STATE OF THE STATE ADDRESS
GOVERNOR DOUG DUCEY
January 13, 2020

Speaker Bowers, President Fann, House Leaders Petersen and Fernandez, Senate Leaders Gray and Bradley, Chief Justice Brutinel, Members of the Legislature and Judiciary, my fellow Arizonans — thank you so much for the warm welcome. It's great to be back.

Allow me to start with a question. Show of hands: who here today in this chamber, was born somewhere other than the state of Arizona?

As you can see — there's a lot of us. I'll always be a kid from Toledo. And we have folks here today from all over the country, and all over the world.

It's uniquely Arizona. We choose to move here, live here, make this home — and we're not alone. As we stand here today, more than 70 percent of our adult citizens were born somewhere else. So were some of our greatest state icons. Leaders, like Secretary of the Air Force Barbara Barrett. Trailblazers, like Raul Castro. Legends, like Jerry Colangelo. Quiet Saints like Bill Bidwill. Giants, like Sandra Day O' Connor. And heroes, like John McCain and Pat Tillman.

The newcomers keep coming. Last year we punched through 7 million people, and left Massachusetts in the dust. 120,000 people are moving here a year. That's more than 300 a day. By the time I finish this speech, 14 new Arizona residents will have arrived.

I think it's fair to say that I speak for all of us — the native Arizonans and the newcomers — when I say: We love it here.

It's for good reason. Ladies and gentlemen, I'm proud to report: the state of our state is strong. And the best part is, it's only getting better.

Look at all that's happening around us. Our crime rate is dropping, and school test scores are rising. Our credit rating is up, and our debt is way down. Household incomes have hit a record high, and our poverty rate has dropped faster than any other state in the nation.

As we enter a new decade, things look a lot different than when we entered the last one.

Today, Arizona's economy is more diverse. We have more manufacturing jobs than construction jobs — and we're top 10 in transportation, science, technology, and health care.

Our national reputation has never been better, our relationship with Mexico has never been stronger, and with the new USMCA, we've paved the way for an even stronger trade relationship with our valued neighbors to the south.

We got here by doing things our way, The Arizona Way. And I'm here to tell you: You ain't seen nothing yet.

Here, common sense still rules the day. Other states, and D.C. politicians, might be focused on growing government -- Arizona grows opportunity. Our population is surging, but the size of our government is actually shrinking — all while providing faster, more efficient customer service to taxpayers and citizens.

In Arizona, we believe in maximizing freedom and limiting government. We believe government should do fewer things, but do the things it does well. Let's continue hacking away at the permanent bureaucracy and the “mother may I” state.

The people don't need the government's permission -- the government needs the people's permission.

We believe in the freedom to work. On Arizona's 50th birthday, someone wisely predicted: “Arizona will continue to be the haven for people who seek an outlet for initiative and a reward for work.” That was Barry Goldwater in 1962.

In that spirit, we passed Universal Recognition of Occupational Licensing, allowing anyone in America to bring their skills to Arizona and get to work.

Up in the governor's office, our phones have been ringing off the hook. Red states, blue states — all wanting to replicate what Arizona has done. Representative Petersen — How's that for “model legislation?”

Fact is, if imitation really is the sincerest form of flattery — then Arizona should be blushing. We were the first state in the nation to pass the American Civics Act. 34 others have followed suit. Only 15 more to go.

Our unanimous work on opioids was the most aggressive and comprehensive policy in the nation, and prompted other states and the federal government, to take notice and take action.

And way back in 2016, we protected Free Speech on our college campuses. When it takes Texas three years to catch up, you know we're doing something right.

Here you can brew beer, churn ice cream, and make an honest living. Now, all we need is Uber and Lyft back at Sky Harbor.

We launched the “Happy Babies” program to let new parents bring their infants to work. And how do we know it's a great idea? Because in California, it got vetoed.

JOURNAL OF THE SENATE
January 13, 2020

We fired the lobbyists, freed the blow-dryers, and along the way, we even managed to legalize potlucks.

Cutting red tape? We were doing it before it was cool.

But the most surprising news: not everyone is mimicking us. Places like California, Illinois, Washington State, Connecticut, and New York — they're taking the opposite approach.

Higher taxes. More regulations. Wasteful spending. Mountains of debt. That's the wrong way. We'll stick to the Arizona Way.

While those states are crushing people and businesses with burdensome regulations and unnecessary laws, their residents are flocking to Arizona.

Here, we're not just open for business — we're open for opportunity — for everyone. As a result, we're now the number one inbound state in America.

Our economy is roaring: 350,000 new jobs since 2015. It's reflected in our bursting general fund and growing revenues.

But for those of you who don't know me that well yet -- spoiler alert: We're not going on a spending spree.

But old habits die hard for the spending lobby. There's a chorus of special interests and lobbyists scheming, plotting and clamoring for new and higher taxes. They don't seem to understand the reasons our new residents are coming here. It isn't to import those bad out-of-state policies — it's to escape them. So let me reiterate what I've said in five prior state of the state speeches, and two inaugural addresses — because apparently it bears repeating -- no new taxes; not this session, not next session; not here in this chamber, not at the ballot box, not on my watch.

We're running a billion-dollar surplus, and somehow that still isn't enough? Give us a break. Even better — give the hard-working taxpayers a break. And let's start with the ones who've sacrificed the most.

We are blessed to have more than 600,000 veterans in our state. One of the largest populations of veterans in the country. From World War II to Post-9/11. Our Greatest Generation to our newest generation. These brave men and women are heroes, to whom we as citizens owe a debt of gratitude for all the freedoms we enjoy each and every day.

I'd like to ask all the veterans in the chamber today to please rise, so we can recognize and honor your service.

Yours is a public service in a league of its own. As President Lincoln said of our veterans "The world will little note, nor long remember what we say here, but it can never forget what they did here."

To say these individuals are Great Americans is an understatement.

Once retired, our vets continue to give back.

We can never repay them, but we can at least do our part to demonstrate our appreciation.

Our vets have already earned their benefits. Put their lives on the line. The government shouldn't be taxing their service to country, it should be honoring their service to country. Our budget does this, by eliminating all state income taxes on our veterans' military pensions once and for all.

We have a goal: To make Arizona home base for veterans everywhere in the country. These women and men make our state stronger. To all our veterans, everywhere, from California to New York State, Arizona wants you. All of you. You've put our country first; now with this budget, Arizona will put you first.

Eliminating taxes for our veterans is one way, but not the only way, we can honor our heroes. We're connecting veterans to jobs. And we're working toward the opening of two new veterans' homes.

The battlefield isn't the only place where our service members' lives are at risk. Once they come home, they face new challenges, with suicide rates three times higher among Arizona veterans.

Our Department of Veterans Services, under the direction of Colonel Wanda Wright, is a national leader in addressing veteran suicide.

Through the BeConnected program, veterans are connecting with one another for support and behavioral health services. But more needs to be done, for all Arizonans struggling with this growing crisis.

It's now the 8th leading cause of death in our state. This is a national problem. One needing Arizona solutions. Last year, Dr. Cara Christ -- leader of the Department of Health Services -- convened a group of stakeholders and mental health experts to develop a plan to combat suicide and save lives.

When it comes to our kids: in the iPhone era, they face a world dramatically different than the one we grew up in. Modern technology. Social Media. Loneliness. Vaping. We need solutions that focus on the whole child, promoting personal resilience, leveraging our community and a supportive environment.

Let's start by increasing access to mental health care. We're working with Senator Kate Brophy McGee and Representative Jeff Weninger on a long overdue reform. Insurance companies should be covering mental health, just like they cover an annual physical. And we're going to make sure they do.

I've called on you to get rid of old laws. Today I'm leading by example. Moments ago, I rescinded 23 old executive orders, resulting in the elimination of 18 boards and commissions we just don't need. Don't worry, I'm not going to go through the list—you won't miss them.

We've been on a blitz to wipe out needless regulations. 2,289. Gone. That's the equivalent of a \$134 million tax cut without impacting the general fund one penny. But we're not done yet.

I've issued a new Executive Order, with a new reform: If the government ever deems a new regulation absolutely necessary, it must first identify three others to eliminate. The result: New regulations will naturally mean less regulations. Overall, we're doing more with less. Our hardworking state employees are rooting out waste. They've consolidated, and even eliminated, entire state agencies. And they've reduced the state fleet by 767 vehicles, saving taxpayers \$31 million.

Other areas of government could follow their lead.

There are hundreds of unelected boards and commissions that exist in a dark corner of state government — often escaping accountability and scrutiny.

We've sought to chip away at the deep-rooted cronyism. But there's still too many insiders and industry good ol' boys. It's time to clean this up. Senator Michelle Ugenti-Rita has a bill that puts real people -- unbiased people -- on these boards. Let's pass it.

Last year, during budget discussions, Senate Democratic Leader David Bradley alerted us to something new: boards stock-piling cash and sitting on bank accounts of millions in reserves—all while continuing to burden real people with fees. It's time for that to end. Let's freeze the fees and free the people.

Plumbers, barbers, nurses, and engineers — no one should ever have to buy their freedom back from government, least of all, the women and men who served our country.

You heard me say I want Arizona to be the national leader for veterans. Well, Representative Joanne Osborne's got the bill. For our heroes and military spouses — polish your resumes.

JOURNAL OF THE SENATE
January 13, 2020

We're getting rid of your fees.

We're also going to target more resources toward our trade programs with an eye toward Achieve60AZ. At our community colleges: a full restoration of STEM and workforce development funding. In our public schools: more dollars to CTE trade programs that train students in the high-demand careers of the future. These are worthy and responsible investments, so with money in the bank, let's make them.

We prioritize fiscal responsibility. We've learned from the mistakes of the past. This building? We now own the deed. We're sitting on our highest credit rating -- ever. Treasurer Yee, how about that Permanent Land Endowment Trust Fund? \$6.2 billion, the largest in history. And last year, instead of going on a sugar high and spending through our surplus, we brought our Rainy Day Fund to a record-breaking \$1 billion.

That allows us to return dollars back to the hard-working taxpayers, and make smart, targeted investments.

Like new roads and bridges. We've fully and permanently restored transportation dollars for our rural communities. The widening of I-17. State Route 189 in Nogales. U.S. 95 in Yuma. Last week, I called on the federal government to fund the Tonto Basin Bridge. And we cut the ribbon on the newly completed Loop 202 into the West Valley.

It's progress, and next on the list: I-10. The Phoenix-Tucson corridor is an economic artery for our state and it needs expanding. It's time to accelerate completion of I-10's widening, in both directions, between our two largest cities. Our budget puts the pedal to the metal, with the construction of a new six-lane bridge over the Gila River. This replaces a 56-year-old bridge. 62,000 people drive over it every day. That's 23 million a year. So let's breakground ASAP.

We need to connect all parts of our growing state. Rural areas still lack high-speed Internet. Let's triple our investment in Rural Broadband Grants, and also invest \$50 million in Smart Highway Corridors to install broadband along our rural interstates. This will make our highways safer and smarter than ever before and pave the way to get all of rural Arizona logged on.

All throughout our priorities you'll see a focus on rural Arizona.

Because there are 15 counties and news flash: there are needs outside the "great state of Maricopa."

Nearly 20 years ago, Arizona voters passed the Tribal-State Gaming Compact. It's been a net positive for all Arizonans. These compacts begin expiring within the next few years. For months, we've been working to develop a modern, updated agreement. One that is regulated, safe and limited. And that preserves the culture of our state.

I'd like to thank all tribal leaders who have been hard at work on these negotiations. It's been a give and take; and a worthwhile agreement is THIS close. We owe it to our tribes and our citizens to get it done.

Last year we came together and passed the Drought Contingency Plan. It was the most significant water policy in 40 years. We will continue to protect Lake Mead, the Colorado River, groundwater, and our ag jobs.

But we shouldn't be dealing with this issue one generation at a time. We need a strategic ongoing effort to turn Arizona into the international capital for water innovation. Look at all that Israel has accomplished. Why not Arizona? We've been a leader on water, and with this approach, we will be an even stronger leader far into the future.

There's no shortage of new jobs in Arizona — but many vital jobs remain unfilled in our rural communities. So we've got a plan -- a Rural Jobs Initiative.

First, tourism and state parks. There's no place more beautiful to vacation than scenic Arizona. And with an infusion of new dollars, we're going to work with Tourism Director Debbie Johnson to ensure the whole world knows it.

Next, workforce. Small business is the backbone of our economy. So we're launching a partnership with Local First Arizona to strengthen small businesses, get rural Arizonans back to work, and bolster our local economies.

Our community colleges are creating a pipeline of talent. So we're expanding these efforts, with a \$4 million investment in our rural colleges. There are currently over 2,000 manufacturing jobs available outside of Maricopa and Pima Counties -- let's get these jobs filled and attract even more.

ASU, UofA and NAU have also stepped up to fuel our economy, and we're about to pour on the gas. Regents Chair, Dr. Larry Penley, has proposed what he calls "The New Economy Initiative." It's an innovative approach that enhances our capacity to graduate more students for the critical jobs of today and tomorrow.

It's just the latest effort by our universities to solve problems, and do it The Arizona Way. Like working to address the national teacher shortage.

Through the Arizona Teachers Academy we made a commitment to our aspiring teachers -- you stay and teach in Arizona, and we'll cover your college tuition.

The effort is paying off. Enrollment in the Teachers Academy has skyrocketed, with 2,170 students now participating. We're proud to have some of the students and graduates of our Teachers Academy here today. Ladies and gentlemen, will you join me in welcoming these new Arizona teachers.

This year, we intend to build on our momentum with reforms sponsored by Senator Paul Boyer, allowing even more students to go through the Academy. Students seeking degrees in math and science. Teachers specializing in educating blind children. Arizona's future depends on these educators. Let's provide them with access so they can get to the front of the classroom -- debt free.

There's still work to do to address the teacher shortage, but a recent study by the Center for American Progress is encouraging. Arizona has experienced the second-highest growth in new teachers enrolling in teacher preparation programs. We're actually one of only five states out of 50 seeing an increase in enrollment. And this is news we can all celebrate, because the state of our state can only be strong with strong public schools.

Here are the facts:

- Over the past five years, we've increased per-student spending more quickly and consistently than at any time in the past 20 years.
- Today Arizona is one of only a few states in the nation demonstrating academic improvements over the last decade.
- We provided funding to get schools built faster and on-time to meet the growing demand.
- And most importantly — by the start of the new school year, teacher pay will be up 20 percent.

In total, we've pumped \$4.5 billion in new investments into Arizona schools. With our latest budget, that figure will rise to \$6.6 billion. And we've done all of this, without raising taxes.

In addition, an even larger investment in school counselors, cops on campus, and school safety. A stronger focus on CTE and the trades. More money for the Arizona Teachers Academy, and Teach for America. And a full, complete and accelerated restoration of flexible funding-- two years ahead of schedule.

Speaker Bowers, President Fann — when you're ready to vote, I'm ready to sign.

There's still more we can do to help children in our state who are facing the biggest challenges.

JOURNAL OF THE SENATE
January 13, 2020

The late, great John McCain called education, “the civil rights issue of the 21st century.” And he was right.

As he put it: “What is the advantage in a low-income area of sending a child to a failing school and that being their only choice?” In that spirit, we’ve worked hard to create more choice and opportunities for kids and their parents. Open enrollment. Public charter schools. Education savings accounts. And in Arizona, much of this work has been bipartisan.

We’re celebrating 25 years of public charter schools in our state. Another Arizona idea, that’s been a model for the country. And today, we are honored to have the two trailblazers who led this bipartisan innovation — one Republican, one Democrat. They’re back in the chamber today. Former Superintendent Lisa Graham Keegan, and former State Senator Armando Ruiz.

This is truly something that makes Arizona unique -- it’s the Arizona Way. Here, kids are not trapped in failing schools. And despite what you hear from some folks on the national campaign trail, school choice isn’t about charter schools versus private schools versus district schools. It’s about kids and families.

When we debate these issues at the capitol, it’s easy to forget the fact that real people, and real kids, are impacted by these policies. Kids like Adonis Watt.

At age 5, Adonis was diagnosed with a rare form of congenital glaucoma and, as a result, went blind. And while he may have lost his sight, he did not lose his drive.

Today, at age 15, Adonis is a hero of many. A superhero to be exact. His passion is an inspiration to fellow students at Brophy Prep, and to everyone who sees him score a touchdown at a Friday night game. And now, his story is being shared across the world, through Marvel Comics’ first braille comic book: The Unstoppable Adonis.

He’s here today with his mom, Veronica, as guests of Angela and I, and he is unstoppable... please welcome Arizona’s own superhero, Adonis Watt.

Faced with the expense of braille textbooks and specialized education needs, Veronica chose to pursue Adonis’s education using an ESA.

He’s just one example of how school choice has helped so many families, and empowered so many Arizona children. Children of women and men in uniform. Children with special needs. And our Native American population.

Like every other Arizona parent Savannah James is dedicated to ensuring her child, Bethany, receives a quality education. She selected a school near their home on the Navajo Nation.

For years, Hilltop school served Bethany well. Imagine their surprise when they received a letter from the heavy hand of government declaring the school was out of bounds, and demanding repayment of funds from their education savings account.

This is an example of government losing sight of the people it’s supposed to serve. Savannah and Bethany are here today, and we have a message for them: We won’t stand for it. Help is on the way.

When it comes to what’s next, we plan to focus our resources on the places it can make the most difference: Targeting the achievement gap in low-income schools.

We’ve reduced waitlists and expanded and replicated success. In Maryvale, a new Vista College Prep is evidence. More than 90 percent of their students qualify for free and reduced lunch. The school is a recipient of the prestigious National Blue Ribbon award for closing the achievement gap.

This is what equal opportunity in education looks like; this is what we need more of in the state of Arizona.

Results-based funding has been one way to reward and replicate success in our best public schools. It’s working. Let’s expand it and continue to recognize the achievements and needs of high-poverty schools, where educators are doing amazing things to beat the odds.

We're also going to fully fund the cost for low-income students to take advanced placement tests, so just like every other kid, they can earn college credits in high school.

And we have a proven model to scale success in our most struggling schools.

Avondale Elementary School District serves more than 5,000 west valley students. Nearly 70 percent of them residing in low-income areas.

In 2015, Superintendent Betsy Hargrove didn't like what she saw on the report card.

So she rolled up her sleeves to turn things around.

And did she deliver. By 2018, through a targeted strategy, the district had double-digit growth in math and English -- triple the average growth rate of other Arizona schools. Same deal in Deer Valley and Wickenburg. Superintendents Betsy Hargrove, Curtis Finch, and Howard Carlson are here today. Please join me in congratulating these school leaders.

With these proven results and outcomes, we intend to invest more, and transform more Arizona schools.

The idea is straightforward. Help struggling schools with tools, resources and expertise to produce better results for students. We call it "Project Rocket." We're working with Representative Michelle Udall to make it a reality. We owe it to the kids in these schools. They're waiting. Let's not let them down.

We will continue to lead as the state that prioritizes our nation's founders and their founding principles. We are called to participate as citizens, not spectators, and that responsibility demands knowledge and action.

Today, only one in four Americans can name all three branches of government. Seventy percent don't know that the Constitution is the supreme law of the land. In Arizona, we've taken steps to ensure the next generation is equipped to inherit our Republic.

Already, our high school students must pass the citizenship test before graduation. I'm proposing we expect more, start them even earlier, and give our middle schoolers the chance to complete this exam. Because there is more to learn.

As Margaret Thatcher said, "European nations were made by history. The United States was made by philosophy. Unique among all nations, the United States knows precisely when and exactly why it was founded."

We are blessed to have one Arizonan who's the ideal of this aspirational creed. Her life is a living civics lesson-- and Arizona is fortunate to be home to the Institute that bears her name. I'm talking about Justice Sandra Day O'Connor. Who better to hold as a model for the next generation? That's why I'm calling for a day when classroom instruction can be dedicated entirely to civics: Sandra Day O'Connor Civics Celebration Day.

It's not enough to just teach the values of our founding principles; we must demonstrate them in our daily lives. Around the country, free speech and other constitutional rights guaranteed to the people are being assaulted or abandoned for safe spaces and trigger warnings. Some people would rather silence speech than hear an opposing view. Have they read our constitution? Do they know why America was founded? Thankfully, we have three university presidents, Presidents Crow, Robbins and Cheng, who ensure Arizona's campuses are models for the rest of the country. Where the marketplace of ideas is alive and well — and where diversity of thought and discourse are given room to grow — the Arizona Way.

The safety of our citizens. It's what keeps me up at night.

As you'll see in our balanced budget, we'll continue to put a focus on our Border Strike Force to combat the influx of dangerous drugs and crime at our border. New surveillance cameras along highways in Southern Arizona, and upgraded, state-of-the-art radio systems for law enforcement.

JOURNAL OF THE SENATE
January 13, 2020

In Arizona, we are fortunate to have so many brave women and men protecting us 24/7 -- our National Guard and Active Duty military personnel, our first responders, firefighters, and our cops.

They brave challenges on-duty and off, with courage and dignity.

In December, Phoenix Fire Chief, Kara Kalkbrenner, shared the news she was diagnosed with breast cancer. With the same strength she confronts the most blazing of fires, she took the diagnosis head-on. We are so grateful to have her here with us today. Thank you Chief, we're with you!

These women and men run into danger, to protect us.

We saw it recently. One of our own state Troopers. Brutally attacked in Tempe; fighting for his life after what seemed like a routine stop. By the grace of God, Trooper Hugh Grant is with us today. He's a hero. Thank you, Trooper Grant.

Incidents like these are reminders of the dangers our law enforcement face every day. These are the good guys, and we should do everything in our power to protect them. That's why our budget includes funding to finally put body cameras on every state Trooper.

This is an idea backed by law enforcement and clear research. So let's make it happen.

There's no doubt about it, public safety is the most important thing we do. In correctional facilities across the state, we've led to provide second chances to those serving their time, setting up job training workshops and partnering with employers.

Since 2017, more than 3,900 of our fellow Arizonans have completed Second Chance programs, equipping them with the tools and skills to make a better life. More than 2,400 had a job upon release, with hundreds more in programs now. We know these programs work. This year, we are doubling down on this successful model, to give more individuals their opportunity at a better choice and a better life.

The new Director, David Shinn, is a former Marine turned public servant. He's dedicated his life to this noble cause, and he's building on these efforts to transform our corrections system. And change how we think and speak.

So, going forward, the Department will take on a new moniker. One that more clearly reflects the agency's mission: "The Department of Corrections, Rehabilitation, and Reentry."

We've provided more opportunities and we've decreased the amount of people returning to prison and helped many find meaningful work.

There's another marker we are going to meet this year. We're shutting down a state prison. It will enhance safety at our remaining facilities and save taxpayers \$274 million over the next three years.

And for the rest of our facilities, let's make sure they're staffed and secure for our correctional officers and inmates alike. That's why my budget will fix the locks and provide additional pay raises for our correctional officers — on top of last year's raises. All in the name of public safety.

If anyone needed a reminder, that here in Arizona, we respect the rule of law: last fall the voters of Tucson demonstrated that loud and clear.

There, in our state's second largest city, a troubling proposal to defy federal law was soundly and overwhelmingly rejected by Democrats and Republicans alike. It wasn't even close. And now it's time for all Arizonans to make their voices heard, and enshrine it in our Constitution. T.J. Shope has the ballot referral. This November, let's give all Arizona voters the opportunity to say YES to the rule of law and NO to sanctuary cities.

Over at the Department of Child Safety, our dedicated caseworkers have led an unrivaled turnaround. Safely reducing the number of children in out-of-home care by 4,565 kids. They've reduced the average time to place a child in a foster home from a work week to same-day. It's a national model for how to help our kids. For the second year in a row, our budget includes additional dollars to reward the selfless public servants responsible for the turnaround with a well-deserved raise.

And if you want to shut down more prisons and reduce the homelessness rate, there's no better place to start than putting our children in loving homes. Too many of our youth who age out of foster care without being adopted will experience homelessness. It's tragic, and government can't solve this problem alone.

We need the faith-based community, our churches, pastors, priests, non-profits, and families to play a part as well. And to get more of these children into permanent loving homes, I'm proposing a \$19 million investment in funding new adoptions. Our goal: keep brothers and sisters together, and help children with disabilities. We will also be doubling the grandma stipend, to provide needed resources to keep families together.

If you need an example of someone to look to, someone who has fought for children her entire life, you don't have to look far. Arizona is blessed to be home to an international leader in the fight against human trafficking. Her efforts have shed a light around the world on this dark practice, and she does it with a humility and grace that is every bit as Arizona as she is. We have her with us today.

Ladies and gentleman, join me in recognizing, Cindy McCain.

For those of us who have called Arizona home for decades, we know what makes our state truly special.

We see it every day.

For those who got here just yesterday, welcome to the crackling energy of booming Arizona. We're glad to have you.

Here we do things a little differently.
Here we believe in opportunity for all.

We believe in solving the problems of today, so future generations won't have to.

We believe in the free market, the free exchange of ideas and the freedom to make your own way.

We believe in life and the potential of every child, along with the dignity of every individual. We believe when we put others first—and work together—we can make a difference.

Just this past Friday, the four leaders of these chambers—Democrat and Republican—sat together on the same stage, for a civil, thoughtful and honest discussion about the session in front of us. I enjoyed listening, and I learned a lot.

And I couldn't help but think: Can you imagine this ever happening in Washington, DC?

It's called statesmanship.

Let's follow the example set by Karen Fann, David Bradley, Rusty Bowers and Charlene Fernandez. Let's demonstrate we can get things done. That the campaign can wait. That we can govern, and that we can do it together.

It's how we do things here. It's the Arizona Way. Let's get to work.

Thank you and God Bless.

PERSONAL PRIVILEGE

Senator Quezada requested that without objection, his remarks of more than 200 words relating to Reframing Justice Day in Arizona be entered in the Journal. Hearing no objection, the remarks were inserted as follows:

REFRAMING JUSTICE DAY

We as a nation and state uphold our shared values of forgiveness and redemption and a belief in the possibility that people can change for the better.

One key purpose of our criminal justice system is to reform and rehabilitate individuals, thereby reducing recidivism and crime.

The state of Arizona currently has the fifth highest incarceration rate in the nation, thereby affecting thousands of families, absorbing 11% of the state general fund and delivering an unacceptably high recidivism rate.

Since 2000, the prison population has gone up nearly 60%, almost twice as fast as the resident population.

Arizona's prison sentences are significantly longer than those in other states, particularly for nonviolent and drug-related crimes.

State leaders, including Governor Doug Ducey, legislative leaders and others, have affirmed a need for Arizona to address recidivism reduction and criminal justice reform and have signaled an openness to legislative proposals to achieve these goals.

In considering changes to existing policies, we welcome the voices of those who have been directly impacted by our state's criminal justice policies, including formerly incarcerated people and crime victims as well as their families. These individuals have an important perspective to share with lawmakers regarding the larger impacts of criminal justice policies and deserve to be heard.

(We/I) recognize January 21, 2020 as Reframing Justice Day in Arizona.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1030

Senate Concurrent Resolution 1030 was introduced and read in full by Senator Carter as follows:

A Concurrent Resolution proclaiming February 7, 2020 as Wear Red Day in Arizona.

Whereas, cardiovascular diseases are the number one killer of women in the United States; and

Whereas, cardiovascular diseases kill one woman almost every 80 seconds in the United States; and

Whereas, nearly eighty percent of cardiovascular diseases may be preventable; and

Whereas, many risk factors for heart disease, such as blood pressure, smoking and high cholesterol levels, can be controlled; and

Whereas, women are encouraged to commit to making physical activity and healthy eating a priority to improve their health; and

Whereas, the American Heart Association's Go Red for Women movement motivates women to learn their family history and to meet with a health care provider to determine their risk for cardiovascular disease and stroke; and

JOURNAL OF THE SENATE
Thursday, February 6, 2020

Whereas, Go Red for Women encourages women to take charge of their heart health by knowing their total cholesterol, HDL (good) cholesterol, blood pressure, blood sugar and body mass index; and

Whereas, events such as National Wear Red Day are vitally important in the ongoing fight against heart disease and stroke through their efforts to increase awareness and speak out about heart disease and to empower women to reduce their risk for cardiovascular disease.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature proclaim February 7, 2020 as Wear Red Day in Arizona and encourage all citizens to show their support for women and the fight against heart disease by wearing the color red on this day.

Senator Carter moved that Senate Concurrent Resolution 1030 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1030 was signed in open session and transmitted to the House.

INTRODUCTION AND FIRST READING OF BILLS
 UNANIMOUS ADOPTION OF SENATE RESOLUTION 1002

Senate Resolution 1002 was introduced and read in full by Senator Mendez as follows:

A Resolution recognizing the scientific community for its contributions to the state of Arizona.

Whereas, the State of Arizona has a rich history of scientific discovery and excellence that is sustained today by a new generation of scientists and engineers; and

Whereas, early Arizonan scientists made major breakthroughs, from Clyde Tombaugh's discovery of Pluto to A.E. Douglass's pioneering in the field of dendrochronology, the science of counting tree rings, which has contributed directly to forest fire management practices; and

Whereas, this legacy is continued by the nearly 100,000 scientists and engineers working in the State of Arizona as of 2017, as determined by the United States Department of Labor, Bureau of Labor Statistics; and

Whereas, these scientists continue to make major contributions that support the health and well-being of Arizona's citizens through biomedical and clinical research; and

Whereas, these scientists explore and protect Arizona's history through their work in the field of archaeology; and

Whereas, Arizona's scientists and engineers make the state safer through infrastructure research and construction; and

Whereas, Arizona's scientific community fuels economic growth through innovation; and

Whereas, these scientists promote a culture of excellence that draws opportunities to Arizona, including the addition of over 4,000 technology-sector jobs in 2017; and

Whereas, Arizona's scientific community is actively innovating to solve the state's most pressing scientific issue of water conservation to support the health of Arizona's citizens and economy; and

Whereas, all scientific work done in the state directly and indirectly benefits the citizenry of Arizona; and

Whereas, a strong relationship between Arizona's scientists and this state improves life for all Arizonans.

Therefore

Be it resolved by the Senate of the State of Arizona:

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1024

Senate Concurrent Resolution 1024 was introduced and read in full by Senator Navarrete as follows:

A Concurrent Resolution supporting refugees in the state of Arizona.

Whereas, on December 6, 2019, Governor Doug Ducey consented to resettling refugees in Arizona pursuant to the terms of Executive Order No. 13888, entitled "On Enhancing State and Local Involvement in Resettlement," issued by President Donald Trump on September 26, 2019; and

Whereas, refugees arriving in the United States have been vetted and approved by the appropriate national security agencies and the United States Department of State and have been granted legal entry to make a new home in the land of the free; and

Whereas, in keeping with our country's values and respect for human rights, there has been a long bipartisan tradition of welcoming refugees to the United States; and

Whereas, the economic and social strength of America and Arizona derives in large part from the diversity of our citizenry and the patriotic energy of those who have fled from war and terror over the centuries to come to a new home that welcomed them as a beacon of liberty; and

JOURNAL OF THE SENATE
Monday, February 10, 2020

Whereas, having resettled more than 80,000 individuals from dozens of countries since 1978, Arizona already hosts a diverse community of refugees who represent many different religions, cultures and languages; and

Whereas, refugees contribute enormously to Arizona's economy in various ways as members of the state's workforce, as homeowners, as business owners and entrepreneurs, by paying taxes, as consumers in the nation's marketplace and by revitalizing struggling local Arizona communities; and

Whereas, there are 25.9 million refugees in the world today, more than at any other time since World War II, and more than half of these refugees are children; and

Whereas, refugees do not leave their homes by choice but have been forced to flee because of a "well-founded fear of persecution for reasons of race, religion, nationality, political opinion or membership in a particular social group"; and

Whereas, current policies have reduced admissions quotas pursuant to the United States Bipartisan Refugee Resettlement Program to a historic low number of 18,000 refugee admissions in 2019, compared to the typical average of 95,000 annually; and

Whereas, we must continue to support a stronger national effort to resettle the world's most vulnerable refugees so that our state and nation can benefit from their entrepreneurial energy as our newest and most grateful residents.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature welcome and declare their support for resettling refugees who are placed in Arizona through the federal Refugee Resettlement Program.

Senator Navarrete moved that Senate Concurrent Resolution 1024 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1024 was signed in open session. The Secretary recorded the action and transmitted the Resolution to the House.

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE RESOLUTION 1001

Senate Resolution 1001 was introduced and read in full by Senator Gray as follows:

A Resolution proclaiming February 13, 2020 as Small Business day in Arizona.

Whereas, 99.4 percent of all businesses in Arizona are small businesses, according to the United States Small Business Administration's Office of Advocacy; and

Whereas, small businesses employed one million Arizonans and created 43,792 new jobs; and

Whereas, the number of small business exporters has climbed to 6,462; and

Whereas, small businesses pay 30 percent more for regulatory compliance and three times more for tax compliance than big businesses; and

Whereas, 85 percent of small businesses are organized as pass-through entities, meaning personal, not corporate, tax rates matter more to them; and

Whereas, the National Federation of Independent Business (NFIB), now in its 76th year, is the nation's largest small-business association and, according to the Phoenix Business Journal, the largest business advocacy group in Arizona; and

Whereas, NFIB was named the top-performing association for achieving policy goals in three categories - coalition building, grassroots efforts and being an industry reputation steward - in APCO Worldwide's 2019 TradeMarks study; and

Whereas, NFIB's monthly Small Business Optimism Index has been recording record 46-year highs in small business hiring, employee compensation and plans to expand; and

Whereas, NFIB's Small Business Day draws entrepreneurs from all around Arizona for the opportunity to hear directly from, and talk directly to, the elected officials and the governmental agency executives who make and shape the laws they must live by.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate proclaim February 13, 2020 as Small Business Day in Arizona.

Senator Gray moved that Senate Resolution 1001 be unanimously adopted. The motion carried.

Senate Resolution 1001 was signed in open session. The Secretary recorded the action and transmitted the Resolution to the Secretary of State.

PERSONAL PRIVILEGE

Senator Mendez asked for a point of Personal Privilege and requested without objection, his remarks of more than 200 words be entered into the Journal.

Since the beginning of session, I requested to be scheduled on Monday, February 24, to exercise my right to open this body with a secular invocation. The Secular Coalition for Arizona hosted its annual Secular Day at the Capitol, and supporters came from Tucson, Kingman, and all over the state to hear my invocation.

After weeks of repeated requests to schedule my prayer, and uncertain answers from the President's Office, I finally received word that I was on the schedule. Imagine my surprise when, not for the first time, a secular prayer was snubbed and replaced with an explicitly Christian one at the last moment. As the Supreme Court ruled in *Town of Greece*, public bodies that open with prayer cannot exclude atheists.

While I have remained respectful of the prayers that have been before this body, it has been my experience in my eight sessions in the legislature that members seem willing to go to great lengths to exclude voices different from their own, making me feel my secular beliefs are not welcome.

JOURNAL OF THE SENATE
Thursday, February 27, 2020

173

Given this long pattern of retaliatory exclusion and disproportionate representation of Christianity in legislative prayers, I protest the discriminatory treatment of religious minorities at the Capitol.

UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1015

Senate Concurrent Resolution 1015 was introduced and read in full by Senator Alston as follows:

A Concurrent Resolution recognizing March 3, 2020 as World Hearing Day in the State of Arizona.

Whereas, hearing plays a critical role in communication and personal relationships, overall health outcomes, psychological well-being and safety; and

Whereas, hearing loss, which is typically irreversible, has been tied to cognitive decline, dementia, falls, depression and isolation, and hearing loss can be a symptom of an underlying medical condition such as infection, tumor, otosclerosis and Meniere's disease; and

Whereas, a study conducted by the Better Hearing Institute concluded that untreated hearing loss has significant income ramifications, including negatively impacting household income in the United States by up to \$12,000 annually and costing \$122 billion in lost earnings; and

Whereas, noise-induced hearing loss is a preventable and significant, though often unrecognized, health problem among American adults and is a growing problem with adolescents due to overamplification of personal listening devices; and

Whereas, according to the National Institute on Deafness and Other Communication Disorders (NIDCD), more than 37 million American adults, or 15%, report some trouble hearing, and about 28.2 million adults in the United States could benefit from using hearing aids; and

Whereas, according to the NIDCD, fewer than 30% of adults aged 70 and older with hearing loss and 16% of adults aged 20 to 69 with hearing loss who could benefit from hearing aids have ever used them; and

Whereas, the Hearing Healthcare Providers of Arizona, a chapter of the International Hearing Society, is composed of hearing health care professionals, including hearing aid dispensers and audiologists, who are trained and who specialize in identifying and assessing hearing loss, rehabilitating through the use of hearing aids and related devices, and counseling; and

Whereas, World Hearing Day, founded by the World Health Organization, is observed annually on March 3rd to raise awareness about how to prevent deafness and hearing loss and to promote ear and hearing care around the world; and

JOURNAL OF THE SENATE
Tuesday, March 3, 2020

Whereas, World Hearing Day provides an opportunity to focus on preventing hearing loss and promoting access to necessary rehabilitation services and communications tools for individuals with hearing loss.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature proclaim March 3, 2020 as World Hearing Day in the State of Arizona and encourage the citizens of Arizona to protect their hearing and seek the services of licensed hearing health care professionals for regular hearing checks.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1025

Senate Concurrent Resolution 1025 was introduced and read in full as follows:

A Concurrent Resolution supporting a closer trade partnership between the United States and Taiwan and supporting Taiwan's participation in international organizations.

Whereas, the trade in goods and services between the United States and the Republic of China (Taiwan) totaled an estimated \$94.5 billion in 2018. With \$40.3 billion in exports and \$54.2 billion in imports, Taiwan is the eleventh largest trading partner with the United States, supporting more than 373,000 jobs in the United States; and

Whereas, Taiwan was Arizona's twelfth largest export market in 2018, reaching \$505 million in exports to Taiwan originating from Arizona. In total, 5,895 jobs in Arizona are supported by Taiwanese-affiliated companies and the exports of goods and services to Taiwan; and

Whereas, the signing of a bilateral trade agreement between the United States and Taiwan would foster a more open and fair trade environment and create greater export and investment opportunities between markets, stimulating mutual economic growth and significantly increasing jobs for both countries; and

Whereas, Arizona has maintained a strong economic and cultural relationship with Taiwan since establishing sister-state relations in 1980, and the Arizona Legislature has passed resolutions supporting the U.S.-Taiwan Free Trade Agreement and the Bilateral Investment Agreement; and

Whereas, on March 16, 2018, the President of the United States signed into law the Taiwan Travel Act, which allows officials at all levels of the federal government to travel to Taiwan to meet their Taiwanese counterparts and allows high-level Taiwanese officials to enter the United States under conditions that demonstrate appropriate respect to such officials; and

Whereas, on March 28, 2019, the Arizona Legislature passed a resolution supporting a future official visit to Taiwan by the Governor of Arizona at his discretion; and

Whereas, on July 12, 2013, the President of the United States signed into Law H.R. 1151, an act supporting Taiwan's participation as an observer in the International Civil Aviation Organization (ICAO). On March 18, 2016, the President of the United States signed into Law S. 2426, an act directing the United States Secretary of State to develop a strategy to obtain observer status for Taiwan in the International Criminal Police Organization (INTERPOL); and

Whereas, the Arizona Legislature passed resolutions supporting Taiwan's participation in international organizations, including INTERPOL, and in United Nations-specialized agencies such as the World Health Organization, the ICAO and the United Nations Framework Convention on Climate Change in 2012, 2014, 2016, 2017, 2018 and 2019, respectively.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature support the negotiation of a United States-Taiwan bilateral trade agreement and Taiwan's meaningful participation in international organizations.

2. That the Members of the Legislature acknowledge 40 years of achievements made by the United States and Taiwan in the fields of economy, trade, technology, education and culture since the establishment of their sister-state relations and encourage continued bilateral cooperation and exchanges between the two countries in the future, including the reestablishment of the trade office of Arizona in Taiwan and the signing of the memorandum of understanding on economic cooperation and trade relations between Arizona and Taiwan.

3. That the Members of the Legislature support a future official visit to Taiwan by the Governor of Arizona at his discretion.

4. That the Secretary of State of the State of Arizona transmit copies of this Resolution to the Governor of the State of Arizona, the President of the United States, the United States Secretary of State, the United States Trade Representative and each Member of Congress from the State of Arizona.

Senator Leach moved that Senate Concurrent Resolution 1025 be unanimously adopted. The motion carried.

*Senator Brophy McGee offered the following explanation of her vote on Senate Bill 1693 having requested, without objection, her remarks be inserted in the Journal.

I am voting yes on this bill because I believe that the Language in the bill relating to school employee compensation do not violate Art. 9, Sec. 7 of the Constitution, otherwise known as the gift clause, recognizing that in addition to providing benefit to students these provisions will result in a greater retention of school employees, the value of which is critical to our public education system. There is great public value in ensuring that our school system is able to remain functional and return to normal operation quickly when life in the state returns to normal. I ask that the portion of my comments that I submit to the Secretary in writing be entered into the journal pursuant to Senate Rule 19 (C).

March 28, 2020

The Honorable Katie Hobbs
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Re: Senate Bill 1692 general appropriations act; 2020-2021

Dear Secretary Hobbs:

Today, as we work together as a state to fight COVID-19, I signed a series of bills that comprise the Fiscal Year 2021 budget.

This is not the budget we envisioned in January. But our world has changed. We are facing the realities of a public health emergency, and our priorities and our decisions have had to adjust accordingly.

I commend legislative leaders of both parties, and all the Republican and Democratic members who shaped and passed this package, for coming together, putting politics aside, and showing real leadership. It's reflective of what we are seeing all across our state – Arizonans uniting to slow the spread of COVID-19 and save lives.

Proactively, addressing this disease remains our top focus, and this bipartisan budget reflects that. It adds critical new resources for Arizonans who have had their lives turned upside down due to this disease.

In addition to addressing this disease from a public health standpoint, our work on the economic front will be ongoing. Everyday Arizonans and small and medium-sized businesses all across our state are struggling. People who have never asked for anything from the government have lost their jobs and lost their incomes, and they need our help. It's our responsibility as public servants to answer that call, and I know we will.

Our job isn't done with this package of budget bills. There will certainly be more work to do and many tough decisions ahead of us as we better understand the full impact of this crisis on our citizens and economy. But Arizona is once again showing what it means to come together and put the good of our citizens before partisanship or politics.

I have every confidence that we will get through this challenge, and we will be even stronger once we do.

Sincerely,

/s/ Douglas A. Ducey
Governor
State of Arizona

PERSONAL PRIVILEGE

Senator Ugenti-Rita asked for a point of Personal Privilege and requested that without objection, her remarks of more than 200 words relating to the Governor's Declaration of Emergency be entered into the Journal:

Thank you, Madam President, I rise for a point of personal privilege.

Thank you so much for the time. Members, I would like to articulate my reasoning for pursuing the Concurrent Resolution to terminate the Emergency Declaration.

It was my desire to have an open and transparent conversation about the conditions that necessitated the initial Declaration of Emergency, and if those conditions still exist today. Requiring its further continuation.

The Concurrent Resolution is the only mechanism available to the Legislature to affect the Declaration, and it is important to remember that the Declaration has no expiration date. I was unable to secure the necessary permission to introduce it. So sadly, that conversation cannot take place. However, I would like to take this opportunity to highlight some of the justifications to terminate the Declaration that were included in the Resolution. There is many in there, but I will just say a couple of them that I think are the most important.

DES has received 500,000 claims for unemployment insurance. Municipal economic development authorities estimate twenty-five percent of small businesses will not return. Prolonged isolation contributes to increases in substance abuse, domestic violence, child abuse, and I believe to add insult to injury, the Declaration subjects Arizonians to criminal sanctions for violating this stay at home order. Further, U.S. Attorney General William Barr, stated on April 27th, 2020, "If a state or local ordinance crosses the line for an appropriate exercise of authority to stop the spread of COVID-19 to an overbearing infringement on constitutional and statutory protections, the Department of Justice may have an obligation to address that overreach in federal court". Pursuant to the Arizona Constitution, Article II, Section 13, "No law shall be enacted granting to any citizen, class of citizens, or corporation other than a municipal, privileges or immunities which, upon the same terms, shall not equally belong to all citizens or corporations".

I bring this up today members, because I have spent hours and hours and hours on the phone, on email, on text communicating with my constituents about how they feel. And they do not believe that the current situation warrants this Declaration. They want their freedoms back, they want their jobs back, and they want their lives back. Doing this and discussing this today isn't my preference, but we've been put in this situation and there's not a lot of recourse for the Legislature. This is a very limited recourse that we do have, and I wanted to make my comments known. So, Madam President, without objection, I request that my remarks of more than two hundred words be submitted into the journal, thank you.

SUPPLEMENT

Resignation letter from Senator Sylvia Allen:

November 9, 2020

Senator Karen Fann, President
Arizona State Senate
1700 W. Washington Street
Phoenix, Arizona 85007

Dear President Fann,

This letter will serve as my official resignation from the Arizona Legislature and from the office of Arizona State Senator for Legislative District 6 effective December 31, 2020. I have chosen the date of resignation so that, as I retire from public service, my EORP and Medicare/Medicaid benefits will take effect on January 1, 2021.

It has been an honor to serve the citizens of northern and northeastern Arizona during my years in the Senate. I have served with a number of dedicated elected officials, many of whom I count as friends. I appreciate so much the help and support I have received from these colleagues as I have learned and grown as a State Senator. I would like to especially thank the dedicated staff who have assisted me throughout my legislative career.

I send the entire Legislature my best wishes for a productive session working for the people of Arizona.

Sincerely,

/s/ Senator Sylvia Allen

SENATE RULES

RULE 1 Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2 The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes". If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President shall vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve at the President's request, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

RULE 5 Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

Questions of privilege shall have precedence over all other questions, except motions to adjourn or recess, or the call of the Senate when no quorum is present.

A. Standing Committees of the Senate shall consist of the following:

1. Appropriations
2. Commerce
3. Education
4. Finance
5. Government

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

RULE 8
Calendars

- A. There shall be the following calendars of business reported from committees:
1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.
 2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.
 3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.
 4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.
 5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9

When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.
- B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.
- C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.
- D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10 Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11 Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12 Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13 Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14 Bills, Resolutions, Memorials, Engrossed Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second

regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy". Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

RULE 15 Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1 Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16 Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at a time certain as determined by the President, receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

B. The order of business shall be as follows:

Roll Call
 Reading of the Journal
 Business on the President's Desk
 Petitions, Memorials, and Remonstrances
 Orders of the Day
 Introduction and First Reading of Bills
 Reference of Bills
 Second Reading of Bills
 Reports of Standing Committees
 Reports of Select Committees
 Committee of the Whole
 Report of the Committee of the Whole
 Third Reading of Bills
 Other Business of the Senate

C. The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17 Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.

2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

RULE 18

Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19

Journals

A. The proceedings of the Senate and of the Committee of the Whole shall be briefly and accurately stated in the Journal. Titles of all bills, resolutions and measures, and such parts as shall be affected by proposed amendments, readings, references, reports and every vote, motion and roll call, and a brief statement of the contents of each petition, memorial or paper presented to the Senate shall be entered on the Journal.

B. All confidential legislative and executive proceedings and the proceedings when sitting as a Court of Impeachment, shall be recorded in a separate book.

C. The protest or remarks of any Senator and reasons therefor shall be entered on the Journal, if presented in writing, but no protest or remarks shall exceed two hundred words in length without the consent of the Senate.

RULE 20

Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21 Messages

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22 Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23 Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

RULE 24 Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.
6. General parliamentary law.

RULE 25 Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

RULE 26

Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

RULE 27

Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

RULE 28

Amendment of Rules; Suspension of Rules

A. The Senate Rules may be amended upon vote of the majority of the members of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members present.

RULE 29

Code of Ethics

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

(a) The total gross annual income value of the contract is less than one thousand dollars, or

(b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or

(c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to “have an interest in the profits of a contract” if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. “Public agency” means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. “Business” includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. “Gift” includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. “Fee” includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

RULE 30 Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31 Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters, including those permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening party caucuses.
