STATE OF THE STATE ADDRESS
GOVERNOR DOUG DUCEY
Monday, January 9, 2017

Chief Justice Bales, Members of the Legislature, Judiciary and fellow Arizonans, it is truly a privilege, and a pleasure, to be back in this chamber, at this podium.

It is an honor and tradition I value, and I am grateful for your warmth and hospitality. Thank you.

It’s also nice to not be the new guy anymore. It appears we have a new seating chart. Two new Supreme Court justices, 24 new members of the House and Senate.
A powerful new backdrop. Speaker Mesnard and President Yarbrough. You guys look pretty good up there.

Along with Leaders Hobbs and Rios, I’m excited to continue working together on areas of common ground.

Welcome newcomers, and congratulations to all.

These last two years, we’ve achieved so much. And on the really big issues – and in fact, on the biggest issue of them all – it wasn’t because we had Republican ideas, or Democrat ideas. It’s because we had Arizona ideals.

Let’s keep that spirit going this session.

Long before any of us arrived here – nearly a century ago, our state’s first governor – George Hunt – made a trip to Douglas to deliver a speech.

It was well attended – but there was one young boy who stood out.

Explaining that Arizona was the land of boundless opportunity, Governor Hunt turned to the boy and his friends, and remarked that even one of them could be governor someday. All they needed was grit, will and determination.

What Governor Hunt didn’t know is that boy had traveled miles, barefoot, from a neighboring town, and for one reason – the free hamburgers and hotdogs. It was better than wandering the desert looking for food.

After the boy’s father passed away, as the family faced hunger and hardship, his mother told him: “Son, you’re going to be whatever you want to be. It’s up to you.”

That young boy rose to the challenge, and stood at this same podium, addressing this same chamber. He became our state’s 14th governor. And we’re honored to have Raul Castro’s daughter, Beth, here with us today.

Governor Castro came to this country as a poor immigrant. The obstacles and challenges before him, immense. But when we honored his life in our old Capitol – he had not only been a governor. He was an educated man. An attorney, a prosecutor, an ambassador, a diplomat, a pioneer.

It’s a story we don’t hear enough, or tell enough. But we need to, because it’s a distinctly Arizona story.

And our history is filled with them. Regular people, who had mountains standing in their way; but scaled them.

A young secretary, fired because her boss said he needed a man to do the job. It was Rose Mofford and she too, became governor. Breaking the glass ceiling and paving the way for Arizona to earn the proud distinction of having MORE women governors than ANY other state in the nation.

A young boy whose single mother packed him in a car and drove him from Chicago to Tucson to start a new life. He’d take a paper route to help his family make ends meet. But it was the billboards he saw along the highway from Illinois to Arizona that would captivate his imagination. Today, Karl Eller is not only a rags-to-riches success story – he and wife, Stevie, are two of our state’s most valuable players and charitable citizens. Thank you for all you’ve done.

And then there’s the story of a rebellious Air Force cadet – told ONLY MEN could fly in combat. Martha McSally wouldn’t listen, and literally took women’s rights to new heights. Thank you, Colonel, for your service.

Ladies and Gentlemen, I’m proud to stand here today and report, just like all these trailblazers, the state of our state in 2017, is resilient and strong.

Our economy is growing, our schools are improving, and our citizens are succeeding.
But now is not the time to be content, or complacent. Because the next generation of Arizonans – especially those facing challenges and hardships – are counting on us to rise to the occasion, and do everything in our power to create boundless opportunity in the state of Arizona.

To do this, we need to begin at the beginning.

Because we can’t claim Opportunity for All, unless every child, regardless of their background, neighborhood, county, or zip code, has access to a quality education.

One of the first things we need to do, as a state, and as citizens, is focus on what really works in our public schools.

We have so much to be proud of.

Arizona students are improving faster in math and reading than any other kids in the country.

We’ve been a leader on school choice, and we will continue to be a leader. Our public charters are leading the nation and the world in outcomes for our students.

And the robotics class at Carl Hayden High School is so renowned, Hollywood didn’t just make one movie about it – they made two.

It needs to be said. We can advocate for more resources, and also admit we have so many great schools, and great teachers.

But too many people have fallen into the trap set by the pundits, the harsh partisans and yes, even some in the press of just dumping on Arizona schools. I’ll admit: There was a time I didn’t know the full picture.

But after spending the last three years inside dozens of classrooms, mostly in low-income neighborhoods, I have a new appreciation for the excellence occurring in our school system.

Not all of these schools are elite, or A-ranked. But they are working hard to get there. And what has been most striking are the teachers. They’ve shared with me – It’s more than a job. It’s a calling.

Especially in our low-income communities, they’ve told me: “I’m not here because I have to be. I’m here because I want to be.”

It’s no wonder we all remember those teachers who had an impact. For me, it was Mr. Zammit, Mr. Wagner. Doc Demar, Professor Olney, Sister Patrice. If you think about it for a moment, you have your own lists of teachers who inspired you.

I want the teachers of our state to know: You make the difference. I value your work, and it’s time we return the favor.

We saw incredible success last year – working together in a bipartisan spirit. Putting politics aside, settling a lawsuit, stepping out of a state of constant crisis without tricks or gimmicks, and directing billions of additional dollars into K-12 education that have gone to reward many of our dedicated teachers.

Some people have asked, what’s next? After Prop 123 – where are steps 4, 5, and 6?

Well, here we go.

Step 4: Resources. I have a commitment our educators can take to the bank: starting with the budget I release Friday, I will call for an increased investment in our public schools – above and beyond inflation – every single year I am governor.

Now, I’m not promising a money tree. I can’t. There’s no pot of gold, or cash hiding under a seat cushion. And unlike Washington, we don’t print money, and we won’t raise taxes.
But when we do have available resources, like we do this year – the bulk of those dollars will go to public education. And our proposals will be responsible – to make sure we can actually follow through on our word, and our educators can rely on it.

Step 5: Teacher pay. Let’s take these new dollars and put them where they will have the greatest impact on students. The place where we know we will get the best return on investment. It’s time for a raise for Arizona’s teachers. My budget will outline a permanent, lasting salary increase to all of Arizona’s teachers. This will be above and beyond raises they may be receiving from Prop 123, or overrides, or from their districts.

This is an investment by the state of Arizona in recognizing and rewarding the work of our teachers in a way that is fair, permanent and fiscally responsible.

If we are serious about supporting education, and tackling our teacher shortage, we’ve got to take action on multiple fronts and this is one more positive step in the right direction.

And Step 6: Student debt. One of the biggest challenges for many new teachers is paying down student loan debt. Doctors, lawyers, businesspeople – many will make six figures within a few years of graduation. But for teachers, paying off the debt from their education can take decades. In some cases, it might push them out of the profession altogether. That is unacceptable.

To address this, I’m asking Arizona’s three public universities, in partnership with community colleges, to develop a plan for the design of an Arizona Teachers’ Academy. I’m looking for the best and brightest to commit to teach in Arizona public schools.

If you make that commitment, we’ll make this commitment; your education will be paid for, a job will be waiting and you will be free of debt.

Let’s lift this burden from our teachers, attract new quality individuals into the classroom. Step 6 shows teachers theirs is a profession we respect and are willing to elevate.

But why stop at 6?

Step 7: Low-income schools. The greatest need for high quality teachers is in our low-income schools, and it also happens to be the hardest place to attract them. So let’s do more for the teachers willing to make a commitment to these students and these neighborhoods: A $1,000 signing bonus, to attract the best and brightest, and continue to close the achievement gap.

No one goes into teaching to get rich, but everyone deserves to be rewarded for their hard work. Together, we can show the teachers of our state that their profession is valued, respected and indispensable.

Step 8: Teacher shortage. For those who want to dedicate their energies to this noble cause, we shouldn’t let outdated rules stand in the way of getting them to the front of the classroom.

Sandra Day O’Connor is one of our nation’s most honorable citizens. She once served in this legislature, the first woman Majority Leader, in fact, in the entire country. The first woman to serve on the United States Supreme Court. She’s taught and lectured in law schools. There’s actually a law school named after her. And a federal court house – right down this street.

But after her retirement in 2005, if she had wanted to teach civics in an Arizona high school classroom, she would have been deemed UNQUALIFIED, by the system.

That’s crazy. I’m talking about the teacher certification process. And it’s time to fix it.

We want the most qualified, most talented people leading our classrooms. So let’s get with the times, and place trust in our school boards, superintendents and principals by letting them make the hiring decisions, and remove the obstacles.
Step 9: Early Literacy. Without a doubt, schools in low-income areas are the ones that really need our focus – and that’s what my budget prioritizes.

Right now, more than half of Arizona schools offer voluntary full-day kindergarten. Parents love it. Kids benefit from it. So I say – let’s expand it.

My budget gives the lowest-income schools dollars to start or expand full-day kindergarten, and address an issue we know is critical to closing the achievement gap: The ability to read by third grade.

Step 10: Tribal Nations and Rural Schools. We also need to make sure all Arizona kids are prepared for the 21st century. Many Arizona public schools are leading the nation when it comes to science and technology – teaching students to code and developing skills to take with them through life.

But too many students, specifically in our rural areas, and in our tribal nations are missing out. It’s 2017, but outside of our urban areas, broadband is still spotty.

Let’s fix this, by connecting these rural schools to high-speed internet. And let’s couple it with a statewide computer science and coding initiative. This session, let’s break the firewall and get these kids connected.

There’s more where that came from;

11: Principal academies, to train school leaders. 12: Loan forgiveness for our STEM teachers. 13: Dollars for school construction and capital. 14: A per pupil boost for excelling schools – 15: even more for high-quality low-income schools beating the odds. 16: Career and Technical Education. 17: College knowing and going programs, and 18: Achieve60AZ.

We have a plan to prioritize K-12 education in a serious and thoughtful way. And we’ve only just begun.

Arizonans know what’s best for our schools.

And it doesn’t matter what party is in power in Washington – we could all do with less involvement in our business from the federal government.

Whether it’s Common Core, or Obamacare, or the border, or the VA, or 20 trillion dollars in debt. On nearly every issue other than national defense, we know how the story ends: The federal government makes a mess out of everything it touches.

But here in Arizona, we’ve demonstrated: Government can work when it respects its limited role, and listens to the people.

Wait times at MVD are down an average of 20 minutes.

Our state parks have enjoyed record visitors and record revenue. Director Sue Black was asked “how is this possible?” Her response: by simply doing our job.

And thanks to our efforts, contractors are getting licenses 76 percent faster. These are real accomplishments that are saving people and small businesses time and money, and improving quality of life in Arizona.

Our citizens invest $42.5 billion dollars a year in state government; they deserve value for their dollar.

As we continue to make these reforms all across the board, with the help of our talented state employees and agency heads, the savings will result in lower taxes for hard-working Arizonans. This year, next year and every year I am governor.

Our message to Washington D.C. is this: Let the people keep their money, and let the states chart their own direction, and the citizens of Arizona will be better off.

It’s also long past time for Arizona to have independence from something else: The Ninth Circuit Court of Appeals.
The Ninth Circuit is by far the most overburdened court in the country, with a turnaround time that averages 14 months. Its pending cases are more than double the caseload of the next busiest court.

Arizona – and other states in the 9th circuit – deserve better.

Last year, I sent a letter to Majority Leader McConnell and Speaker Ryan detailing this burden on justice. With a new Congress, and a new President, it’s time for action.

So I call on you, the Legislature: Just like you did last year. Pass a resolution, supporting Senator Flake’s bill, telling Congress to act. Let’s make sure Arizonans always get a fair day in court.

When it comes to our children, we will always be tireless advocates.

Every year, babies across the country are born with Severe Combined Immuno Deficiency – SCID. It’s a rare genetic disorder that if not detected and treated early, is deadly. A baby born in Arizona today is automatically screened for a number of diseases – but not for SCID.

Let’s change that, by adding SCID to the list. We have the power to save these precious human lives. So let’s act with urgency.

If there’s one headline we all dread reading every year, it’s the one about the latest child, left in a hot car, dying of heat stroke.

In just minutes, temperatures escalate, and a tragedy occurs.

There’s been a great amount of public education around this problem. Yet it still happens. Just one human life lost is one too many.

All it takes is a Good Samaritan to save a life. To be on the lookout, see movement, take action, and stop another death.

The last thing we’d want is any Arizonan worried about breaking into that car to save a life.

Send me a bill protecting the Good Samaritans who save the lives of children and pets – and I’ll sign it.

All of us who are blessed to be parents know the joy a child brings into our lives. Not to the mention the late nights.

The bond between a newborn baby and its mother is uniquely special. Dr. Cara Christ, director of the Arizona Department of Health Services, a mom, and an OBGYN, knows this well.

She’s expanded a successful program, now deployed in two state agencies, that allows new moms and dads to bring their babies to work the first six months. The results have been impressive, and we plan to expand it even more.

It’s a win-win-win – increased productivity, quality employees less likely to leave state service, and most important – happy babies.

We know the best route to a better life for an individual and their family – A good paying and rewarding job.

It’s why we’ve been so focused on job creation these first two years. And in that time, we’ve seen more than 100,000 private sector jobs land in our state.

We’re set to manufacture electric cars, and we’re the world’s hub for the testing of autonomous vehicles. And finally – we even have Uber at the airport.
The best part is that we’re not only seeing job growth in Maricopa County, but in rural Arizona and metro Tucson. Consumer confidence is up, and our housing market is on the move again.

The word is out: Arizona is open for business.

The real credit goes to our business owners, their hard working employees, and the entrepreneurs out there.

What we, in this room, have done is simply get out of the way, and let California move backwards with more nutty ideas. A tax on tech companies. Their own version of cap and trade. Emissions standards for – here’s a new one: Computer monitors. And who could forget – harassing self-driving cars to drive themselves right out of California, onto the I-10 and straight into Arizona. Thank you again, Jerry Brown.

Arizona will take the opposite approach. We will move forward by rolling up our sleeves and rolling back more regulations that are standing in the way of job growth.

To do that, we need to hear directly from the people making the decisions – our job creators. So I’m calling on owners and operators of Arizona businesses – large and small – please, go to our new website, launched just seconds ago – RedTape.AZ.gov – and help us find these job-killing regulations hidden all throughout government.

Our team will do the research, and if a rule or regulation is not protecting consumers, public safety or public health, it’s time for it to go. Our goal: To wipe out 500 total regulations by the end of this year.

We could also do with less laws.

Last year, we finally made potlucks legal. So why not break out the casseroles, gather around the table, and figure out how to repeal more old laws, rather than create new ones. Let’s ask ourselves: Together, how we can stop limiting freedom, and instead, expand it.

One great success we’ve had is chipping away at onerous licensing requirements – often designed to keep out competition or stifle new, exciting ideas. Because of our reforms, new yoga instructors everywhere are cheering, ‘Namaste.’

There’s much more work left to do in this area. But who would’ve thought, of all the issues we tackled last year – and we tackled a lot of big ones – consolidating boards and commissions, and reducing licensing requirements, would be the most contentious?

Turns out Washington, D.C. isn’t the only swamp that needs draining. The special interests and lobbyists descended on this building. Twisting arms. Turning up the heat. Clouding the facts. In a perverse irony, some were even funded with taxpayer dollars. So we fired those lobbyists.

They got paid to build the walls of bureaucracy. Now, I’m asking for your help to knock them down.

In the meantime, let’s help those most affected by these barriers: Arizonans who are struggling to get by and looking to start a new career. Maybe they’ve gone to night school, to learn a new trade or skill. Perhaps they want to be a barber, or general contractor, or X-Ray technician. Why stand in their way? With another tax, another fee – sometimes hundreds of dollars – before they can start earning a living. So for citizens who are living in poverty, I propose the state waive their licensing fee so they can build a better life.

There is great value and dignity in work. Having a job. Earning a living. Providing for yourself and your family. No one wants to be on government assistance.

But all too often government incentivizes being out of a job – rather than getting a job.

We’ve seen the effects of this at the federal level, and it’s been a disaster. Too many Americans on food stamps and living in poverty, because politicians in Washington have focused on policies that hold people down, instead of ones that lift people up.
So why not reward those who are making an honest effort to get off unemployment, or food stamps, or welfare. Those who are looking for work, making sure the kids do their homework, and trying to stop the cycle of poverty.

For Arizonans who are actively looking for a job, who are getting their kids to school – let’s extend them up to 12 additional months of cash assistance, known as TANF, as a bridge out of poverty and into a better life.

The safety of children in our state remains top of mind.

I want to acknowledge the community and faith-based organizations who participate in our state’s revolutionary prevention model – the care portal. These organizations help hundreds of families in crisis by lending a helping hand when one is desperately needed.

And in cases where the state must intervene, we are seeing some positive trends. For the first time in seven years: More children are leaving the care of the state, than entering it. We’re closing cases, and chipping away at the backlog of uninvestigated reports. And in the tragic situation of children who find themselves alone, without a loving home, we are placing them in one faster.

This issue is truly heartbreaking. As much as we try, government alone will never solve it. We’ll never fully convince bad parents to be good parents. But we can save the lives of children, and that’s our goal, every day.

Our foster families are the unsung heroes in this tragedy. Making real sacrifices, to provide love to a child who needs it. To them, we can never say it enough: Thank you.

We’ll always be looking for ways to support them. One way we can help is by recognizing those who take in children in their own extended family. Aunts, uncles. Grandfathers and grandmothers, who raise these children as their own. This is often a better option for a child than going to an unfamiliar family. But unlike other foster families, these family members receive little assistance for taking in their nephew or grandchild. So let’s change that, with a “Grandmother Stipend” – providing these families with resources to raise these children.

Many of our citizens have found themselves struggling because of an epidemic plaguing our entire country – drug addiction. It’s a problem that knows no bounds. It effects men and women; young and old; rich and poor.

We’ve started to address it in a serious way. Cracking down on doc shopping. Providing better treatment options. Limiting first fills on opioids.

And this morning, I sent a letter to the Arizona Medical Board, to require that all doctors in Arizona complete Continuing Education in drug addiction.

We also need to make sure a second chance actually is a second chance.

Vivitrol has been called a “Miracle Drug” – blocking heroin and painkiller addictions, even alcoholism, and allowing millions of Americans to gain their lives back. This morning I signed an Executive Order so that, effective immediately, people leaving our prison system have the opportunity to be treated with this blocker, before they walk out the doors, to maximize their success of never ever going back.

Chances are addiction, in some form, has touched the lives of everyone here today.

None of us can overcome challenges in life without a support system. Every day, we all rely on friends and family, mentors and advocates. But sadly, many who have served their time, don’t have a community of support when they leave prison – making it that much harder.

Through efforts like our Community Corrections Centers, we’ve made strides to help bridge the gap. But more is needed.

That’s why I’m announcing an effort of the Governor’s Office, to engage the faith and non-profit communities in being advocates for our citizens leaving prison and transitioning back into society.
And inside our prisons, we’ll be adding Employment Centers to help with things like building a resume and getting a job before the release date.

Last summer, I traveled to Navajo County to tour the damage caused by the Cedar Fire. Among the many brave firefighters I met, was a group of inmates, who enlisted in a program through the Department of Corrections. Every year select inmates fight fires throughout Arizona.

One of these men looked me in the eye, and told me: “Governor – I felt like a zero. Now I feel like a hero.”

It’s opportunities like this – where Corrections truly becomes Corrections. And we need more of them, so that over time, we can turn the tide and reduce our prison population, provide that second chance, while also protecting public safety.

And public safety will always be our top priority.

That’s why last year, we came together and addressed an injustice long ignored: The backlog of untested rape kits in our state.

The problem was so bad, we didn’t even know how many existed. So we committed to fixing it, and already there have been two indictments as a result of this important work.

Through the bipartisan efforts of leaders like Senators Katie Hobbs and Kate Brophy McGee and County Attorney Bill Montgomery – we now have a handle on it, and we are ready to act.

My budget fully funds the testing of all remaining rape kits. And with the recommendations of our task force, we are ready to move forward with legislation requiring all future kits to be tested.

Let’s get this done, and for the thousands of women who have been victimized, finally ensure justice.

When it comes to protecting our state and our citizens, we are going to focus on another area of growing concern – cyber security.

With hackers threatening our systems, the government has a responsibility to protect the personal information of our citizens.

That is why my budget will include an investment in improved cyber security. If we are going to be entrusted with this information, we must invest in protecting it. Period.

We couldn’t accomplish any of these achievements around public safety without the work of our law enforcement agencies throughout the state. And let me just say – we are truly indebted to the thousands of women and men who wake up every day and put on blue. Our cops.

They keep our neighborhoods safe. They walk into danger. They risk their lives. I want all our cops to know, the state of Arizona values you. We value your work, and your lives, and your sacrifice. You have our back; and we will always have yours.

And there is no better role model when it comes to character, integrity and leadership for our youth, and our cops, than Phoenix’s new police chief Jeri Williams. I’m pleased to have her here today as my guest. Chief – welcome home.

And tonight, in honor of the service of all our cops, this Capitol dome will be lit blue.

Some of our bravest officers have been part of a successful effort created last year: The Border Strike Force.

This team is working 24/7 to keep Arizona safe, crack down on the cartels, stop the bad guys, and hunt down the criminals who are smuggling drugs and humans into our country.
The numbers are staggering. We’ve had 1,332 arrests. We’ve seized more than 30,000 pounds of marijuana and 6.5 million hits of heroin. And our team has confiscated more than $7 million in cold hard cash.

We can’t let up. We must continue this fight – for the security of our border, the safety of our state, and the benefit of America.

We are blessed to live in not only a free country, but a secure one. And the credit for that goes to our brave men and women in the armed forces, and our vets.

For me, there was no more vivid reminder of the sacrifices they make than last month: The 75th anniversary of the attack on the U.S.S. Arizona at Pearl Harbor. Angela and I were honored to represent our state, and spend time with the survivors.

This truly was the Greatest Generation, and there’s a lot we can still learn from them. But seeing our young soldiers, sailors, airmen and marines standing beside these heroes, it was clear: This new generation of Americans is the next Greatest Generation. And we are indebted to them and their families for the service and sacrifice they are making both here and abroad.

If there’s one thing we can agree on, it’s this: Arizona is, without a doubt, the most beautiful state in the country.

This year marks the 60th anniversary of Arizona Parks. From the red rocks of Sedona to the cool caves of Kartchner Caverns, there is so much beauty for us to celebrate. To kick it off, I’m happy to announce – free admission for all Arizona residents at all state parks and trails over Martin Luther King Day weekend.

So put down the iPhone. Get outside. Enjoy some fresh air with your family. And take pride in living here.

Arizona is not without its challenges, but there’s no doubt about it: Life really is better here.

We are home to some of the top ranked public schools in the nation; the most innovative university in the country; and in a few months, the NCAA Final Four will tip-off right here.

By working with our citizens these last two years and across this aisle, with civility and respect – we’ve seen what’s possible for Arizona.

Positive outcomes in our schools. Safe communities. A more reliable water future that allows us to thrive in the desert. And an economy that embraces innovation.

Let’s keep it going – so that the next Raul Castro, or Rose Mofford, or maybe even the next Sandra Day O’Connor, can display their grit, will and determination, and enjoy the boundless opportunities that exist in Arizona and in America.

Thank you and God Bless.

RULE 2
The President

The President shall have the following powers and duties:

No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.
2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

   (a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

   (b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

   (c) The bill offers only technical or conforming changes to the statutes.

   (d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

   (e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

RULE 8
Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.
3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a “do pass” or “do pass amended” recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

   B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.
RULE 10
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.
RULE 12
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.
E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed “original” and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed “Committee Copy.” Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, not less than 250 copies nor more than 3,000 A SUFFICIENT NUMBER OF copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House AND THE LEGISLATIVE COUNCIL with not less than 125 A SUFFICIENT NUMBER OF copies and the Legislative Council with 5 copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read “amendments to” and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read “lines . . . . through . . . .” If everything after the enacting clause is stricken the amendment shall read “strike everything after the enacting clause.”

RULE 15

Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: “Shall the Senator for the reasons assigned by the Senator, be excused from voting?” which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.
RULE 15.1
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to “roll call,” “roll call vote” or “recorded vote,” such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: “You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote.”

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: “Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote.”

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17
Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.
J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

RULE 18
Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19

RULE 20

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, “Will the Senate advise and consent to this nomination?” which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22
Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.

2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.

3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23
Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.
E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

RULE 24
Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

2. Senate Rules.
4. The rules of parliamentary practice and procedure as contained in Mason’s Manual of Legislative Procedure.
5. Senate customs and usages.

RULE 25
Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.
RULE 26
Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

RULE 27
Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

   (a) The total gross annual income value of the contract is less than one thousand dollars, or

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. PRIVILEGES OF THE FLOOR

Privileges of the Floor were extended to former State Senator, Congressman Andy Biggs.

PERSONAL PRIVILEGE

Senator Borrelli requested that without objection, his remarks of more than 200 words relating to José Francisco Jiménez be entered in the Journal. Hearing no objection, the remarks were inserted as follows:

José Francisco Jiménez was born March 20, 1946, in Mexico City, Mexico. He is originally from Morelia, a small town in the state of Michoacan, not far from Mexico City. When he was a young boy, his mother, Basilia, who worked for the Mexican Consulate in Mexico subsequently moved to Arizona for her job. At that time she brought her young daughter, Pilar with her however her son Jose, still a very young boy wasn’t able to move with them and remained in Mexico living with his Grandmother. When Jojo was 10, he was able to come to the United States and join his Mother and Sister. Jojo worked on a ranch in Eloy along with his older Cousin Natividad Acosta who is here with us today. Jojo was referred to Pancho by his local friends and family in Eloy.

He graduated from Red Rock Elementary School in June 1964, and graduated from Santa Cruz Valley Union High School in Eloy in June 1968. Jojo showed great promise in high school where in his senior year, he was President of Future Farmers of America.

Jojo enlisted in the Marine Corps on June 7th of 1968 after he graduated high school. I say enlisted because Jojo wasn’t drafted, he wasn’t a US citizen...however he joined the Marines because he felt a sense of duty and felt that was a way to serve the country that had treated his Mother, Sister and himself so well, providing them so much opportunity.

Upon completion of recruit training he was transferred to the Marine Corps Base Camp Pendleton, California, where he underwent individual combat training and Infantry Training, completing the latter in December 1968.

Jojo received orders to the Republic of Vietnam in February 1969, and was assigned as a guide and fire team leader with Company Kilo, 3rd Battalion 7th Marines Regiment, 1st Marine Division. He was promoted to lance corporal on June 16, 1969. While participating in action against the enemy south of Da Nang, Quảng Nam Province, on August 28, 1969, he was killed in action. Jojo’s continued acts of bravery and heroism on that day were such that almost a year after his death, Jojo’s actions earned him the Medal of Honor Posthumously. Many of his fellow Marines received significant awards for valor to include silver stars, bronze stars and purple hearts for the fierce fighting that took place on that day.
The reason we’re here today is because it was Jojo's Mother's wish that he be buried in Morelia, which he was. Although Jojo was a hero, it was a modest funeral with little pomp and circumstance, in part because Mexico didn't support the war in Viet Nam and Mexican Nationals such as Jojo who went to Viet Nam to serve were considered mercenaries by many in Mexico. As the years went by and with the passing of Jojo and Pilar's Mother in 2010, the family's ultimate wish was to have Jojo moved from Morelia right here where Jojo can rest beside his mother. Therefore, this is Jojo's funeral in the country he so proudly served where we can celebrate his life, honor his service and recognize his heroism.

At this time I’d like to take the opportunity to read Jojo's Medal of Honor Citation;

The President of the United States in the name of The Congress takes pride in presenting the MEDAL OF HONOR posthumously to

LANCE CORPORAL JOSE F. JIMENEZ
UNITED STATES MARINE CORPS

for service as set forth in the following CITATION:

For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty while serving as a Fire Team Leader with Company K, Third Battalion, Seventh Marines, First Marine Division in operations against the enemy in the Republic of Vietnam on 28 August 1969. On that date Lance Corporal Jimenez’ unit came under heavy attack by North Vietnamese Army soldiers concealed in well-camouflaged emplacements. Lance Corporal Jimenez reacted by seizing the initiative and plunging forward toward the enemy positions. He personally destroyed several enemy personnel and silenced an anti-aircraft weapon. Shouting encouragement to his companions, Lance Corporal Jimenez continued his aggressive forward movement. He slowly maneuvered to within ten feet of hostile soldiers who were firing automatic weapons from a trench and, in the face of vicious enemy fire, destroyed the position. Although he was by now the target of concentrated fire from hostile gunners intent upon halting his assault, Lance Corporal Jimenez continued to press forward. As he moved to attack another enemy soldier, he was mortally wounded. Lance Corporal Jimenez' indomitable courage, aggressive fighting spirit and unflinching devotion to duty upheld the highest traditions of the Marine Corps and of the United States Naval Service. He gallantly gave his life for his country.

MOMENT OF SILENCE

Senator Borrelli requested that the Senate stand in a moment of silence in memory of José Francisco Jiménez.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1012

Senate Concurrent Resolution 1012 was introduced and read in full by Senator Yee as follows:

A Concurrent Resolution recognizing the diversity within the Asian-American and Pacific Islander populations and supporting improved data collection and analysis to reflect that diversity.

Whereas, the Asian-American and Pacific Islander communities are the fastest growing segments in Arizona, increasing in population from 255,000 in 2010 to more than 322,000 in 2014, as well as the nation, increasing from approximately 16.4 million people in 2009 to approximately 20.5 million in 2014; and

Whereas, the United States decennial census revealed that Asians and Pacific Islanders constitute approximately 5.9% of the total population; and

Whereas, the Asian-American and Pacific Islander communities are among the most diverse groups in Arizona, representing over 50 nations and speaking over 100 different languages; and

Whereas, current data collection standards do not accurately represent and are incapable of adequately assessing the status and needs of the Asian-American and Pacific Islander communities; and

Whereas, data collection by many agencies, such as the National Center for Health Statistics, generalizes all Asian-Americans and Pacific Islanders under a single label; and

Whereas, the generalization of all Asian-Americans and Pacific Islanders makes it difficult to analyze how race, ethnicity and language impact individual and community health; and

Whereas, Asian-American and Pacific Islander immigrants face challenges that can affect their ability to access critical services; and

Whereas, improvements in data collection standards are needed to ensure state-of-the-art, consistent data collection by race, ethnicity and preferred language.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature recognize the diversity within the Asian-American and Pacific Islander populations and support improved data collection and analysis to reflect that diversity.

Senator Yee moved that Senate Concurrent Resolution 1012 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1012 was signed in open session and transmitted to the House.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1015

Senate Concurrent Resolution 1015 was introduced and read in full by Senator Montenegro as follows:

A Concurrent Resolution proclaiming February 2017 as self-care month in Arizona.

Whereas, self-care is a lifelong daily habit of making healthy lifestyle choices, practicing good hygiene, preventing infection and illness, avoiding unhealthy choices, monitoring for signs and symptoms of changes in health, knowing when to consult a health care practitioner and knowing when it is appropriate to self-treat conditions; and

Whereas, the United States Food and Drug Administration deems over-the-counter medicines to be safe and effective for the self-care treatment of minor acute and chronic health conditions and symptoms such as pain, common colds, allergies and other conditions that impact large segments of the population; and

Whereas, over-the-counter medicines are either developed as new nonprescription medicines or switched from existing prescription medicines to nonprescription; and

Whereas, over-the-counter medicines are self-care products that consumers purchase in pharmacies, supermarkets, retail stores and online; and
Whereas, every dollar spent on over-the-counter medicines saves the United States health care system six to seven dollars each year, totaling $102 billion in annual savings; and

Whereas, over-the-counter medicines help to ease the burden on health care practitioners, eliminating unnecessary medical examinations that can be avoided with appropriate self-care; and

Whereas, Arizona benefits when its citizens practice appropriate self-care, do not unnecessarily visit health care practitioners and are subsequently empowered by higher self-esteem, improved health and a reduced reliance on health care services; and

Whereas, achieving self-care's potential is a shared opportunity for consumers, health care practitioners, policymakers and regulators.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature recognize the importance of improving awareness of self-care and the value it represents to the citizens of Arizona.

2. That the Members of the Legislature support increased consumer empowerment through the development of new over-the-counter medicines and the appropriate switch of certain prescription medicines to nonprescription.

3. That the Members of the Legislature acknowledge the great improvements and reduced costs over-the-counter medicines can provide to the public health system.

4. That the Members of the Legislature support consumers, health care practitioners, policymakers and regulators in their efforts to communicate the benefits of self-care.

5. That the Members of the Legislature support the efforts of the Arizona's citizens to take advantage of self-care's potential to improve personal and public health, provide personal and public cost savings and strengthen the sustainability of the Arizona health care system.

6. That the Members of the Legislature proclaim February 2017 as Self-care Month in Arizona.

Senator Montenegro moved that Senate Concurrent Resolution 1015 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1015 was signed in open session and transmitted to the House.

Whereas, Latinos are the largest growing racial group in Arizona's public schools; and

Whereas, Latinos represent an increasing percentage of Arizona's students and thus will constitute a significant portion of Arizona's workforce in the future; and

Whereas, Arizona's future depends on the provision of quality education for all children; and

Whereas, Oscar de los Santos, the son of Mexican immigrants from Jalisco, Mexico, is a 2017 Rhodes Scholar; and

Whereas, Oscar de los Santos is the only Latino recipient of the 2017 Rhodes Scholarship; and
Whereas, the Rhodes Scholarship is the most renowned scholarship program for international study and one of the most famous academic awards available to American college graduates; and

Whereas, Oscar de los Santos graduated from the University of Southern California (USC) Dornsife College of Letters, Arts and Sciences as a Truman Scholar in 2015, receiving USC's Order of the Laurel and Palm, the university's highest honor for graduating undergraduate students; and

Whereas, born in Los Angeles, California, Oscar de los Santos has been honored by the Los Angeles City Council as an emerging leader; and

Whereas, Oscar de los Santos is a resident of Laveen, Arizona and has taught English and social studies to sixth graders at the Champion South Mountain School in Phoenix; and

Whereas, the State of Arizona is proud and honored to be the home of Oscar de los Santos.

The following Senators answered on roll call:

PERSONAL PRIVILEGE

President Yarbrough introduced The Honorable Carl J. Kunasek, Fran Kunasek, Brenda Marshall, Dick and Sue Cowdrey, Dan and Kathy Cutright, and Teresa Byrne of Gregory, Michigan who were seated in the gallery.

PRIVILEGES OF THE FLOOR

Privileges of the Floor were extended to former Senate President Carl Kunasek and former State Senator Linda Gray.

PERSONAL PRIVILEGE

Senator Mendez requested a point of Personal Privilege and read the following Proclamation as follows:

Whereas, February 2, 1848, the date the Treaty of Guadalupe Hidalgo was signed, is commonly regarded as the birth date of Chicanos; and

Whereas, people of Mexican origin and descent and of all the Latin American countries to the south of us have greatly contributed to the economy, development and growth of this state and the nation, serving the arts, business, media, industry, agriculture, education and society in myriad ways; and

Whereas, despite being promised the rights of citizenship by treaty, early Mexican-Americans were stripped of their land, homes and property; and

Whereas, early Mexican-Americans faced seemingly insurmountable hardships as their basic rights were denied, their language and culture were suppressed and their opportunities for employment, education and political representation were thwarted; and

Whereas, as with many national boundary changes resulting from war treaties, the historical documentation of early Mexican-Americans was destroyed and their constitutional rights were abrogated; and

Whereas, historian Rodolfo Alvarez has divided the development of the Mexican-American population into four categories: the pre-1900 creation generation, the migrant generation, which is allied with Mexico by culture, language and loyalty, the Mexican-American generation, consisting of individuals who regard themselves as American citizens of Mexican descent, and the Chicano generation of today, which is a combination of, but distinctly separate from, the previous three; and
Whereas, Chicanos recognize that they are the result of a unique confluence of histories, cultures, languages and traditions: which we consider La Raza; and

Whereas, in a complex and diversified cultural society, it is essential to understand, accept and appreciate all traditions and lifestyles in order to eliminate prejudice and the other effects of stereotyping that have plagued our nation for centuries; and

Whereas, the people of this state recognize that the cultural and intellectual development of the proud Mexican-American people includes not only American accomplishments but also those of Spanish origin, which predated the first English settlement in the United States by over half a century.

Therefore

Be it resolved by the Senate of the State of Arizona, the State of Arizona proclaimed:

1. February 2 through February 8, as Chicano History Week in Arizona to commemorate the signing of the Treaty of Guadalupe on February 2, 1848.

2. That the Arizona Senate extend accolades of tribute, high praise, appreciation and recognition to these North Americans and their descendants whose citizenship, under the terms of the Treaty of Guadalupe Hidalgo, literally changed overnight from Mexican to American.

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE JOINT RESOLUTION 1002

Senate Joint Resolution 1002 was introduced and read in full by Senator Montenegro as follows:

A Joint Resolution Renewing the designation of the Phoenix-Goodyear airport as a military reuse zone.

Whereas, the United States Naval Air Facility (Air Facility) was established in 1941 in Goodyear, Arizona and was used for operational and training purposes by the active uniformed services of the United States Military; and

Whereas, the Air Facility employed several thousand active military personnel and civilians during World War II and the Korean War and was used, among other things, for aircraft flight deck fabrication and aircraft modification, testing, delivery, preservation and activation; and

Whereas, the United States Department of Defense transferred a portion of the property on which the Air Facility was situated to Goodyear Aircraft by quitclaim deed (Docket 537, page 255) on April 18, 1950; and

Whereas, the United States Navy decommissioned the Air Facility in the late 1950s and transferred the remaining 800 acres of the site to the United States General Services Administration (GSA) in 1965; and

Whereas, on May 21, 1968, the City of Phoenix acquired the GSA's portion of the site (Maricopa County Docket 7166, page 66) to create the Phoenix-Goodyear Airport to allow the city to relieve the volume of general aviation aircraft using Sky Harbor Airport; and

Whereas, Goodyear Aircraft transferred its portion of the property to Loral Corporation (now Lockheed Martin Corporation) on April 23, 1996; and

Whereas, Lux Air Jet Centers has recently opened the first privately developed fixed based operator facility in the history of the Phoenix-Goodyear Airport; and

Whereas, Prime Solutions Group, an engineering consultancy company, has been awarded small business innovation research grants from the United States Department of Defense; and

Whereas, the Phoenix-Goodyear Airport continues to have an 8,500-foot runway; and
Whereas, the aviation/aerospace industry is among the most important economic activities in the Arizona economy, accounts for a significant portion of Arizona's exports, provides high quality, high salary employment opportunities and has been identified as a strategic industry cluster by the City of Goodyear and the Greater Phoenix Region; and

Whereas, on December 10, 2002, Governor Hull designated the property consisting of the Phoenix-Goodyear Airport and the property then owned by Lockheed Martin Corporation as a Military Reuse Zone (MRZ) pursuant to section 41-1531, Arizona Revised Statutes; and

Whereas, the designation as an MRZ strengthens the ability of the Phoenix-Goodyear Airport to create jobs and attract investment; and

Whereas, the City of Goodyear and the region have been significantly impacted by the 93% reduction of aerospace defense industry jobs within the MRZ since 2007; and

Whereas, the MRZ designation at Phoenix-Goodyear Airport is an important component of the economic redevelopment strategy that has assisted in attracting and retaining six companies and creating and retaining over 900 direct jobs since 2003; and

Whereas, the Phoenix-Goodyear Airport designation as a MRZ was renewed on December 7, 2007 pursuant to section 41-1531, Arizona Revised Statutes, and Executive Order 2007-27, which designation is to terminate on December 3, 2017; and

Whereas, pursuant to section 41-1531, subsection B, Arizona Revised Statutes, the Legislature and the Governor by joint resolution may further renew the MRZ designation for additional ten-year terms; and

Whereas, a renewed MRZ designation will facilitate state and local economic readjustment efforts by providing new opportunities for commercial and industrial development, including major infrastructure improvements that will spur job creation and accelerate economic redevelopment growth.

Therefore

Be it resolved by the Legislature of the State of Arizona:

1. That the Members of the Fifty-third Legislature and the Governor of the State of Arizona renew as a Military Reuse Zone the Phoenix-Goodyear Airport premises and property consisting of the property described at Maricopa County Docket 7166, page 66 and the property described in the quitclaim deed set forth in Maricopa County Docket 537, page 255.

2. That, pursuant to section 41-1531, subsection B, Arizona Revised Statutes, the termination date for this Military Reuse Zone be set for ten years from December 3, 2017.

3. That the Secretary of State transmit copies of this Resolution to the City of Phoenix and the City of Goodyear.

Senator Montenegro moved that Senate Joint Resolution 1002 be unanimously adopted. The motion carried.

Senate Joint Resolution 1002 was signed in open session. The Secretary recorded the action and transmitted the Resolution to the House.

Arizona State Senate
Senate Recognition

James Beshlagaii (Peshlakai) of Cameron, Arizona, passed away Saturday, February 4th, 2017 at the age of 71 years old.

James was of the Tobacco Red House Clan, born for the Cliff Dweller Clan. Paternal Grandfathers were the Red Streak into the Water Clan and maternal grandfathers were the Wandering People Clan.

James was born on April 7th, 1945, at home in the Navajo, just north of today's Wupatki National Monument Visitor Center, where he lived with his family – including five brothers and four sisters.

His father Clyde Beshlagaii was renowned as a cultural expert in the world of anthropologists and others who researched and wrote about the Navajo. One hundred and twelve years ago his grandfathers, the great leaders Beshlagaii Etsidy and Chishi Nez, traveled to Washington D.C. to negotiate the annexation of what is now the Western Navajo Agency.

James saw a world that few people know. He saw two-legged people, four-legged people, many-legged people, people of the water, land, and sky. People who walked, the crawling people, and the flying people.

From 1964 to 1995 he traveled with is clan grandfather, uncles, and other medicine men performing ceremonies, including: the Blessing Way, the Life Changing Way, the Navajo Wind Way, the Chiricahua Wind Way, the Bead Way, the Water Way, and the Female Shooting Way. The Female Shooting Way is the ceremony in which he was ordained. They taught him the sacredness and the abstract knowledge of the ceremonies, and the metaphysical connections of ceremonies to our lives.

James taught at prestigious schools around the country, including: Brandeis University; Wheaton College; Wellesley College; Gettysburg College; Bucknell University; and Brown University. He inspired students in the Applied Indigenous Studies Department at Northern Arizona University where he served as Traditional Knowledge Scholar.

James was recognized for his achievements in many ways during his lifetime:

In 2011 James was awarded the prestigious Marvin E. Johnson Diversity and Equity Award at the 11th Annual Association for Conflict Resolution Conference in San Diego.
He was nominated to Who's Who Among America's Teachers in 1995 when he was at Dine College and again from 2004-2006 when he was at the Applied Indigenous Department NAU.

Nominated for the Native American Music Awards for Best Album & Best Spoken Word categories in 2009 for the CD 'songs of the Navajo'.

James served as Grand Marshal for the Navajo Nation Fair – Window Rock, Arizona, in September 2014

And he was recognized as an Arizona Indian Living Treasure in 2014 in a ceremony at the Heard Museum.

James leaves behind his widow, Mae Walker Peshlakai (Tangle People Clan born for Bitter Water Clan); son, Darcy Peshlakai; daughters Jamescita Peshlakai, Stephanie Peshlakai-Carillo, Shalta Peshlakai; grandchildren DeVander, Devin, Tanner, Tehya, Shelby, Jaime, Gabriel, Marcus, Gavin, Richardson, Juniper, Vivian; great-granddaughter, Georgieann; and a lasting legacy to the citizens of the Navajo Nation and Arizona.

When you go into the Navajo, James will be there in the desert land, the mountains, the forests, the grassy meadows, the water that flows, in the wind, and the sky. He is woven into the tapestry of the beauty way of life.

Let us all travel on the road of life
With beauty before us
With beauty behind us
With beauty beneath us
With beauty above us
With beauty all around us
With beauty within us
Mother Earth
Father Sky
Mother Water
Father Sun
All is in peace and harmony
All is in peace and harmony
All is in peace and harmony
All is in peace and harmony

THEREFORE, be it resolved by the Senate of the State of Arizona:
That the members of the Senate sincerely regret the passing of James Beshlagaii and extend their deepest sympathy to his family and many friends.

Dated this 20th day of February, 2017.

Senate Concurrent Resolution 1016 was introduced and read in full by Senator Montenegro as follows:

Whereas, metastatic breast cancer occurs when cancer spreads beyond the breast to other parts of the body, including the bones, lungs, liver and brain; and

Whereas, thousands of families across Arizona are affected by metastatic breast cancer; and

Whereas, much of the discussion surrounding breast cancer focuses on early detection and routine diagnosis, areas in which there has been tremendous progress over the last 30 years; and

Whereas, the story for advanced disease is quite different as metastatic breast cancer patients continue to face many unique challenges, such as the emotional and physical demands of continual treatment; and

Whereas, there is currently no cure for metastatic breast cancer, and those with metastatic breast cancer will continue treatment indefinitely with the goals of extending and ensuring the best possible quality of life; and

Whereas, more than one in eight women in the United States will be affected by invasive breast cancer in their lifetimes; and

Whereas, in Arizona, it is expected that 4,870 women will be diagnosed with breast cancer in 2017; and

Whereas, breast cancer can spread quickly and inexplicably, regardless of the treatment or preventative measures taken; and

Whereas, approximately 6% of newly diagnosed breast cancer cases are diagnosed as metastatic breast cancer, and it is estimated that 20% to 30% of early stage breast cancer cases will become metastatic or recurrent advanced cases; and

Whereas, this devastating disease affects all races and socioeconomic classes; and

Whereas, although white women see the greatest incidence of breast cancer, the mortality rate for African-American women with breast cancer is higher than it is for white women and breast cancer is the leading cause of cancer-related death for Hispanic women; and

Whereas, any discussions of breast cancer should cover the entire spectrum from screening through metastatic breast cancer; and

Whereas, the burdens of metastatic breast cancer on the patient, the patient's family and the patient's health and finances are large; and

Whereas, metastatic breast cancer cuts short the lives of too many people in Arizona, leaving a lasting effect on their families; and

Whereas, while there have been treatment advances in metastatic breast cancer, many of those advances have benefitted only a small subset of patients with specific types of metastatic breast cancer; and

Whereas, while metastatic breast cancer remains incurable, there is reason to be hopeful as extensive research efforts are underway to address this unmet need; and

Whereas, ClinicalTrials.gov is a searchable database that provides patients, the family members of patients and the public with information about current ongoing clinical research studies; and
Whereas, additional focus is needed on the personal and social burdens of metastatic breast cancer, the needs of patients and promising research efforts in the development of more effective treatments; and

Whereas, there is still more research to be done for metastatic breast cancer so that new and more effective treatments can be developed; and

Whereas, individuals who are diagnosed with metastatic breast cancer can speak with their physicians to learn more about the disease and find support groups and services in their community or online.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

2. That the Members of the Legislature express their commitment to the advancement of critical research and treatments for metastatic breast cancer.

Senator Montenegro moved that Senate Concurrent Resolution 1016 be unanimously adopted. The motion carried.

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1034

Senate Concurrent Resolution 1034 was introduced and read in full by Senator Brophy McGee as follows:

A Concurrent Resolution on the death of the Honorable Eleanor Ann Day.

The Honorable Eleanor Ann (Ann) Day passed away on May 7, 2016 at the age of 77.

Born into a pioneering ranching family on August 10, 1938 in El Paso, Texas, Ann grew up on the Lazy B Ranch in eastern Arizona, a working cattle ranch that was started in 1880 by Ann's grandfather, HC Day, and was in her family for 114 years. Ann served on the board of directors of the Lazy B Ranch and worked there as a cowgirl throughout the early years of her life.

After receiving her bachelor's degree in education from Arizona State University in 1970 and her master's of education degree in counseling and guidance from the University of Arizona in 1972, Ann taught in Phoenix's Alhambra School District and worked as a substitute teacher in the Tucson Unified School District.

Dedicated to public service, Ann served on the Pima County Conciliation Court from 1972 to 1982. She was the first woman appointed to serve on the State Industrial Commission and also served on the State Liquor Board.

A lifelong member of the Republican Party, Ann was elected to the Arizona State Senate in 1990 where she served as both Majority Whip and Chairperson of the Senate Health Committee. During her time in the Senate, she tirelessly advocated on behalf of the citizens of this state through her determined leadership in health maintenance organization reform and the enactment of Arizona's Patient Bill of Rights. On her retirement from the legislature in 2000, Ann continued her tradition of public service as a Pima County Supervisor until 2012.

Despite the demands of her work, Ann gave selflessly of her time, energy and abilities to various civic organizations. She served on the boards of both Planned Parenthood of Arizona and the Girls Club of Tucson and on the Governor's Task Force on Marriage and the Family. She was also a sustaining member of the Junior League of Tucson and was recently named one of the 48 most influential women in Arizona history.

Even after spending countless hours devoted to her community, Ann managed to fit in a game of bridge now and then, adroitly perfecting her skill and strategic maneuvers.

Devoted to her family, Ann will be greatly missed by her brother, Alan Day, her sister, Justice Sandra Day O'Connor, her son and daughter-in-law, Barry and Kim Simpson, her son, Curtis Simpson, her daughter and son-in-law, Jill and Adam Watters, her grandchildren, Caitlin Watters, Courtland Watters, Cassandra Watters, Matt Simpson and Shiloh Patton, her nephews, Scott O'Connor, Jay O'Connor, Brian O'Connor and Hollis Alan Day, and her niece, Marina Day.
Therefore
Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express regret at the passing of the Honorable Eleanor Ann Day and extend their sympathies and condolences to her family and many friends.

Senator Brophy McGee moved that Senate Concurrent Resolution 1034 be unanimously adopted and that the Senate stand in a moment of silence in memory of Eleanor Ann Day. The motion carried.

Senate Concurrent Resolution 1034 was signed in open session. The Secretary recorded that action and transmitted the Resolution to the House.

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1020

Senate Concurrent Resolution 1020 was introduced and read in full by Senator Farley as follows:

A Concurrent Resolution on the death of Marian Lupu.

Marian Lupu, a zealous warrior for the elderly, died on August 14, 2016 at age 91 at her home in Tucson, AZ.

A pioneer in the field of gerontology, Marian and her collaborators developed services that made Tucson a model to be emulated throughout the nation and the world. Her vision that aging is a valuable time in life, and that the "aged" are important contributors to society, was a philosophy she not only espoused but earnestly lived herself.

Born in Chicago, Marian grew up during the Great Depression in an observant Jewish household. At the University of Chicago, she formed her lifelong commitment to fierce, creative and effective advocacy. In 1948, Marian married Charles Lupu, and their nearly 60-year union was a source of great joy and stability for her. Charles and Marian settled in Tucson in 1966.

Soon after, Marian became the founding executive director of the Pima Council on Aging (PCOA), a nonprofit organization dedicated to providing services to Pima County's older residents and their family caregivers. With one small grant and a couple of volunteers, Marian built the PCOA into a robust organization, giving a strong voice to the needs of older adults.

With the help of community leaders, elders in her community, and academic partners at the University of Arizona, Marian and the PCOA developed many vital services. Many of the services that she helped pioneer are now commonplace, including the concepts of continuum of care and comprehensive case management. This model was showcased in a 1976 Special Senate Committee on Aging report, which highlighted how many Tucson agencies worked together to deliver adult day care, home care and special transportation at a time when these services were novel. Pima County's elderly residents continue to benefit from Marian's foresight, tenacity and collaborative, innovative approach to building not only an agency but a system of valuable community services.

Marian became a well-known figure in the national gerontology field, attending four White House Conferences on Aging, becoming the first Fellow of the Gerontological Society of America and serving as President of the Western Gerontological Society (later known as the American Society on Aging) from 1977-1978. She became a trainer for directors of newly formed Area Agencies on Aging throughout the nation.

When she retired from the PCOA in 2007 at the age of 82, Marian had the distinction of being the longest serving Area Agency On Aging executive director in the nation.
However, it was not so much the length of her tenure as the tenacity and skill of her advocacy that won her widespread recognition and admiration.

After her retirement, Marian took her own advice and began an "encore career." She served as President of the board and helped nurture Dancing in the Streets, Arizona, a nonprofit ballet school serving South Tucson and focusing on disadvantaged children who were otherwise unlikely to access ballet. She saw working with children as a natural extension of working with older adults, and felt that children needed to grow up to be strong, contributing citizens in order to support the services elders need.

In 2014, Marian reflected on both how much had been accomplished as well as how much was still left to be done, saying, "I'm disappointed that aging is so much on the periphery of what professionals are being taught...[S]ociety itself has not learned how to use what older people can contribute to their families and to their communities in a much more positive and meaningful way."

Despite all she accomplished, Marian did not want people to just remember what she did. She wanted others to be inspired to continue to build, to care and to speak up, believing that this could best be accomplished through cooperation across all sectors—voluntary and governmental, local and national. Marian felt that governmental programs such as Social Security, Medicare and Older Americans Act services provided the foundation and the framework on which private, local and volunteer agencies could build and that these entities could work together to accomplish the goal of a society that is "age friendly" across the entire lifespan.

Memories of Marian are cherished by her children and their spouses, Dale Lupu and Richard Gladstein, Jarold and Jana (Daniels) Lupu, and Soleste Lupu and Joseph Rodgers, and by her grandchildren, Ariella Gladstein, Noah Lupu-Gladstein, and Emily, Cydni and Neal Rodgers.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature sincerely regret the passing of Marian Lupu and extend their deepest sympathies to her family and many friends.

Senator Farley moved that Senate Concurrent Resolution 1020 be unanimously adopted and that the Senate stand in a moment of silence in memory of Marian Lupu. The motion carried. Senate Concurrent Resolution 1020 was signed in open session. The Secretary recorded the action and transmitted the Resolution to the House.

House unanimously adopted Senate Concurrent Resolution 1020

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1017

Senate Concurrent Resolution 1017 was introduced and read in full by Senator Lesko as follows:

A Concurrent Resolution supporting trade between the United States and Taiwan.

Whereas, United States goods and services trade with the Republic of China (Taiwan) totaled an estimated $86.9 billion in 2015, with $38.4 billion in exports and $48.5 billion in imports; and

Whereas, with $431 million in total United States exports to Taiwan originating from Arizona in 2015, Taiwan is Arizona's tenth largest export market; and

Whereas, Taiwan was the United States' 14th largest goods export market in 2015; and

Whereas, trade in services with Taiwan totaled an estimated $20.3 billion in 2015, with $12.5 billion in services exports and $7.8 billion in services imports; and

Whereas, United States goods exports to Taiwan in 2015 were $26 billion, up 20% from 2005; and

Whereas, the United States has already concluded, or is seeking to negotiate, bilateral investment agreements (BIA) with nine of its top ten trading partners, with Taiwan being the sole exception; and

Whereas, opening negotiations for a BIA between the United States and Taiwan will provide more stability for strong, two-way investment ties; and

Whereas, negotiating a BIA between the United States and Taiwan is a win-win strategy for both countries and will help to attract Taiwanese investment in Arizona; and

Whereas, on July 12, 2013, the President of the United States signed into law H.R. 1151, an act supporting Taiwan's participation as an observer in the International Civil Aviation Organization Assembly; and

Whereas, the Legislature of this state also passed resolutions in support of Taiwan's international participation in 2012, 2014 and 2016; and

Whereas, Arizona maintains a strong economic and cultural relationship with Taiwan since establishing sister-state relations on July 28, 1980 and is proud to join more than 38 other states in passing resolutions supporting a United States-Taiwan BIA as well as Taiwan's participation in international organizations; and
Whereas, on January 16, 2016, Taiwan elected Dr. Tsai, Ing-wen and Dr. Chen, Chien-jen as the country's next President and Vice President, respectively. Dr. Tsai is Taiwan's first female President. This is Taiwan's third peaceful transfer of power through direct election and is a testament to the strength and vitality of Taiwan's democracy.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature support the negotiation of a United States-Taiwan BIA and the participation of Taiwan in international organizations and applaud Taiwan's deepening democratization.

2. That the Secretary of State of the State of Arizona transmit a copy of this Resolution to the President of the United States, each Member of Congress from the State of Arizona, the United States Secretary of State and the United States Trade Representative.

Senator Lesko moved that Senate Concurrent Resolution 1017 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1017 was signed in open session. The Secretary recorded that action and transmitted the Resolution to the House.

A Concurrent Resolution recognizing March 3, 2017 as National Speech and Debate Education Day in Arizona.

Whereas, National Speech and Debate Education Day is being celebrated on March 3, 2017; and

Whereas, established by the National Speech and Debate Association in conjunction with national and local partners, this event serves to both promote better instruction in speech and debate across all grade levels and highlight the pivotal roles these abilities play in personal advocacy, social movements and public policymaking; and

Whereas, speech and debate education helps students develop important skills in communication, critical thinking, creativity and collaboration through the practice of public speaking; and

Whereas, participants learn not only to analyze and express complex ideas effectively but also to listen, concur, question or dissent with reason and compassion; and

Whereas, across the country, countless educators devote in-school, after-school and weekend time to supporting their students in speech and debate practices and competitions; and

Whereas, these educators, through their example of hard work and dedication, have a lasting and positive impact on their students; and

Whereas, the skills learned through speech and debate serve students well throughout their lives, and this occasion presents a welcome opportunity to recognize such instruction as an essential component of a well-rounded curriculum.

Therefore

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1026

Senate Concurrent Resolution 1026 was introduced and read in full by Senator Yee as follows:

  A Concurrent Resolution expressing a commitment to the promotion of civics education in Arizona schools.

  Whereas, in 2014, the National Assessment of Educational Progress (NAEP), which is administered by the National Center for Education Statistics in the United States Department of Education, found that only 23% of eighth graders performed at or above the proficient level in civics; and

  Whereas, a 2014 survey of 1,416 adults conducted by the Annenberg Public Policy Center of the University of Pennsylvania (Annenberg survey) found that only 36% of respondents could name all three branches of government and that 35% of respondents could not name a single one; and

  Whereas, the Annenberg survey also found that only 27% of Americans know that it takes a two-thirds vote of the House and Senate to override a presidential veto, that 21% of Americans incorrectly think that a 5-4 Supreme Court decision is sent back to Congress for reconsideration and that more than half of Americans do not know which party controls the House and Senate; and

  Whereas, in the words of Justice Sandra Day O'Connor, "[t]he practice of democracy is not passed down through the gene pool. It must be taught and learned anew by each generation of citizens"; and

  Whereas, the lack of an educational foundation regarding the fundamentals of the democracy established by this country's founders and defended by generations of American soldiers increases the potential for incivility and threatens the sustainability of the American Democracy; and

  Whereas, civics education produces an enlightened citizenry through increased knowledge of this nation's form and execution of government along with its historical significance as a protector of civility and freedom; and

  Whereas, there are a number of civics education programs that are free and available for use in the Arizona K-12 public school system; and

  Whereas, affording Arizona students a proper and thorough civics education using contemporary teaching and learning methods is vital to ensuring the success of this great nation.

  Therefore
Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express a continuing commitment to the promotion of civics education in Arizona schools.

Senator Yee moved that Senate Concurrent Resolution 1026 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1026 was signed in open session and transmitted to the House.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

President Yarborough announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On March 14, 2017, the Governor signed and transmitted to the Secretary of State Senate Bills 1017, 1033, 1050, 1058, 1066, 1081, 1082, 1084, 1130, 1154, 1157, 1166, 1176, 1179, 1272 and 1327.

The Governor signed Senate Bill 1130 with the following message:

March 14, 2017

The Honorable Michele Reagan
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Dear Secretary Reagan:

Arizona’s onerous occupational licensing requirements desperately need comprehensive reform. Professional licensing boards all too often needlessly obstruct the livelihoods of thousands of Arizonans. Burdensome training requirements, excessive fees and fines, arbitrary investigations and a sense of economic protectionism stand in the way of Arizonans’ right to work an honest job.

Senate Bill 1130 is a start; not a solution. By allowing individuals to apply solely for a hairstylist license with less training requirements versus a cosmetology license, more people can work in more jobs quicker.

But Senate Bill 1130 barely dents the thick layers of unjustified regulation. The requirements for licensure still discourage people from pursuing meaningful careers. Cosmetology students working toward licensure, such as Juan Carlos Montesdeoca, are subject to extraordinarily expensive fines even before they apply for a license. This and other examples of government overreach must end.

Professional licensing exists for one purpose and one purpose only – to keep the public safe. There is no role for government restrictions beyond this point.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1008

Senate Concurrent Resolution 1008 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution on the death of Rick Lavis.

Rick Lavis, Executive Director of the Arizona Cotton Growers Association, passed away on November 26, 2016 at the age of seventy-six.

Growing up in downtown Phoenix, Rick lived within sight of the Arizona State Capitol. Developing a passion for politics at an early age, Rick started his professional career as an aide to United States Senator Paul Fannin in Washington, D.C. He later lobbied in the nation's capital for a natural gas company before spending four years as an official in the United States Department of the Interior.

Rick returned to Arizona to work as a lobbyist for the Arizona Cotton Growers Association in 1980, a critical year in Arizona's agricultural history. During his first year in this position, the Legislature passed the Groundwater Management Act of 1980, a revolutionary deal to regulate the state's groundwater that would dramatically impact the cotton-growing industry in Arizona. Despite the challenging nature of this assignment, Rick proved himself to be worthy of the task. His integrity, competence, fair-mindedness and commitment to the betterment of this state earned him the well-deserved respect and admiration of all who had the privilege to work with him.

Though his primary responsibility was to represent the interests of the cotton industry, Rick was an esteemed expert in a wide variety of agricultural issues, including water, the environment and air quality. A forthright and trusted political figure in this state, he was frequently sought out to lend his expertise, most recently serving on Governor Ducey's Water Augmentation Council.

Devoted to his family, Rick will be greatly missed by his wife, Marti, and their two sons, Ben and Dan.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express sincere regret at the passing of Rick Lavis and extend their sympathies and condolences to his family and many friends.

Senator Griffin moved that Senate Concurrent Resolution 1008 be unanimously adopted and that the Senate stand in a moment of silence in memory of Rick Lavis. The motion carried.

Senate Concurrent Resolution 1008 was signed in open session. The Secretary recorded that action and transmitted the Resolution to the House.

That the House accept the Senate amendments with exceptions and the concurrent resolution be further amended.

Senator Quezada, Senate conferee and Representative Blanc, House conferee submitted the following Minority Report:

I oppose HCR2022, balanced budget convention; delegates, as amended in conference committee because the conference committee amendment opens the legislature to unknown costs for attending "planning conventions" anywhere in the country. In addition, the amendment does not address the underlying problems with the resolution and its possible futility.

The conference committee amendment authorizes the legislature to send delegations of legislators to "planning conventions" around the country. The amendment does not address how many conventions may be attended or limit the expenses that may be paid for with taxpayer resources. Without a reasonable constraint on these expenditures, these "planning conventions" may create a de facto travel fund for a selected few legislators.

The underlying resolution is also problematic. Regardless of the number of times or persistence with which the legislatures of the states attempt to set the rules for an actual Article V convention, the fact is that the U.S. Constitution grants the authority to call an Article V convention to the Congress. To spend taxpayer resources for the purpose of practicing what may happen at a future Article V convention would be a misuse of precious taxpayer dollars.

For these reasons, I oppose HCR2022 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

COMMUNICATIONS FROM THE GOVERNOR

President Yarbrough announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 5, 2017, the Governor signed and transmitted to the Secretary of State Senate Bill 1437 with the following message:

April 5, 2017

The Honorable Michele Reagan
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: S.B. 1437 (agencies; review; GRRC; occupational regulation)

Dear Secretary Reagan:

Evidenced by the numerous stories covered by the media over the past several years, occupational licensing boards are in desperate need of root-and-branch reform.

It is simply unjust for government to decide who can and cannot earn a living except when absolutely necessary to protect public health and safety. All too often, occupational licensing boards create fiefdoms demanding individuals face burdensome training requirements, excessive fees and fines, and arbitrary investigations.

I am signing this bill because I strongly support the provisions related to the Right to Earn A Living Act which will allow individuals to challenge occupational regulations and prevail in a court of law if the regulation on its face or in effect burdens the entry into a profession and the Board has failed to prove by a preponderance of the evidence that the regulation is necessary to fulfill a specific health and safety concern.

While I applaud that portion of the bill, let me be very clear – Senate Bill 1437 does not address the anti-competition issues raised by the United States Supreme Court in North Carolina Board of Dental Examiners v. Federal Trade Commission. Senate Bill 1437 does not require an analysis of whether a specific Board action is anti-competitive. Senate Bill 1437's review by GRRC only applies to rules while the Supreme Court's decision requires review of agency actions beyond rules. Additionally, FTC guidance recommends active review, not simply review upon request as Senate Bill 1437 does.
Boards and commissions need reform that addresses the root cause—not just the symptoms manifested in needlessly prohibitive and discouraging regulations. While Senate Bill 1437 makes positive steps, it inadequately addresses the underlying issues and fails to meet the requirements laid out by the North Carolina Board of Dental Examiners case. I am calling on the legislature to fully address this important issue next session.

As I’ve stated before, professional licensing exists for one purpose and one purpose only—to keep the public safe. I urge those who supported Senate Bill 1437 to get on board with a root-and-branch reform effort that addresses the anticompetitive issues identified by the Supreme Court—not just the symptoms of the real problem. I look forward to working with the proponents of this bill on additional reforms.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2020

House Concurrent Resolution 2020 was introduced and read in full by Senator Kavanagh as follows:

A Concurrent Resolution proclaiming April 6, 2017 as tartan day in Arizona.

Whereas, Arizona is proud to celebrate its ethnic diversity, and the people of Arizona are fortunate to have organizations, families and individuals who are passionate about their ancestry; and

Whereas, the Scottish Declaration of Independence, signed on April 6, 1320, and the Scottish National Covenant of 1638 strongly influenced the framing of America's Declaration of Independence and the United States Constitution more than 400 and 100 years later, respectively; and

Whereas, National Tartan Day has been celebrated on April 6 across the United States since 1997 and recognizes that Scottish Americans have played an important role throughout American history. As some of the first immigrants to settle in America, Scottish Americans have made enduring contributions to our society in the arts and sciences, politics and government, technology and mathematics, military service and many other fields; and

Whereas, the people of Arizona recognize the heritage of Arizonans of Scottish descent and the symbolism and pride that come from the wearing of the tartan and colors of their families, ancestral home and country of national origin.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature proclaim April 6, 2017 as Tartan Day in the State of Arizona.
2. That the Members of the Legislature encourage all Arizonans to observe and celebrate Tartan Day with appropriate ceremonies and dress, including the tartans representing our state, the Arizona Flag tartan and the Arizona Scottish tartan, and to recognize the many contributions that Scottish Americans have made to our great State and Nation.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2025

House Concurrent Resolution 2025 was introduced and read in full by Senator Petersen as follows:

A Concurrent Resolution expressing support for military and veteran caregivers and proclaiming May 20, 2017 as Hidden Heroes Day in Arizona.

Whereas, the series of wars in which our nation has been engaged since World War II has resulted in 5.5 million military and veteran caregivers, who are parents, spouses, siblings and friends, caring for the wounded, ill or injured heroes who have served our nation; and

Whereas, the daily tasks of these military and veteran caregivers can include bathing, feeding and dressing wounded warriors, caring for their grievous injuries, administering medications, providing emotional support, caring for the family and the home and working outside the home to earn essential income; and

Whereas, the nation provides multifaceted support to our wounded, ill and injured veterans and service members through public, private and philanthropic resources; and

Whereas, most military and veteran caregivers consider the challenging work they do as simply carrying out their civic and patriotic duties, without realizing that they are, in fact, caregivers, and do not identify themselves as such; and

Whereas, according to research conducted by the Elizabeth Dole Foundation, an alarming number of military and veteran caregivers are suffering numerous debilitating mental, physical and emotional effects as a result of their caregiving duties.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

*Senator Lesko offered the following explanation of her vote on Senate Bill 1442 having requested, without objection, her remarks of more than 200 words be inserted in the Journal.

April 11, 2017

SB1442 along with SCR 1023 will reform and repair Arizona’s Corrections Officer Retirement Plan (CORP).

Over the last 15 years, the total employer contribution rate has grown from 3.2% to 18.2%. In addition, the pension plan is currently only 53% funded with unfunded liabilities continuing to increase. As a result, the long term solvency of the plan is in doubt. In addition, the increase of government spending to cover the pension liabilities has hindered raises for employees, limited hiring, and diverted spending from other public safety functions.

This reform package is both reasonable and appropriate. Prior attempts at reforming the retirement system have failed judicial scrutiny. The senate convened a pension reform working group that worked with all stakeholders to explore all potential actions to address the issues. Except for the items outlined in SB1442, no other reforms were identified that would repair the structural flaws, provide certainty to retirees, and have the support of employees, labor organizations, and retirees.

The PBI structure has a systemic flaw. The plan’s administrator and actuaries have indicated that it is impairing the fund from recovering from its funding deficiency. This decreasing funding is threatening the solvency of the fund and increasing employer’s contributions.

The proposed constitutional amendment will replace the broken PBI mechanism with a predictable, pre-funded Cost of Living Adjustment (COLA) that follows inflation with a 2% cap and provides certainty for retirees.

Adopting a defined contribution plan for new correction officers helps current employees and retirees in the existing CORP pension plan by capping liability and improving the plan’s solvency. Currently, 80% of CORP members leave the job before vesting, forfeiting their full benefits. SB1442 allows new corrections officers to be 100% vested within three years of service. This reform improves the portability of benefits and creates more retirement planning choices.

Overall, this reform protects the promises made to current members of the plan while providing sustainable reforms for new members.

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1006

Senate Concurrent Resolution 1006 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution on the death of M. Lee Allison.

M. Lee Allison, State Geologist of Arizona and the Director of the Arizona Geological Survey, passed away on August 16, 2016 at the age of sixty-eight.

Born in 1948, Lee spent his early years in the Philadelphia area before moving with his family to Los Angeles. He was the first in his family to attend college, paying for his education with scholarships, student loans and summer jobs. Knowing from a young age that he wanted to pursue a career in geology, he received his bachelor's degree at the University of California, Riverside, his master's degree at San Diego State University and his Ph.D. at the University of Massachusetts, Amherst.

Dedicated to public service, Lee transitioned to the public sector after working for fifteen years in the oil industry. As the dynamic leader of the geological surveys in Arizona (2005-2016), Kansas (1999-2004) and Utah (1989-1999), he sought to increase the global impact of the research and outreach of these agencies. Believing that state geological surveys could transform the economic well-being of a state, Lee worked tirelessly to identify natural resources and better the lives of the citizens of the states he served.

Lee was a visionary, active in the interface between science and public policy throughout his career. Recognizing the potential of the powerful tool of geoinformatics, he became a world-renowned leader in the efforts to develop cyberinfrastructure for the earth sciences. In recent years, he shifted his focus from local to national and international, involving himself with EarthCube, OneGeology and the Belmont Forum. Lee's commitment to the advancement of the geosciences and the betterment of this world earned him the well-deserved respect and admiration of all who had the privilege to work with him.

A strong advocate for the advancement of women in the geosciences, Lee was an active member of the Association for Women Geoscientists in Salt Lake City almost from the inception of the chapter. In spite of frequent criticism and significant resistance, Lee remained unwavering in his commitment to the cause.

Among his many awards and honors, Lee received the Public Service Award of the American Association of Petroleum Geologists, the Tanya Atwater "Encourage" Award from the Association for Women Geoscientists for promoting the role of women in the profession and the American Institute of Professional Geologists John T. Galey Jr. Award for Public Service.
Devoted to his family, Lee will be greatly missed by his wife, Ann Becker, brother, Mark Allison and sister, Catherine Torrance.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express regret at the passing of M. Lee Allison and extend their sympathies and condolences to his family and many friends.

Senator Griffin moved that Senate Concurrent Resolution 1006 be unanimously adopted and that the Senate stand in a moment of silence in memory of M. Lee Allison. The motion carried.

Senator Yee moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Griffin and Farnsworth D, Senate conferees, and Representatives Bowers and Cook, House conferees, submitted the following conference report on Senate Bill 1202:

That the Senate accept the House amendments with exceptions and the bill be further amended.

Senator Otondo, Senate conferee and Representative Engel, House conferee submitted the following Minority Report:

We oppose SB1202 forestry and fire management; conformity as amended in conference committee because the conference committee amendment undermines safe wildfire management and unnecessarily risks the health and safety of wildfire responders, residents, and even the private contractors working to suppress wildfires.

The conference committee amendment fails to adequately address the potential disruption to the current wildfire management command structure created by the presence of private contractors and wildfire responders battling the same wildfire. SB1215 insurance; forms; fire protection services, signed by Governor Ducey on March 24, invites private contractors to operate within a wildfire management area for a private property owner at the same time that firefighters battle a wildfire under the direction of an appointed incident commander. As passed by the House of Representatives, by a vote of 56 to 1, SB1202 would have incorporated these private contractors into the state's
incident command structure. This coordination is the best way to protect the health and safety of those contractors and all persons within a wildfire management area. At a minimum, this bill should require private contractors notify to an incident commander of their presence in a wildfire management area.

The conference committee amendment is a step in the wrong direction. With fire season in Arizona rapidly approaching, now is the best time to ensure the safety of everyone who responds to wildfires. SB1202, as passed by the House, did just that. The conference committee amendment takes a wait-and-see approach that could risk the lives of wildfire responders throughout Arizona.

We look forward to a robust stakeholder process to address the concerns of firefighters and property owners, but feel strongly that such a process should occur before the language in this amendment is passed into law.

For these reasons, we oppose SB1202 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

CONFERENCE COMMITTEE REPORTS

Senator Yee moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Fann and Borrelli, Senate conferees, and Representatives Mitchell and Campbell, House conferees, submitted the following conference report on House Bill 2159:

That the House accept the Senate amendments and the bill be further amended.

Senator Mendez, Senate conferee and Representative Andrade, House conferee submitted the following Minority Report:

We oppose HB2159 vehicle impoundment; release of vehicles as amended in conference committee because the conference committee amendment violates House rules regarding germaneness and the Arizona Constitution's single-subject requirement, and because the amendment contains policy that has been rejected by House committees on several occasions.

The conference committee amendment incorporated language from a number of distinct bills considered during this legislative session, including SB1170 abandoned vehicles; towing reimbursement. The conference committee amendment vastly expands the scope of the underlying bill by incorporating two other bills in their entirety and making several other substantive changes. Furthermore, at least one of the amendment's provisions is not actually related to towing—the subject of the underlying bill. As such, and as articulated by the House Rules Attorney during conference committee, the amendment violates House rule 16(D) regarding germaneness and Article 4, Section 13, Part 2 of the Arizona Constitution. The conference amendment amounts to an omnibus bill, and a conference committee is an entirely inappropriate setting for introducing such a bill.

In addition to these procedural concerns, we particularly object to the inclusion of SB1170 into this bill. This language will result in towing companies receiving additional general fund dollars, despite having existing avenues for recovering the costs of towing abandoned vehicles. This unsound policy failed to obtain a favorable committee recommendation on four separate occasions before it was passed by this conference committee.

For these reasons, we oppose HB2159 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

CONFERENCE COMMITTEE REPORTS

Senator Yee moved on behalf of the Chairman that the Senate adopt the following conference committee report:

Senators Allen  and Smith, Senate conferees, and Representatives Boyer and Carter, House conferees, submitted the following conference report on Senate Bill 1042:

That the Senate accept the House amendments with exceptions and the bill be further amended.

Senator Miranda, Senate conferee and Representative Alston, House conferee submitted the following Minority Report:

We oppose SB1042, teacher certification; reciprocity because the conference committee amendment fails to address fundamental problems in the underlying legislation. The bill neither provides adequate means to alleviate the teacher shortage in Arizona nor does it maintain appropriate standards for the teaching profession. Furthermore, the drafting of this legislation was rushed and riddled with errors. These concerns could not be addressed because the conference committee chairman and chairwoman refused to allow open debate of the amendment. This silenced discussion from legislators and the public alike. This process went against a fundamental principle of democracy.

Instead of addressing the true cause of the teacher shortage crisis in Arizona, this legislation weakens teaching standards and makes it easier for unqualified individuals to mold the minds of our children. The fundamental cause of our state's teacher shortage is demonstrated lack of respect for teachers, poor pay and large class sizes. Arizona teachers are among the lowest paid educators in the country and have larger class sizes than the national average. If this bill provided for more pay, peer-to-peer mentoring or addressed the concerns of educators who are now in the classroom, we could certainly start addressing the shortage. That is not the case with SB1042.

We also have particular concerns with those provisions that retroactively approve denied or revoked applications from providers of alternative preparation programs. This bill creates a second chance for a specific teacher preparation program that failed to meet the standards set by the Department of Education and was denied approval by the State Board of Education. This legislation circumvents the State Board's authority and sets a clear precedent for organizations that fail to meet reasonable standards to come to the legislature.
We are outraged at these continued attacks on our teachers and the clear lack of respect shown towards their profession. There are currently several pathways, both traditional and non-traditional, for individuals to become teachers. In addition, this legislation fails to consider the factors that have led to our current teacher shortage. Low pay, working conditions and lack of respect for the profession are main drivers leading educators out of the classroom. We should be supporting our teachers and holding them accountable to appropriate standards ensuring our children receive the best education possible throughout the state.

For these reasons, we oppose SB1042 as amended by the conference committee.

The motion carried and the Secretary recorded the action and notified the House.

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1005

Senate Concurrent Resolution 1005 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution on the death of the honorable George William Lemen.

The Honorable George William Lemen passed away on September 3, 2016 at the age of seventy-three.

George was born on January 15, 1943 in Pine Bluff, Arkansas. After graduating from high school in 1961, he went on to attend the Marion Military Institute, Mississippi State University and University of Wyoming, where he studied computer science. After college, he worked with the Department of Atmospheric Science at the University of Wyoming, where he performed cloud studies and examined ice fog. After moving to Denver and working in the oil and gas industry for about ten years, George returned to Casper, Wyoming, where he met and married Carla Akin in October of 1983.
In 1992, George and Carla moved to Pima in Graham County, where George became very active in the community. While employed in industrial sales, George became a familiar face and friend to many working at the mines. He helped form the Safford-Clifton-Duncan Watershed, which eventually transformed into the Gila Watershed Partnership. Having earned a reputation in the community as being an intelligent, honest and civic-minded leader, George was appointed to the Pima Town Council in 2006. After serving a total of eight years on the council, he was appointed Mayor of Pima, in which capacity he faithfully served the people of Pima until 2014.

Despite the demands of his work, George gave selflessly of his time, energy and abilities to various civic organizations. He acted as president of the Mt. Graham Safe House, was a member of both the People for the West and the Society of Mining Engineering and was a Republican Precinct Committeeman. After his tenure as mayor, he was honored by the Town of Pima, the Arizona League of Cities and Towns and the Mt. Graham Safe House for his service to the Safe House board.

A man of many interests, George was an avid outdoorsman. He climbed the Grand Tetons, loved to fish and hunt and worked as a ski patrolman. George was also a huge fan of NASCAR and the Denver Broncos.

A devoted husband, loving father, loyal friend and true patriot, George will be remembered for his unforgettable laugh and deep love and concern for others. He will be greatly missed by his loving wife, Carla, his mother, Doris, his children, Robert, Kristin, Elizabeth and James Akin, and his four grandchildren, Cameron L., Ian, Joseph and Cameron H.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

He served four years in the Arizona House of Representatives and twelve years in the Arizona Senate, working diligently on behalf of a wide variety of issues, including natural resource issues and especially rural issues, and displaying a tremendous ability to garner the support and respect of his peers on both sides of the political aisle.

Despite the demands of his work, Gus gave selflessly of his time, energy and abilities to various civic and community organizations. Among his many professional affiliations, Gus served on the boards of the Veterans Club, the Veterans of Foreign Wars and the Cochise County Sheriff’s Posse and was a charter member of the Willcox Elks Lodge #2131. He also served in the Civil Air Patrol for thirty years, acting as a legislative liaison officer, deputy group commander and search and rescue pilot.

WHEREAS, children represent the hopes and dreams of the citizens of Arizona and should be nurtured and invested in, in order to preserve and enhance democracy, the American spirit, and economic prosperity; and

WHEREAS, el Día del Niño is a tradition cherished in Latin America and celebrated on April 30th. This community continues the tradition of honoring their children on this day, and wishes to share it with the rest of the state where children represent over 25% of the population; and

WHEREAS, we must remain committed to make sure that children have access to quality health care, the best educational opportunities possible and a safer environment for them to grow in. Children are our future, we need to teach them well and let them lead the way; and

WHEREAS, the celebration of children in our state will provide an opportunity for children to express their dreams and aspirations and find comfort and security in the support of their family members and communities; and

WHEREAS, the National Latino Children’s Institute, serving as a voice for children, has worked with cities throughout the United States to declare April 30, 2017, to be “Día de los Niños: Celebrating Young Americans”, a day to bring together Hispanics and other communities in the United States to celebrate and uplift children.

Senator Juan Mendez
State Senate, LD 26

Senator Smith requested a point of Personal Privilege and read a Senate Proclamation as follows:

Whereas, the Navajo Generating Station, the largest coal-fired power plant in the Western United States, is scheduled to close in 2019; and

Whereas, the Navajo Nation and Hopi Tribe have substantially relied on the coal industry for the last four decades; and

Whereas, the Navajo Generating Station and Kayenta Mine are a critical source of employment for the Navajo Nation and Hopi Tribe, it is estimated that over 3,100 jobs will be lost when NGS closes, more than 90% of whom are Navajo; and

Whereas, the revenue, taxes and royalties derived from the Navajo Generating Station and related operations constitute approximately one-third of the tribe’s operating budget and provide more than 80-percent of the Hopi Tribe’s general fund budget; and

Whereas, the continued operation of NGS and Kayenta Mine therefore exerts significant positive economic impact for both the Navajo Nation and Hopi Tribe, including local municipalities, counties and Arizona as a whole; and
Whereas, the Navajo Generating Station serves both Arizona and Nevada electric customers and supplies more than 90% of the power needed to pump water through the Central Arizona Project; and

Whereas, the Navajo Generating Station has a capacity of 2,250 megawatts from three 750-megawatt units; and

Whereas, the Navajo Nation has been an economic partner with Arizona by allowing the Navajo Generating Station to produce power which has been an asset to Arizona’s economic development; and

Whereas the Navajo Generating Station complies with all federal air quality standards and emission limitations.

Therefore, be it proclaimed by the Senate of the State of Arizona:

That the Members of the Senate of the State of Arizona encourage Salt River Project to enter into an agreement on the Navajo Generating Station before July 1, 2017 so long term solutions can be developed for the benefit of the Navajo Nation and the State of Arizona.

April 27, 2017
The Honorable JD Mesnard
Speaker of the House
Arizona House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Re: House Bill 2128 (JLAC; auditor general)

Dear Speaker Mesnard,

Today, I vetoed House Bill 2128.
I commend Representative Allen's commitment to rooting out waste, fraud and abuse in government. The waste of taxpayer dollars is an offense to the taxpayers and persons who rely on government services.

HB 2128 is a step in the right direction. I am concerned, however, that the bill includes some vague and ambiguous language that will result in unintended consequences.

I look forward to working with Representative Allen on this important issue in the future.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

On April 28, 2017, the Governor signed and transmitted to the Secretary of State House Bills 2011, 2094, 2157, 2158, 2304, 2411, Senate Bills 1175, 1186, 1326, 1415 and 1475.

April 28, 2017

The Honorable Michele Reagan
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: H.B. 2411 homeowners' associations; open meetings

Dear Secretary Reagan:

I do not believe that government should micromanage the operation of homeowners' associations. I have signed H.B. 2411, however, because it promotes transparency and participation for all residents in homeowners' association governance.

This bill reflects compromise among many stakeholders. It will, ideally, provide residents the opportunity to resolve issues as a community rather than seek government intervention.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1007

Senate Concurrent Resolution 1007 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution on the death of the Honorable John Upton Hays.

The Honorable John Upton Hays passed away on June 10, 2016 at the age of eighty-eight.

Born on February 14, 1928, John was raised on his family's ranch in Peeples Valley, Arizona. Developing a thirst for learning at an early age, John started his educational journey as a student at a one-room schoolhouse that sat on the ranch before attending Prescott High School. Later, he went on to attend the University of Arizona, the University of the Americas in Mexico City, where he majored in Latin American Studies, Spanish and Portuguese, and the Thunderbird School of Global Management in Glendale, where he earned a master's degree.

In 1967, John met his future bride, Mary Greene Sharp, the daughter of a prominent Southern Arizona ranching family, at the Yavapai Cattle Growers’ annual calf sale and barbecue, an event that has been hosted at the Hays ranch since the 1930s. The two married shortly thereafter and raised their family on the ranch.

Elected to the Arizona Legislature in 1974, John represented District 1 in the House from 1975 to 1982 and the Senate from 1983 to 1990. Afterward, he served as the Governor's Legislative Liaison and as the Director of the Department of Weights and
Measures under Governor Fife Symington. In 2000, John was appointed to the State Parks Board, which he served as chairman. Throughout his entire political career, John was a strong voice for rural Arizonans. His kindness, humility and reasonableness in the midst of trying situations were unparalleled, and he displayed a tremendous ability to garner the support and respect of his peers on both sides of the political aisle. Among his many projects, he worked tirelessly to preserve agricultural and private property rights, ensure prudent groundwater management, stimulate rural economic development and protect wildlife, crops and livestock.

Despite the demands of his ranching and political careers, John gave selflessly of his time, energy and abilities to various organizations that shared his commitment to bettering the State of Arizona. Some of his many professional affiliations include membership on the Yavapai County Planning and Zoning Commission, the Southwest Screwworm Eradication Board and the Triangle Natural Resource Conservation District Board. He also served as President of the Yavapai Cattle Growers’ Association and was a founding member of Project CENTRL (Center for Rural Leadership), which he served as board President for several years.

John was a successful rancher, avid reader, world traveler, talented linguist, respected legislator and loving husband, father, grandfather and friend. He will be remembered as a true "renaissance cowboy."

Dedicated to his family, John will be greatly missed by his wife of almost 48 years, Mary, his children, John Jr., Jane and Rebecca, and his seven grandchildren.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature sincerely regret the passing of the Honorable John Upton Hays and extend their sympathies and condolences to his family and many friends.

Senator Griffin moved that Senate Concurrent Resolution 1007 be unanimously adopted and that the Senate stand in a moment of silence in memory of John Hays. The motion carried.

State of Arizona
Senate Recognition

Pete Garcia passed away on Wednesday, May 3, 2017 at the age of 71. Pete's commitment to service and dedication to the community left a mark on the lives of countless people locally and nationally. Pete served as the CEO of Chicanos Por La Causa (CPLC) for nearly 25 years from 1984 to 2008. Pete was crucial to CPLC's growth and success. Today, CPLC is one of Arizona's largest non-profits, working to empower working-poor families and serving more than 200,000 individuals annually in Arizona, Nevada, and New Mexico.

Pete earned the nickname "Big Dog", for his ability to get things done. He oversaw CPLC's purchase and acquisition of more than 2,400 units of affordable multifamily housing. When he saw that many multifamily developments built with HUD financed insurance or mortgages were being sold, he and his staff worked with underwriters and financial institutions, including Fannie Mae, to preserve the housing by packaging several thousand units together with complex financing.

Pete was a true leader. Having grown up in the Marcos de Niza public-housing neighborhood in south-central Phoenix, he recognized the importance of education and an empowered community to help better the lives of the residents CPLC served.

After retiring from CPLC, Pete founded the Victoria Foundation in 2008. Named after his mother, the Victoria Foundation provides small grants for education programs, affordable housing, economic-development projects and arts and culture activities.

He was a man of faith and believed in the importance of reflection. Pete's selfless commitment to the community will profoundly impact the lives of countless individuals for generations to come. Arizona is a far better place because of Pete Garcia.

He is survived by his wife, Sarah Garcia and three children, Hilario, Illana, and David, and by the community whose lives he has enriched.

THEREFORE, be it proclaimed that we, the Arizona State Senate, do express our gratitude for the life and work of Pete Garcia and share our condolences to his family.

Dated this 8th day of May, 2017

Re: House Bill 2014 (legal tender exchange; tax effect)

Dear Secretary Reagan:

This bill represents the culmination of great efforts by the sponsor, Rep. Finchem, to provide protections important to him and his constituents, while minimizing the costs and risks for this State. As transmitted the bill provides for the tax-neutral treatment of a very limited class of collectibles, using narrowly defined language. Additionally, the bill contains no new administrative mandates, and compared to previous iterations, should be easier to implement.

Sincerely,

/s/Douglas A. Ducey

Re: Senate Bill 1247 (conservation easement; in lieu payments)  

Dear Secretary Reagan:  

Today, I vetoed Senate Bill 1247; conservation easement; in lieu payments. The bill sought to establish a voluntary payment structure in lieu of taxes for property with conservation easements on them, which is an uncertain, and slippery slope for taxation in our state, and a potential threat to the future of the military installations in Arizona.

Re: Senate Bill 1384 (school-sponsored media; student journalists)

Dear Secretary Reagan:

Today, I vetoed Senate Bill 1384.

I am a strong supporter of free speech and a free press. The First Amendment is vital to our American system of democracy, and I have a record of supporting legislation to protect these constitutional rights and opposing those that erode them.

I also believe student journalists play an important role, in part because they are the next generation of journalists who will hold our government and leaders accountable.

I worry, however, that this bill could create unintended consequences, especially on high school campuses where adult supervision and mentoring is most important.

SENATE RULES

RULE 1
Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among
the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at
Arms.

B. There shall be such other employees as may be authorized by the Senate. The
appointment, terms and conditions of employment, compensation, discipline, and
discharge of employees of the Senate shall be determined by the President, subject to
the approval of the Senate. Employees of the Senate are prohibited from lobbying during
the term of their employment, and a violation of this rule will be sufficient cause for the
summary discharge of the offending employees.

RULE 2
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour
to which the Senate, at its last sitting, adjourned; immediately call the members to order
and on the appearance of a quorum, cause the Journal of the proceedings of the last day's
sitting to be read.

B. The President shall have control of the Senate Chamber, including seating
assignments of members therein, all other parts of the Senate wing and all other areas
and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and
subpoenas issued by the order of the Senate, and decide all questions of order, subject
to an appeal by any member, on which appeal no member shall speak more than once,
unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be
disposed.

F. When a question is undebatable or when debate on a question is closed, the
President shall state the question, calling first for the “Ayes” and then for the “Noes.”
If the President is in doubt, or a division is called for, the Senate shall divide; those in
the affirmative of the question shall first rise from their seats, and then those in the
negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered
at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President
shall vote last.

H. The President shall have the right to name any member as President Pro
Tempore to serve at the president's request, which appointment may extend throughout
the session unless terminated by the Senate. The President may appoint any other
member as temporary President Pro Tempore to serve for a limited period of time. In
the absence or omission of such an appointment, the Senate shall proceed to elect a
President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees
unless otherwise ordered by the Senate by a majority of the members present, and shall
appoint the chairman and vice-chairman of each such committee. The President shall
be an ex-officio member of all committees, but shall not vote or sign reports from any
committee except the committees of which the President is chairman. However, if the
President is an appointed member of the Rules Committee, the President shall be a
voting member of that committee. The President shall fill all vacancies on committees.
J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

**RULE 3**

The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

**RULE 4**

Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.
B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

RULE 5
Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

B. No Senator shall voluntarily be absent from the service of the Senate without leave of the President.

RULE 6
Questions of Privilege

Questions of privilege shall be: First, Privilege of the Senate, which relates to the privilege and rights of the Senate collectively, its organization, safety, dignity, comfort and the integrity of its proceedings; second, Personal Privilege, which relates to the rights, reputation and conduct of the members individually in their representative capacity only; third, Personal Privilege which relates to matters personal to the members which may be received only by permission of the Senate or the Presiding Officer. Questions of privilege shall have precedence over all other questions, except motions to adjourn or recess, or the call of the Senate when no quorum is present.

RULE 7
Committees

A. Standing Committees of the Senate shall consist of the following:

1. Appropriations
2. Commerce and Public Safety
3. Education
4. Finance
5. Government
6. Health and Human Services
7. Judiciary
8. Natural Resources, Energy and Water
9. Rules
10. Transportation and Technology

B. Committees of the Senate except the Rules Committee shall have the following powers and duties:

1. The first Senator named on a committee shall be the chairman thereof; the second shall be the vice-chairman. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.
3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee’s report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this
subsection shall be heard prior to Saturday of the week in which the ninetieth day from
the beginning of each regular session falls. No committee except the Rules Committee
shall hear a bill in violation of this paragraph without the written permission of the
President.

12. All bills, memorials or resolutions referred to a standing committee shall be
reported. Bills, memorials or resolutions which the committee has considered but on
which no action has been taken and bills, memorials and resolutions which the
committee has not considered shall be reported as such by the chairman of each standing
committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in
subsection B of this rule except those powers and duties inconsistent with this
subsection.

2. On the first day following the convening of the first regular session of each
Legislature, the President shall appoint the members of the Committee on Rules, and
the said committee shall henceforth have authority to present proposed changes or
additions to the rules which upon adoption by the Senate shall be deemed standing rules
of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the
Committee of the Whole. All other legislative matters shall be in order before the Rules
Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an
attachment to the Rules Committee report and shall refer to the appropriate page and
line of the original or engrossed bill or of another amendment if the amendment is
proposed as an amendment to another proposed committee amendment. Substantive
amendments may be proposed by the Rules Committee only with the concurrence of the
sponsor of a bill if sponsored by an individual or the committee chairman if sponsored
by a committee. Corrective or technical amendments may be proposed. A proposed
technical or corrective amendment which incidentally affects the substance of a bill or
amendment shall require concurrence of the sponsor. No amendment to strike
everything after the enacting clause and insert new material shall be offered in the Rules
Committee.

5. The Committee on Rules shall consider the bill and proposed amendments
thereto for constitutionality and proper form and the reasonable germaneness of any
amendments. A bill including any amendments shall be presumed to contain one subject
if:

(a) The resulting bill has one general purpose and all other matters contained
therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the
provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision
relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment
and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in
the Senate Rules, the Rules Committee shall have such other powers and duties over
legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call
of the subcommittee chairman without written notice, providing, however, that such
meeting shall be announced on the floor of the Senate in open session prior to the
meeting. A subcommittee may, without distributing a written agenda, consider any
matter assigned to the subcommittee by the chairman of the standing committee.
RULE 8
Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a “do pass” or “do pass amended” recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.
D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.
E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions “by request” shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.
C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefileing.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed “original” and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed “Committee Copy.” Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2” x 11” shall be used.

K. Amendments shall have uniform headings and shall read “amendments to” and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read “lines . . . . through . . . .” If everything after the enacting clause is stricken the amendment shall read “strike everything after the enacting clause.”
RULE 15

Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1

Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call," "roll call vote" or "recorded vote," such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.
RULE 16
Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at a time certain as determined by the President, receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

C. The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17
Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.
F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

RULE 18
Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19
Journals

A. The proceedings of the Senate and of the Committee of the Whole shall be briefly and accurately stated in the Journal. Titles of all bills, resolutions and measures, and such parts as shall be affected by proposed amendments, readings, references, reports and every vote, motion and roll call, and a brief statement of the contents of each petition, memorial or paper presented to the Senate shall be entered on the Journal.

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting
confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member’s desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, “Will the Senate advise and consent to this nomination?” which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22
Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.

2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.

3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23
Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.
B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

2. Senate Rules.

5. Senate customs and usages.

RULE 25
Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.
B. For the purpose of addressing the membership of the Senate while in session, the
President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.

3. Ambassadors of or to the United States, and all present United States Senators
   and Congressmen.

All other dignitaries may be introduced from the gallery or may be granted speaking time
other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive
session or the Senate or President shall order the galleries cleared, be open to the public,
subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly
accredited representatives of the press holding nontransferable cards issued by the
President of the Senate and revocable at the discretion of the President of the Senate.
Any press representative desiring admission to the press gallery shall make application
to the President of the Senate for a pass, and shall accompany the application with a
statement of facts of the representative's press connections, and with a request by the
newspaper or news gathering organization with which the representative is connected,
for such pass. Not more than one such representative at a time shall occupy a seat in
the press gallery if such seat is desired by the representative of any other accredited
newspaper or news gathering organization.

RULE 26

writing to the chairman of the committee, stating the bill the person desires to present
arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file
with the committee having under consideration the bill or legislation regarding which
the permit has been issued, written or printed briefs, statements or arguments. If so
notified by the committee through its chairman, the person may appear before the
committee in open public hearing and present arguments and testimony at the pleasure
of the committee. Chairmen of committees shall, on request, give information regarding
the holding of public hearings, and the time and place of the same, and committees may
hold such public hearings as they desire.

RULE 27
Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later
than Saturday of the week in which the one hundredth day from the beginning of each
regular session falls. The President may by declaration authorize the extension of the
session for a period of not to exceed seven additional days. Thereafter the session can
be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the
General Capital Outlay bill and the University Capital Outlay bill may be considered in
a special session which shall be called only for those purposes.

RULE 28

of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members
present.

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:
   (a) The total gross annual income value of the contract is less than one thousand dollars, or
   (b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or
   (c) The contract has been awarded through public and competitive bidding pursuant to law, or
   (d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to “have an interest in the profits of a contract” if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. “Public agency” means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. “Business” includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. “Gift” includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. “Fee” includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.
RULE 30
Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. “An action in the discharge of his official duties” means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31
Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.
