INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1005

Senate Concurrent Resolution 1005 was introduced and read in full by President Petersen as follows:

A Concurrent Resolution on the death of the Honorable Sandra Day O'Connor.

Former Arizona State Senator and United States Supreme Court Justice Sandra Day O'Connor passed away on December 1, 2023 in Phoenix, Arizona, at the age of 93.

From simple beginnings in Arizona's ranching country to historic service in the Arizona State Senate and as the first female justice on the United States Supreme Court, Justice O'Connor earned her rightful place in the history of this state and nation. She was born in 1930 in El Paso, Texas, and spent her early years in Arizona on the remote Lazy B Ranch founded by her grandfather in the 1880s, where she displayed a penchant for hard work. When she reached school age, she lived with her grandmother and attended school in El Paso during the school year and continued to spend summers working on the ranch.

After graduation from high school, Justice O'Connor earned both undergraduate and law degrees from Stanford University. She graduated third in her law school class of 102 students in 1952, yet experienced firsthand the reluctance of law firms to hire women as attorneys when her only job offer was that of a legal secretary. Justice O'Connor declined the secretarial position and instead embarked on a career in public service as a deputy county attorney in California. She realized early on her enjoyment of public service and she continued in that realm almost exclusively for the remainder of her career.

Even when Justice O'Connor became a full-time mother to her three sons, she was active in numerous worthwhile volunteer endeavors, including writing questions for the Arizona bar exam, helping to establish the Arizona bar's lawyer referral service, serving as a member of state and local commissions and committees and volunteering with the Arizona State Hospital and the Salvation Army. She continued her public service in 1965 when she was hired as an assistant Arizona attorney general. In 1969, she was appointed to the Arizona State Senate and went on to be elected to the Senate in 1970 and 1972. She was selected by her peers to serve as Majority Leader of the Arizona State Senate in 1972, becoming the first woman to serve as majority leader in a state legislature.

Justice O'Connor's judicial career began in 1974 when she was elected as a judge on the Maricopa County Superior Court, and she was appointed to the Arizona Court of Appeals in 1979. Justice O'Connor made history in 1981 when President Ronald Reagan appointed her to the United States Supreme Court.

As the Court's 102nd justice, Justice O'Connor displayed a solid understanding of separation of powers and federalism that had its roots in her service in all branches of government. Throughout nearly twenty-five years on the Supreme Court, Justice O'Connor served with distinction and sought to interpret the Constitution with careful and restrained reasoning. She established herself as a principled and independent thinker and demonstrated diligence and integrity in all her efforts.

In 2006, Justice O'Connor retired from the Supreme Court, in part to care for her ailing husband. Yet she remained active for years in such worthwhile endeavors as the Iraq Study Group, the American Bar Association's Central European and Eurasian Law Initiative, and she served on the boards of the Smithsonian National Museum of Natural History, the National Constitution Center and the William H. Rehnquist Center. Justice O'Connor founded iCivics in 2009, a web-based nonprofit that provides educational games to middle school students to teach about the three branches of government and the relationship between the federal government and the states. She was awarded the Presidential Medal of Freedom that same year in recognition of her lifetime accomplishments.

Justice O'Connor distinguished herself as an outstanding Arizonan and American, and it is with gratitude that we honor her tremendous record of service to our state and nation. She will be greatly missed by her family, her many friends and her peers and colleagues around the country.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express their deepest sympathies at the passing of Justice Sandra Day O'Connor and extend their condolences to her surviving family members.

Senator Alston moved that Senate Concurrent Resolution 1005 be unanimously adopted and that the Senate stand in a moment of silence in memory of United States Supreme Court Justice Sandra Day O'Connor. The motion carried.

Senate Concurrent Resolution 1005 was signed in open session. The Secretary recorded the action and transmitted the Resolution to the House.

President Petersen introduced United States Supreme Court Justice O'Connor's son, Scott O'Connor.

RECESS

At 12:52 p.m. the President announced that without objection, the Senate would stand at recess subject to the sound of the gavel to hear remarks by Mr. Scott O'Connor, United States Supreme Court Justice Sandra Day O'Connor's son.

JOINT SESSION OF THE
SENATE AND HOUSE OF REPRESENTATIVES
FIFTY-SIXTH LEGISLATURE
SECOND REGULAR SESSION

The Senate and House of Representatives assembled in Joint Session at 2:04 p.m. in the House Chamber.

The Speaker of the House, Ben Toma, called the Joint Session of the Legislature to order.

The Joint Organization Committee escorted the Governor of Arizona, the Honorable Katie Hobbs, into the House Chamber. The Governor was introduced by the Speaker of the House.

STATE OF THE STATE ADDRESS
GOVERNOR KATIE HOBBS
January 8, 2024

Speaker Toma, President Petersen, members of the House and Senate, Attorney General Mayes, Secretary Fontes, Treasurer Yee, Superintendent Horne, State Mine Inspector Marsh, Corporation Commissioners, Chief Justice Brutinel and members of the judiciary, tribal leaders, Governor Brewer and honored guests, and all Arizonans:

It is my honor to stand before you today at the opening of the second regular session of the 56th Legislature, here on land that will always be connected to the O'Odham (Awe-awe-thumb) and the Piipaash of today's Salt River Pima-Maricopa Indian Community and of the Gila River Indian Community.

What a year it has been.

We have worked together, debated each other, pushed one another, and – most importantly – put aside our differences when it mattered most to do what's right for Arizona and the people who call it home.

Now, I think we can all agree it certainly hasn't been easy. But, our constituents didn't send us here to the Capitol to solve easy problems or take the easy way out.

They are relying on us to ensure Arizona's economy works for middle-class families ...

that we are taking action on securing the border where the federal government has so clearly failed ...

that we continue creating good-paying jobs for working-class Arizonans ...

that we help lower costs on everyday items ...

that our water future is secure ...

that our schools are safe and places of opportunity ...

that healthcare is accessible for those who need it and when they need it ...

and that our rights and freedoms are protected ...

As a born-and-raised Arizonan, a social worker, a mom, and the sister of two public school teachers, these are the reasons I wake up every day to fight on behalf of Arizona.

As we embark on this new year – one that will be filled with highs and lows, tough choices and compromise – it is my sincere hope we never lose sight of why our fellow Arizonans bestowed on us the honor of representing them and why we must always strive for progress and for a better tomorrow.

With that, I am proud to share with you the progress we have made in the past year on many of these key issues. And, just as importantly, I look forward to outlining the work before us in the months ahead.

The foundation of what we do as elected officials here in this Capitol is rooted in keeping Arizona families safe.

That's why we cannot go forward without first addressing Washington's ongoing failure to secure our southern border – a failure decades in the making under both Democratic and Republican administrations.

When my fellow Arizonans gave me the honor of this office, I pledged to not play the same old political games that created this crisis and that have continually hurt communities, families, and our state.

No one understands the misguided efforts of the past more than our neighbors, sheriffs, small business owners, and local law enforcement near the border who work every day to offer solutions where the federal government has failed.

One needs to look no further than the decision to close the Lukeville port of entry, which did nothing to actually solve our immigration crisis but did hurt businesses and families. My administration worked tirelessly to reverse this short-sighted action by the federal government and took extraordinary steps – including sending the National Guard to the border – to bring security and common sense to this situation.

Day in and day out, I hear from leaders on the border who need support because they are stepping up where the federal government can't, or won't. This year, they asked for boots on the ground, improved communications systems, resources to combat human trafficking, and the latest technologies to keep communities on both sides of the border safe. And I delivered. By refusing to waste money on cheap political stunts, we awarded over eighty-four million dollars to help border communities manage the massive influx in migrants.

But we must do more.

That's why I launched Operation SECURE, creating a Border Coordination Office within the Arizona Department of Homeland Security. This session, I'm seeking ongoing funding to better coordinate our border response and continue fighting this humanitarian, economic, and enforcement crisis.

This new funding will expand the Operation with critical investments in border security, as well as resources to intercept the flow of fentanyl. Every Arizonan should know we are taking significant and meaningful steps to keep them safe — even when the federal government refuses to. These investments will strengthen law enforcement efforts, raise awareness through an education campaign, and expand harm reduction and treatment services, particularly in rural areas.

Together, let us continue to find real solutions, support law enforcement, first responders, and community leaders who are on the frontlines of this issue, and push Washington to do its job to secure our border.

Just as I will continue to hold the federal government accountable for their responsibilities, we must also fulfill our fiscal duty to this state. We face an approximately eight hundred and fifty million dollar shortfall between this fiscal year and the next.

And make no mistake, it will take all of us working together to solve this gap without harming Arizonans.

To all those who call this state home, let me share this message: we will not shirk our responsibilities and we will not kick the can down the road for our children and the next generation to solve. And we will not cut spending on vital services.

To those in this chamber today, the people of Arizona are counting on us – and we will not let them down. Let us find common ground, focus on real solutions, and strengthen our state's balance sheet.

You will see the details on how I plan to address this gap when my budget is released later this week. We will rein in wasteful spending without sacrificing public safety and public education. We will establish guardrails on unaccountable programs without hurting hard-working families.

JOURNAL OF THE SENATE
Monday, January 8, 2024

And we will tighten our collective belts through increased efficiencies and innovation without gutting programs that support small businesses, seniors, and those in need.

I look forward to working with leadership and members from both sides of the aisle in the months ahead to get the job done.

Despite our budget issues, we have much to be proud of in our amazing state. Nowhere is it more apparent that the State of Our State is ascending than in the unprecedented strength of Arizona's job market and the record investment in our economy.

Let us celebrate that today, more Arizonans are employed than at any point in our state's history.

This milestone is a testament to the hard work and commitment of our entrepreneurs and innovators, our community colleges, universities, tradespeople, and of so many who recognize the promise of Arizona.

Just as impressively, our state has attracted thirty-two billion dollars in foreign investment – more than California, Texas, or any other state in the nation. That thirty-two billion dollars means jobs, jobs, and more jobs for working people in Arizona.

We created over fifty-six thousand jobs in 2023. And we're just getting started.

Arizona leads the way in attracting the high-tech and advanced manufacturing businesses that are building our nation's future.

I'm proud to say these achievements were possible because of partnerships between the public and private sectors. We should applaud the chambers of commerce and economic development groups across the state, and most particularly, the Arizona Commerce Authority, for their tireless efforts to attract new, high-quality jobs – jobs that can be life-changing for families and transformational for communities. With this continued success, there's no question we must pass continuation of the Arizona Commerce Authority.

As I said, we're just getting started, so now is not the time to rest.

It is critical that all of us continue to work together – just as we did when a bipartisan coalition of House and Senate members came together to pass both last year's budget and put a Prop 400 extension on the ballot.

Rather than letting partisan politics prevail, we stood together, helped ensure the continued success of our state, and enabled more Arizona families to prosper. That's the power of finding common ground and doing what's best for the people of this state.

And, make no mistake, I will always put the people of Arizona first. That's why I have taken action to ensure our strengthening economy provides opportunities for any Arizonan who wants to succeed.

With our investments in Future48 workforce accelerators, we will prepare thousands of Arizonans every year for jobs building our nation's future in industries like semiconductors, renewable energy, and aerospace and defense.

And my Build It AZ Apprenticeship Initiative aims to double the number of apprentices in construction and the trades to meet the needs of our 21st century economy.

It's these programs, along with a strong higher education system and access to child care, that will ensure more Arizonans have the ability to get a good job that supports themselves and their families.

We will continue this success by building the infrastructure, and deploying the technology needed to expand high-speed internet to every community across our state with the nearly one billion dollars Arizona will receive.

Monday, January 8, 2024

High-speed internet is crucial for businesses, healthcare, and education, particularly for our rural and tribal communities who are on the frontlines of our rapidly changing economy. We must build fast, reliable, and affordable broadband access for every Arizonan no matter where they live.

As you can see, our state's economy is strong and its opportunities are abundant. However, we cannot ignore the fact that for Arizonans across all age, color, and geographical boundaries, our housing affordability crisis has erased feelings of prosperity for too many.

I have personally felt the fear and uncertainty of not knowing how you're going to make your next mortgage payment. That's why I will always fight just as hard for your family as I fought for mine – and I will never stop working to find solutions to the housing affordability crisis.

This past year, I worked with many here at the Legislature to find new and effective ways to address this issue. We directed one hundred and fifty million dollars to keep more Arizonans housed through rental assistance programs; allocated money to provide access to legal aid for up to one million more Arizonans who are facing eviction or housing instability; and made a historic investment to create more housing that's actually affordable for middle-class families.

Further, we accelerated the awarding of low-income housing tax credits that enabled the Arizona Department of Housing to maximize the building of affordable housing across this state. This particular effort directly led to fifteen new affordable developments, half of which are in rural communities – building more than one thousand housing units for working-class families who need them.

These actions should only be the first of many we take to help ensure longtime residents, young professionals, and middle-class Arizonans are protected from being priced out of the communities and state they love.

I was born and raised in an Arizona where a middle-class family could buy their own home. That should be the reality for the next generation, too – but to make it so we must take action. That's why today I am announcing the Arizona Is Home Mortgage Assistance Program.

This program will help working-class families throughout the state with down payment assistance and mortgage interest rate relief. That means a family of four living in Phoenix making up to seventy-five thousand dollars a year will have the opportunity to purchase a quality, affordable home.

And we will enhance homebuyer assistance for our state's rural communities by providing access to less costly home loans for working-class households.

These are good, tangible steps to creating access to housing at affordable prices – but they alone will not solve the crisis across our state. I look forward to working with any member of this Legislature to find innovative and effective solutions to help Arizonans access the homes they and their loved ones need to thrive.

Of course, to discuss Arizona's future, we must also talk about water – how to protect what we have today, how to navigate the challenges ahead, and how to maximize opportunities when mother nature offers them.

Thanks to the careful planning and bipartisanship of generations of leaders before us, Arizona is at the forefront of water conservation and innovation. Our state uses less water today than in the mid-1950s, even as our population has boomed.

However, just because we have been successful in the past does not mean we can relax about the future. We can reject the doomsayers, but we must always have open and honest conversations about our water resources – not shy away because they can be difficult.

As the first year of my administration has shown, I will take decisive action to protect Arizona's water future. Before this chamber last year, I highlighted a corporation pumping groundwater in La Paz County with essentially no oversight.

JOURNAL OF THE SENATE
Monday, January 8, 2024

After I sent investigators and found they were in violation of their lease, I ended it.

And as of next month, all Butler Valley leases held by this entity will be terminated – protecting water for nearby communities.

I will continue working with everybody – farmers and agricultural interests, urban and rural communities, local and regional entities – to find the solutions we need to ensure our water future is secure for tomorrow and for generations.

There is no better example of this than the agreement I negotiated earlier this year with our neighbors, Nevada and California, to conserve at least three million acre-feet of water – enough for nine million homes – by 2026.

With this historic agreement, we stood up to the federal government's egregious plan to slash Arizona's water and we safeguarded our natural resources.

But this is only a starting point. We have not put the decades-long drought in our rearview mirror yet. We must always strive to do more through expanding public-private partnerships, increasing conservation, exploring new technology, and maintaining a steadfast commitment to strengthening protections where needed.

The bipartisan Water Policy Council I created last year – comprised of water leaders from across the state with a wide range of experience – has embodied this spirit with a series of commonsense recommendations to secure our water future.

For decades, rural Arizonans who have begged, demanded, and fought to protect their groundwater have been ignored. Now, after forty years of waiting, it's time we finally take action and update our groundwater management laws.

That's why we must have the courage to take action where others haven't and empower rural Arizonans to have a say in how their water is used.

And for too long, we have allowed development that skirted our smart and commonsense consumer protections for water availability. We must close the loopholes that allow build-to-rent and wildcat developments.

Our water rules give families and businesses confidence to invest in our state, and we cannot continue to let individuals and corporations exploit these loopholes and rob us of our water future.

We all recognize that our state is growing and we must continue to adapt while maintaining our long-held status as a national leader in water management. Our water standards are the key to our strong economy. I refuse to sacrifice them for unchecked growth. But I will continue in Arizona's bipartisan tradition of growing our economy while protecting our state's most precious resource.

In that vein, I have directed the Arizona Department of Water Resources to finalize a new pathway for water providers and communities who have historically relied on groundwater resources. This new Alternative Designation of Water Resources program will provide an opportunity for these entities to achieve a one hundred-year assured water supply by contributing new water sources and reducing groundwater pumping – which will help ensure our future growth is both smart and sustainable.

Let us remember that water and drought do not care about party registration or job titles or whether you live in an urban or rural community. We can only protect our water supply by working together. I stand ready to work with you to pass legislation that makes the changes we need today – all to safeguard Arizona's water for tomorrow. And to those who have spent years refusing to act: if you don't, I will.

I was born and raised in Arizona, and I chose to raise my family here. My kids attended public schools, and I'm the sister of two public school teachers. I know what having a high-quality public education can mean to millions of Arizonans. But sadly, we too often fall short. We must continue investing in our public schools to ensure Arizona truly is the best place to raise a family.

So, I applaud the bipartisan group of legislators who did the right thing to pass an override to the Aggregate Expenditure Limit, providing certainty that schools would stay open and kids would continue learning. And I stand ready to work with legislators to find a permanent solution going forward.

In addition to the AEL override, we also worked together to find bipartisan solutions to further support our public schools – including a three hundred million dollar infusion for K-12 schools.

Let's build on that success and send an even stronger Prop 123 to the voters, one that will provide our public schools another decade of funding certainty.

Without question, we must give teachers a raise. But we must also hear the Arizonans asking us to do more.

Let's take this opportunity to increase compensation for teachers and the support staff who are all critical for students' success. And let's take the necessary steps to invest in school safety. I look forward to collaborating with you to move these solutions forward.

By working together to strengthen Prop 123, we will prove to Arizona parents and students that we're building the world-class public education system they deserve, and that our state needs for the future. We must not let this opportunity pass us by.

In this upcoming session, we must also address the long-term health of our K-12 schools – which means we must address the lack of accountability and transparency in Arizona's ESA program.

We have seen a steady stream of news coverage around unacceptable and sometimes downright outrageous use of taxpayer money under this program, including water park admissions, ski passes, and luxury car driving lessons.

It is our responsibility as stewards of this state to put in place guardrails to ensure taxpayer dollars dedicated to education are used properly. Without these guardrails, waste, fraud, and abuse take root and thrive.

That's why we must take action to bring transparency and accountability on behalf of Arizona parents and all taxpayers.

We can deliver common sense solutions like ending the luxury spending, keeping our children safe by requiring background checks for educators, and expanding the authority of the Auditor General. Additionally, let's require recipients to have attended a public school for at least one hundred days, a reasonable standard that would save our state a quarter billion dollars.

My message to parents across Arizona, whether your family takes part in this program or not: Now is the time to advocate for accountability and for transparency, not a blank check. If we fail to do so, the current projected price tag of one billion dollars is only the start.

Turning our attention to higher education, our state universities continue to lead the way in innovation, pushing boundaries and helping more Arizona families achieve their dreams.

This can be seen in our AZ Healthy Tomorrow initiative which will produce over twenty-five hundred more healthcare professionals every year.

Working together, we will create a new generation of doctors, nurses, and healthcare professionals, while offering communities across our state badly needed access to healthcare.

We are early in this journey, but we should be proud of our state universities for their steadfast efforts to build a better tomorrow for Arizona.

I am calling on this Legislature to work with me to begin a new engineering-focused medical school at Arizona State University; to double the size of University of Arizona medical schools; and to start a new medical school focused on serving rural and tribal communities at Northern Arizona University.

As someone who had to work my way through college and who wouldn't be here today without the help of scholarships and financial aid, ensuring that higher education is attainable for any Arizonan who wants it is personal to me.

And I know many in this chamber today recognize we have a duty to make higher education as accessible as possible.

We should be proud of the progress we've made in this area through securing significant investments in Tribal colleges, as well as new funding for community colleges in rural Arizona.

However, we must also recognize many of our actions have been one-time investments. We must seize the opportunity as our budget outlook improves in future years to strengthen support for efforts such as scholarship programs for students from low-income households;

programs that provide students the opportunity to earn college credits while still in high school;

and other initiatives that offer students the chance at a better future through education.

Supporting Arizona families also means protecting our loved ones throughout their time on this earth. No doubt there are many wonderful facilities providing high-quality care for our fellow Arizonans. However, I am saddened and infuriated that too many long-term care facilities are failing some of the most vulnerable with devastating effects.

Physical and mental abuse, neglect, exploitation, and poor quality of care have severely hurt, and in some tragic cases, led to the deaths of too many Arizonans.

And what's the penalty in these cases?

A five hundred dollar fine.

This is unconscionable and as leaders in this state, we should be outraged.

We should also be outraged at the separate, but just as infuriating, sober living home scandal that ruined countless lives and cost taxpayers hundreds of millions of dollars.

I'm proud we have taken action to crack down on this fraud and I commend Attorney General Mayes for investigating those who are exploiting some of our most vulnerable residents.

The individuals behind these scandals will be held accountable, but it is also apparent we need to provide additional tools to go after bad actors who take advantage of those in need.

That's why I'm calling on the Legislature to strengthen our state's standards for sober living homes and long-term care facilities, and significantly increase penalties for bad actors.

I'm putting forward a package of bills that will:

- Ensure facilities cannot hide or erase their violation history
- Increase fines
- Standardize inspections
- Empower Adult Protective Services to seek emergency protection orders
- And establish standardized credentials for Alzheimer's, dementia, and memory care.

Protecting Arizonans in long-term care and sober living facilities shouldn't be a partisan issue. Let's work together to support this legislation and continue to seek solutions so we can ensure every resident can live in safety, free from neglect and abuse.

Now, supporting Arizona families also means ensuring our children have access to high-quality healthcare. Unfortunately, federal efforts that raised so many kids out of poverty just a few years ago are phasing out – but the needs and rising costs for parents are just as tough as ever.

No family should have to go bankrupt to care for a sick child. To combat this disturbing trend, we expanded KidsCare eligibility for thousands of Arizona children – enabling them to receive the care they need whether it's routine check-ups or life-saving procedures without forcing their parents into mountains of debt or heartbreaking GoFundMe campaigns.

Let's continue working together to find new and innovative ways to lower the costs of doctor visits, medical exams, and other quality of life measures that will provide relief for Arizona families today.

Another area where we can provide relief and make a huge difference in the lives of Arizona families and seniors is by driving down the price of prescription drugs.

That's why I strongly urge you to support my forthcoming proposal that:

- Stops price-gouging middle men in our healthcare system from overcharging for prescription drugs
- Requires justifications for price increases so Arizonans aren't hit with surprise costs
- And establishes the new Prescription Drug Affordability Division, which will cap prices on commonly used drugs like insulin and prevent outrageous price hikes.

These measures will help every Arizonan and ensure no one ever has to choose between paying for rent or paying for lifesaving medication.

I believe that fighting for Arizona families is the foundation of what we do as elected officials. And I truly believe that fighting for Arizona families means defending every individual's right to make their own reproductive healthcare decisions.

I speak for millions of Arizonans with a clear message: These deeply personal decisions should be made between a woman and her doctor – not politicians and the government.

I will always defend Arizonans' freedoms, and I refuse to back down in the face of those who want to criminalize doctors and outlaw abortion.

That's not happening on my watch.

Instead, there are commonsense bills we can pass right now that will expand access to reproductive healthcare. Arizonans across the political spectrum agree that we should:

- Repeal the 1864 abortion ban once and for all
- Pass the Right to Contraception Act
- And stop government overreach that invades women's privacy by collecting and publishing data on every abortion in Arizona.

As I have said before and will continue to say again and again, reproductive freedom is not a partisan issue. Women deserve to have access to the healthcare we need; we deserve to have our individual rights protected; and we deserve to make the personal decisions we deem best for ourselves and our families.

Now is the time to do what's right.

Now is the time to pass these critical policies.

Now is the time we stand up for Arizona families.

I have used this time today to highlight just a few of our successes from the past year, the incredible strengths of our state, and the steadfast resolve of its people.

And we have started what should always be an honest discussion about the significant issues, choices, and opportunities that stand before us.

PERSONAL PRIVILEGE

Arizona State Senate

**RESOLUTION TO REDUCE DEATH AND INJURY AMONG THOSE LIVING
WITH SERIOUS MENTAL ILLNESS**

WHEREAS, over 63,000 Arizonans are designated as living with serious mental illness ("SMI"), including illnesses such as schizophrenia, bipolar disorder, and major depression,

WHEREAS, individuals living with SMI die, on average, 25 years earlier than individuals in the general population, with death by homicide or suicide being particularly tragic risks,

WHEREAS, the great majority of individuals who are living with SMI and in treatment are more likely to be victims than perpetrators of crime, but untreated mental illness can leave individuals at risk of danger to themselves and other others, including family members,

WHEREAS, individuals living with SMI receive Arizona and/or federally funded services totaling billions annually, yet families, courts, law enforcement, and providers describe lack of sufficient inpatient beds in public hospitals, lack of private hospital beds for longer term stays, and no secure housing residential treatment facilities

WHEREAS, a significant portion of adults in Arizona's jails and prisons are living with SMI, but do not receive appropriate treatment, which results in injury and suicides, as well as recidivism upon release;

WHEREAS, individuals living with SMI wait weeks or months for inpatient treatment beds, a delay that means these individuals are more likely to be incarcerated or to deteriorate clinically and pose a danger to themselves and others.

WHEREAS, a loving husband, father, grandfather, and great-grandfather, Bill is survived by his beloved wife Beverly, 5 daughters, 17 grandchildren, and 1 great-grandchild; and

WHEREAS, Arizona owes Bill a debt of gratitude for his significant personal and economic investment in high-need communities and his relentless determination to improve life opportunities for every student by empowering them and redefining the possibilities in life.

NOW THEREFORE BE IT RESOLVED, that we support implementation of policies and statutes, including proper screening and assessment protocols and accountability from all mental health screening agencies to ensure that individuals living with SMI, including those with co-occurring substance use disorder, are identified as soon as possible and receive appropriate referral for evaluation and treatment in order to preclude discharge of individuals who are or may become a danger to themselves and others;

BE IT FURTHER RESOLVED, that we support a system of care that provides an adequate length of time for stabilization for inpatient and community-based treatment of individuals living with SMI, including an adequate number of public and private inpatient psychiatric beds and secure residential facilities, both staffed by behavioral health professionals with clinical competency to manage individuals with SMI.

BE IT FURTHER RESOLVED, that we support best practices for suicide prevention in jails, prisons and all licensed psychiatric facilities and hospitals and for passage of state laws requiring full disclosure of all injuries and deaths of in-custody or hospitalized individuals living with SMI;

BE IT FURTHER RESOLVED, that we support better coordination between the judicial, legislative and the executive branches of Arizona government and stakeholders to enact policies and statutes that can reduce the risk of death and injury among individuals living with SMI and, also, the risk of these individuals perpetuating violent crimes against others.

MESSAGES FROM THE HOUSE

(January 8, 2024)

House unanimously adopted House Concurrent Resolution 2009

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2009

House Concurrent Resolution 2009 was introduced and read in full by the Reader as follows:

A Concurrent Resolution supporting the nation of Israel in its efforts to defend itself and its citizens from terrorism.

Whereas, Hamas was founded with the stated goal of destroying the Jewish State of Israel, and the United States has designated Hamas as a Foreign Terrorist Organization; and

Whereas, Hamas launched a brutal, unprovoked and highly organized attack on Israel and its citizens on October 7, 2023, during the Jewish holy day of Simchat Torah; and

Whereas, in its attack, Hamas killed more than 1,200 innocent civilians and took hundreds of Israeli, United States and foreign national children, women, elderly individuals and infirm civilians hostage; and

Whereas, in its attack, Hamas has fired thousands of rockets against Israeli population centers in an attempt to kill untold numbers of innocent civilians; and

Whereas, the level of logistical sophistication demonstrated in this Hamas terrorism operation indicates its receipt of support and funding from foreign state sponsors of terror, namely Iran; and

Whereas, Hamas continues to brazenly locate elements of its terrorist infrastructure in civilian population centers using civilians as human shields; and

Whereas, the State of Arizona and Israel share spiritual, economic and social ties and values that bind our societies together. Since 1948, the two countries have enjoyed a cordial and mutually beneficial relationship, which grows stronger with each passing year, and Arizona has established a trade office in Israel; and

Whereas, the State of Arizona stands with Israel's right to defend itself and rescue those who have been captured, kidnapped, or are missing; and

Whereas, the State of Arizona stands with the Israeli people in this time of pain and suffering and mourns for those who have needlessly lost their lives and for those who have lost loved ones; and

Whereas, the State of Arizona condemns all acts of terrorism, which are broadly defined and classified as class 2 felonies under Arizona law; and

Whereas, Jewish communities, including those in Arizona, are facing staggering rises in antisemitism, as defined by the International Holocaust Remembrance Alliance and adopted by the State of Arizona and the United States Department of State, including the contemporary examples of antisemitism.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature reaffirm their support and unwavering commitment to the welfare, security and survival of the Jewish State of Israel.
2. That the Members of the Legislature recognize Israel's right to act decisively and unilaterally in self-defense to protect its citizens.
3. That the Members of the Legislature express their support for Israel's right to pursue without interference or condemnation the elimination of Hamas.
4. That the Members of the Legislature convey their most heartfelt condolences to all Israeli victims as well as their families and communities.
5. That the Members of the Legislature support Arizona's law enforcement community in its efforts to remain vigilant in protecting Israeli Americans, Jewish Americans and all supporters of Israel from acts of crime and unlawful discrimination that tend to manifest in times of turmoil.
6. That the Members of the Legislature support Arizona's officials in the Executive Branch in holding fully accountable any individuals who engage in any acts of terrorism supporting Hamas as prohibited by Arizona Revised Statutes section 13-2308.01 and other state laws.
7. That the Members of the Legislature encourage all other Americans to likewise condemn Hamas, as well as any official body that refuses to recognize Israel's right to act decisively in self-defense to protect its citizens.
8. That the Members of the Legislature support the United States in providing all assistance as may be required to support Israel in its defense against Hamas and all other terrorist organizations.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1008

Senate Concurrent Resolution 1008 was introduced and read in full by Senator Shope as follows:

A Concurrent Resolution recognizing and commending the National Conference of State Legislatures on its fiftieth anniversary in 2025.

Whereas, founded in 1975, the National Conference of State Legislatures (NCSL) has evolved during the past half century to become the premier organization solely dedicated to serving state and territorial legislators and legislative staff; and

Whereas, NCSL was established from the merger of three organizations that served or represented state legislatures and that shared the belief that legislative service is one of democracy's worthiest pursuits; and

Whereas, NCSL is a bipartisan organization with three objectives: to advance the effectiveness, independence and integrity of state legislatures; to foster interstate communication and cooperation; and to ensure states have a strong, cohesive voice in the federal system; and

Whereas, our nation's state legislatures are America's laboratories of democracy and have continually shown that they are the bodies to tackle emerging challenges; and

Whereas, state legislatures are where people from very different backgrounds, representing very different communities, can come together and find common ground; and

Whereas, for nearly fifty years, NCSL has facilitated the exchange of ideas, provided critical research and information and encouraged a rigorous review of complex issues confronting our communities, states and nation, and NCSL strives to strengthen the bonds between America's state legislatures and the international community.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature recognize the National Conference of State Legislatures for nearly fifty years of superb leadership and service and commend its many dedicated employees over the years for their commitment to the legislative institution.

Senator Shope moved that Senate Concurrent Resolution 1008 be unanimously adopted. The motion carried.

A Concurrent Resolution on the death of the Honorable Dr. Geraldine Peten.

The Honorable Dr. Geraldine Peten passed away December 13, 2023, just one day shy of her 76th birthday. She was born to John and Juanita Peten on December 14, 1947 in the city of Durham, North Carolina.

Education was extremely important to Dr. Peten, and she was committed to being a lifelong learner. She earned a Doctorate in Education in Curriculum and Instruction from Northern Arizona University, a Master of Science in Construction Management from Arizona State University, a Master of Arts in Supervision and Administration from Seton Hall University and a Bachelor of Arts in Vocational Education from Montclair State College.

Following years of service as an educational administrator and consultant, Dr. Peten was appointed by the Maricopa County Board of Supervisors in 2017 to represent then Legislative District 4 in the Arizona House of Representatives and was subsequently elected and served until 2021. In this capacity, she served on the Education, Land & Agriculture and the State & International Affairs committees and was the primary sponsor of four bills, including those that implemented a school funding task force and repealed college credit by examination. Dr. Peten gave generously of her time, energy and expertise to various worthwhile endeavors to promote civil rights, equity in education and community service, and she also founded the West Valley NAACP.

Dr. Peten raised her two sons, CJ Harris and Jordan Ashley, in Maplewood, New Jersey and Peoria, Arizona. Her enduring legacy is reflected in the profound love and unwavering dedication she bestowed on her children and 10 grandchildren.

Arizona State Senate

Proclamation

AMERICAN HEART MONTH PROCLAMATION 2024

WHEREAS, more than 350,000 people experience cardiac arrest outside of a hospital each year and only about 1 in 10 survive; and more than 23,000 children under the age of 18 experience cardiac arrest outside of a hospital each year in the United States and almost 40 percent of these are sports related; and

WHEREAS, there are effective solutions to this problem – awareness and education to have cardiac emergency response plans in place, CPR education and automated external defibrillator (AED) training and accessibility, and

WHEREAS, about 70 percent of cardiac arrests that occur outside of a hospital happen at home; and

WHEREAS, CPR, especially if performed immediately, can double or triple a person's chance of survival; and only about 46 percent of people who experience cardiac arrest receive CPR from people nearby while waiting for emergency responders to arrive; and

WHEREAS, knowing how to properly perform CPR has encouraged more people to act when faced with a cardiac emergency and to save more lives from cardiac arrest outside of a hospital, we must increase the number of people who respond to cardiac arrest by calling 911, delivering high-quality CPR and using an AED as soon as it is available; and

WHEREAS, CPR is a lifesaving skill that most people, including children as young as age 9, can learn and

WHEREAS, the American Heart Association has set a goal of doubling the survival from cardiac arrest by 2030 by turning bystanders into lifesavers, so that everyone, everywhere is prepared and empowered to become a vital link in the chain of survival and provide CPR in response to a cardiac emergency; and

WHEREAS, currently 90 percent of people who experience cardiac arrest outside of a hospital die, in part because they do not receive CPR more than half of the time; and CPR, especially if performed immediately, can double or triple a person's chance of survival; and

WHEREAS, in celebration of American Heart Month and the American Heart Association's 100th birthday, we urge every household to join the **Nation of Lifesavers™** and learn CPR.

NOW THEREFORE, I Senator Shope in recognition of the importance of the ongoing fight against heart disease and stroke, and the effort to double the survival rate from cardiac arrest, do hereby proclaim February 2024 to be American Heart Month in Arizona and urge all residents to show their support for the fight against heart disease by commemorating this month as AMERICAN HEART MONTH. By increasing awareness, speaking out about heart disease, and learning CPR, we can save thousands of lives each year.

PERSONAL PRIVILEGE

Senator Shope requested a point of Personal Privilege and read a legislative proclamation as follows:

Arizona State Senate

Legislative Proclamation

Support of the U.S. Department of Commerce Maintaining the Tomato Suspension Agreement to Protect Arizona Businesses Involved in the Importation and Distribution of Fresh Tomatoes Grown in Mexico

WHEREAS, the State of Arizona and its business community have a long history of bilateral trade and cultural ties with Mexico which are deeply intertwined and dependent on trade with our Mexican partners, and

WHEREAS, the Arizona State Legislature recognizes the importance that a strong trade and economic relationship with Mexico positively impacts the strength and health of our economy, and

WHEREAS, the Tomato Suspension Agreement (hereinafter the "Agreement") between the United States Department of Commerce (USDOC) and the over 700 producers/exporters of fresh tomatoes grown in Mexico first became effective on November 1, 1996, with updated agreements signed in 2002, 2008, 2013, and most recently on September 19, 2019, and

WHEREAS, the Agreement has brought stability to the U.S. tomato market for over 25 years, and it has been updated as the market has evolved resulting in a wide selection of fresh tomatoes for U.S. consumers, while complying with U.S. trade laws, and with strong enforcement and monitoring mechanisms in the Agreement, and

WHEREAS, tomatoes are the single largest commodity imported through Nogales, Arizona, with over 1.1 billion pounds imported each year in the state, with an estimated value of close to \$662 million and with Arizona tomatoes having a nationwide economic impact in of \$3.3 billion, and

WHEREAS, should the USDOC proceed with the termination of the Agreement, all U.S. companies importing Mexican tomatoes would be subject to a 20.91% tariff that must be paid for each shipment of tomatoes, resulting in severe economic harm to Arizona businesses, Arizona jobs, and the Arizona economy, and

WHEREAS, high duties would negatively impact consumers by increasing prices on tomatoes at the marketplace while limiting the supply of vine-ripened and specialty tomatoes predominantly imported by Arizona companies, and

JOURNAL OF THE SENATE
Thursday, February 15, 2024

WHEREAS, without the Agreement, the vast majority of produce warehouses in Southern Arizona would see immediate and severe reductions in their business with the threat of closure for many of these companies, and

WHEREAS, the produce industry is the largest private employer in Santa Cruz County, accounting for one-quarter of all jobs in the county, and accounting for 33,000 direct and indirect jobs throughout the U.S., and

WHEREAS, additional unnecessary harm caused to Arizona's local and state economy threatens all citizens of Arizona, hampers Arizona's economic growth, and threatens the Arizona and Mexico trade relationship,

NOW THEREFORE, Be It Resolved That, the Arizona State Legislature strongly urges the USDOC to maintain the 2019 Tomato Suspension Agreement for the benefit of our businesses, residents, workers, and citizens of Arizona and the United States.

Arizona State Senate

Legislative Proclamation

In Honor of Mrs. Berline Williams

WHEREAS, Many people have played an important role in righting wrongs and bringing our nation forward in support for civil rights and support for a high quality education for every child; and

WHEREAS, Tomorrow Tempe resident, retired Army Lieutenant Colonel Arnold Williams, will travel to his hometown, Trenton, New Jersey to celebrate the 80th anniversary of a turning point in the advancement of racial equality; and the contribution of his mother, Mrs. Berline Williams; and

WHEREAS, In 1943 Arnold's mother, **Mrs. Berline Williams**, along with another mother, **Gladys Hedgepeth**, sued the local school board because her son Leon, age 13, and another student, Janet Hedgepeth, 12, were turned away after attempting to enter their local junior high school due to the color of their skin. The school only welcomed white students; Black students were not allowed admission even though admission was based solely on the distance from a student's home. As a result, many Black students would have to endure harsh long travels and walk to and from a school reserved for Black students in all kinds of weather to receive their education.

WHEREAS, After winning this case it was cited by Thurgood Marshall as a precedent against public school segregation in the 1954 landmark U.S. Supreme Court decision *Brown vs. Board of Education*. The Williams-Hedgepeth case effectively ended the practice of school segregation based on race in New Jersey.

WHEREAS, Berline William's mantra was "Do the right thing, do the right thing!", and in 1993 the school was renamed after the two mothers.

WHEREAS, Lt. Col. Arnold Williams, the younger brother to Leon, entered the military as a private in 1966, retired in 1989 after 23 years having served tours in Vietnam, Korea, and Germany. His last assignment was as the Chief of the Pentagon's Defense News Branch during the Reagan administration. While in the army he earned a Bachelors (UTEP '75) and Masters of Science (Kansas '81) in journalism. He has lived in Tempe since 1990.

NOW THEREFORE, Senator Mitzi Epstein invites the Arizona State Senate to welcome Lt. Colonel Arnold Williams (retired) and to join her in recognizing the contribution of Mrs. Berline Williams to the advancement of civil rights in the education system.

Dated this 20 day of February 2024

Arizona State Senate Minority Leader, LD12

MESSAGES FROM THE HOUSE

The President Pro Tempore announced that without objection, Messages from the House as listed on the calendar would not be read. The messages would be entered in the Journal and the bills placed under Introduction and First Reading of Bills.

(February 19, 2024)

House passed on Third Reading House Bills 2304 (52-0-7-0-1); 2477 (52-0-7-0-1)

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1030

Senate Concurrent Resolution 1030 was introduced and read in full by Senator Rogers as follows:

A Concurrent Resolution recognizing public safety telecommunicators for their tremendous contributions to public safety.

Whereas, public safety telecommunicators are available at all times to answer 911 and other emergency calls involving a variety of situations, including health emergencies, accidents, natural disasters, fires and toxic chemical releases and so much more. Public safety telecommunicators are the first to respond to some of the most critical and life-threatening moments people may face by applying their specialized and lifesaving training to coach callers through the crises until additional emergency responders arrive on the scene. These highly trained individuals also gather essential information during high-risk incidents, such as active shooter situations, to protect the public and provide situational awareness to responding officers; and

Whereas, during life-threatening times of crisis, public safety telecommunicators must quickly and calmly provide an array of accurate, in-depth instructions that can be the difference between life and death. Without the readily available and expert assistance of public safety telecommunicators, critical initial treatment would be delayed, outcomes would be poorer and the results could be fatal; and

Whereas, public safety telecommunicators are a critical link in communications with not only the public but also with fellow first responders. When law enforcement officers, firefighters and emergency medical technicians call on the radio, it is public safety telecommunicators who receive those transmissions and who use their training to route available resources to responders in the field and analyze additional data from record management systems, callers and databases to provide critical information to on-scene units. Public safety telecommunicators play a critical role in every emergency incident, from initial reception through dispatch and until the final disposition; and

Whereas, public safety telecommunicators are often the first to respond to horrific firsthand reports of crimes, accidents and other emergencies. In 2023, the Arizona Legislature extended traumatic event counseling to public safety telecommunicators, recognizing that these dedicated individuals make great sacrifices to serve our communities.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature commend the hardworking members of the public safety telecommunicator profession for their dedication and self-sacrifice and recognize public safety telecommunicators as a vital part of our state and local first responder teams.

Senator Rogers moved that Senate Concurrent Resolution 1030 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1030 was signed in open session. The Secretary recorded the action and transmitted the Resolution to the House.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2054

House Concurrent Resolution 2054 was introduced and read in full by the Reader as follows:

A Concurrent Resolution honoring the Arizona State Society Daughters of the American Revolution.

Whereas, the members of the Arizona State Society Daughters of the American Revolution (DAR) have volunteered their time, talents and resources in their communities since the organization of the State Society and its first chapter in April 1901; and

Whereas, more than 3,000 Daughters in 42 chapters across Arizona have honored our nation's veterans by participating annually in Wreaths Across America, sponsoring a growing number of wreaths each year, with more than 2,500 sponsored in 2022; and

Whereas, Arizona Daughters have also strongly supported Honor Flights by raising nearly \$40,000 to fund the travel of veterans to Washington, D.C., as well as attending send-off and welcome home ceremonies; and

Whereas, the Arizona State Society has supported the education of our state's children through grants to the Phoenix music program Rosie's House, which were used to purchase 49 instruments. Each year dozens of Arizona DAR members volunteer in local classrooms and provide lesson plans to local teachers; and

Whereas, Arizona DAR chapters have enthusiastically supported the Native American community by donating monies to Indian Youth of America Summer Camp in Prescott and other summer programs, providing 2,047 masks and other pieces of personal protective equipment during the pandemic, donating financial resources and goods to tribes, schools and organizations across the state, including providing food and household items to the Northern Arizona VA Health Care System for distribution to homebound Hopi and Tewa Veterans and their families, participating in the annual Sunrise Memorial Service at Piastewa Peak honoring Lori Piastewa and other fallen military heroes and contributing monies to the San Xavier Mission Restoration Project; and

Whereas, in addition to various ongoing community service and statewide efforts, the Arizona State Society also continues to support historic preservation efforts such as funding and dedicating a historical marker in Parker to honor and educate the public about the historic significance of Empire Flat, a steamboat landing on the lower Colorado River used as a transportation corridor from the Gold Rush in California between 1861 until the 1930s, placing an America 250 marker honoring Revolutionary War Patriots at Wesley Bolin Plaza in Phoenix and researching, designing and funding five interpretive panels honoring minority service members stationed at Fort Huachuca during World War II.

Therefore,

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature honor the members of the Arizona State Society Daughters of the American Revolution and State Regent Sallie Beraud Lovorn for their tireless commitment to historic preservation, education and patriotism in our nation and in the Grand Canyon State.

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1231: state crime; illegal border crossings

President Petersen,

Today, I vetoed Senate Bill 1231. This bill does not secure our border, will be harmful for communities and businesses in our state, and burdensome for law enforcement personnel and the state judicial system. Further, this bill presents significant constitutional concerns and would be certain to mire the State in costly and protracted litigation.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On March 18, 2024, the Governor signed and transmitted to the Secretary of State Senate Bills 1059, 1270, 1436, 1560 and House Bill 2379.

The Governor vetoed House Bill 2570 with the following message:

March 18, 2024

The Honorable Ben Toma
Speaker of the House
Arizona State House
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2570: planning; home design; restrictions; prohibition

Speaker Toma,

Today, I have vetoed HB 2570. I was elected on a promise to bring thoughtful leadership to the Governor's Office and always do the right thing for the people of this state, even when it's hard. Unfortunately, this expensive bill is a step too far and I know we can strike a better balance. This is unprecedented legislation that would put Arizonans at the center of a housing reform experiment with unclear outcomes. It lacks the nuance necessary for statewide reform, and I do not believe it is in the best interest of the people in this state.

The bill has unexplored, unintended consequences that are of great concern. For instance, the Department of Defense contacted my office while this bill was on my desk to state their opposition. They expressed very serious concerns that the increased density near military installations would put military operations and homeowners at risk, putting dense development within Accident Potential Zones. Firefighters shared significant public safety concerns highlighting that increased density without corresponding improvements to roads and public infrastructure could lead to traffic congestion during evacuations or delays in emergency response times. These are the examples that demonstrate the potential risks that come with the kind of sweeping reforms in this proposal.

In addition, hundreds of Arizonans and community leaders from across the state have contacted my office about this legislation, with over 90% requesting a veto. Over forty mayors and city council members - Democrats and Republicans from Nogales to Superior to Tucson to Yuma, and every other corner of our state - have expressed concerns about the impacts on infrastructure, water consumption, land use planning, lack of affordability guarantees, and potential legal consequences.

While this expansive proposal is not the right step for our state, I believe there is great promise in other legislative efforts to build more attainable housing. I am supportive of ongoing efforts in the legislature to reach a more balanced solution on other reforms that are still moving through the process including proposals relate to accessory dwelling units (ADUs, also known as casitas), missing middle housing options, commercial repurpose and reuse, and streamlining local approval processes. And I ask that interested stakeholders engage productively in those conversations.

As Governor, I have worked relentlessly to address Arizona's housing affordability challenges. From securing a historic \$150 million to build housing for working-class Arizonans, to maximizing our state's leverage of federal tax credits to build more affordable rental units, to developing the Arizona is Home mortgage assistance program, my administration is serious about producing the housing affordability that our state needs. Regretfully, this bill is not the compromise Arizonans are looking for.

Our constituents want us to take action to make housing more affordable for hard working Arizonans, because the status quo is not acceptable. Building that housing is an important piece of the solution. I am committed to working with stakeholders and members of the legislature to deliver that in more targeted ways. I will continue to champion policies and programs to bring down housing costs for Arizonans and I look forward to working to make that happen.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1045

Senate Concurrent Resolution 1045 was introduced and read in full by the Reader as follows:

A Concurrent Resolution supporting a closer trade partnership between the United States and Taiwan.

Whereas, the trade in goods between the United States and the Republic of China (Taiwan) totaled an estimated \$135.6 billion in 2022, with \$43.7 billion in exports and \$91.8 billion in imports, ranking Taiwan as the 9th largest trading partner of the United States; and

Whereas, 161 members of Congress signed a letter to the then United States Trade Representative on December 19, 2019, while 50 United States Senators signed a separate letter to him on October 1, 2020, both encouraging the United States government to work toward initiating negotiations on a bilateral trade agreement with Taiwan; and

Whereas, the initial agreement of the United States-Taiwan Initiative on 21st-Century Trade, signed on June 1, 2023, represented a milestone for United States-Taiwan trade relations, which will facilitate the development of a roadmap for negotiations on economic and trade agreements with high standard commitments; and

Whereas, Taiwan was Arizona's ninth largest export market in 2022, reaching \$765 million in total United States exports to Taiwan originating from Arizona. In total, more than 7,895 jobs in Arizona are supported by Taiwanese-affiliated companies and the exports of goods and services to Taiwan; and

Whereas, the Taiwan Semiconductor Manufacturing Company (TSMC) has increased its investment from \$12 billion to \$40 billion to construct two advanced fabs in Phoenix, Arizona, making one of the largest foreign investments in United States history. These two fabs will create 10,000 highpaying, hightech jobs, including 4,500 direct TSMC jobs in Arizona over multiple years; and

Whereas, Taiwan's International Trade Administration, the Ministry of Economic Affairs and the Arizona Commerce Authority signed the Memorandum of Understanding on Trade and Economic Cooperation on October 5, 2021, aiming to foster further economic engagement and to establish or expand operations and supply chains cooperation between Taiwan and Arizona; and

Whereas, on July 12, 2013, the President of the United States signed into law H.R. 1151, an act supporting Taiwan's participation as an observer in the International Civil Aviation Organization (ICAO); and

Whereas, on March 18, 2016, the President of the United States signed into law S. 2426, an act directing the United States Secretary of State to develop a strategy to obtain observer status for Taiwan in the International Criminal Police Organization (INTERPOL); and

Whereas, on March 26, 2020, the President of the United States signed into law S. 1678, an act stating that it should be the policy of the United States to advocate, as appropriate, for Taiwan's membership in all international organizations in which statehood is not a requirement and in which the United States is also a participant and for Taiwan to be granted observer status in other appropriate international organizations; and

Whereas, the United States Secretary of State issued a statement on October 26, 2021, encouraging all United Nations Member States to join us in supporting Taiwan's robust and meaningful participation throughout the United Nations system and in the international community; and

Whereas, the Arizona State Legislature passed resolutions in support of Taiwan's participation in international organizations, including INTERPOL and United Nations specialized agencies such as the World Health Organization (WHO), the ICAO and the United Nations Framework Convention on Climate Change (UNFCCC), respectively, in 2012, 2014, 2016, 2017, 2018, 2019, 2020, 2021, 2022 and 2023; and

Whereas, the Taiwan Travel Act, signed into law by the President of the United States on March 16, 2018, allows officials at all levels of the federal government to travel to Taiwan to meet their Taiwanese counterparts and allows highlevel Taiwanese officials to enter the United States under conditions that demonstrate appropriate respect to those officials.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature support the negotiation of a United States-Taiwan bilateral trade agreement and support Taiwan's inclusion in the Indo-Pacific Economic Framework.
2. That the Members of the Legislature support Taiwan's meaningful participation in the United Nations system, including WHO, ICAO and UNFCCC and support Taiwan's inclusion in INTERPOL.
3. That the Members of the Legislature acknowledge the achievements made by Arizona and Taiwan in the fields of economy, trade, technology, education and culture since the establishment of their sister-state relations on July 28, 1980, and encourage the continued bilateral cooperation and exchanges between the two states in the future.

Sincerely,

COMMUNICATIONS FROM THE GOVERNOR

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 2, the Governor signed and transmitted to the Secretary of State House Bills 2012, 2055, 2129, 2146, 2172, 2245, 2252, 2311, 2322, 2370, 2381, 2444, 2482, 2729, Senate Bills 1021, 1055, 1173, 1218, 1342 and 1671.

On April 2, the Governor vetoed Senate Bills 1073, 1343, House Bills 2013, 2019, 2027, 2031, 2123, 2183, 2184, 2271, 2309, 2375, 2502, 2503 and 2629 with the following messages:

April 2, 2024

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1073: obstruction highway; large event; classification

President Petersen,

Today, I vetoed Senate Bill 1073. Recognizing the sanctity of constitutionally protected rights, it is critical that we approach these matters with precision to avoid infringing on Arizonans' freedoms.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1343: agency review; rules; automatic expiration

President Petersen,

Today, I vetoed Senate Bill 1343. The rulemaking process that state agencies follow is rigorous, transparent, and essential to allowing the State government to function and serve Arizonans.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2013: Water improvements program; nonprofit corporations

Speaker Toma,

Today, I vetoed House Bill 2013. This measure does nothing to move the needle on groundwater management or to provide the reforms that are desperately needed by rural communities who are facing depletion of their aquifers.

I have consistently stated that we need to address water policy in a holistic manner that provides real solutions for the challenges we face. I look forward to continuing to work with both the House and the Senate to craft a package of proposals that does exactly this.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2019: Groundwater model; public inspection; challenge

Speaker Toma,

Today, I vetoed House Bill 2019. The Arizona Department of Water Resources publishes its hydrologic models and related information to the Department's website, and this information is readily available to the public. ADWR engages in robust stakeholder engagement on all of its model releases, and this bill would create unnecessary bureaucratic processes that would delay further updates and release of information.

Wednesday, April 3, 2024

I have consistently stated that water policy needs to be addressed in a holistic manner that provides real solutions for the challenges we face throughout the state. I look forward to continuing to work with both the House and the Senate to craft a package of proposals that does exactly this.

Sincerely,

/s/ Katie Hobbs
Governor

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2027: Subsequent AMAs; assured water supply

Speaker Toma,

Today, I vetoed House Bill 2027. This measure unnecessarily codifies a process that the Arizona Department of Water Resources is undertaking in the Douglas Active Management Area and would undergo in any subsequent AMA.

I have consistently stated that water policy needs to be addressed in a holistic manner that provides real solutions for the challenges we face throughout the state. I look forward to continuing to work with both the House and the Senate to craft a package of proposals that does exactly this.

Sincerely,

/s/ Katie Hobbs

Arizona State Senate
1700 W. Washington Street

RE: House Bill 2031: County supervisors; population; membership

Speaker Toma,

Today, I vetoed House Bill 2031. The legislation is unnecessary.

Sincerely,

Governor
State of Arizona

Arizona State Senate
1700 W. Washington Street

RE: House Bill 2123: Wells; water measuring devices; prohibition

Speaker Toma,

Today, I vetoed House Bill 2123. This measure sends the message that Arizona is uninterested in sound management of our precious groundwater supplies. It also contains technical, legal, and practical issues - it would preclude the requirement for measuring devices in certain Irrigation Non-Expansion Areas, and may prevent cities, towns, or irrigation districts from requiring measuring devices on water withdrawn from their own lands and jurisdictions.

I have consistently stated that water policy needs to be addressed in a holistic manner that provides real solutions for the challenges we face throughout the state. I look forward to continuing to work with both the House and the Senate to craft a package of proposals that does exactly this.

Sincerely,

/s/ Katie Hobbs
Governor

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2183: Parental rights; medical records

Speaker Toma,

Today, I vetoed House Bill 2183. The measure as written could put the health and safety of vulnerable Arizonans at risk.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 2, 2024

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2184: Brackish groundwater pilot program

Speaker Toma,

Today, I vetoed House Bill 2184. This measure would alter the FY 2024 General Appropriations Act and should be considered in the full context of budget discussions, not as a standalone bill.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Ben Toma

Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2271: Religious educational institution; special plates

Speaker Toma,

Today, I vetoed House Bill 2271. Establishing special plates that benefit out of state private educational institutions using public resources is not the best use of Arizona taxpayers' money.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street

RE: House Bill 2309: GPLET; agreement posting; abatement period

Speaker Toma,

Today, I vetoed House Bill 2309 because it contains provisions that would have harmful consequences for economic development efforts.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2375: Guaranteed income program; prohibition

Speaker Toma,

Today, I vetoed House Bill 2375. The broad language of this legislation could threaten programs Arizonans rely on such as housing, food, and emergency need programs if administered at the local level.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: House Bill 2502: SNAP; mandatory employment; training

Speaker Toma,

Today, I vetoed House Bill 2502. I have significant concerns about how this legislation will affect the economic well-being of Arizonans participating in the Supplemental Nutrition Assistance Program (SNAP).

I also have strong concerns about how this measure will undermine our state's ongoing efforts to connect SNAP participants with high-quality training and job support services. The SNAP Career Advancement Network (SNAP CAN), which provides SNAP participants in Arizona with employment and training opportunities, is vital to strengthening our economy and moving our state forward, and I am proud of the progress made in this area. Instead of diverting our limited resources to lesser-quality supports, as is contemplated in this bill, I encourage you to join my Administration in expanding SNAP CAN's capacity and help all Arizonans reach their full potential.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Ben Toma
Speaker of the House
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2503: SNAP; waivers; exemptions

Speaker Toma,

Today, I vetoed House Bill 2503. The Supplemental Nutrition Assistance Program (SNAP) provides Arizonans with critical and timely access to food when their communities face economic challenges. This legislation would inhibit our state's ability to respond in these times to support Arizona families, retailers, and farmers, and would instead place additional strain on food banks.

I invite you to join me in productive endeavors to build an affordable and thriving economy for all Arizonans.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: House Bill 2629: Schools; instruction; victims of communism

Speaker Toma,

Today, I vetoed House Bill 2629. While I applaud your efforts to ensure our public school students understand the negative impact communist and authoritarian regimes have had around the world, especially at a time when we see many politicians in our own country warming up to dangerous leaders such as Vladimir Putin, this bill is too prescriptive in dictating instructional requirements to education professionals. In 2022, Representative Nguyen's HB 2008 was enacted into law which requires the State Board of Education to include a comparative discussion of political ideologies, such as communism and totalitarianism, that conflict with the principles of freedom and democracy. This is the appropriate process to modify academic content as it ensures that changes to standards are evaluated by experts in a holistic manner across grade levels, and the public is provided with ample opportunity for review and input. Therefore, I strongly urge the State Board of Education to take action to begin the process of updating the Social Studies Standards and address the issues covered in this legislation.

Finally, in sharing the spirit of this Legislation, I will proclaim this November 7 as Victims of Communism Day.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

On April 8, 2024, the Governor signed and transmitted to the Secretary of State House Bills 2039, 2045, 2064, 2079, 2090, 2110, 2246, 2308, 2316, 2369, 2410, 2424, 2480, 2508, 2645, 2760, 2764, Senate Bills 1025, 1034, 1042, 1048, 1049, 1163, 1190, 1302, 1453, 1558, 1561, 1571 and 1594.

On April 8, 2024, the Governor vetoed House Bills 2157, 2586, 2788, 2793 and 2843 with the following messages:

April 8, 2024

The Honorable Ben Toma
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2157: Probation; termination; deportation

Speaker Toma,

Today, I vetoed House Bill 2157. This legislation is unnecessary. Current policy clearly states that, under the Supreme Court Administrative Directive, a person's probation continues upon returning to the country. If there are counties not in compliance, then they should rectify their policies, and do not need a directive from the State to do so.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 8, 2024

The Honorable Ben Toma
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2586: harmful website content; age verification

Speaker Toma,

Today, I vetoed House Bill 2586. The legislation goes against settled case law. Children's online safety is a pressing issue for parents and the state. While we look for a solution, it should be bipartisan and work within the bounds of the First Amendment, which this bill does not.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 8, 2024

The Honorable Ben Toma
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix AZ, 85007

RE: House Bill 2788: United Nations; sustainable development; prohibition

Speaker Toma,

Today, I vetoed House Bill 2788. Included in the United Nations' core goals is decreasing hunger, poverty, and ensuring a quality education for all, goals that every Arizonan can support. This bill would limit our ability to meaningfully address these issues, and therefore limit our ability to meaningfully address these issues, and therefore limit our ability to ensure the long-term prosperity of Arizona and our constituents.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 8, 2024

The Honorable Ben Toma
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2793: school policies; internet; wireless devices

Speaker Toma,

Today, I vetoed House Bill 2793. This legislation establishes an unnecessary mandate for an issue schools are already addressing.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

April 8, 2024

The Honorable Ben Toma
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2843: defense of premises; definition

Speaker Toma,

Today, I vetoed House Bill 2843. The legislation as written values property over human life and incentivizes vigilantism. This proposal would alter traditional laws on self-defense to allow the unnecessary use of deadly force and further embolden a culture of armed vigilantism and violence with impunity. This is yet another example of extremists in the Arizona Legislature.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

On April 9, 2024, the Governor vetoed House Bill 2125 with the following message:

April 9, 2024

The Honorable Ben Toma
Speaker of the House
Arizona House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2125: annexation; notice; approval

Speaker Toma,

Today, I vetoed House Bill 2125. This legislation would favor the voices of some Arizonans over others, and create an unfair power imbalance in our communities.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

Legislative Recognition

In Remembrance and Condemnation of the 1984 Genocide of over 30,000 Sikhs in India, and in Honor of Arizona's Thriving Sikh community

WHEREAS, the United States of America, having long honored and upheld the sacred rights of freedom of religion and freedom of speech, recognizes that religious liberty does not exist when a person must declare their religious affiliation to a government to obtain permission to practice that religion; and

WHEREAS, Arizona is home to a large Sikh community, which originated in Punjab, India, members of which began immigrating to the United States over 100 years ago; additionally, Sikhism is the world's fifth-largest religion with nearly 30 million adherents, including roughly 1,000,000 in the United States; further, our Sikh citizens in the State of Arizona have been industrious in their work ethic and devoted to family and community; and

WHEREAS, 2024 marks the 40th anniversary of the assassination of India's Prime Minister Indira Gandhi by two of her bodyguards who happened to be Sikhs, giving rise to the unprovoked and brutal murder of over 30,000 innocent Sikh men, women, and children, who were hunted in their homes, on the streets, and in places of refuge, and who were hacked to death or burned alive in the most agonizing and inhumane manner by organized mobs who were transported in buses to descend upon Sikh neighborhoods. Across India, many of the Sikh population fell victim to the firearms, iron rods, knives, clubs, and abundant supply of kerosene used by the mobs, especially in the Trilok Puri Colony in East Delhi, known as the Widow's Colony, one of the poorest parts of the capital which suffered the worst casualties, with eyewitness accounts and compiled evidence showing that the government of India and law enforcement officials organized, participated in, and failed to intervene to prevent the murders; and

WHEREAS, as citizens of the United States who uphold religious liberty as a paramount social right and a fundamental principle in a peaceful civilization, we collectively remember with sorrow the death of innocent multitudes in the 1984 Sikh Genocide; the 2002 Gujarat Genocide against minority Muslims; the 2008 slaughter of innocent Christians in Odisha, India; the 2023 Manipur Massacre of members of the Kuki-Zo tribal community; and the incident in November of 2023, when the long arm of religious hatred reached from India to Vancouver, British Columbia, to assassinate Hardeep Singh Nijjar, a Sikh resident of Canada. And again when a Sikh resident, Gurpatwant Singh Pannun of New York, an activist for an independent Sikh state, was marked for assassination, but FBI intervention prevented his death; and

WHEREAS, Arizona is proud to be the home of industrious Sikhs such as Rala Singh, a farmer well-known as the "King of Melons"; and Jit Singh Pegany, a civil engineer who migrated to the US in 1949 and graduated from the University of Arizona in 1954. Mr. Pegany settled in Phoenix with his family in 1965 and began a successful 65-year practice; the Honorable Dalip Singh Saund from California, the first Sikh congressman; and Dr. Parvinderjit Singh Khanuja™, who is the only person to have a permanent place at the Arizona Museum of Sikhism; and

WHEREAS, the Sikh community has contributed to the success of Arizona's economy, growth, and prosperity as doctors, educators, restaurant owners, owners of gas stations, 7-11s, motels/hotels, IT professionals, etc.,

NOW THEREFORE, on this 40th anniversary year, the members of the Arizona State Senate express sincere sorrow and regret at the brutal, inhuman acts of Sikh genocide by violent fanatics and decry all other similar acts of violence. Further, we take solace, comfort, and joy in the lives and laudable civic contributions of the thriving Sikh community in the State of Arizona and proclaim this day as Sikh Recognition Day.

Dated this 17 day of April 2024

Arizona State Senator LDI

RE: Senate Bill 1097: school districts; partisan elections

Wednesday, April 17, 2024

President Petersen,

Today I vetoed Senate Bill 1097. This bill will further the politicization and polarization of Arizona's school district governing boards whose focus should remain on making the best decisions for students. Partisan politics do not belong in Arizona's schools.

RE: Senate Bill 1146: disclosure; agricultural vaccinations; prohibition

President Petersen,

Today, I vetoed Senate Bill 1146. Vaccines are an important tool for Arizona ranchers and farmers, and the Arizona Department of Agriculture may rely on the use of mRNA vaccines in the future to mitigate disease outbreaks. This bill would pose a risk to the health and safety of Arizonans, as well as the vitality of cattle ranchers and farmers.

RE: Senate Bill 1153: regulatory costs; rulemaking; legislative ratification

RE: Senate Bill 1189: political subdivisions; gun shows; preemption

President Petersen,

Today, I vetoed Senate Bill 1189. I vetoed this exact legislation last legislative session. My position remains unchanged. This bill needlessly restricts the authority of political subdivisions to make decisions about how to keep their communities safe.

RE: Senate Bill 1289: DWR; hydrology reports

President Petersen,

Today, I vetoed Senate Bill 1289. The Arizona Department of Water Resources publishes its hydrologic studies and related information to the Department's website, and this information is readily available to the public. This legislation would drown the Department in paperwork and bureaucracy that will interfere with its core mission of building a sustainable and secure water future for our state.

I have consistently stated that water policy needs to be addressed in a holistic manner that provides real solutions for the challenges we face throughout the state. I look forward to continuing to work with both the House and the Senate to craft a package of proposals that does exactly this.

RE: House Bill 2646: power plants; public service corporations

Speaker Toma,

Today, I vetoed House Bill 2646. Arizona's public service and public power utilities already complete, present, and file comprehensive resource plans that contemplate future demand growth and the resources necessary to meet those demands. Included in these plans are timelines for existing power plant closures. As such, HB2646 creates unnecessary bureaucracy for the state government and public service and public power utilities.

Sincerely,

RE: Senate Bill 1473: agencies; single audit reports; penalty

President Petersen,

Today, I vetoed Senate Bill 1473. Our agencies provide critical services to Arizonans across the state, and should not be punished for leveraging a once in a generation influx of federal funding to improve the lives of everyday Arizonans.

The reporting delays experienced in the single audit were inherited from the previous administration. Our agencies are working diligently to rectify the extended reporting timeline.

Sincerely,

/s/ Katie Hobbs
Governor

Arizona State Senate

Legislative Proclamation

**Arizona's Sovereignty from Participation in the WHO's Pandemic
Prevention Preparedness and Response Accord**

WHEREAS, in May 2024, the World Health Organization (WHO) Pandemic Prevention Preparedness and Response Accord (PPPRA) will become binding upon the United States unless the Biden Administration opposes or delays adoption; and

WHEREAS, there is concern that the U.S.'s participation in the PPPRA will place America's sovereignty in jeopardy by relinquishing national and state power to an international organization over which this country has little to no control; and

WHEREAS, as a signatory to PPPRA, the U.S. would be committed to untold expenditures of taxpayers' money in the form of financial aid and technical support to nations all over the world; and

WHEREAS, this accord establishes WHO as the governing authority on a wide range of healthcare issues, including vaccinations, abortion, and transgender therapy, all of which are rightly in the province of the American people and their representatives; and

WHEREAS, our participation in PPPRA would require the U.S. government to sponsor and fund programs in these areas that are in direct conflict with the principles of the American public; and

WHEREAS, the One Health Initiative is authorized by PPPRA to take action on issues unrelated to healthcare, including climate change and sustainable development, thus expanding WHO's power and control worldwide; and

WHEREAS, , the PPPRA establishes WHO as the "arbiter of truth" on all pandemic related information, thus silencing dissenting voices in direct violation of our First Amendment rights; and

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1046

Senator Gowan introduced Speaker Jim Weiers's family, his spouse, Regina Weiers, his daughter, Jenee Madrueno and his brother, Jerry Weiers, who were seated in the gallery.

Senate Concurrent Resolution 1046 was introduced and read in full by Senator Gowan as follows:

A Concurrent Resolution on the death of the Honorable James P. Weiers.

The Honorable James P. Weiers, longtime House and Senate member and Speaker of the Arizona House of Representatives, passed away quietly on April 19, 2024.

Born on September 8, 1953, and raised in Deadwood, South Dakota, Jim moved with his family in 1965 to Arizona, where he met and married his wife, Gina. The young couple moved to Texas for a short time before returning to Arizona, where he established numerous small businesses. It was his experiences as a small business owner that resulted in one of his lifelong missions to protect small businesses from intrusive and overly burdensome regulation. Jim and Gina became respected members of the Phoenix community where they raised their four children.

Jim Weiers eventually found his way into politics and was first elected to the Arizona House of Representatives on the wave of the Republican Revolution in 1994. Among his many accomplishments, Representative Weiers served the House as vice chairman of the Appropriations Committee, chairman of the Rules Committee and Majority Whip before being elected by his peers as Speaker, from 2001-2002 and again from 2005-2009. He served one term in the Senate, but his heart was always drawn to the fast-paced and adventurous atmosphere of the House.

Speaker Weiers enjoyed Rock, Paper, Scissors, and he engaged in lively debate with a certain university president over whether "Gladiator" or "Terminator" was the all time best movie. His most memorable event was meeting Justice Clarence Thomas to hear firsthand this American hero's journey to the United States Supreme Court. Speaker Weiers' introduction to President George W. Bush resulted in the infamous observation from the POTUS; "Weiers? (in a heavy Texas drawl). "Yes, sir." "Speaker Weiers?" "Yes, sir." "Speaker Weiers" with a hand gesture resembling plugging something in. "Yes sir." "Speaker Weiers! Heh heh."

Speaker Weiers' enthusiasm for discussing issues with constituents dubbed him the absolute slowest signature gatherer. He had a standing rule with staff when briefing him, 15 words or less and no time for explanations.

A strong voice for common sense and reason, Speaker Weiers was a tireless advocate for small businesses, school choice and public safety, and he proved himself to be a pragmatic and dedicated leader before he termed out of office in 2013. He oversaw the bipartisan effort to close the legislature in honor of Martin Luther King, Jr. Day and worked diligently to make the legislative process more accessible to Arizona's citizens by establishing legislative television. Representative Weiers' tremendous record of public service was marked by perseverance, dedication, friendliness and capable leadership, and he earned the respect and admiration of all who had the privilege of working with him over the years.

Despite the demands of his business endeavors and public service, Jim Weiers was a loving and devoted husband and father. He was a regular attendee of the Northwest Church of Christ and enjoyed working on vintage cars, including his 1972 VW Bug, and entertaining large gatherings at his home. He will be greatly missed by his wife, Gina, his four children, Jenee, Jason, Jana and Jared, his twelve grandchildren, his brother, his four sisters and his stepmother.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

Tuesday, May 14, 2024

That the Members of the Legislature express sincere regret at the passing of their friend and colleague, the Honorable Jim Weiers, and extend their deepest condolences to his family and many friends.

Senator Gowan moved that Senate Concurrent Resolution 1046 be unanimously adopted and that the Senate stand in a moment of silence in memory of Speaker Jim Weiers. The motion carried.

Senate Concurrent Resolution 1046 was signed in open session and transmitted to the House.

"Save Your Tooth Month", May 2024

WHEREAS, maintaining proper oral hygiene and preserving natural teeth are essential for optimal oral health, which impacts patients' overall health and well-being; and

WHEREAS, each year, over 15 million teeth are preserved through endodontic treatments, including root canal procedures, emphasizing the importance of saving natural teeth for improved appearance and maintaining essential functions such as chewing and speech; and

WHEREAS, endodontists, as highly skilled dental specialists, excel in diagnosing and treating tooth pain and infection through life-changing endodontic procedures, such as root canals, trauma dental injuries, vital pulp therapy, and apicoectomy, thereby safeguarding patients' natural teeth. With three additional years of training post dental school, endodontists utilize advanced technology and specialized care to best treat tooth pain and infection; and

WHEREAS, endodontists dedicate their dental practice exclusively to endodontic treatments, performing an average of 25 root canal treatments weekly. They frequently collaborate with general dentists to ensure comprehensive dental care and employ a specialized approach that leads to better health outcomes and swift recovery for patients; and

WHEREAS, teeth serve as vital components for nutrition, emotional expression, and overall health indicators. Neglecting oral hygiene can lead to various health complications. Regular dental visits, thorough brushing and flossing twice daily, and avoiding cavity-causing foods and habits are essential steps in maintaining gum, teeth, and mouth health; and

**IN RECOGNITION OF MEMORIALIZING WORLD SCHIZOPHRENIA
AWARENESS DAY IN THE STATE OF ARIZONA**

WHEREAS, It is the custom of the State of Arizona to help increase awareness of mental health conditions that absent early and effective intervention are often severely debilitating, impacting the person their families, and loved ones; AND

WHEREAS, Attendant to such concern, and in full accord with its long-standing traditions, the Arizona Senate is justly proud to proclaim May 24, 2024, as Schizophrenia Awareness Day in the State of Arizona; AND

WHEREAS, Schizophrenia is a serious mental health condition and one of the top 15 leading causes of disability worldwide; AND

WHEREAS, Schizophrenia is characterized by persistent psychotic symptoms such as auditory and/or visual hallucinations, delusional thinking, dissociation from reality, and disorganized thoughts and behavior. These symptoms typically emerge in adolescence or early adulthood and can be persistent and disabling when left untreated, interfering with a person's ability to engage in typical school, work, and social activities; AND

WHEREAS, Schizophrenia affects about 24 million people in the world and about 32,000 people in Arizona, the 9th highest patient count in the United States. The life expectancy of people living with schizophrenia is reduced by 10-20 years compared with the general population, often due to multiple chronic health conditions, and approximately 5% of people living with schizophrenia die by suicide – a rate that is far greater than the general population; AND

WHEREAS, the standard of care for mental health condition treatment has been largely unchanged for over 60 years and many individuals continue to suffer with unmet needs as a result. This is largely because there has been a significant lack of treatment innovation for severe and disabling mental health conditions. Development of First Episode Psychosis treatment protocols is one promising exception. Because of the limited advancements in serious mental health condition treatments, people living with serious and disabling mental health conditions such as schizophrenia need access to new and vital medications and therapeutic treatment and recovery support services, that could enable individuals to live better, more fulfilled lives.

NOW THEREFORE, be it resolved that the Arizona Senate hereby proclaims May 24, 2024, as Schizophrenia Awareness Day in the State of Arizona and I urge all citizens to join me in this special observance.

NOW THEREFORE, We, the Members of the Fifty-Sixth Legislature now assembled in the Second Regular Session, on behalf of the people we represent, take this opportunity to designate May 2024 as Osteoporosis Awareness and Prevention Month and encourage appropriate health programs and activities with respect to promoting good bone health throughout life and preventing and treating osteoporosis.

WHEREAS, per statute, the DD-IOCs provide support to individuals with DD, promote these individuals' rights, and protect these individuals by reviewing Incident Reports (IRs) on death, suicide and attempted suicide, hospitalizations, medical emergencies, possible neglect, or abuse (physical and sexual), medication errors, and financial exploitation, and hold accountable the Division of Developmental Disability ("the Division"), and

WHEREAS, in fiscal year 2023 alone, Linda Mecham, as the Chairperson of the DD-IOC Central District, oversaw analysis of over 107,000 IRs and 524 Behavior Treatment Plans serving nearly 11,000 DD individuals, many of whose legal rights under Arizona law were violated without appropriate response, remedy or accountability by the Division, and

WHEREAS, Linda Mecham's work was grounded in her devotion to her beloved son, Mark, who received services from the Division from age 15 months until he passed away in 2021 at the age of forty-six, and compelled Linda to tirelessly work on behalf of other Arizonans living with developmental disabilities and who, like Mark, could not speak for themselves, and

WHEREAS, Linda Mecham volunteered countless hours every week, alongside mentor and friend, Karen Van Epps, both of them working to prevent institutionalization of individuals with DD and helping these individuals' families, and

WHEREAS, Linda Mecham served the Arizona community as a member of the Developmental Disabilities Advisory Council, the Arizona Consortium for Children with Chronic Illness, the Independent Oversight Committee (Central District), and Program Review Committee, and

WHEREAS, Linda Mecham has tirelessly worked across Arizona by: helping individual DD individuals and their families navigate the state's complex DDD system; traveling to remote parts of Arizona for community forums with DDD staff and families; working steadfastly in settings where she was not always welcomed and felt inadequately equipped to battle a huge system that --- year after year --- ignored developmentally disabled individuals' needs; mentoring families and communities in disability advocacy; collaborating with the Arizona Legislature and executive agencies on common sense, effective ways to improve Arizona's laws and public policy on developmental disability services, and

WHEREAS, Decades of often frustrating service did not dim Linda Mecham's tenacity, and only intensified her determination to secure accountability of the Division and better lives for our developmentally disabled citizens,

NOW THEREFORE, the 56th Legislature of the State of Arizona gratefully recognizes, appreciates, and applauds Linda Mecham, mother and fearless citizen "watchdog" over vulnerable Arizonans living with developmental disabilities, whose work immeasurably improved Arizona's developmental disability system and empowered families to act on behalf of loved ones;

On May 29, 2024, the Governor vetoed Senate Bill 1336 with the following message:

May 29, 2024

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1336: deepfake recordings or images

President Petersen,

Today, I vetoed Senate Bill 1336.

Today I also signed SB1359, which imposes disclosure requirements on computer generated audio, video and images during election periods, and civil penalties for those who violate the statute. Last week, I signed HB2394, which will permit Arizonans who are depicted in deepfakes to sue, seeking declaratory and injunctive relief, or damages similar to a defamation claim.

Upon the Senate's return, I anticipate the transmission of SB1078, which will hold accountable those who create and distribute deepfake content with the intent to defraud or harass. I intend to sign SB 1078. Because SB 1336 significantly overlaps with SB1078, I am vetoing SB1336 as duplicative.

Sincerely,

/s/ Katie Hobbs

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2037

House Concurrent Resolution 2037 was introduced and read in full by Senator Mesnard as follows:

A Concurrent Resolution proclaiming November 7, 2024 as Victims of Communism Day in Arizona.

Whereas, more than 100 years have passed since the Bolshevik Revolution in Russia and the formation of the first communist government under Vladimir Lenin, leading to decades of oppression and violence under communist regimes throughout the world; and

Whereas, based on the economic philosophies of Karl Marx, communism has proven to be incompatible with the ideals of liberty, prosperity and dignity of human life and has given rise to such infamous totalitarian dictators as Vladimir Lenin, Joseph Stalin, Mao Zedong, Fidel Castro and Pol Pot; and

Whereas, communist regimes worldwide have killed more than 100 million people and subjected countless others to exploitation and unspeakable atrocities, with victims representing many different ethnicities, creeds and backgrounds; and

Whereas, through false promises of equality and liberation or through coercion, brutality and fear, communist regimes have systematically robbed their own citizens of the rights of freedom of worship, freedom of speech and freedom of association; and

Whereas, many victims of communism were persecuted as political prisoners for speaking out against these regimes, and others were killed in genocidal state-sponsored purges of undesirable groups; and

Whereas, in addition to violating basic human rights, communist regimes have suppressed intellectual freedom, cultural life and self-determination movements in more than 40 nations.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature proclaim November 7, 2024 as Victims of Communism Day in Arizona.

JOURNAL OF THE SENATE
Wednesday, June 12, 2024

2. That the Members of the Legislature encourage the citizens and schools of this state to observe the day and to honor the millions of people around the world who have fallen victim to communist regimes through poverty, starvation, imprisonment, forced migration, death, violence and suppression of basic human rights.

PERSONAL PRIVILEGE

Senator Marsh requested a point of Personal Privilege and read a legislative proclamation as follows:

Arizona State Senate

Legislative Proclamation

**DECLARING THE FIRST FRIDAY IN JUNE TO BE
NATIONAL GUN VIOLENCE AWARENESS DAY**

WHEREAS, every day, 120 Americans are killed by gun violence and more than 200 are shot and wounded, with an average of nearly 18,000 gun homicides every year; and Americans are 26 times more likely to die by gun homicide than people in other high-income countries; and

WHEREAS, Arizona has 1,290-gun deaths every year, with a rate of 17.2 deaths per 100,000 people, a crisis that costs the state \$15.9 billion each year, of which \$253.2 million is paid by taxpayers. Arizona has the 18th highest rate of gun deaths in the US; and

WHEREAS, gun violence prevention is more important than ever as we see an increase in firearm homicides, and nonfatal shootings across the country, increased calls to domestic violence hotlines, and an increase in city gun violence; protecting public safety in the communities they serve is among a legislator's highest responsibilities; and

WHEREAS, in January 2013, Hadiya Pendleton was tragically shot and killed at age 15; and on June 7, 2024, to recognize the 27th birthday of Hadiya Pendleton (born: June 2, 1997), people across the United States will recognize National Gun Violence Awareness Day and wear orange in tribute to Hadiya Pendleton and other victims of gun violence; and the loved ones of those victims; and

WHEREAS, the idea was inspired by a group of Hadiya's friends, who asked their classmates to commemorate her life by wearing orange; they chose this color because hunters wear orange to announce themselves to other hunters when out in the woods, and orange is a color that symbolizes the value of human life; and

WHEREAS, by wearing orange on June 7, 2024 Americans will raise awareness about gun violence and honor the lives of gun violence victims and survivors and we renew our commitment to reduce gun violence and pledge to do all we can to keep firearms out of the hands of people who should not have access to them, and encourage responsible gun ownership to help keep our families and communities safe.

The Governor vetoed the following:

June 18, 2024

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1007: schools; libraries; explicit materials; classification

President Petersen,

Today, I vetoed Senate Bill 1007. This legislation is an attack on public schools and public libraries, and does nothing to protect minors.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

June 18, 2024

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1435: public entity liability; sexual offenses

President Petersen,

Today, I vetoed Senate Bill 1435. Legislation that expands public entity liability needs to be carefully tailored and thoughtfully executed. This legislation does not meet that standard.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

June 18, 2024

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1511: insurance; gender surgeries; documentation; reports

President Petersen,

Today, I vetoed Senate Bill 1511. This bill is unnecessary and would create a privacy risk for patients.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

June 18, 2024

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1570: psilocybin services; regulation; licensure

President Petersen,

Today, I vetoed Senate Bill 1570. The state's psilocybin research advisory board established last year recently issued its annual report with a clear message: although psilocybin may be a promising treatment in the future, we do not yet have the evidence needed to support widespread clinical expansion.

Arizonans with depression and PTSD deserve access to treatments that may be seen as outside the mainstream, but they should not be the subject of experiments for unproven therapies with a lack of appropriate guardrails.

Additionally, this bill is estimated to have an ongoing cost to the state of nearly \$400,000 per year, which was not funded in the FY25 budget.

Last year's budget included \$5 million for psilocybin research which will be allowed to continue with this year's budget. This will allow research to take place with a goal to ensure that those who seek psilocybin treatment are doing so confidently and safely under proper supervision of qualified professionals with documented and verified research to support the treatment.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

June 18, 2024

The Honorable Ben Toma
Speaker of the House
Arizona State House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2009: real estate; subdivisions; employment agreements

Speaker Toma,

Today, I vetoed House Bill 2009. This legislation lacks consumer protections and may put up an unnecessary barrier to entry into the housing market by forcing homebuyers into unvetted contracts. The homebuying process should be made easier for Arizonans, not harder. The bill represents a serious change in how homebuyers are represented by their agents and would have benefitted from inclusion of language that would ensure homebuyers are protected.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: HB 2017, HB 2020, HB 2062, HB 2127, SB 1172

Speaker Toma & President Petersen,

Today I vetoed the following bills:

- HB 2017 assured water supply; commingling
- HB 2020 long-term storage; stormwater; rainwater; rules
- HB 2062 assured water supply; certificate; model
- HB 2127 assured water supply; certificate; effluent
- SB 1172 land division; water; transportation; turf

House Bills 2017, 2020, 2062, and 2127 threaten to erode the water protections Arizonans rely upon, and do not measure up to the real groundwater challenges we face. These bills would weaken and circumvent the Assured Water Supply regulations that provide consumer protection and promote sustainable water management.

I have also vetoed SB 1172. The concept at the core of this bill - conversion of agricultural lands to lower water use development - is a policy that has broad potential benefits and is one that my Administration supports. However, it is critical that the legislation be carefully crafted to ensure that the water conservation savings and consumer protections are guaranteed. It is clear that the unique data among Arizona's Active Management Areas (AMAs) does not support universal adoption of this program across all four of the state's initial AMAs (Phoenix, Pinal, Prescott, and Tucson), and that more time is needed to develop this concept in collaboration with stakeholders and lawmakers to ensure the legislation is crafted appropriately. I remain committed to these discussions and finding a path forward to responsibly enact this concept.

While more work needs to be done on the "ag-to-urban" legislation, I have signed several key pieces of legislation that promote responsible development and continued sustainable growth, including SB 1081, SB 1181, and SB 1242.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

The Honorable Warren Petersen
President of the Senate
Arizona State Senate
1700 W. Washington Street
Phoenix, AZ 85007

RE: Senate Bill 1155: lifetime probation; sexual offenses; termination

President Petersen,

Today, I vetoed Senate Bill 1155. While clarification around the term "lifetime probation" and what victims and their families can expect is a worthwhile consideration, proposed solutions should not strip away judicial discretion. Qualified judges should have the opportunity to assess someone's assimilation back into society.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

June 21, 2024

The Honorable Ben Toma
Speaker of the House
Arizona State House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2376: federal government; land acquisition; consent

Speaker Toma,

Today, I vetoed House Bill 2376. This legislation would set an unprecedented standard of allowing the state to dictate the sale of private property. It could also undermine conservation efforts and the ability to preserve historic places and archaeological sites.

Additionally, I am concerned about exposing Arizona taxpayers to the legal defense of a bill that stands on questionable constitutional ground.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

June 21, 2024

The Honorable Ben Toma
Speaker of the House
Arizona State House of Representatives
1700 W. Washington Street
Phoenix, AZ 85007

RE: House Bill 2573: use fuel dispenser labels; penalties

Speaker Toma,

Today, I vetoed House Bill 2573. This legislation would reduce accountability and consumer protection measures.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

RE: House Bill 2735: ABOR; course approval; accounting system

Speaker Toma,

Today, I vetoed House Bill 2735. Faculty play a key role in the shared governance of a university's academic and research affairs. Limiting their management participation in the academic affairs of the institution has the potential to weaken the institution and limit the perspectives and expertise included in decision making.

Sincerely,

/s/ Katie Hobbs
Governor
State of Arizona

SENATE RULES

RULE 1 Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2 The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes". If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President may vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve at the President's request, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

N. The President is authorized to bring or assert in any forum on behalf of the Senate any claim or right arising out of any injury to the Senate's powers or duties under the constitution or laws of this state.

RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

RULE 5 Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

B. No Senator shall voluntarily be absent from the service of the Senate without leave of the President.

RULE 6 Questions of Privilege

Questions of privilege shall have precedence over all other questions, except motions to adjourn or recess, or the call of the Senate when no quorum is present.

1. Appropriations
2. Commerce
3. Director Nominations

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees except the Committee on Director Nominations will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. 7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an

amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

E. No committee other than the Rules Committee shall meet while the Senate is meeting in session without special permission of the President.

RULE 8 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A COW consent calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from amended measures reported out of all committees to which they were referred with zero "no" votes. The COW consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest any measure being subject to group motion and adoption of all committee amendments by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the COW consent calendar. Additionally, the filing of a floor amendment with the Secretary of the Senate shall

automatically remove the bill, resolution or memorial from the COW consent calendar. The President may remove a bill, resolution or memorial from the COW consent calendar at any time. Subject to Rule 17-K, the bills, resolutions, or memorials remaining on the COW consent calendar and passed will then be placed on the third reading calendar.

5. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

6. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9 Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10 Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11

Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12

Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13 Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14 Bills, Resolutions, Memorials, Engrossed Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy". Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

RULE 15

Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1

Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16 Order of Business

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

K. The Senate may by a majority vote of the members present bring a bill, memorial or resolution otherwise designated as available for third reading to Committee of the Whole for amendment or further amendment, except no proposed amendment to strike everything after the enacting clause and insert new material is in order.

RULE 18

RULE 20
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application

to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. 2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

When a paper record is eligible for destruction, the custodian shall take proper precautions to destroy the entire file, record, or document by shredding, burning, or pulverizing it. Electronic records shall be deleted from all electronic repositories in which they reside, including servers and hard drives. The custodian may keep a list, containing minimal information, capturing any destroyed items, so that the custodian knows that it has been destroyed and has not been merely misplaced or never existed.

6. Private electronic devices. An electronic message solely sent or received on and maintained on a private electronic device of any legislator, legislative staff member, legislative intern, or legislative contractor is not subject to public inspection.

7. Effective date. The provisions of this rule are applicable to files, records, and documents created before or after the adoption of this rule.

D. Interpretation and enforcement. The maintenance, preservation and destruction of records will be governed solely and exclusively by the provisions of this rule. Any questions or disputes concerning the application of this rule to any specific record or subset of records will be resolved by the President, whose determination will be final. The provisions of this rule will be enforced solely and exclusively by the Senate in accordance with the rules of the Arizona Senate.

E. Retention and disposition schedule. The following records retention periods are finite and absolute. They are *not* minimum retention periods or guidelines. Records may be kept beyond their designated retention periods only if they are relevant to any (1) ongoing administrative or litigation proceeding in which the Senate or the custodian is a party or the recipient of a third party subpoena or (2) pending or prospective administrative or litigation proceeding in which the Senate or the custodian reasonably anticipates it may become a party, or if the custodian believes the record has continuing reference value.
