersigned Members of the Legislature:

1. Express their sorrow at the loss of life and the physical and psychological harm caused by forty years of legalized abortion.

2. Shall make every effort to secure for preborn children at every stage of development all of the rights, privileges and immunities available to persons, citizens and residents of this State until the decisional interpretations of the United States Constitution by the United States Supreme Court provide protection for every human being.

3. Shall make the health and safety of women in this State a priority by requiring that abortion providers meet standards that protect women from unsanitary facilities and unsafe practices.

MESSAGES FROM THE HOUSE

(January 31, 2013)

House unanimously adopted House Concurrent Resolution 2019

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2019

House Concurrent Resolution 2019 was introduced and read in full by Senator Ward as follows:

A Concurrent Resolution proclaiming February 1, 2013 as National Wear Red Day in Arizona.

Whereas, currently some 8 million women in the United States are living with heart disease, yet only one in five American women believes that heart disease is her greatest health threat; and

Whereas, 90 percent of women have one or more risk factors for developing heart disease; and

Whereas, 26 percent of women die within one year of suffering a heart attack, compared with 19 percent of men; and

Whereas, while one in 30 American women dies from breast cancer each year, one in three dies of cardiovascular disease; and

Whereas, cardiovascular disease claims the lives of over 419,000 American females each year, almost one death per minute; and

Whereas, only 43 percent of African-American women and 44 percent of Hispanic women know that heart disease is their greatest health risk, compared with 60 percent of white women; and

Whereas, nearly as many women die of heart disease, stroke and all other cardiovascular diseases than the next three leading causes of death combined, including all cancers; and

Whereas, only 16 percent of women surveyed in 2009 identified cardiovascular disease as the greatest health problem facing them; and

Whereas, in women, heart disease is too often a silent killer. Fewer than one-third of women in a recent survey reported any early warning signs such as chest pain or discomfort before a heart attack, compared with most men; and

Whereas, common symptoms for women included pain of the jaw, arm or back, but most reported a delay in seeking treatments after the symptoms began of anywhere from fifteen minutes to two weeks; and

Whereas, women are less likely to call 911 for themselves when experiencing symptoms of a heart attack than they are if someone else were having a heart attack; and

**JOURNAL OF THE SENATE**  
**Thursday, January 31, 2013**

Whereas, Go Red For Women® is the American Heart Association's national call to increase awareness about heart disease-the leading cause of death for women-and to inspire women to take charge of their heart health; and

Whereas, all women should learn their own personal risk for heart disease, using tools such as the American Heart Association's My Life Check, Go Red For Women® Heart CheckUp and Go Red For Women® Better U, and by talking to their healthcare provider; and

Whereas, making the right choices relating to proper nutrition, physical activity and other healthy lifestyle choices are essential to living a heart healthy life; and

Whereas, the truth is that our lives are in our hands. We can stop our number one killer together by sharing the truth; we can be the difference between life and death.

Senator Ward moved that House Concurrent Resolution 2019 be unanimously adopted. The motion carried.

House Concurrent Resolution 2019 was signed in open session and returned to the House.

### MESSAGES FROM THE HOUSE

(February 21, 2013)

House unanimously adopted House Concurrent Resolution 2034

### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2034

House Concurrent Resolution 2034 was introduced and read in full by Senator Burges as follows:

A Concurrent Resolution commemorating the sesquicentennial of the organization of the Arizona territory.

Whereas, the rich history of Arizona includes the genealogy of the Native American peoples hundreds of years before the time of Christ; and

Whereas, the beauty and grandeur of Arizona was written about by Spanish conquistadors and padres eighty years before the Pilgrims landed on the East Coast; and

Whereas, on February 2, 1848, the Treaty of Guadalupe Hidalgo granted the area to the United States government following the War with Mexico, making Arizona part of the New Mexico Territory; and

Whereas, the Gadsden Purchase of 1854 added the area south of the Gila River to the New Mexico Territory; and

Whereas, this land, now known as Arizona, was made separate from the New Mexico Territory along the 34<sup>th</sup> parallel with Arizona occupying the southern half of the divide; and

Whereas, from 1850-1860, ten bills supporting separation of territories failed in the Congress of the United States; and

Whereas, Arizona was added as a county of New Mexico with the seat in Tucson in 1860; and

Whereas, on February 14, 1862, Arizona became a territory of the Confederate States of America; and

Whereas, in June 1862, Union soldiers captured Tucson and claimed the territory for the United States of America; and

**JOURNAL OF THE SENATE**  
**Monday, February 25, 2013**

Whereas, when H.R. 357 passed the United States House of Representatives on May 8, 1862, our great nation was engulfed in a horrendous civil war; and

Whereas, this land, now known as Arizona, was made separate from the New Mexico Territory by this bill, dividing Arizona and New Mexico into separate territories along the 109<sup>th</sup> meridian; and

Whereas, this Act forbade slavery or forced servitude in this territory and in all territories that may follow thereafter; and

Whereas, more commonly known as the Organic Act, this bill, when signed into law, provided for the organization of territorial republic governance of executive, legislative and judicial powers; and

Whereas, the Organic Act provided for the creation of the State of Arizona under the provisions of the United States Constitution; and

Whereas, President Abraham Lincoln, the sixteenth President of the United States, signed the Organic Act into law on February 24, 1863, creating the Territory of Arizona and establishing Prescott as the Capitol.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature celebrate the 150<sup>th</sup> year anniversary of the passage of the enabling legislation on February 24, 1863 that established the Territory of Arizona.

2. That the Members of the Legislature encourage the citizens of the State of Arizona to take special pride in knowing that personal liberty, individual rights and fair government are imbued in this historic Act that gave birth to the Grand Canyon State of Arizona.

Senator Burges moved that House Concurrent Resolution 2034 be unanimously adopted. The motion carried.

House Concurrent Resolution 2034 was signed in open session and returned to the House.

#### PERSONAL PRIVILEGE

Senator Hobbs requested a point of Personal Privilege and recognized social workers as follows:

Social workers value human relationships, the dignity and worth of all persons, as well as competence, integrity, service, and social justice. They work in a variety of public and private settings, including mental health and substance abuse agencies, hospitals and public health organizations, counseling agencies, child welfare agencies, governments, schools, and with the aging population. Social workers strive to strengthen families and communities and promote client self-sufficiency.

They are here today to become more familiar with the legislative process, learn how constituents can affect public policy, and to advocate for funding and services for vulnerable people.

Be it resolved by the Senate of the State of Arizona:

1. That the Members of the Legislature strongly support domestic violence shelters and non-residential programs in their work to keep victims and their children safe.

MESSAGES FROM THE HOUSE

(February 25, 2013)

House passed on Third Reading House Concurrent Resolution 2020 (60-0-0)

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2020

House Concurrent Resolution 2020 was introduced and read in full by Senator McComish as follows:

A Concurrent Resolution designating March 18, 2013 as first responders recognition day in Arizona.

Whereas, every day in Arizona, law enforcement officers, firefighters and emergency medical and service workers respond bravely and without thought of their own personal safety to provide various emergency medical, protection, rescue and recovery services to the citizens of this state; and

Whereas, these brave individuals literally face the unknown in responding to a call and encounter incredible risks to their own lives and well-being in order to enforce laws and to maintain safe and orderly communities in which to live and work; and

Whereas, first responders exemplify exceptional dedication to their work and display great heroism and selflessness in countless ways; and

Whereas, each year, dozens of first responders in the United States are tragically killed or injured in the line of duty; and

Whereas, first responders of every kind are true heroes to whom we owe an extraordinary debt of gratitude for their tremendous service and their commitment to the highest ideals of public service.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature proclaim March 18, 2013 as First Responders Recognition Day in Arizona and pay tribute to the first responders of this state, both past and present, for their extraordinary dedication to preserving and protecting the public peace and the safety of all citizens.

Senator McComish moved that House Concurrent Resolution 2020 be unanimously adopted. The motion carried.

#### MESSAGES FROM THE HOUSE

(March 21, 2013)  
House unanimously adopted House Concurrent Resolution 2035

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2035

House Concurrent Resolution 2035 was introduced and read in full by Senator Hobbs as follows:

A Concurrent Resolution recognizing the important work of caregivers in Arizona.

Whereas, the population of the State of Arizona over eighty-five years of age is projected to reach 287,000 in 2032; and

Whereas, nationally, 70% of people with Alzheimer's disease or a related disorder live at home and need assistance with activities of daily living; and

Whereas, countless other vulnerable or disabled adults rely on the care and assistance of unpaid caregivers to help them with daily activities; and

Whereas, almost three-fourths of older people living in the community who received personal assistance relied exclusively on unpaid caregivers for help; and

**JOURNAL OF THE SENATE**  
**Thursday, March 21, 2013**

Whereas, almost all older, vulnerable or disabled adults who need assistance with activities of daily living want to remain in their homes and communities; and

Whereas, providing services and supports to older, vulnerable or disabled adults in their homes and communities is generally much less expensive than nursing home care; and

Whereas, older, vulnerable or disabled adults who receive cost-effective services in their homes are much less likely to need public assistance; and

Whereas, in 2009 an estimated 855,000 adults in Arizona provided care to adult relatives or friends, which equates to an estimated 818 million hours and an estimated value of \$9.4 billion each year; and

Whereas, to successfully address the surging population of older adults who have significant needs for long-term services and supports, the state must develop methods to both encourage and support families to support their aging relatives and develop ways to recruit and retain a qualified, responsive in-home care workforce.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature support the dedicated work of family caregivers statewide and recognize caregiving for older, vulnerable or disabled adults as a vital and needed profession today and in the future.

2. That the Members of the Legislature support innovative and creative means to support family caregivers to continue to provide needed in-home support for older, vulnerable or disabled adults.

3. That the Members of the Legislature express support for state policies and programs that address the needs of older, vulnerable or disabled adults and their caregivers as well as agencies that provide additional information and education on supporting older, vulnerable or disabled adults in their homes through both family caregivers and paid professional caregivers.

Senator Hobbs moved that House Concurrent Resolution 2035 be unanimously adopted. The motion carried.

House Concurrent Resolution 2035 was signed in open session and returned to the House.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 3, 2013, the Governor signed and transmitted to the Secretary of State House Bills 2064, 2308, 2324, 2327, 2476, Senate Bills 1047, 1073, 1089, 1102, 1148, 1177, 1237 and 1286.

The Governor signed House Bill 2476 with the following message:

April 3, 2013

The Honorable Ken Bennett  
Secretary of State  
1700 West Washington  
Phoenix, Arizona 85007

RE: House Bill 2476 (schools; isolation rooms; restrictions)

Dear Secretary Bennett,

Today, I signed into law House Bill 2476 (schools; isolation rooms; restrictions). This legislation establishes guidelines for schools to notify parents and seek consent prior to consigning a student to a so-called isolation room. I view this measure as a starting point as the State reviews the practice of these isolation rooms and any necessary steps we can take to ensure they are not misused.

I am grateful to the bill sponsor — Representative Kelly Townsend, R-District 16 — for shining a light on this issue. It is chilling to imagine an Arizona schoolchild being shut away in a padded room, no larger than a closet, for hours on end. There has to be a better way.

During legislative hearings, we learned that Arizona is one of only six states with no regulation governing the use of isolation rooms in schools. It is critical that we learn more about this issue, as well as the best management techniques used in other states to properly manage an out-of-control student who may be a threat to him or herself, classmates or teachers. Over the interim, I ask that Representative Townsend work with stakeholders — including parents and behavioral-health experts — to address some of these issues so that legislators can revisit this issue next year with additional steps the State of Arizona can take.

Our goal must be to ensure Arizona children — especially those with special needs — are treated in a way that provides for both their safety and dignity. Working together, I know we can achieve this.

Sincerely,

/s/Janice K. Brewer  
Governor

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1020

Senate Concurrent Resolution 1020 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution on the death of Cochise County Sheriff Larry Dever.

Cochise County Sheriff Larry Dever died on September 18, 2012 in a single-car accident in northern Arizona.

Sheriff Dever spent thirty-six years with the Cochise County Sheriff's Office, working his way up from deputy to become one of the county's most popular elected officials in its long and storied history. Sheriff Dever remained true to his core values from his formative years growing up in the small town of St. David, Arizona, where he resided until his death. A proud Republican, Sheriff Dever rose to national prominence in the early 2000s as an advocate for stronger and more diligent border enforcement, as Cochise County was overrun with illegal activity involving drug and human smuggling. Never a shouter or screamer, the Sheriff with the big cowboy hat became respected in the halls of Congress and on national television shows for his dry, measured and thoughtful responses to the myriad issues surrounding illegal immigration, border security and border enforcement.

Among his duties at the time of his death, Sheriff Dever served as chairperson of the Immigration and Border Security Committee of the National Sheriffs' Association. A staunch supporter of Arizona's immigration enforcement law, Sheriff Dever signed on as a key defender of the law in federal court. The vast majority of his constituents in Cochise County also supported the law, but even many of those opposed to it respected the sheriff's position because they knew him to be an honest and forthright person who was willing to listen to opposing points of view.

Soon after Sheriff Dever first took office in early 1997, he offered the following mission statement for his department: "It is not enough that we do our best; we must also do what is required." These words, composed long ago by Sir Winston Churchill, summed up the sheriff's approach to his job and to life. Throughout his years in law enforcement, Sheriff Dever earned the well-deserved reputation as a capable and dedicated public servant and he distinguished himself as a loyal, innovative and compassionate individual and a true patriot. Sheriff Dever will long be remembered as a good man who loved his God, his nation, his family and his community, the Sheriff's Department and, of course, baseball.

The effects of Sheriff Dever's sudden and unexpected death have been incalculable to his constituents, friends and, above all, his beloved family. A loving and devoted husband, father, son, brother and grandfather, Larry Dever leaves behind his wife of thirty-nine years, Nancy, his six sons, Brendon, Brian, Garrett, Scott, Bradley and Kurt, his daughters-in-law, his thirteen grandchildren, his father, Kline, and his brothers, Jim and Danny. Larry Dever will be greatly missed by his family, his colleagues and constituents in Cochise County and his many friends in the State of Arizona.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express sincere regret on the death of Sheriff Larry Dever and extend their heartfelt condolences to his family and friends.

Senator Griffin moved that Senate Concurrent Resolution 1020 be unanimously adopted and that the Senate stand in a moment of silence in memory of Sheriff Larry Dever. The motion carried.

Senate Concurrent Resolution 1020 was signed in open session and transmitted to the House.

#### BUSINESS ON THE PRESIDENT'S DESK

#### COMMUNICATIONS FROM THE GOVERNOR

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

The Governor vetoed House Bill 2578 with the following message:

April 5, 2013

The Honorable Andy Tobin  
Speaker of the House  
Arizona House of Representatives  
1700 West Washington  
Phoenix, Arizona 85007

House Bill 2578 (licensing; accountability; penalties; exceeding regulation)

Dear Speaker Tobin,

Today, I vetoed House Bill 2578 (licensing; accountability; penalties; exceeding regulation). This legislation would establish penalties for government employees who base licensing decisions on requirements not specified in statute, rule, ordinance or code.

I believe this bill to be both punitive and unnecessary. Arizona law already prohibits agencies, counties, municipalities, and flood control districts from issuing a licensing decision based on a requirement not specially authorized by statute, rule, ordinance or code. Well-established administrative and judicial processes also exist to remedy an improper licensing decision.

These concerns are among the primary reasons I have vetoed House Bill 2578.

Sincerely,

/s/Janice K. Brewer  
Governor

MESSAGES FROM THE HOUSE

(April 9, 2013)

House unanimously adopted House Concurrent Resolution 2036

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2036

House Concurrent Resolution 2036 was introduced and read in full by Senator Melvin as follows:

A Concurrent Resolution honoring the Boy Scouts of America for its contributions to the lives of our nation's boys and young men.

Whereas, scouting is the largest voluntary youth movement in the world, with a membership totaling more than 25 million; and

Whereas, the Boy Scouts of America was incorporated on February 8, 1910 and recognized by federal charter on June 15, 1916 to provide an educational program for boys and young men to build strong moral character, train in the responsibilities of participatory citizenship and develop personal fitness; and

Whereas, the Boy Scouts of America teaches the core values of duty to God and country, personal honor, respect for the beliefs of others, volunteerism and interdependence with the environment, principles that are conducive to good character, citizenship and health; and

Whereas, since 1910, more than 111 million people have been members of the Boy Scouts of America; and

Whereas, the Boy Scouts of America is a model for inclusiveness, with millions of boys and young men from every ethnic, religious and economic background, including those with disabilities and special needs, participating in scouting programs across the United States; and

**JOURNAL OF THE SENATE**  
**Tuesday, April 9, 2013**

Whereas, each local Boy Scout Council commits each Boy Scout to perform twelve hours of community service annually, for a total of 30 million community service hours each year; and

Whereas, more than one million adult volunteer leaders selflessly serve young people in their communities through organizations chartered by the Boy Scouts of America; and

Whereas, the United States Supreme Court has ruled that the Boy Scouts of America, as a private, voluntary, nonbusiness organization, has the right to set its own standards for membership and leadership; and

Whereas, after a two-year study, the Boy Scouts of America reported its unanimous consensus that the organization retain its current "don't ask, don't tell" policy; and

Whereas, the Boy Scouts of America has always affirmed faith in God as foundational and essential to its purpose and mission, articulated by Lord Baden-Powell's insight that "God has given us . . . the great Book of Nature to read; and (no one can) say that there is untruth there—the facts stand before them"; and

Whereas, the Boy Scouts of America enjoys a sustained record of proven success in producing leaders for our nation who are trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature recognize the Boy Scouts of America and express support for its values and policies and appreciation for the public service this worthwhile organization performs through its contributions to the lives of our nation's youth.

RE: House Bill 2076 (military applicants; license requirements)

Dear Secretary Bennett,

Today, I signed House Bill 2076 (military applicants; license requirements). This legislation establishes guidelines for military applicants when applying for a Commercial Driver License (CDL), as well as requirements to perform as a Licensed Practical Nurse (LPN).

I applaud the sponsor for bringing forth this legislation, which helps our separating service members receive credit for the valuable training they gained while serving in our armed forces. By helping to ease the licensing process when obtaining a CDL or becoming an LPN, this bill helps further one of my Four Cornerstones; connecting our trained veterans to jobs in the civilian labor force.

To further this legislation, I encourage all state licensing agencies to examine their licensing rules, policies and statutes to find opportunities where our service members' military training can be credited toward existing requirements or where waivers may be granted.

The United States has the most highly trained and skilled military in the world. We can continue to honor our veterans' service and sacrifice in Arizona by allowing their military training to help them transition into the civilian work force.

Sincerely,

/s/Janice K. Brewer  
Governor

The Governor signed Senate Bill 1293 with the following message:

The Honorable Ken Bennett  
Secretary of State

RE: Senate Bill 1293 (schools; outcome-based funding; simulated pilot)

Dear Secretary Bennett,

Today, I signed into law Senate Bill 1293. The bill's sponsor, Senator Chester Crandell, and I agree that we should modernize Arizona's school funding system by tying funding more directly to school performance and improvement, rather than simply pupil enrollment.

Unfortunately, SB 1293 doesn't go far enough. I am concerned about the possibility that results of this pilot program may be misinterpreted. It is only a simulation.

I urge the Arizona Legislature to adopt my Performance Funding plan for schools. This is the only real way to see how financial incentives for districts will drive the kind of innovation, accountability and excellence we all want for Arizona classrooms. My initiative takes a conservative, cautious approach by phasing-in over five years, and would only represent a small fraction of overall school funding.

It is not enough to merely measure our schools. We must fund the academic results we want, rather than continuing to feed our current system. It is time to bring Arizona's school-finance system into the 21<sup>st</sup> Century.

Sincerely,

/s/Janice K. Brewer  
Governor

The Governor vetoed the following:

April 11, 2013

The Honorable Andy Tobin  
Speaker of the House  
Arizona State Senate  
1700 W. Washington  
Phoenix, Arizona 85007

RE: House Bill 2054 (charter schools; preschool programs)

Dear Speaker Tobin,

Today, I vetoed House Bill 2054, which would have allowed charter schools to offer pre-schooling options to children with disabilities. I cannot sign legislation with a fiscal impact while budget discussions are ongoing. This bill is identical to last year's Senate Bill 1256 that I vetoed for the same concern.

It seems the bill intended to include pre-school children with disabilities in the full charter school funding formula. However, the bill inadvertently omitted these children from charter school additional assistance.

This bill is clearly an important spending priority for the Legislature. I look forward to discussing the merits of this proposal either within the context of the budget process or once a budget agreement has been reached.

Sincerely,

/s/Janice K. Brewer  
Governor

 President of the Senate  
 Arizona State Senate

Re: Senate Bill 1115 (direct pay prices; health care)

Dear President Biggs,

Today, I vetoed Senate Bill 1115, which would have required health care providers, hospitals and other health care facilities to post the direct payment prices charged for common services in a written document or online. I support price and quality of care transparency in the health care sector which will provide useful information to help patients manage their health care needs. Transparency will bring more accountability into the health care delivery system.

I am concerned about the practical and potential legal implications of this bill. Accordingly, I cannot sign it in its current form.

The definition of health care facility is overly broad and includes facilities that do not serve the general public and may not charge a cash price for services. Veterans Administration facilities, health facilities on Arizona's military bases, Indian Health Services hospitals and clinics, tribal owned clinics and the Arizona State Hospital meet the definition of health care facility in SB 1115 but should be exempt from the mandate because they do not serve the general public.

Additionally, the bill contains a number of ambiguous terms and definitions that likely would cause unnecessary litigation and create conflict with both state and federal law. Moreover, the language of the legislation may impede the Arizona Medical Board's ability to effectively investigate complaints and discipline doctors for billing abuses and excessive fees.

These concerns are among the primary reasons I vetoed SB 1115.

Sincerely,

/s/Janice K. Brewer  
 Governor

 Proper for Consideration: House Bills 2183, 2518, House Concurrent Memorial 2004

Proper for Consideration Amended: House Bill 2358

CONFERENCE COMMITTEE REPORTS

President Biggs announced that a group motion would be made for the adoption of conference committee reports unless a Senator requested a report to be considered separately.

Senator McComish moved on behalf of the Chairmen that the Senate adopt the following conference committee reports:

Senators Yarbrough, Tovar and Yee, Senate conferees and Representatives Stevens, Gowan and Quezada, House conferees, submitted the following conference report on House Bill 2240:

That the House accept the Senate amendments and the bill be further amended.

Senators Melvin and Worsley, Senate conferees and Representatives Smith and Carter, House conferees, submitted the following conference report on House Bill 2281:

That the House accept the Senate amendments and the bill be further amended.

Senator Meza, Senate conferee and Representative Gonzalez, House conferee, submitted the following Minority Report:

I stand in opposition to the amendment offered in the free conference committee for HB 2281 (foreclosure; tenant notification). I supported the underlying bill with the Senate amendment, which requires owners to notify tenants in writing within five days of any received notice of trustee's sale or foreclosure on the property after a tenant has entered into a rental agreement on the property.

The conference committee amendment limits the homeowner's notification responsibility to only the first notice of trustee's sale or foreclosure received by the homeowner. I oppose this amendment for the following reasons:

- In most foreclosure sales, the date of the foreclosure is changed, often multiple times. The tenant should be apprised of the revised sale date, not just the original sale date.
- Absent federal law (Protecting Tenants at Foreclosure Act), which sunsets on December 31, 2014, the foreclosure sale extinguishes all interests in the rental property that are junior in priority to the lender's lien, meaning that the foreclosure terminates the lease and the tenant must vacate regardless of the time left on the lease. The purpose of the bill is to give the tenant sufficient notice of the foreclosure sale so the tenant can adequately prepare to vacate the home. Without notice of the revised sale, the tenant will not have adequate notice and sufficient time to vacate.
- It was argued that the tenant has independent access to the revised foreclosure sale date through the county recorder. While the trustee must abide by A.R.S. 33-810, even if notice is timely recorded with the county recorder's office, this does not mean that the records are immediately available online for a tenant to access. If the homeowner successfully postpones a trustee sale or successfully acquires a temporary restraining order, it is possible the new sale date won't be available until the trustee records a new date. Therefore, unless the homeowner provides the tenant with notice of the revised sale date, the tenant will not always have access to this information independently.

For these reasons, I oppose the conference committee amendment.

Senators Crandell and Melvin, Senate conferees, and Representatives Farnsworth, and Goodale, House conferees, submitted the following conference report on House Bill 2318:

That the House accept the Senate amendments and the bill be further amended.

Senator Bradley, Senate conferee, and Representative Otondo, House conferee, submitted the following Minority Report:

**JOURNAL OF THE SENATE**  
**Tuesday, April 16, 2013**

House Bill 2318, as amended, places in statute an overly broad exemption from regulatory oversight for schools that do not receive federal funding.

Therefore, I oppose HB 2318 for the following reasons:

1. Potentially exempting schools that do not receive federal funding from statewide assessment requirements puts over \$1 billion in federal education funding at risk.

While the federal government does not require a high school exit examination, it does require the state to conduct statewide academic assessments. If the state allows a portion of public schools exemption from this requirement, the federal government could find the state out of compliance with federal statute and thereby put federal education funding at risk.

2. House Bill 2318, as amended, puts contradictory language in statute.

One section of the bill requires the state Department of Education to grant exemptions for state standards and assessments; however another section of the bill “does not prohibit” the State Board of Education from adopting state testing standards or implementing state assessments for these very same schools allowed the exemption under the bill.

3. HB 2318 requires the Arizona Department of Education to grant exemptions from regulations rather than allowing the department to do so, at its discretion.

The proper entity to be considering any potential exemptions should be the State Board of Education and not the Arizona Department of Education. The board has purview over policy decisions relating to public schools and the department should be confined to administering statutory compliance and assistance to schools, not deciding policy matters.

4. This bill places an artificial line between federal and state regulatory requirements.

The reality is that effective regulatory oversight of the use of public funds, whether they are state or federal, is a compelling state interest and necessary to ensure that public funds are used in an accountable and transparent manner.

The motion carried and the Secretary notified the House.

**COMMITTEE OF THE WHOLE**

Upon motion of Senator McComish and agreed to, the Senate at 1:49 p.m. resolved itself into Committee of the Whole for consideration of bills on the calendar with Senator Crandell in the chair.

At 2:26 p.m., the Committee of the Whole was dissolved and Senator Crandell submitted the following recommendations:

House Bill 2056, do pass amended  
 House Bill 2173, do pass amended  
 House Bill 2262, do pass amended  
 House Bill 2282, do pass amended

Senator Crandell moved the report of the Committee of the Whole be adopted and the bills be properly assigned. The motion carried and the bills were placed under Third Reading of Bills.

**MESSAGES FROM THE HOUSE**

President Biggs announced that without objection, Messages from the House as listed on the calendar would not be read. The messages would be entered in the Journal.

(April 16, 2013)

House adopted the Conference Committee Report on Senate Bill 1310

**CONFERENCE COMMITTEE REPORTS**

Senator McComish moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Yarbrough and McComish, Senate conferees and Representatives Lovas and Allen, House conferees, submitted the following conference report on Senate Bill 1310:

That the Senate accept the House amendments and the bill be further amended.

Representative McCune Davis, House conferee, submitted the following Minority Report:

I oppose the conference committee amendment to SB 1310, special fund; workers' compensation, which expands the applicability of workers' compensation reciprocity. The conference committee amendment is unconstitutional. It takes away workers' compensation rights under Arizona law without a vote of the people by denying workers' compensation benefits to workers who are hurt while working temporarily in Arizona. This violates Article 18, Sec. 8 of the Arizona Constitution.

The amendment expands the applicability of Laws 2013, chapter 34 (i.e., SB 1148) concerning workers' compensation reciprocity to any claim that has not been accepted as compensable or adjudicated compensable as of the effective date of Laws 2013, chapter 34. This creates confusion by creating conflicting effective dates. SB 1148 applies only to claims made after its effective date. The conference committee amendment to SB 1310 effectively repeals the effective date in SB 1148. This creates problems. Which applicability date applies? The one in SB 1148 or the new one added in the conference committee amendment to SB 1310? This confusion may lead to litigation.

The conference committee amendment is unfair to injured workers who have already filed claims and who are waiting for judicial rulings. One claimant whose judge acts promptly and rules before the effective date of SB 1148 will not be subject to the retroactive provision of the conference committee amendment. Another claimant whose judge acts slowly will be penalized and will lose his workers' compensation rights. This produces an arbitrary and capricious result based not on how quickly a claimant acted, but on how quickly a judge decides a claim. It also gives the insurance carriers incentives to engage in delaying tactics to stall a decision in the case. An injured worker should not be penalized because the judicial system moves slowly.

Finally, the recently enacted law was fully vetted by all the stakeholders reaching an agreement, unlike the conference committee amendment which was a last minute agreement between limited parties involved in the discussion.

The motion carried and the Secretary notified the House.

April 16, 2013

The Honorable Andy Tobin  
Speaker of the House  
Arizona House of Representatives  
1700 West Washington  
Phoenix, Arizona 85007

Re: House Bill 2512 (trusts; beneficiary suits against settlor)

Dear Speaker Tobin,

Today, I vetoed House Bill 2512, legislation that would have imposed sweeping and strict conditions on a broad list of legal documents and civil actions related to those legal documents involving a grantor and a family member beneficiary. I believe that much of the bill's language is overly broad and harshly punitive. Key provisions also are extremely vague. Accordingly, this legislation will have unintended consequences.

I encourage the sponsor to reexamine this proposal with stakeholders and craft legislation that is not overly broad, but instead precisely defines key terms and concepts and is more narrowly tailored to specifically address the purported problem.

While I applaud the underlying intent to protect vulnerable populations that may be susceptible to individuals with questionable motives, House Bill 2512 in its current form is not the solution.

These concerns are among the primary reasons I have vetoed House Bill 2512.

Sincerely,

/s/Janice K. Brewer  
Governor

April 17, 2013

The Honorable Andy Tobin  
Speaker of the House  
Arizona House of Representatives  
1700 West Washington  
Phoenix, Arizona 85007

RE: House Bill 2322 (rule making; restrictions)

Dear Speaker Tobin,

Today, I vetoed House Bill 2322. This legislation would have prohibited an agency from adopting new rules or amending existing rules that would restrain or burden the free exercise of vested rights, and restricted a state agency to only adopting new or amended rules that are strictly ministerial.

As Governor, my first official action was to implement a rulemaking moratorium that would prevent additional burdens on Arizona's job creators. Since then, my administration has diligently and consistently sought new ways to eliminate burdensome regulatory mandates, streamline existing rules and, ultimately, bolster Arizona's economy.

In addition to the rules moratorium, last session I signed into law House Bill 2744 which permits state agencies to conduct expedited rulemaking in order to streamline existing rules and increase efficiency and service quality. Through these regulatory reform efforts we have unshackled both business and governments from overburdening regulations. These efforts have been achieved in a fair and balanced approach that will benefit the citizens of Arizona.

**JOURNAL OF THE SENATE**  
**Thursday, April 18, 2013**

While I can appreciate the effort to bring additional accountability to the rulemaking process, I believe this bill is a bridge too far. This legislation would have a broad negative impact on a state agency's ability to implement state law. Additionally, agencies and the public would be left with out-dated and burdensome rules until the Legislature updates the rules through statutory enactments.

These concerns are among the primary reasons I have vetoed House Bill 2322.

Sincerely,

/s/Janice K. Brewer  
Governor

RE: House Bill 2433 (Arizona state guard; age)

Dear Speaker Tobin,

Today, I vetoed House Bill 2433 which would have removed the upper age limit of 45 years old for service in the militia of the state of Arizona. It also added, without definition, provisions relating to being "capable of bearing arms."

This legislation amends Arizona Revised Statutes (A.R.S.) § 26-121 that actually applies to the Arizona National Guard, the state guard, and the unorganized militia. Moreover, A.R.S. § 26-174 provides that the state guard be "governed by and subject to the laws of the state pertaining to the national guard." Accordingly, the standards of both the state guard and unorganized militia should be in conformity with the standards for service in the National Guard.

Furthermore, it gives me pause to amend a statute that is intended, according to testimony, to apply to a "state guard" that has not yet been established or funded. If Arizona does have an interest in updating this statute, there may be other provisions worthy of analysis and discussion.

These are the primary reasons I have vetoed House Bill 2433.

Sincerely,

/s/Janice K. Brewer  
Governor

BUSINESS ON THE PRESIDENT'S DESK

MOTION TO ADJOURN

Senator McComish moved in compliance with Article IV, Part 2, Section 9, Constitution of Arizona, that the Senate, Fifty-first Legislature, First Regular Session request consent of the House of Representatives for the Senate to adjourn on Thursday, May 2, 2013, after it has completed its labors, until Tuesday, May 7, 2013. The motion carried and the Secretary notified the House.

COMMUNICATIONS FROM THE GOVERNOR

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 30, 2013, the Governor signed and transmitted to the Secretary of State House Bills 2157, 2358, Senate Bills 1092, 1093, 1107, 1235, 1238, 1302, 1343, 1417 and 1464.

The Governor vetoed the following:

The Honorable Andy Tobin  
Speaker of the House  
Arizona House of Representatives  
1700 West Washington  
Phoenix, Arizona 85007

RE: House Bill 2481 (permissible consumer fireworks; penalty)

Dear Speaker Tobin,

Today, I vetoed House Bill 2481, legislation that would have mandated the minimum penalty—a petty offense—for a permissible consumer fireworks violation within any county or city. The bill's language does not take into account different regional circumstances and local safety and fire concerns regarding the use of fireworks. This legislation would have unintended consequences negatively impacting Arizona. The risk and danger from fires started by fireworks are much greater in Arizona's rural areas.

These concerns are among the primary reasons I have vetoed House Bill 2481.

Sincerely,

/s/Janice K. Brewer  
Governor

The Honorable Andy Tobin  
Speaker of the House  
Arizona House of Representatives  
1700 West Washington  
Phoenix, Arizona 85007

Re: House Bill 2591 (governmental reporting; websites; budgets)

Dear Speaker Tobin,

Today, I vetoed House Bill 2591, which would have required state and local government entities to post the "actual budget total" in the bottom right-hand corner of their website homepage. The bill is duplicative and not adequately defined.

State and local governments already are required to publish comprehensive budget information. Additionally, the Department of Administration maintains the website [openbooks.az.gov](http://openbooks.az.gov) which provides both detailed and summary state expenditure data.

Finally, the publishing requirement in the bill is not clear and likely will be interpreted in a number of ways that would not result in budget transparency.

These concerns are among the primary reasons I have vetoed House Bill 2591.

Sincerely,

/s/Janice K. Brewer  
Governor

April 30, 2013

The Honorable Andy Biggs  
President of the Senate  
Arizona State Senate  
1700 West Washington  
Phoenix, Arizona 85007

Re: Senate Bill 1437 (music therapists; licensure)

Dear President Biggs,

Today, I vetoed Senate Bill 1437, which would have created a new state certification for music therapists. I understand and appreciate that state certification could increase access to music therapy services by enabling music therapists to practice in a greater number of healthcare facilities. However, in seeking this state certification, the legislation fails to grant even the most basic oversight authority to the state agency that is charged with issuing the certificates.

When the government regulates a profession by issuing certificates or licenses, there is an expectation from the public that the certificate holder or licensee is subject to a certain level of oversight. Under this proposal, the Department of Health Services is required to issue a state certification to music therapists but lacks the authority to revoke the certification or impose any penalty if the certificate holder violates the scope of practice. Further, there is no background check requirement despite the fact that music therapists often work with vulnerable children and adults.

Finally, I cannot sign legislation with so many undefined terms and ambiguous phrases that would have made it difficult to implement this bill. For example, the bill requires that an internship be approved by an "academic institution" but does not specify whether that means a university, community college, high school, or something else.

These concerns are among the primary reasons I have vetoed Senate Bill 1437.

Sincerely,

/s/Janice K. Brewer  
Governor

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On May 2, 2013, the Governor signed and transmitted to the Secretary of State House Bills 2178, 2341, 2392, 2430, 2441, 2458, 2482, 2516, Senate Bills 1103, 1108, 1157, 1243, 1291, 1310, 1316, 1341 and 1433.

The Governor signed Senate Bill 1108 with the following message:

May 2, 2013

The Honorable Andy Biggs  
 President of the Senate  
 Arizona State Senate  
 1700 W. Washington  
 Phoenix, Arizona 85007

Re: Senate Bill 1108 (foster home licensure; immunizations)

Dear President Biggs,

Today, I signed Senate Bill 1108. As you are aware, there are over 14,000 Arizona children in out-of-home care today. With so many children removed from unsafe and unstable environments, there is a significant shortage of foster homes for these children. While the Arizona Department of Economic Security (DES) has been diligently recruiting foster families, strengthening retention efforts, and streamlining internal processes, measures like SB1108 provide opportunities to consider innovative solutions.

Senate Bill 1108 prohibits the DES from requiring foster parents to immunize their natural or adoptive children as a condition of foster home licensure. The bill does not, however, guarantee placement of foster children in those homes.

I fully recognize that while we must provide foster children with a safe and loving home, they are only in the State's care temporarily. It is our duty to ensure they remain healthy and safe.

Accordingly, I have directed the DES to develop a placement policy that restricts the placement of young children and infants in homes where the foster parents have not immunized their own children. The DES will continue to place foster children in settings that are most appropriate for each child. Placement decisions must be made with consideration of whether the foster child is fully immunized.

It is my hope that SB1108 will allow more families to care for our foster children. With careful implementation, this legislation has the potential to provide more children with a safe and loving home.

Sincerely,

/s/Janice K. Brewer  
Governor

The Governor signed Senate Bill 1291 with the following message:

May 2, 2013

The Honorable Andy Biggs  
President of the Senate  
Arizona State Senate  
1700 W. Washington  
Phoenix, Arizona 85007

Re: Senate Bill 1291 (duty to report abuse; exception)

Dear President Biggs,

Today, I signed Senate Bill 1291. The bill exempts injuries that occur in the course of typical playground activity during a school day on the school premises from being reported to Child Protective Services (CPS) or law enforcement.

The intent of the bill is to curb unnecessary reporting to CPS or law enforcement in cases of typical playground accidents. I recognize that schools should have discretion in how to respond to everyday injuries on the playground, and children who are involved in minor playground accidents should not have a permanent record on their school file.

However, the changes proposed in this legislation require teachers and school staff to make determinations as to whether the injury was truly accidental and not the result of a negligent caregiver or a bully.

For this reason, school personnel, and the general public at large, should err on the side of caution when considering whether or not to report an injury to a minor to CPS or law enforcement. After all, children are vulnerable. It is our duty to ensure there are adequate safeguards in place to keep them out of harm's way.

I encourage the sponsor to work closely with CPS, law enforcement, schools, and other community stakeholders to thoroughly review how to best implement the legislation in order to avoid unintended consequences.

Sincerely,

/s/Janice K. Brewer  
Governor

RE: Senate Bill 1371 (municipal elections; ballot; disclosure)

Dear President Biggs,

Today, I vetoed Senate Bill 1371. This bill requires additional information to be placed on the ballot for municipal election measures involving a bond, sales tax or property tax.

While I share the sponsor's goal for transparency and disclosure of costs if a ballot measure is approved, the purpose of the ballot is to mark a vote for the candidate or measure. It is more appropriate to provide this information in the publicity pamphlet, which is mailed to each household of a registered voter and available at the polls. Additionally, this bill likely will result in the imposition of additional costs on the counties by adding to the length of the ballot.

There is an existing method to fully inform the voters of the impact of various ballot measures. I support the information contemplated in this legislation being included in the publicity pamphlet, but I disagree with mandating its placement on the ballot.

The concerns outlined herein are among the primary reasons I have vetoed Senate Bill 1371.

Sincerely,

/s/Janice K. Brewer

RE: Senate Bill 1439 (legal tender)

Dear President Biggs,

Today, I vetoed Senate Bill 1439. This bill would have recognized Specie coin authorized by Congress as legal tender in the state of Arizona. While I believe the concern over a devalued dollar as a result of an unsustainable federal deficit is justified, I am unable to support this legislation. I believe the provisions in this legislation need to be more carefully examined and there should be prior coordination with those government agencies tasked with the oversight of these transactions.

It is important to note that the administrative and fiscal burdens for both the taxpayers and the Department of Revenue remain vague. For example, it is unclear whether this legislation would require Arizona to exempt income tax related to a transaction involving collectable coins or bills that were originally authorized by Congress and may be used as legal tender. This would result in lost revenue to the State, while giving businesses that buy and sell collectable coins or currency originally authorized by Congress an unfair tax advantage.

These concerns are among the primary reasons I have vetoed Senate Bill 1439.

Sincerely,

/s/Janice K. Brewer  
Governor

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1021

Senate Concurrent Resolution 1021 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution on the death of the Honorable Bill Konopnicki.

The Honorable Bill Konopnicki, former member of the Arizona House of Representatives, passed away on October 17, 2012 at the age of sixty-seven.

Born in Detroit, Bill Konopnicki moved with his family to Yuma, Arizona when he was five years old. He attended Kofa High School and Arizona Western College before going on to earn bachelor's and master's degrees from Arizona State University. He received his doctorate degree in higher education from the University of Arizona and worked for Tucson area public schools, Pima Community College and the University of Arizona. Bill Konopnicki moved to Safford, Arizona in 1972, where he worked at Eastern Arizona College and served on the governing board of the Safford School District and the operating board of the Mt. Graham Regional Medical Center. An astute businessman, he owned and operated numerous fast food franchises and radio stations in eastern Arizona and served as chief executive officer of WSK Management Services.

In 2002, Bill Konopnicki was elected to the Arizona House of Representatives as a representative of Arizona's Fifth Legislative District. Over the course of his four legislative terms, he capably served his constituents and the citizens of Arizona as chairman of the Financial Institutions and Insurance Committee and the Natural Resources Committee. In 2008, he was named as the Legislator of the Year by the Arizona Chamber of Commerce and Industry. During his tenure, he distinguished himself as an exceptionally principled, thoughtful and generous public servant, and he earned the well-deserved respect and admiration of his peers on both sides of the political aisle.

Despite the demands of his work as a businessman and legislator, Bill Konopnicki gave generously of his time, energy and efforts to numerous worthwhile charitable organizations, including the Boy Scouts of America, the Boys and Girls Clubs and Ronald McDonald Houses. He was also dedicated to his church and served as a bishop and a stake president for the Church of Jesus Christ of Latter-Day Saints.

Dedicated to his family, Bill Konopnicki is survived by his wife, Cathy, their four children, David, Kristine, Michael and Sara, and ten grandchildren. He will be greatly missed by his family, his friends and the people of the State of Arizona.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature sincerely regret the passing of the Honorable Bill Konopnicki and extend their deepest sympathies to his family and many friends.

Senator Griffin moved that Senate Concurrent Resolution 1021 be unanimously adopted and that the Senate stand in a moment of silence in memory of Bill Konopnicki. The motion carried.

Senate Concurrent Resolution 1021 was signed in open session and transmitted to the House.

Re: House Bill 2271 (funeral establishment intern)

Dear Speaker Tobin,

Today, I vetoed House Bill 2271, legislation that would have allowed funeral establishments to employ intern trainees. This legislation does not require enough training and there may be unintended consequences by allowing individuals with minimal training and academic course work to be employed in the funeral industry.

These concerns are among the primary reasons I have vetoed House Bill 2271.

Sincerely,

/s/Janice K. Brewer  
Governor

(May 7, 2013)

Proper for Consideration: House Bills 2125, 2265, House Concurrent Resolution 2026

## CONFERENCE COMMITTEE REPORTS

President Biggs announced that a group motion would be made for the adoption of conference committee reports unless a Senator requested a report to be considered separately.

Senator McComish moved on behalf of the Chairmen that the Senate adopt the following conference committee reports:

Senators Burges, Crandell and Hobbs, Senate conferees and Representatives Fann, Shope and Steele, House conferees, submitted the following conference report on House Bill 2180:

That the House accept the Senate amendments with exceptions.

Senators Melvin and Ableser, Senate conferees and Representatives Brophy McGee, Mendez and Fann, House conferees, submitted the following conference report on House Bill 2205:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senators Crandell and Griffin, Senate conferees and Representatives Gowan and Stevens, House conferees, submitted the following conference report on House Bill 2551:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senator Jackson, Senate conferee and Representative Steele, House conferee, submitted the following Minority Report:

We stand in opposition to HB 2551 as amended. HB 2551 makes it discretionary for law enforcement officers to enforce provisions of the wildlife habitat protection statutes and restricts off-highway vehicle ("OHV") statute enforcement to occur only on state, county and city lands or federal public lands that are "open as indicated by federal law."

1. Procedurally.

The process for advancing HB2551 was concerning. First, the underlying bill was introduced as a strike everything amendment on the last day for a committee hearings in Senate. Second, the bill never had a hearing in the House. Lastly, there was limited and/or no input for the public to provide timely input and no opportunity for stakeholders to participate or review the underlying bill or the conference committee language.

2. Monies granted for enforcement of state and federal lands were not impacted as result of this bill.

Under A.R.S. § 28-1176, the Arizona State Parks Department manages the OHV Recreational Fund, paid for by a sticker fee charged to off-road vehicle users who wish to use public lands, including federal public lands. Of this fund, 35 percent is to be used for informational and educational purposes related to safety, environment and responsible use of motorized vehicles on public lands *and* to hire seven full time law enforcement officers with Arizona Game and Fish.

3. Breach.

Arizona Game and Fish support of the underlying bill and amendment is a breach of the prior agreement. The bill effectively removes the enforcement responsibilities relative to these statutes and means Arizona Game and Fish and other law enforcement will be doing little to protect resources, which was the major intent of these statutes.

4. Discretionary Enforcement.

Making it discretionary for law enforcement officers to enforce the wildlife habitat protection provisions creates confusion to the public as to what OHV violations will be enforced and where, puts the officers at risk of appearing arbitrary, when they do enforce in an inconsistent manner.

5. Adverse Impacts.

There are significant adverse impacts to habitat and archeological sites from OHV use they may result in additional closure of federal roads due to the irreparable harm caused by OHV violators.

These concerns are among the primary reasons that we voted against and oppose the underlying bill and the conference committee amendment.

Senators Griffin, Crandell and Hobbs, Senate conferees and Representatives Coleman, Borrelli and Dalessandro, House conferees, submitted the following conference report on House Bill 2572:

That the House accept the Senate amendments with exceptions and the bill be further amended.

The motion carried and the Secretary notified the House.

COMMITTEE OF THE WHOLE

Upon motion of Senator McComish and agreed to, the Senate at 10:51 a.m. resolved itself into Committee of the Whole for consideration of bills on the calendar with Senator Melvin in the chair.

At 11:05 a.m., the Committee of the Whole was dissolved and Senator Melvin submitted the following recommendations:

House Bill 2125, do pass amended  
House Bill 2206, do pass amended  
House Bill 2265, do pass

Senator Melvin moved the report of the Committee of the Whole be adopted and the bills be properly assigned. The motion carried and the bills reported do pass and do pass amended were placed under Third Reading of Bills.

The Arizona Capitol Family lost one of its treasured employees on Monday. Ms. Roberta Abney, from the Secretary of State's Office passed away unexpectedly on May 6, 2013. Roberta served the State for 16 years and was responsible for all aspects of lobbyist filings. She often held lobbyist's feet to the fire to get paperwork submitted on-time and properly but she always did so with a kind heart and gentle touch. Roberta also assisted with candidate processing during the very busy nomination season. Many of my legislative colleagues have been in her capable hands.

I am sure many of you will remember her with fond memories. Roberta was a military veteran and here is a photo of her helping to refinish one of the battleship barrels slated for the WW II Memorial in Wesley Bolin Plaza.

Senator McComish recognized Roberta Abney's co-workers seated in the gallery and requested that the Senate stand in a moment of silence to honor the memory of Roberta Abney.

#### RECESS

At 10:46 a.m. the Senate stood at recess subject to the sound of the gavel.

#### RECONVENE

The President called the Senate to order at 10:48 a.m.

#### PERSONAL PRIVILEGE

Senator Lopez requested a point of Personal Privilege and read the following Senate Recognition:

On March 20, 2013, the community of Tucson, the state and the nation as a whole lost a distinguished, inspiring and honorable man. Henry "Hank" Oyama was a civil rights pioneer, a founding father of bilingual education, a distinguished member of the armed forces, and a community leader. His story is as unique and special as Hank was.

**JOURNAL OF THE SENATE**  
**Thursday, May 9, 2013**

He was born in Tucson in 1926 and grew up in the barrios of the city with his mother and sister. His father passed away just months before Hank was born. Though of Japanese descent, Hank's mother had grown up in Mexico, and was culturally and linguistically Mexican.

Following the attack on Pearl Harbor, Hank and his family were among the Japanese Americans that were taken from their homes and placed in an internment camp. The camp was in Poston, Arizona, located in La Paz County. Hank was 15 years old, and was in the camp for 15 months.

Despite that experience, Hank wanted to serve in the military and two years after the internment camp was drafted into the Army. When the Army learned that Hank spoke Spanish and not Japanese, he was dispatched to Panama where he worked as a Counter Intelligence Agent.

After serving in the Army, he returned to Tucson and enrolled in the University of Arizona ROTC program. He received a commission as 2<sup>nd</sup> Lieutenant in the U.S. Air Force and rose in rank to Lieutenant Colonel. He also earned two degrees so he could make a difference as an educator, which he very much did.

At Pueblo High School, Hank and his colleagues fought for the educational rights of Mexican American students and adults. They were nationally recognized for bilingual education by Parade Magazine in the 1950s. They published a report called "The Invisible Minority" and held a national symposium on the issue in 1966. Their work spawned a bill in Congress that when passed became the first bilingual education act.

Hank also made history when he fell in love with a woman he met while a teacher at Pueblo High named Mary Ann Jordan. The two decided to get married but were denied a marriage license because he was of Japanese descent and she was white. They fought the law in court and won. Arizona no longer has an anti-miscegenation law because of them.

Hank became Pima Community College's director of bilingual and international studies, and then associate dean of the program. He was later appointed vice president for multidisciplinary education and services at PCC. In 2003, Tucson Unified School District honored Hank by naming a new elementary school for him. Today, we honor him as well.

THEREFORE, BE IT RESOLVED by the Senate of the State of Arizona that the Members sincerely regret the passing of Henry "Hank" Oyama, extend their deepest condolences to his family, and recognize and celebrate his many extraordinary contributions to the State of Arizona and the nation.

Dated this 9th day of May, 2013.

CONFERENCE COMMITTEE REPORTS

Senator McComish moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Barto and Ward, Senate conferees, and Representatives Carter and Boyer, House conferees, submitted the following conference report on House Bill 2045:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senator Bradley, Senate conferee and Representative Meyer, House conferee, submitted the following Minority Report:

We stand in opposition to both the Senate amendment and the amendment offered in the free conference committee for HB 2045 (AHCCCS; hospital reimbursement methodology). We support the underlying bill, which requires AHCCCS adopt a diagnosis-related group based hospital reimbursement methodology and makes other modifications to AHCCCS reimbursement methodology.

The senate and conference committee amendments require health care providers and facilities to make available on request or online the direct pay prices for the most commonly performed procedures. While we wholeheartedly support affordability and accountability in the health care system, the proposed amendments do not effectively address those issues. We oppose these amendments for the following reasons:

- As stated in the Governor's veto letter for SB1115 (direct pay prices; health care), the language of the senate amendment contains a number of ambiguous terms and definitions that would likely cause unnecessary litigation and create conflict with both state and federal law. The Conference Committee Amendment creates additional ambiguity relating to price disclosures in hospital emergency departments. The amendment establishes an exemption to the price disclosure requirement for providers who work in emergency departments, but not for the facility itself, unless a discussion of direct pay prices would be in violation of the Federal Emergency Medical Treatment and Labor Act (EMTALA). Thus, the burden is on the facility itself to determine when the price disclosure requirement applies or does not apply based on an ambiguous set of factors included in the proposed legislation and in EMTALA, and a failure to appropriately disclose could subject the facility to significant liability.
- The language of the amendment may also conflict with provisions of EMTALA that prohibits signs or notifications that may raise confusion by referencing payment, advanced authorization, co-pays and other financial components in facilities providing emergency care. Again, this would create unnecessary liability for emergency medicine facilities and emergency medicine providers.
- The problem that the legislation is trying to solve is already being addressed in several ways. Locally, the Arizona Department of Health Services has expended significant resources to develop an online program designed to compare hospital pricing information. It is in its final stage of development and has a target release date of early June. Federally, the Obama Administration just released a database of national healthcare costs, developed by the Centers for Medicare and Medicaid Services, which provides pricing information for the 100 most common inpatient procedures. It includes 3,337 hospitals located in 306 metropolitan areas. Users are able to make comparisons between the amount charged by individual hospitals within local markets, and nationwide, for medical services. The state and national database are effectively addressing price transparency without subjecting providers and medical facilities to significant liability.
- Lastly, the Affordable Care Act (ACA) does a number of things to address affordability, accountability, and transparency in the healthcare system. By the proponents' own admission, this legislation is designed to assist the uninsured and those with high deductibles who choose to pay cash. In 2014, the implementation of the ACA will significantly reduce the number of uninsured and will cap the amount a person can spend each year on deductibles and copayments for covered benefits. In other words, nearly all of the cash payers that this bill purports to assist will be fully covered in less than a year. For those few remaining Americans who are still without coverage after 2014, the ACA creates transparency and accountability measures for charity care and financial assistance programs required of nonprofit hospitals to maintain their favorable tax status. They will be required to specify what they are basing their charges on, whether it's the lowest negotiated insurance rate, an average of the three lowest commercial rates, or the Medicare rate. This will ensure that nonprofit hospitals have effective patient assistance programs in place to protect low and middle income families from medical debt.

For these reasons, we oppose the senate and conference committee amendments.

The motion carried and the Secretary notified the House.

**UNANIMOUS ADOPTION OF SENATE RESOLUTION 1004**

Senate Resolution 1004 was introduced and read in full by Senator Griffin as follows:

A Resolution on the death of Bud Strom.

Bud Strom passed away on July 28, 2012 in Tucson, Arizona at the age of eighty.

A man of many talents and interests, Bud Strom served his country as an anti-aircraft artillery officer in the Army and was selected to be a military intelligence officer. He went on to command the United States Army Intelligence Center at Fort Huachuca, Arizona and at the time of his retirement had risen to the rank of brigadier general and was serving as the deputy chief of staff at the Army Forces Command in Georgia. Bud Strom's tremendous efforts and military acumen helped prepare modern military intelligence efforts, and he was inducted into the Military Intelligence Hall of Fame on Fort Huachuca on June 26, 2009.

While Bud's outstanding military career spanned three decades, it exemplified just one phase of his extraordinary life. He traded his uniform for a Stetson, chaps and boots. He became well known in his Cochise County home as a rancher and cowboy poet. He spent his days on horseback, rounding up cattle on the Palominas area ranch he named the Single-Star Ranch. He also enjoyed writing, reading and recording cowboy poetry and joined the Cochise Cowboy Poet and Music Gathering and worked with schoolchildren to involve them in the program. He greatly enjoyed cooking and woodworking as well. Bud Strom gave willingly of his time, energy and talents to numerous worthwhile organizations, including the Sierra Vista Boys and Girls Club and the Sierra Vista Symphony. He was a big supporter of a horse rescue organization called "Horse'n Around Rescue". He and his wife, Joan, allowed rescued horses to be kept on the ranch, especially those that were high maintenance and in need of medication and special care.

Bud Strom was a husband, father, grandfather, soldier, cowboy, chef, woodworker, friend and true patriot. He lived life to its fullest and was a person who enjoyed helping others. He will be greatly missed by his wife of fifty-seven years, Joan, his daughters, Marta, Susan and Amy, his six grandchildren and his many friends, especially in Cochise County.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate express regret at the passing of Bud Strom and extend their deepest sympathies to his surviving family members and friends.

Senator Griffin moved that Senate Resolution 1004 be unanimously adopted and that the Senate stand in a moment of silence in memory of Bud Strom. The motion carried.

Senate Resolution 1004 was signed in open session and transmitted to the Secretary of State.

#### COMMUNICATIONS FROM THE GOVERNOR

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary recorded the action.

On May 23, 2013 the Governor vetoed Senate Bills 1088, 1178, 1236, 1323 and 1445 with the following messages:

May 23, 2013

The Honorable Andy Biggs  
President of the Senate  
Arizona State Senate  
1700 W. Washington  
Phoenix, Arizona 85007

Re: Senate Bill 1088 (constables; prohibited acts)

Dear President Biggs,

Today, I vetoed Senate Bill 1088, legislation that would have prohibited constables from acting as private process servers while duly-elected or appointed to serve as a constable.

I regret being forced to write this letter. The transmission of these bills has left me little choice but to exercise the clear terms of a bill moratorium I enacted more than two weeks ago. At that time, I warned that I would not sign additional measures into law until we see resolution of the two most pressing issues facing us: adoption of a Fiscal 2014 State Budget and plan for Medicaid. It is disappointing I must demonstrate the moratorium was not an idle threat.

The Arizona Legislature has now been in session for 130 days. We have just five weeks until the end of the fiscal year, by which time it is necessary that the State of Arizona have a new budget in place in order to assure there is no suspension of critical services or programs.

Arizonans enrolled in the Arizona Health Care Cost Containment System (AHCCCS) face a different sort of deadline. Without legislative action, an estimated 63,000 AHCCCS members will lose their coverage on January 1, 2014. Fortunately, this need not happen. We have a Medicaid Restoration Plan that will maintain coverage for those in need, honor the will of Arizonans who have twice voted to expand Medicaid, save our General Fund, keep Arizona tax dollars in Arizona and protect rural and safety-net hospitals.

**JOURNAL OF THE SENATE**  
**Tuesday, May 28, 2013**

I respectfully ask that legislators join me to resolve our budgetary and health care challenges. Once these priority issues are behind us, I am happy to once again consider unrelated legislation.

These concerns are among the primary reasons I have vetoed Senate Bill 1088.

Sincerely,

/s/Janice K. Brewer

Re: Senate Bill 1178 (exercise of religion; definition)

Dear President Biggs,

Today, I vetoed Senate Bill 1178, legislation that would have amended the definition of exercise of religion. The bill also would have allowed persons to assert likely claims, rather than actual claims, and would allow the assertion of claims regardless of whether the government is a party to the proceeding.

I regret being forced to write this letter. The transmission of these bills has left me little choice but to exercise the clear terms of a bill moratorium I enacted more than two weeks ago. **INTRODUCTION AND FIRST READING OF BILLS**  
**UNANIMOUS ADOPTION OF SENATE RESOLUTION 1005**

Senate Resolution 1005 was introduced and read in full by Senator Driggs as follows:

A Resolution recognizing and supporting the strategic partnership between the United States of America and the republic of Azerbaijan.

Whereas, the Republic of Azerbaijan restored its independence in October 1991 after the collapse of the Soviet Union, proclaiming itself the heir to the Azerbaijan Democratic Republic, which was established in 1918 and was the first secular democratic republic in the Muslim world. The Azerbaijan Democratic Republic was among the first nation-states granting right to vote to women and was recognized by other democratic nations, including the United States of America; and

Whereas, May 28, 2013 marks the 95<sup>th</sup> anniversary of the Azerbaijan Democratic Republic and will be celebrated by Azerbaijani-Americans throughout the United States and by Azerbaijanis around the globe; and

Whereas, the United States was one of the first countries to recognize the independence of the Republic of Azerbaijan in 1991 and to establish full-fledged diplomatic relations with the nation in 1992; and

Whereas, over the last twenty-two years, Azerbaijan has consolidated its sovereignty and independence and has become one of the fastest developing countries in the region and beyond; and

Whereas, the election of Azerbaijan to the nonpermanent seat on the United Nations Security Council in October 2011 is a testament to the growing role and increased capabilities of this nation in maintaining peace and security in the wider Middle East; and

Whereas, the United States and the United Nations recognize and support Azerbaijan's sovereignty and territorial integrity with an area of 33,440 square miles, which also includes the Karabakh and Nakhchivan regions; and

Whereas, Azerbaijan is a staunch ally of the United States in the critically important Caspian region; and

Whereas, the United States and Azerbaijan have developed a strong strategic partnership based on shared values, interests and vision; and

Whereas, Azerbaijan was one of the first countries to render unconditional assistance to the United States after the terrorist attacks of 9/11, opening its airspace and airports for use by coalition troops in Afghanistan and sending its officers and soldiers to serve there shoulder-to-shoulder with American troops; and

Whereas, today around 40% of all supplies for United States troops and its allies in Afghanistan are delivered via Azerbaijan; and

Whereas, the United States and Azerbaijan continue their successful cooperation in counterterrorism efforts and the nonproliferation of weapons of mass destruction, which is of particular importance since Azerbaijan is an ally nation located between Iran and Russia; and

Whereas, possessing vast oil and gas resources, Azerbaijan contributes to the energy security of the United States and European nations and is a critical element of the "Southern Corridor," which will further enhance diversification of energy supplies to our European allies; and

Whereas, Azerbaijan has a long-standing tradition of peaceful coexistence between various ethnic and religious communities and is one of the few secular countries in the Middle East with a predominately Muslim population that maintains close, friendly ties with Israel; and

Whereas, Azerbaijan attaches great importance to expanding its relations in all spheres, including trade, cultural and educational exchange with the State of Arizona; and

Whereas, it is critical for the United States to further strengthen relations with its allies such as Azerbaijan to advance our common interests, both now and in the future.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate recognize and support the strategic partnership and friendship between the United States of America and the Republic of Azerbaijan, and encourage the further enhancement of this relationship through mutual efforts over the years to come.

Senator Driggs moved that Senate Resolution 1005 be unanimously adopted. The motion carried.

CONFERENCE COMMITTEE REPORTS

Senator McComish moved on behalf of the Chairman that the Senate adopt the following Conference Committee report:

Senators Burges and Ward, Senate conferees, and Representatives Farnsworth and Mesnard, House conferees, submitted the following conference report on House Bill 2305:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senator Hobbs, Senate conferee and Representative Quezada, House conferee, submitted the following Minority Report:

We oppose HB2305, initiatives, filings, circulators, as amended in conference committee because it imposes barriers on voters' access to the ballot and to the initiative process.

The conference committee amendment establishes a process to remove voters from the permanent early voter list (PEVL) if they don't vote an early ballot in two consecutive federal elections. Voters who signed up for PEVL believed it was truly a permanent list, and removing them from the list will undoubtedly lead to fewer voters casting ballots. The amendment also creates criminals out of campaign volunteers who deliver a voter's early ballot to the polls, even if the voter requests that the volunteer return the ballot. This, too, will have the effect of discouraging voters from participating in the election process.

The bill as amended also places barriers in the way of initiative and recall petition organizers. It requires strict compliance with election procedures, rather than the current court-mandated standard of substantial compliance. This change may allow an initiative or recall effort to be kept off the ballot for a mere technical violation. We should be finding ways to make our ballots more accessible to voters and activists, not more difficult.

Additionally, the amendment violates both article 4, part 2, section 13 of the Arizona Constitution and House Rule 16 because it expands the scope of the original bill to give it a new purpose, and thus violates the single subject mandate. The underlying bill revised the process for filing initiative petitions. The conference committee amendment includes a wide variety of measures, many of which have nothing to do with initiative petitions. This is precisely the kind of logrolling that the constitution and rule were designed to prevent.

Finally, we object to the procedure by which the conference committee amendment was adopted. We were not given an advance copy of the amendment and therefore were unable to read it, let alone understand its implications for Arizona voters. There was no staff presentation on the provisions of the amendment and no public testimony was permitted. Such disregard for the public and the members of both the House and Senate should not be tolerated.

**JOURNAL OF THE SENATE**  
**Thursday, June 13, 2013**

For these reasons, we oppose HB2305 as amended by the conference committee.

The motion carried and the Secretary notified the House.

**CONCURRENCE OF BILLS**

The President announced that a group motion would be made for the concurrences unless a Senator requested a concurrence to be considered separately.

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

RULE 8  
Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. RULE 9  
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

**JOURNAL OF THE SENATE**  
**Thursday, June 13, 2013**

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

**RULE 10**  
**Roll Call and Quorum**

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

**RULE 11**  
**Motions**

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12  
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13  
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefilng.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy." Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, not less than 250 copies nor more than 3,000 copies of any bill, resolution or memorial shall be duplicated.

New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House with not less than 125 copies and the Legislative Council with 5 copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read “amendments to” and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read “lines . . . . through . . . .” If everything after the enacting clause is stricken the amendment shall read “strike everything after the enacting clause.”

RULE 15  
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: “Shall the Senator for the reasons assigned by the Senator, be excused from voting?” which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1  
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to “roll call,” “roll call vote” or “recorded vote,” such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: “You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote.”

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: “Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote.”

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

**JOURNAL OF THE SENATE**

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17  
 Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the

Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

**RULE 20**  
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

**RULE 22**  
Amendments of the House

A. Any amendment by the House to any Senate Bill shall be subject to one of the following motions or actions:

2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. (c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

**JOURNAL OF THE SENATE**  
**Thursday, June 13, 2013**

B. For the purposes of this rule:

1. A member shall be deemed to “have an interest in the profits of a contract” if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. “Public agency” means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. “Business” includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. “Gift” includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. “Fee” includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

RULE 30  
 Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

Re: Senate Bill 1369 (unemployment insurance; reimbursable employers)

Dear Secretary Bennett,

Today, I vetoed Senate Bill 1369. The bill attempts to exempt reimbursable employers from having to compensate the State Unemployment Insurance (UI) Trust Fund for costs related to former employees in certain situations.

Since March of 2010, the State of Arizona has borrowed approximately \$1.5 billion from the Federal government in order to continue to pay the state's share of unemployment insurance benefits. As you will recall, the Legislature agreed to levy a Special Assessment on employers in 2011 and 2012 in order to help address the Trust Fund insolvency and avoid a higher Federal Unemployment Tax Assessment (FUTA) tax on employers. This year, House Bill 2173 further attempts to bring the Trust Fund back to solvency before the next FUTA penalty is assessed.

If implemented as intended, Senate Bill 1369 will negatively impact the State UI Trust Fund. The Department of Economic Security (DES) estimates that, if the changes proposed in Senate Bill 1369 were in place in 2012, the potential impact to the Trust Fund would have been \$5.4 million.

Senate Bill 1369 undermines the recent Special Assessment on employers and other efforts by the State and business community to bring the Trust Fund back to solvency.

These concerns are among the primary reasons I have vetoed Senate Bill 1369.

Sincerely,

/s/Janice K. Brewer  
Governor

Re: House Bill 2125 (property tax levy; community colleges)

Dear Secretary Bennett,

Today, I vetoed House Bill 2125, which would have allowed Coconino Community College to seek voter approval for a permanent increase in the primary property tax levy limit. While I appreciate that Coconino Community College has an unusually low tax levy, the college already has the option to seek additional revenue through a secondary property tax override election. Granting unprecedented statutory authority to a taxing jurisdiction to permanently override a Constitutional levy limit is unnecessary and will likely prompt other jurisdictions to seek similar treatment.

These concerns are among the primary reasons I vetoed HB 2125.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2144 (child protective services)

Dear Secretary Bennett,

Today, I vetoed House Bill 2144. The bill makes numerous changes to the Child Protective Services (CPS) statutes.

Among my concerns, this legislation would include CPS caseworkers among persons prohibited from disclosing information about an adoption hearing. This provision is both unnecessary and overly restrictive, and may be interpreted to prevent appropriate and necessary disclosures by CPS caseworkers.

Additionally, I am wary of encouraging courts to grant a petition to adopt when an appeal to the termination of parental rights is pending. There have been at least 18 successful appeals within the last five years within Maricopa and Pima Counties alone.

While I appreciate the intent behind this legislation, I am uncomfortable with the impact these provisions may have upon child well-being in this state.

These concerns are among the primary reasons I have vetoed House Bill 2144.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2446 (property tax; religious institution; exemption)

Dear Secretary Bennett,

Today, I vetoed House Bill 2446, which would have expanded the scope of the existing tax exemption for religious property to include vacant land held by a religious association or institution. I am concerned that the bill goes beyond simply clarifying the tax treatment of vacant land held by organizations that already qualify for the existing religious property exemption. Instead, a number of undefined and vague terms could cause more confusion in our system despite the intent to clarify.

I appreciate the desire to create consistency across counties in the tax treatment of vacant land held by religious institutions but legislation is not necessary to create that consistency. Current statute appears to be sufficient to allow several county assessors to administer the law in the manner intended by this legislative proposal. The Department of Revenue can develop guidelines for county assessors to follow that will achieve the same goal of consistency without increasing the number of taxpayers that qualify for the exemption.

These concerns are among the primary reasons I vetoed HB 2446.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2553 (bail bond agents; bonds; prohibitions)

Dear Secretary Bennett,

Today, I vetoed House Bill 2553. The bill makes numerous changes to statutes related to bail bond agents. Current law provides bail bond agents the ability to be reimbursed for actual and reasonable expenses incurred in connection with an individual bail transaction. This bill creates an exception for recovery expenses by allowing the expenses to be dictated by a bail bond agent's contract with the consumer. Because a consumer's collateral is contractually bound to the expenses charged, we should not create statutory mechanisms that go beyond actual and reasonable expenses.

Further, the bill reduces a bail bond agent's record retention schedule from 3 years to 1 year. This creates a disparity between bail bond agents and other insurance licensees and potentially hinders the Department of Insurance's ability to conduct investigations and examinations of bail bond agents.

Finally, the bill shifts the costs of examining a bail bond agent from the agent to the Department of Insurance. This creates an inconsistency between bail bond agents and other insurance licensees who are required to pay the cost of examinations.

These concerns are the primary reasons I have vetoed House Bill 2553.

Sincerely,

/s/Janice K. Brewer

RE: House Bill 2018 (school district budget errors; repayment)

Dear Secretary Bennett,

Today, I vetoed House Bill 2018, which would have extended Saddle Mountain Unified School District's repayment of past overexpenditures through FY 2026. I sympathize that this district is in financial trouble. However, Saddle Mountain has already received three extensions on its repayment, and House Bill 2018 would simply push resolution of its obligation too far into the future.

From school years 2004 through 2007, Saddle Mountain over-expended its budget limit by about \$4.4 million. In 2007, legislation was passed that enabled the district to pay off the debt over five years rather than two years. In 2008, Saddle Mountain was placed in receivership, and made sweeping personnel changes. That year, and again in 2010, the debt repayment was extended. Had the district completed its original plan, the debt would have been paid off by now. Even without this legislation, Saddle Mountain has until FY 2020 to resolve its debt. Expenditure limits must mean something.

There are many dedicated teachers and staff in Saddle Mountain who have made significant sacrifices to remedy the financial issues facing the district. I thank them for their efforts, and ask that administrators and voters within the district make the decisions necessary to pay down the debt.

Sincerely,

/s/Janice K. Brewer  
Governor

Re: House Bill 2617 (school tuition organizations; tax credit; pro rata)

Dear Secretary Bennett,

Today, I vetoed House Bill 2617, which would have allowed owners of a partnership, LLC, or "S" corporation to claim an income tax credit for a contribution to a school tuition organization. I have serious concerns that this legislation, as currently conceived, would be unnecessarily burdensome for the Department of Revenue to administer. I am committed to having my staff and the Department work with the sponsor over the interim to develop legislation that achieves the goal of expanding school choice opportunities in a manner that can be more easily implemented.

These concerns are among the primary reasons I vetoed House Bill 2617.

Sincerely,

/s/Janice K. Brewer  
Governor

Re: House Bill 2342 (increased research; tax credit refund)

Dear Secretary Bennett,

Today, I vetoed House Bill 2342, which would have increased the annual cap on the refundable research and development (R&D) tax credit from \$5 million to \$10 million in 2014 and \$15 million thereafter. Three years ago, I signed legislation that created the refundable R&D tax credit. I recognized then the potential statewide interest in having the state assist in R&D efforts for small businesses and start up companies.

As you know, however, a refundable tax credit is designed as not just a reduction in a tax liability, but extends beyond any liability to draw on general fund dollars. Such expenditures of state taxpayer dollars deserve the highest level of scrutiny to determine their benefits to the overall state economy as well as their relative importance against other general fund obligations.

My decision on this bill must be in the context of other tax changes and spending items that have come up after the enacted budget. Therefore, I believe it is best to re-examine this proposal in the light of next year's spending priorities.

These concerns are among the primary reasons I vetoed House Bill 2342.

Sincerely,

/s/Janice K. Brewer  
Governor

Re: House Bill 2439 (income tax brackets; inflation index)

Dear Secretary Bennett,

Today, I vetoed House Bill 2439, which would have required the Department of Revenue to annually adjust individual income tax brackets to account for inflation. I support appropriate adjustments to relieve the individual income tax burden and adjusting tax brackets for inflation is one way that can effectively address that burden. However, such action should not occur automatically. Instead, the Legislature should make those adjustments after careful consideration and in relation to other tax and expenditure decisions. Similar to statutorily required spending increases, automatic inflation adjustments on the revenue side of the ledger hinders future decision making and may create a structural imbalance over time.

I am willing to work with the sponsor on appropriate individual income tax relief that takes in to account the circumstances we will face in the next fiscal year.

These concerns are among the primary reasons I vetoed HB 2439.

Sincerely,

/s/Janice K. Brewer

Resignation letter from Senator Jack C. Jackson, Jr.:

July 12, 2013

The Honorable Andy Biggs  
Arizona State Senate  
1700 W. Washington  
Phoenix, AZ 85007

Dear President Biggs:

As you are aware, I have been appointed Senior Advisor and Liaison for Native American Affairs at the U.S. Department of State in Washington, D.C. Accordingly, I will be resigning my position as Arizona State Senator effective July 12, 2013.

It has been a tremendous honor and privilege to serve the people of District 7 and the State of Arizona. I am also extremely grateful for the opportunity to work with my colleagues at the Arizona Legislature.

Sincerely,

/s/ Senator Jack C. Jackson, Jr.  
District 7

Resignation letter from Senator Rich Crandall:

August 20, 2013

Senate President Andy Biggs  
Arizona State Senate  
1700 West Washington  
Phoenix, AZ 85007

Dear President Biggs:

This letter will confirm my resignation from the Arizona Senate, however, with one change. My original intent was to resign effective Aug 16<sup>th</sup>. However, after learning that I would then have a two week gap in health insurance coverage, I have now changed that date to August 31<sup>st</sup> at midnight. I have two children with pre-existing conditions and a gap in health insurance coverage even for only two weeks could have serious consequences.

I am grateful for the opportunity to have served the people of Arizona and am especially grateful for those who elected me from the East Valley. It has been a privilege to have worked with so many outstanding individuals who put service above self. I look forward to our paths crossing again in the future. I wish you the best of luck, Senator Biggs, as you serve as president of the Arizona Senate.

Sincerely,

/s/ Senator Rich Crandall  
Arizona State Senate  
Legislative District 16

## SENATE RULES

RULE 1  
Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2  
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes." If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President shall vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve during the President's absence, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time in the absence of the President and President Pro Tempore. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

### RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

### RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

#### RULE 5 Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

B. No Senator shall voluntarily be absent from the service of the Senate without leave of the President.

#### RULE 6 Questions of Privilege

Questions of privilege shall be: First, Privilege of the Senate, which relates to the privilege and rights of the Senate collectively, its organization, safety, dignity, comfort and the integrity of its proceedings; second, Personal Privilege, which relates to the rights, reputation and conduct of the members individually in their representative capacity only; third, Personal Privilege, which relates to matters personal to the members which may be received only by permission of the Senate or the Presiding Officer. Questions of privilege shall have precedence over all other questions, except motions to adjourn or recess, or the call of the Senate when no quorum is present.

#### RULE 7 Committees

A. Standing Committees of the Senate shall consist of the following:

1. Appropriations
2. Commerce, Energy and Military
3. Education
4. Elections
5. Finance
6. Government and Environment
7. Health and Human Services
8. Judiciary
9. Natural Resources and Rural Affairs
10. Public Safety
11. Rules
12. Transportation

B. Committees of the Senate except the Rules Committee shall have the following powers and duties:

1. The first Senator named on a committee shall be the chairman thereof; the second shall be the vice-chairman. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. A committee chairman may add a bill, memorial or resolution to a committee agenda by distributing a revised agenda to committee members and the Secretary of the Senate by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office

of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

## RULE 8 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9  
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10  
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

## RULE 11 Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

## RULE 12 Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

## RULE 13 Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14  
Bills, Resolutions, Memorials, Engrossed  
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy." Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, not less than 250 copies nor more than 3,000 copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House with not less than 125 copies and the Legislative Council with 5 copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . . through . . . ." If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause."

#### RULE 15 Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

#### RULE 15.1 Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call," "roll call vote" or "recorded vote," such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

#### RULE 16 Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at 11:00 a.m., receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

B. The order of business shall be as follows:

- Roll Call
- Reading of the Journal
- Business on the President's Desk
- Petitions, Memorials, and Remonstrances
- Orders of the Day
- Introduction and First Reading of Bills
- Reference of Bills
- Second Reading of Bills
- Reports of Standing Committees
- Reports of Select Committees
- Committee of the Whole
- Report of the Committee of the Whole
- Third Reading of Bills
- Other Business of the Senate

C. The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17  
Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

RULE 18  
Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19  
Journals

A. The proceedings of the Senate and of the Committee of the Whole shall be briefly and accurately stated in the Journal. Titles of all bills, resolutions and measures, and such parts as shall be affected by proposed amendments, readings, references, reports and every vote, motion and roll call, and a brief statement of the contents of each petition, memorial or paper presented to the Senate shall be entered on the Journal.

B. All confidential legislative and executive proceedings and the proceedings when sitting as a Court of Impeachment, shall be recorded in a separate book.

C. The protest or remarks of any Senator and reasons therefor shall be entered on the Journal, if presented in writing, but no protest or remarks shall exceed two hundred words in length without the consent of the Senate.

RULE 20  
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21  
Messages

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22  
Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23  
Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

RULE 24  
Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.
6. General parliamentary law.

RULE 25  
Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

RULE 26  
Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

RULE 27  
Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

RULE 28  
Amendment of Rules; Suspension of Rules

A. The Senate Rules may be amended upon vote of the majority of the members of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members present.

RULE 29  
Code of Ethics

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

(a) The total gross annual income value of the contract is less than one thousand dollars, or

(b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or

(c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to “have an interest in the profits of a contract” if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. “Public agency” means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. “Business” includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. “Gift” includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. “Fee” includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

#### RULE 30 Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request

the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

#### RULE 31 Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.
